

WSCA Agents and WSCA Resellers by State

Wednesday, June 10, 2015

WSCA Agents: Partners authorized by Lenovo and approved by the State to assist end users in locating products/services. These partners refer end users to Lenovo to place orders for WSCA approved products and services. WSCA Agents ARE NOT RESELLERS and cannot accept orders from end users NOR accept payment. ALL purchase orders are made out to Lenovo.

If a WSCA Agent did assist you with your order:

- 1.) Make your Purchase Order out to Lenovo (not the WSCA Agent)
- 2.) Include the WSCA Agents' Agent ID (BP ID/LOCID) on the Purchase Order (a 5 or 10 digit code identifying the WSCA Agent, will be supplied by Agent or listed below)

WSCA Resellers: Partners authorized by Lenovo and approved by the State to assist end users in locating products and services at prices and terms established by Lenovo and the State by the WSCA/NASPO Master Agreement. These partners are allowed to directly accept purchase orders and payments for WSCA approved products and services from end users. Partners manage the product and services order process from order receipt and delivery to payment receipt.
