*Please note that the WIC One Phase Personal-Use Pump (item # 57023W) is not available, Medela will ship the Two-Phase Personal-Pump (item # 57018W) at the One-Phase Pump price of \$ 80.00.

Contract 01910

Pump Cleanings:

Medela shall provide a minimum of 100 free pump cleanings annually to each participating NASPO VALUE POINT state due to insect infestations.

The 100 free cleanings include the following pumps, under warranty or not:

- ~~Lactina Plus~~ (Discontinued and can not be cleaned or repaired)
- Lactina Select
- Symphony

Pump cleanings include:

- Removing the pump housing
- Cleaning the housing and internal parts
- Inspection
- Computer diagnostic testing
- Re-assembly

Before returning pumps to Medela for the cleaning service, the NASPO VALUE POINT participant should send an email to Medela customer service at accountsupport@medela.com including:

- "Bug Infestation Free Pump Cleaning Service Requested" in the email subject line:
 - Participant name and state
 - Identifying yourself as a member of NASPO VALUE POINT
 - The serial number(s) of the pump(s) being returned
 - Where the pump will be shipped after cleaning including the:
 - Name of the clinic
 - Name of the contact person
 - Phone number and email address
 - Mailing address
 - The name of person authorized to approve repair charges if required, along with their phone number and email address
- Medela will reply to the email authorizing return of the pump(s) for the free cleaning service and provide a return authorization number(s) within five business days. Each pump returned must have a separate number.

Pumps returned to Medela without a pre-issued number will be returned without cleaning. The cost of shipping will be charged to the participant.

NASPO VALUE POINT participants are responsible for paying for the cost of shipping pumps to Medela. Medela will pay for return shipping. If Medela receives a single shipment containing several pumps from a NASPO VALUE POINT participant, Medela reserves the right to complete the cleaning of all the pumps and return them in one shipment. If the NASPO VALUE POINT participant requests the pumps be returned as they are cleaned, the NASPO VALUE POINT participant will be responsible for the return shipping cost of each pump after the first one.

All pumps returned for repair or cleaning should be sent to the following address:

**Medela, Inc.
1101 Corporate Drive
Door 4501
McHenry, IL 60050**

Please write the provided number or numbers if multiple pumps, on the outside of the shipping package.

Additional information regarding Bug Infested Pump Charges:

Medela will provide special pricing on level 3 repairs per each instance of bug infestation. The price of \$199 (original price was \$350) for each level 3 repair of a Lactina due to bug infestation will remain in place for the duration of the NASPO VALUE POINT contract not to exceed January 17, 2017.

The \$199 price for a level 3 repair due to bug infestation is provided after the 100 free cleaning provision is reached. Any other level 3 repair outside of bug infestation and no longer under warranty would be covered at the standard pricing.
