Section will result in the Master Agreement amendment automatically being incorporated in this PA.

- 7.3. Taxes: The State is generally exempt from payment of state sales and use taxes and from personal property tax for property purchased for its use. The State is generally exempt from payment of federal excise tax under a permanent authority from the District Director of the Internal Revenue Service (Chapter 32 Internal Revenue Code [No. 82-73-0019K]). The Contractor certifies as follows:

- 7.5. Disclosure of Abortion Related Matters: The State is subject to the No Public Funds for Abortion Act, Idaho Code title 18, chapter 87 (the "Act") and State employees who intentionally violate the provisions of the Act are subject to criminal prosecution. This provision is included in this letter to aid in compliance with the Act. The state of Idaho (State) requests that Contractor disclose, unless Contractor is within one of the exemptions provided in the Act, if it or an affiliate is or becomes, during the term of the Contract, an abortion provider and if it will use State facilities or public funds to provide, perform, participate in, promote or induce, assist, counsel in favor, refer or train a person for an abortion related activity. If the State rejects the Property or revokes acceptance of the Property, Contractor shall refund all payments the State made to the Contractor for the Property and shall, at no cost to the State, remove the Property in the State's possession as provided in the notice of rejection or revocation. If no date of removal is specified, Contractor shall remove the Property within fourteen (14) calendar days of the notice.

7.10. ADA Accessibility Compliance

The Contractor must ensure that, at a minimum, all digital products, services, and content provided under this Agreement comply with the Americans with Disabilities Act (ADA), Section 508 of the Rehabilitation Act (as applicable), and the Web Content Accessibility Guidelines (WCAG) version 2.1, Level AA.

- Any digital tools or services procured by the State of Idaho

Accessibility Documentation

For Consumer Off the Shelf (COTS) products, including Software as a Service (SaaS), prior to an Agreement, Contractor must submit accurate Accessibility Conformance Reports (ACRs) created using the applicable sections of the Voluntary Product Accessibility Template® (VPAT®) Revised Section 508 Edition (Version 2.3 or higher) or links to ACRs located on Vendor websites for each proposed product or product family (as applicable). Instructions on how to complete this document are included in the template itself.

ACR must be based on the current product version.

ACR must be evaluated on current WCAG standards as of the date of this agreement.

ACRs based on earlier versions of the product must be made available to the state upon request.

PARTICIPATING ADDENDUM

Led by the **State of Minnesota**

For customized COTS products and solutions, Contractor must submit an ACR and complete the Vendor Accessibility Development Services Questionnaire, which documents Vendor's ability to produce accessible electronic and information resources.

For non-COTS offerings (such as IT-related development services, services that include user-accessed online components, etc.), Contractor must complete a Vendor Accessibility Development Services Questionnaire, which documents Contractor's ability to produce accessible electronic and information resources.

Failure to provide a current ACR that meets these requirements may result in disqualification of the bidder/proposers proposal, delay in Agreement execution, or cancellation of the Agreement.

Accessibility Testing

Contractor shall perform accessibility testing using both automated tools and manual testing methods, including assistive technologies (e.g., screen readers). Any accessibility barriers identified must be addressed prior to final acceptance.

Remediation Responsibilities

If any accessibility violation is known or becomes known to the Contractor during the term of the Agreement, whether by notice from the State of Idaho or through Contractor's own testing, Contractor shall remediate the violation within a time period mutually agreed upon by the parties at no additional cost to the state.

If the product or service cannot fully meet accessibility standards at the time of delivery, Contractor must:

- Provide a detailed remediation plan with timelines;
- Demonstrate reasonable efforts to mitigate impacts on users with disabilities;

Led by the **State of Minnesota**

For any updates, patches, or content changes made during the Agreement term, Contractor must maintain accessibility compliance. The State reserves the right to request updated accessibility conformance documentation at any time.

When updates or upgrades are made to the products or services available through this Agreement, Contractor agrees to document how the changes will impact or improve accessibility and usability. This documentation must be provided to the State in advance of the change, occurring within an agreed-upon timeframe sufficient for the State to review the changes and either approve or request a remediation plan from the Contractor. If agreed-upon updates fail to improve accessibility or usability as planned, failure to comply with this requirement may be cause for Agreement cancellation or default.

Training and Support

Unless agreed to otherwise in Contractor's Terms and Conditions, Contractor must provide training or guidance to agency staff on how to use the product or platform in an accessible manner and how to maintain accessibility in ongoing content or service delivery.

In facilitating Contractor trainings, Contractor shall coordinate and cooperate with State in identifying prospective attendees who may require accommodations and provide such accommodations.

All administrator and end user documentation and training materials delivered by the Vendor must be in compliance with the WCAG 2.1, level AA.

- Requiring the Contractor to cure deficiencies
- State-performed testing or remediation at no cost to the State
- Withholding payment
- Termination of the Contract

7.11. Idaho Administrative Fee and Quarterly Usage Report: This PA is subject to an Administrative Fee of one and one-quarter percent (1.25%), based on orders placed against the PA, as follows:

The prices to be paid by the Purchasing Entity must be inclusive of a one and one-quarter percent (1.25%) Administrative Fee. On a quarterly basis, Contractor must remit to **State**

PARTICIPATING ADDENDUM**PAINT AND PAINT SUPPLIES**Led by the **State of Minnesota**

of Idaho, Attn: Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075 an amount equal to one and one-quarter percent (1.25%) of Contractor's net (sales minus credits) quarterly PA sales.

Contractor must furnish detailed usage reports as designated by the Participating Entity. The Contractor must also submit a summary quarterly report of purchases made from the PA to purchasing@adm.idaho.gov, utilizing the PADD Summary Usage Report Form available for download at <https://purchasing.idaho.gov/vendor-resources/>.

For example: if the total of Contractor's net sales to the Purchasing Entity for one quarter = \$10,000, Contractor would remit $\$10,000 \times 0.0125 = \125 to the Division of Purchasing for what that quarter, along with the required quarterly usage report.

Reporting Timeline (Fiscal Year Quarters): Fee and Report Due:

1st Quarter:	July 1 – September 30	October 31st
2nd Quarter:	October 1 – December 31	January 31st
3rd Quarter:	January 1 – March 31	April 30th
4th Quarter:	April 1 – June 30	July 31st

Refund of Administrative Fee: In the event that this PA is cancelled by the Participating Entity through no fault of the Contractor, or if item(s) are returned by the Purchasing Entity through no fault, act, or omission of the Contractor after the sale of any such item(s) to the Purchasing Entity, the Participating Entity will refund the Contractor any Administrative Fees remitted. Administrative Fees will not be refunded or returned when an item is rejected or returned, or declined, or the PA cancelled by the State due to the Contractor's failure to perform or comply with specifications or requirements of this PA or Master Agreement. If, for any other reason, the Contractor is obligated to refund to the Participating Entity all or a portion of the Participating Entity's payment to the Contractor, or the Participating Entity withholds payment because of the assessment of liquidated damages, the Administrative Fee will not be refunded in whole or in part.

Failure to Remit Administrative Fee: If a Contractor fails to remit the Administrative Fee, as provided above, the Participating Entity, at its discretion, may declare the Contractor in default; cancel the Contract; assess and recover re-procurement costs from the Contractor (in addition to all outstanding Administrative Fees); seek State or federal audits, monitoring or inspections; and/or exclude Contractor from participating in future participating addenda.

- 7.12. **Assignment:** Contractor shall not assign this PA, or its rights, obligations, or any other interest arising from this PA, or delegate any of its performance obligations, without the express written consent of the Administrator of the Division of Purchasing. Transfer without such approval shall cause the annulment of the PA, at the option of the State. All rights of action, however, for any breach of the PA are reserved to the State. (I.C. § 67-9230).

Notwithstanding the foregoing, to the extent required by applicable law (including I.C. § 28-9-406), Contractor may assign its right to payment on an account provided that the

State shall have no obligation to make payment to an assignee until thirty (30) days after Contractor (not the assignee) has provided the responsible procurement officer with (a) proof of the assignment, (b) the identity of the specific state contract to which the assignment applies, and (c) the name of the assignee and the exact address to which assigned payments should be made. The state may treat violation of the clause as an event of default.

- 7.13. Public Records and Trade Secret: A) Pursuant to Idaho Code Section 74-101, et seq., information or documents received by the State will be open to public inspection and copying unless the material is exempt from disclosure under applicable law. The person or entity submitting the material must clearly designate specific information within the document as "exempt," if claiming an exemption; and indicate the basis for such exemption (e.g. Trade Secret). The State will not accept the marking of an entire document as exempt; or a legend or statement on one page that all, or substantially all, of the document is exempt from disclosure.

B) Contractor shall indemnify and defend the State against all liability, claims, damages, losses, expenses, actions, attorney fees and suits whatsoever for honoring such a designation or for the Contractor's failure to designate specific information within the document as exempt. The Contractor's failure to designate as exempt any document or portion of a document that is released by the State shall constitute a complete waiver of any and all claims for damages caused by any such release. If the State receives a request for materials claimed exempt by the Contractor, the Contractor shall provide the legal defense for such claim.

- 7.14. Terms and Conditions in the Master Agreement that Do Not Apply to this PA: Any terms or conditions contained in the Master Agreement that do the following are not applicable to this PA:

Waive the sovereign immunity of the state of Idaho;

Subject the state of Idaho, its agencies, or political subdivisions of the state of Idaho to the jurisdiction of the courts of other states.

Limit the time in which the state of Idaho, its agencies, or political subdivisions of the state of Idaho may bring a legal claim to a period shorter than that provided in Idaho law.

Require the state of Idaho, its agencies, or political subdivisions of the state of Idaho to accept arbitration or to waive right to a jury trial.

Require indemnification not specifically authorized by the Idaho legislature or subject to appropriation (pursuant to Section 67-9213, Idaho Code, and Section 59-1016, Idaho Code).
