**No. 24823**

### **POLICE RADAR/LIDAR SPEED ENFORCEMENT & ACCIDENT SCENE RECONSTRUCTION**

**FOR**

#### **CONTRACT CATEGORY ONE, Group A4 – Speed Enforcement & Group B3 – Speed Advisory Systems**

This Cooperative Purchasing Agreement (“Cooperative Purchasing Agreement”) is made and entered into by and between Enterprise Services acting by and through the State of Washington (“Enterprise Services”) and MPH Industries, Inc., a Kentucky Corporation, (“Contractor”) and is dated and effective as of September 1, 2024.

### **RECITALS**

- A. **CONTRACTS FOR GOODS AND/OR SERVICES.** Pursuant to Legislative authorization, Enterprise Services, on behalf of the State of Washington, is authorized to develop, solicit, and establish contracts for goods and services to support Washington state agencies. See RCW 39.26.050(1). The Washington State Legislature has authorized Enterprise Services to make these contracts available, pursuant to agreement in which Enterprise Services ensures full cost recovery, to other local or federal government agency or entity, certain public benefit nonprofit organizations, or any tribes located in the State of Washington. See RCW 39.26.050(1) & (2).
- B. **COOPERATIVE PURCHASING.** The Washington State Legislature also has authorized Enterprise Services, on behalf of the State of Washington, to participate in, sponsor, conduct, or administer certain cooperative purchasing agreements. See RCW 39.26.060(1). Such cooperative purchasing agreements are designed to function as cost-effective and efficient enterprise procurement solutions for Washington state agencies and other specified eligible purchasers, authorized by Enterprise Services, to procure goods and/or services from awarded contractors pursuant to a competitive solicitation process. See RCW 39.26.060(2).
- C. **COOPERATIVE PURCHASING – ENTERPRISE SERVICES’ ROLE.** In regard to cooperative purchasing, Enterprise Services’ role and responsibility differs depending on whether Enterprise Services, on behalf of the State of Washington, is exercising its authority to participate in an established cooperative purchasing agreement (e.g., join an existing cooperative purchasing agreement and specify the scope of such joinder and eligible purchasers) or is exercising its authority to collaborate, for example, with one or more other states to develop, solicit, and award a cooperative purchasing agreement. See RCW 39.26.060(1).
- D. **COOPERATIVE PURCHASING – ENTERPRISE SERVICES’ MULTI-STATE PROCUREMENT COLLABORATION THROUGH NASPO VALUEPOINT.** One of the approaches that Enterprise Services utilizes to collaborate with other states to develop, solicit, and award a cooperative purchasing agreement, is NASPO ValuePoint. NASPO Cooperative Organization LLC, doing business as NASPO ValuePoint, is a nonprofit subsidiary of the National Association of State Procurement Officials (NASPO). The NASPO ValuePoint cooperative program is led by state procurement officers from member states. NASPO ValuePoint does not solicit, evaluate, or award cooperative purchasing agreements; rather, NASPO ValuePoint assists

states, for an administrative fee, in their multi-state procurement collaboration to design and implement competitively solicited and awarded cooperative purchasing agreements.

- E. COOPERATIVE PURCHASING – NASPO VALUEPOINT COOPERATIVE MODEL. Pursuant to the NASPO ValuePoint cooperative model, a designated state serves as the ‘lead state’ to conduct a competitive procurement in compliance with the lead state’s procurement laws and award a cooperative purchasing agreement with a contractor for the specified goods and/or services. States (including the District of Columbia and the organized territories of the United States), including the lead state, then may participate in the awarded cooperative purchasing agreement(s) by executing a participating addendum with the awarded contractor. Until a participating addendum is executed by the applicable state (a ‘participating entity’), no agency or other eligible organization (a ‘purchasing entity’) may purchase any goods and/or services pursuant to the cooperative purchasing agreement. Under Washington law, at the time of the competitive solicitation, states may provide supplemental terms and conditions to inform such state’s use of the resulting cooperative purchasing agreement. In addition, pursuant to their participating addendum, states may require certain administrative terms and conditions (e.g., a vendor management fee for sales within the state, state registration and reporting). Awarded contractors, however, have no obligation to condition execution of a participating addendum on substantive terms and conditions that were not competitively procured.
- F. COMPETITIVE SOLICITATION FOR COOPERATIVE PURCHASING AGREEMENT(S). Enterprise Services, with administrative support from NASPO ValuePoint, issued Competitive Solicitation No. 24823 dated January 22, 2024, to solicit bids, by Contract Category and Group, for specified *Goods and/or Services* collectively referred to as Police Radar/Lidar Speed Enforcement & Accident Scene Reconstruction or Police Radar/Lidar. Pursuant to the Competitive Solicitation, bidders were able to bid for some or all of the specified Contract Categories and Groups that comprised the solicited *Goods and/or Services*. Nineteen (19) states indicated an intent to utilize the resulting cooperative purchasing agreement.
- G. AWARDED CONTRACTOR FOR COOPERATIVE PURCHASING AGREEMENT. Enterprise Services and a multi-state stakeholder team consisting of representatives from Washington, California, Nevada, Oklahoma, and South Carolina, evaluated all responsive bids to the Competitive Solicitation and identified *Contractor* as an apparent successful bidder for the specified Contract Category(ies) and Group(s) identified above.
- H. COOPERATIVE PURCHASING AGREEMENT. The purpose of this *Cooperative Purchasing Agreement* is to establish commercially reasonable contractual terms and conditions for authorized *Purchasing Entities* to purchase specified *Goods and/or Services* from *Contractor*, as set forth herein.

At *Purchasing Entity's* option, and without limiting any other rights, *Purchasing Entity* may require *Contractor*, consistent with the warranty terms, to replace any non-conforming *Goods and/or Services*, at *Contractor's* expense or, at *Purchasing Entity's* option, *Purchasing Entity* may note any damage to the *Goods and/or Services* on the receiving report, decline acceptance, and deduct the cost of rejected *Goods and/or Services* from payment. Payment for any *Goods and/or Services* under such *Purchase Order* shall not be deemed acceptance of the *Goods and/or Services*.

- (a) All *Goods and/or Services* are subject to inspection at reasonable times and places before acceptance. *Contractor* shall provide right of access to the *Lead State*, or to any other authorized agent or official of the *Lead*

*State or Participating Entity or Purchasing Entity*, at reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance requirements under this *Cooperative Purchasing Agreement*. Any *Goods and/or Services* that do not meet specifications or requirements herein, may be rejected. Failure to reject upon receipt, however, does not relieve *Contractor* of liability for material (nonconformity that substantially impairs value) latent or hidden defects subsequently revealed when the *Goods and/or Services* are put to use. Acceptance of such *Goods and/or Services* may be revoked in accordance with the provisions of the applicable commercial code, and *Contractor* shall be liable for any resulting expense incurred by *Purchasing Entity* related to the preparation and shipping of any *Goods and/or Services* rejected and returned.

This subsection also does not limit any right of the Lead State to cancel the Cooperative Purchasing Agreement under applicable laws.
- 13.7. ADDITIONAL AGREEMENT WITH NASPO. Upon request by NASPO ValuePoint, awarded Contractor shall enter into a direct contractual relationship with NASPO ValuePoint related to Contractor's obligations to NASPO ValuePoint under the terms of the Cooperative Purchasing Agreement, the terms of which shall be the same or similar (and not less favorable) than the terms set forth in the Cooperative Purchasing Agreement.

#### **14. RECORDS RETENTION & AUDITS.**

- 14.1. RECORDS RETENTION. *Contractor* shall maintain books, records, documents, and other evidence pertaining to this *Cooperative Purchasing Agreement* and *Purchase Orders* placed by *Purchasing Entities* under it to the extent and in such detail as shall adequately reflect performance and administration of payments and fees. *Contractor* shall retain such records for a period of six (6) years following expiration or termination of this *Cooperative Purchasing Agreement* or final payment for any *Purchase Order* placed by a *Purchasing Entity* against this *Cooperative Purchasing Agreement*, whichever is later; Provided, however, that if any litigation, claim, or audit is commenced prior to the expiration of this period, such period shall extend until all such litigation, claims, or audits have been resolved.
- 14.2. AUDIT. Upon reasonable advance written notice, *Enterprise Services* reserves the right to audit, or have a designated third-party audit, applicable records to ensure that *Contractor* has properly invoiced *Purchasing Entities* and that *Contractor* has paid all applicable fees

pertaining to this *Cooperative Purchasing Agreement*. Accordingly, *Contractor* shall permit *Enterprise Services*, any *Purchasing Entity*, and any other duly authorized agent of a governmental agency, to audit, inspect examine, copy and/or transcribe *Contractor's* books, documents, papers and records directly pertinent to this *Cooperative Purchasing Agreement* or *Purchase Orders* placed by a *Purchasing Entity* under it for the purpose of making audits, examinations, excerpts, and transcriptions. This right shall survive for a period of six (6) years following expiration or termination of this *Cooperative Purchasing Agreement* or final payment for any *Purchase Order* placed by a *Purchasing Entity* against this *Cooperative Purchasing Agreement*, whichever is later; Provided, however, that if any litigation, claim, or audit is commenced prior to the expiration of this period, such period shall extend until all such litigation, claims, or audits have been resolved.

- 14.3. OVERPAYMENT OF PURCHASES OR UNDERPAYMENT OF FEES. Without limiting any other remedy available to any *Purchasing Entity*, *Contractor* shall reimburse *Purchasing Entities* for any overpayments inconsistent with the terms of this *Cooperative Agreement* or *Purchase Orders*, at a rate of 125% of such overpayments, found as a result of the examination of the *Contractor's* records.

## 15. INSURANCE.

- 15.1. REQUIRED INSURANCE. During the term of this *Cooperative Purchasing Agreement*, *Contractor*, at its expense, shall maintain in full force and effect the insurance coverages set forth in *Exhibit A – Insurance Requirements*. All costs for insurance, including any payments of deductible amounts, shall be considered incidental to and included in the prices for *Goods and/or Services* and no additional payment shall be made.
- 15.2. WORKERS COMPENSATION. *Contractor* shall comply with applicable workers compensation statutes and regulations (e.g., Title 51 RCW, Industrial Insurance). If *Contractor* fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, *Enterprise Services* may terminate this *Cooperative Purchasing Agreement*. This provision does not waive any of the Washington State Department of Labor and Industries (L&I) rights to collect from *Contractor*. If *Contractor* performs services on behalf of a *Purchasing Entity* in the State of Washington, and only to the extent of claims against *Contractor* by *Purchasing Entity* under the Indemnity obligations in this *Cooperative Purchasing Agreement*, *Contractor* expressly waives any immunity it may be granted under the Washington State Industrial Insurance Act, Title 51 RCW. *Contractor's* indemnification obligation shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable to or for any third-party under workers' compensation acts, disability benefit acts, or other employee benefit acts. The parties expressly acknowledge and certify that the waiver of immunity under Title 51 RCW was mutually negotiated and agreed upon.
- 15.3. INSURANCE CERTIFICATE. Prior to commencement of performance, *Contractor* shall provide to *Enterprise Services* a written endorsement to the *Contractor's* general liability insurance policy or other documentary evidence acceptable to *Enterprise Services* that: (a) names the State of Washington and *Enterprise Services* as additional insureds; (b) provides for written notice of cancellation delivered in accordance with the policy provisions; and (c) provides that the *Contractor's* liability insurance policy shall be primary, with any liability insurance of any *Participating Entity* as secondary and noncontributory. Unless otherwise agreed in any *Participating Addendum*, other state *Participating Entities'* rights and *Contractor's* obligations

are the same as those specified in the first sentence of this subsection except the endorsement is provided to the applicable state.

#### **16. PUBLIC INFORMATION & PUBLIC RECORDS DISCLOSURE REQUESTS.**

- 16.1. WASHINGTON'S PUBLIC RECORDS ACT. Unless statutorily exempt from public disclosure, this *Cooperative Purchasing Agreement* and all related records are subject to public disclosure as required by Washington's Public Records Act, RCW 42.56.
- 16.2. PARTICIPATING ADDENDUMS. *Participating Addendums* and related records shall be subject to public disclosure as required by applicable law pertaining to such *Participating Entity* or *Purchasing Entity*.
- 16.3. CONTRACTOR OBLIGATION. *Contractor* shall identify and mark the precise portion(s) of the relevant page(s) of any records provided to *Enterprise Services* that *Contractor* believes are statutorily exempt from disclosure and identify the precise statutory basis for exemption from disclosure. In addition, if, in *Contractor's* judgment, certain portions of such records are not statutorily exempt from disclosure but are sensitive because particular portions of *Contractor's* records (NOT including pricing) include highly confidential, proprietary, or trade secret information (or the equivalent) that *Contractor* protects through the regular use of confidentiality or similar agreements and routine enforcements through court enforcement actions, *Contractor* shall identify and mark the precise portion(s) of the relevant page(s) of any records that include such sensitive information.
- 16.4. ENTERPRISE SERVICES' OBLIGATION. In the event that *Enterprise Services* receives a public records disclosure request pertaining to records that *Contractor* has submitted and marked either as (a) statutorily exempt from disclosure; or (b) sensitive, *Enterprise Services*, prior to disclosure, shall do the following: *Enterprise Services'* Public Records Officer shall review any records marked by *Contractor* as statutorily exempt from disclosure. In those situations, where the designation comports with the stated statutory exemption from disclosure, *Enterprise Services* shall redact or withhold the record(s) as appropriate. For records marked 'sensitive' or for records where *Enterprise Services* determines that no statutory exemption to disclosure applies or is unable to determine whether the stated statutory exemption to disclosure properly applies, *Enterprise Services* shall notify *Contractor*, at the address provided in the Contract, of the public records disclosure request and identify the date that *Enterprise Services* intends to release that the record(s) (including records marked 'sensitive' or exempt from disclosure) to the requester unless *Contractor*, at *Contractor's* sole expense, timely obtains a court order enjoining *Enterprise Services* from such disclosure. In the event *Contractor* fails to timely file a motion for a court order enjoining such disclosure, *Enterprise Services* shall release the requested record(s) on the date specified. *Contractor's* failure properly to identify exempted or sensitive information or timely respond after notice of request for public disclosure has been given shall be deemed a waiver by *Contractor* of any claim that such records are exempt or protected from public disclosure.

## 17. CLAIMS.

- 17.1. ASSUMPTION OF RISKS; CLAIMS BETWEEN THE PARTIES. *Contractor* assumes sole responsibility and all risks of personal injury or property damage to itself and its employees and agents to the extent caused by its operations under this *Cooperative Purchasing Agreement*. *Enterprise Services* has made no representations regarding any factor affecting *Contractor's* risks. *Contractor* shall pay for all damage to any *Purchasing Entity's* property resulting directly or indirectly from *Contractor's* acts or omissions under this *Cooperative Purchasing Agreement*, to the extent attributable to negligence by *Contractor* or its agents.
- 17.2. THIRD-PARTY CLAIMS; INDEMNITY. To the fullest extent permitted by law, *Contractor* shall defend, indemnify, and hold *Enterprise Services*, any *Purchasing Entity*, and *NASPO ValuePoint* and their respective employees and agents harmless from and against all claims, demands, judgments, assessments, damages, penalties, fines, costs, liabilities, or losses including, without limitation, sums paid in settlement of claims, attorneys' fees, consultant fees, and expert fees (collectively "Claims") to the extent arising out of *Contractor's* or its successors', agents', and/or subcontractors' negligence, other tortious fault, or intentional misconduct under this *Cooperative Purchasing Agreement*. *Contractor* shall take all steps needed to keep *Purchasing Entity's* property free of liens arising from *Contractor's* activities, and promptly obtain or bond the release of any such liens that may be filed. The *Parties* agree that this section is not subject to any limitations of liability in this *Cooperative Purchasing Agreement* or in any other document executed in conjunction with this *Cooperative Purchasing Agreement*.
- 17.3. INDEMNIFICATION – INTELLECTUAL PROPERTY. To the fullest extent permitted by law, *Contractor* shall defend, indemnify, and hold *Enterprise Services*, any *Purchasing Entity*, and *NASPO ValuePoint* and their employees and agents harmless from against any and all Claims resulting from allegations of infringement of any patents, copyrights, trade secret, or similar intellectual property rights covering the *Goods and/or Services* provided, or the use of the *Goods and/or Services* under this *Cooperative Purchasing Agreement*. If *Purchasing Entity's* use of *Goods and/or Services* provided by *Contractor* is enjoined based on an intellectual property infringement Claim, *Contractor* shall, at its own expense, either procure for *Purchasing Entity* the right to continue using the *Goods and/or Services* or, after consulting with *Purchasing Entity* and obtaining *Purchasing Entity's* consent, replace or modify the *Goods and/or Services* with substantially similar and functionally equivalent non-infringing *Goods and/or Services*.
- 17.4. CLAIM PROTOCOL. *Purchasing Entity* shall give *Contractor*: (i) prompt written notice of a claim pursuant to Section 17.2 or 17.3; and (ii) assistance and information reasonably requested by *Contractor*. Notwithstanding the foregoing, *Contractor* shall not be liable for any infringement arising from: (i) the integration or combination of the Goods together with other software, materials or products not integrated or combined by *Contractor*, if the infringement would have been avoided in the absence of such integration or combination; (ii) modifications to the Goods that were not authorized by *Contractor*; or (iii) *Purchasing Entity's* use of the Goods in a manner that does not comply with this the *Contractor's* software license agreement (pursuant to Section 9.5) and documentation.

18. DISPUTE RESOLUTION. The *Parties* shall cooperate to resolve any dispute pertaining to this *Cooperative Purchasing Agreement* efficiently, as timely as practicable, and at the lowest possible level with authority to resolve such dispute. If, however, a dispute persists and cannot be resolved, it may be

escalated within each organization. In such situation, upon notice by either party, each party, within five (5) business days shall reduce its description of the dispute to writing and deliver it to the other party. The receiving party then shall have three (3) business days to review and respond in writing. In the event that the *Parties* cannot then agree on a resolution of the dispute, the *Parties* shall schedule a conference between the respective senior managers of each organization to attempt to resolve the dispute. In the event the *Parties* cannot agree, either party may resort to court to resolve the dispute.

## **19. TERMINATION; EXPIRATION; SUSPENSION; & REMEDIES.**

19.1. TERMINATION. This *Cooperative Purchasing Agreement* may be terminated:

- (a) Upon the mutual written agreement of the *Parties*;
- (b) By the non-breaching party where the breach is not cured within thirty (30) calendar days after written notice of breach is delivered to the breaching party, unless a different time for cure is otherwise stated in this *Cooperative Purchasing Agreement*; and
- (c) As otherwise expressly provided for in this *Cooperative Purchasing Agreement*.

This *Cooperative Purchasing Agreement* shall terminate automatically and without further action if a party becomes insolvent or is placed in receivership, reorganization, liquidation, or bankruptcy. In addition to any other available remedies, the non-breaching party may terminate this *Cooperative Purchasing Agreement* as provided in subsection (b) above without further liability by written notice to the breaching party. A termination for breach will not affect rights or obligations accrued or owed before the effective date of the termination notice.

19.2. TERMINATION FOR WITHDRAWAL OF AUTHORITY. *Enterprise Services* may suspend or terminate this *Cooperative Purchasing Agreement* if, during the term hereof, *Enterprise Services'* procurement authority is withdrawn, reduced, or limited such that *Enterprise Services*, in its judgment, would lack authority to enter into this *Cooperative Purchasing Agreement*; Provided, however, that such suspension or termination for withdrawal of authority shall only be effective upon twenty (20) days prior written notice; and Provided further, that such suspension or termination for withdrawal of authority shall not relieve any *Participating Entity* or *Purchasing Entity* from payment for *Goods and/or Services* already ordered as of the effective date of such notice. Except as stated in this provision, in the event of such suspension or termination for withdrawal of authority, neither *Enterprise Services* nor any *Participating Entity* or *Purchasing Entity* shall have any obligation or liability to *Contractor*. *Contractor* shall be entitled to seek compensation to the extent *Contractor* provides documentary evidence that *Contractor* has incurred additional costs as a result of the suspension.

19.3. TERMINATION FOR PUBLIC CONVENIENCE. *Enterprise Services*, for public convenience, may terminate this *Cooperative Purchasing Agreement*; Provided, however, that such termination for public convenience must, in *Enterprise Services'* judgment, be in the best interest of the State of Washington; and Provided further, that such termination for public convenience shall only be effective upon sixty (60) days prior written notice; and Provided further, that such termination for public convenience shall not relieve any *Participating Entity* or *Purchasing Entity* from payment for *Goods and/or Services* already ordered as of the effective date of

such notice. Except as stated in this provision, in the event of such termination for public convenience, neither *Enterprise Services* nor any *Participating Entity* or *Purchasing Entity* shall have any obligation or liability to *Contractor*.

- 19.4. PURCHASING ENTITY OBLIGATIONS – EXPIRATION. Upon expiration of this *Cooperative Purchasing Agreement*, *Purchasing Entity* shall accept and take delivery of all outstanding and not yet fulfilled *Purchase Orders* and pay *Contractor* the price as set out in this *Cooperative Purchasing Agreement*. Notwithstanding any provision to the contrary, in no event shall a *Purchasing Entity's Purchase Order* pursuant to this *Cooperative Purchasing Agreement* that is executed prior to expiration of this *Cooperative Purchasing Agreement* allow for *Contractor* to provide *Goods and/or Services* more than twelve (12) months beyond the expiration date of the *Cooperative Purchasing Agreement*.
- 19.5. CONTRACTOR OBLIGATIONS – EXPIRATION OR TERMINATION. Upon expiration or termination of this *Cooperative Purchasing Agreement*, *Contractor* shall: (a) continue to fulfill its warranty obligations with respect to any *Goods and/or Services* sold hereunder and all provisions of the *Cooperative Purchasing Agreement* that, by their nature, would continue beyond the expiration, termination, or cancellation of the *Cooperative Purchasing Agreement* shall so continue and survive; and (b) promptly return to *Purchasing Entity* all keys, badges, and other materials supplied by *Purchasing Entity* for the performance of any *Purchase Order* entered into pursuant to this *Cooperative Purchasing Agreement*.
- 19.6. DEFAULT. Any of the following events shall constitute cause for *Enterprise Services* to declare *Contractor* in default of this *Cooperative Purchasing Agreement*:
- (a) *Contractor* fails to perform or comply with any of the terms or conditions of this *Cooperative Purchasing Agreement*;
  - (b) *Contractor* fails to timely report sales required by this *Cooperative Purchasing Agreement* when due;
  - (c) *Contractor* fails to timely pay fees required by this *Cooperative Purchasing Agreement* when due;
  - (d) *Contractor* fails to maintain the insurance coverages specified herein or timely provide to *Enterprise Services* the Certificate of Insurance and updates thereto specified herein;
  - (e) *Contractor* breaches any representation or warranty provided herein; or
  - (f) *Contractor* enters into proceedings relating to bankruptcy, whether voluntary or involuntary.
- 19.7. SUSPENSION & TERMINATION FOR DEFAULT. *Enterprise Services* may suspend *Contractor's* operations under this *Cooperative Purchasing Agreement* immediately by written cure notice of any default. *Contractor* may be required to submit a written cure plan within five (5) business days of such suspension notification. Suspension shall continue until the default is remedied to *Enterprise Services' reasonable satisfaction*; Provided, however, that, if after thirty (30) days from such a suspension notice if *Contractor* has not completed all of the actions set forth in the written cure plan within the timeframe identified in the written cure plan, *Enterprise Services* may terminate *Contractor's* rights under this *Cooperative Purchasing Agreement*. All of *Contractor's* obligations to *Enterprise Services* and *Purchasing Entities*

survive termination of Contractor's rights under this Cooperative Agreement, until such obligations have been fulfilled.

19.8. REMEDIES FOR DEFAULT.

- (a) *Enterprise Services'* rights to suspend and terminate *Contractor's* rights under this *Cooperative Purchasing Agreement* are in addition to all other available remedies.
- (b) In the event of termination for default, *Enterprise Services* may exercise any remedy provided by law including, without limitation, the right to procure for all *Purchasing Entities* replacement *Goods and/or Services*. In such event, Contractor shall be liable to *Enterprise Services* for damages as authorized by law including, but not limited to, any price difference between the *Cooperative Purchasing Agreement* price and the replacement or cover price as well as any administrative and/or transaction costs directly related to such replacement procurement – e.g., the cost of the competitive procurement. *Enterprise Services* and *Purchasing Entities* shall mitigate damages and provide *Contractor* with detailed invoices substantiating the charges.
- (c) Unless otherwise specified in the *Participating Addendum*, in the event of a default under a *Participating Addendum*, a *Participating Entity* shall provide a written notice of default as described in this section and have all of the rights and remedies under this section regarding its participation in the *Cooperative Purchasing Agreement*, in addition to those set forth in its *Participating Addendum*. Unless otherwise specified in a *Purchase Order*, a *Purchasing Entity* shall provide written notice of default as described in this section and have all of the rights and remedies under this paragraph and any applicable *Participating Addendum* with respect to a *Purchase Order* placed by the *Purchasing Entity*. Nothing in this *Cooperative Purchasing Agreement* shall be construed to limit the rights and remedies available to *Purchasing Entity* under the applicable commercial code.

19.9. LIMITATION ON DAMAGES. Notwithstanding any provision to the contrary, the *Parties* agree that in no event shall any party or *Purchasing Entity* be liable to the other for exemplary or punitive damages and that each party's liability shall not exceed \$2,000,000 per occurrence; Provided, however, that nothing contained in this section shall in any way exclude or limit: (a) a party's liability for all damages arising out of that party's intentional acts or omissions; (b) the operation of any *Goods and/or Services* warranty provided in this *Cooperative Purchasing Agreement*; or (c) damages subject to the Intellectual Property Indemnity section of this *Cooperative Purchasing Agreement*; (d) non-payment for delivered *Goods and/or Services* due ONLY by the receiving *Purchasing Entity* (see Section 3.2 & 3.3); and (e) infringement or misappropriation of the intellectual property rights of *Contractor*. Any limitation of either party's obligations under this *Cooperative Purchasing Agreement*, by delivery slips or other documentation is void.

19.10. SUSPENSION/TERMINATION PROCEDURE. Regardless of basis, in the event of suspension or termination (in full or in part), the *Parties* shall cooperate to ensure an orderly and efficient suspension or termination. Accordingly, *Contractor* shall deliver to *Purchasing Entities* all *Goods and/or Services* that are complete (or with approval from *Enterprise Services*, substantially complete) and *Purchasing Entities* shall inspect, accept, and pay for the same in accordance with this *Cooperative Purchasing Agreement* and the applicable *Purchase Order*.

Unless directed by *Enterprise Services* to the contrary, *Contractor* shall not process any *Purchase Orders* after notice of suspension or termination inconsistent therewith.

**20. PURCHASE ORDER TERMINATION.** *Purchase Orders* between *Purchasing Entities* and *Contractor* may be terminated as follows:

- (a) upon the mutual written agreement of the parties to the *Purchase Order*;
- (b) by the non-breaching party where the breach of the *Purchase Order* is not cured within thirty (30) calendar days after written notice of breach is delivered to the breaching party, unless a different time for cure is otherwise stated in the applicable *Purchase Order*; and
- (c) as otherwise expressly provided for in the applicable *Purchase Order*.

*Purchase Orders* shall terminate automatically and without further action if a party to such *Purchase Order* becomes insolvent or is placed in receivership, reorganization, liquidation, or bankruptcy. In addition to any other available remedies, the non-breaching party may terminate the *Purchase Order* as provided in subsection (b) above without further liability by written notice to the breaching party. A termination for breach shall not affect rights or obligations accrued or owed before the effective date of the termination notice.

**21. GENERAL PROVISIONS.**

21.1. TIME IS OF THE ESSENCE. Time is of the essence for each and every provision of this *Cooperative Purchasing Agreement*.

21.2. COMPLIANCE WITH LAW. *Contractor* shall comply with all applicable laws. *Contractor* shall obtain all necessary permits and approvals and give all stipulations, certifications, and representations that may be required for it to perform this *Cooperative Purchasing Agreement*.

21.3. NONDISCRIMINATION.

- (a) Nondiscrimination Requirement. During the term of this *Cooperative Purchasing Agreement*, *Contractor*, including any subcontractor, shall not discriminate on the bases enumerated at RCW 49.60.530(3). In addition, *Contractor*, including any subcontractor, shall give written notice of this nondiscrimination requirement to any labor organizations with which *Contractor*, or subcontractor, has a collective bargaining or other agreement.
- (b) Obligation to Cooperate. *Contractor*, including any subcontractor, shall cooperate and comply with any Washington state agency investigation regarding any allegation that *Contractor*, including any subcontractor, has engaged in discrimination prohibited by this *Cooperative Purchasing Agreement* pursuant to RCW 49.60.530(3).
- (c) Default. Notwithstanding any provision to the contrary, *Enterprise Services* may suspend *Contractor*, including any subcontractor, upon notice of a failure to participate and cooperate with any state agency investigation into alleged discrimination prohibited by this *Cooperative Purchasing Agreement*, pursuant to RCW 49.60.530(3). Any such suspension will remain in place until *Enterprise Services* receives notification that *Contractor*, including any subcontractor, is cooperating with the

investigating state agency. In the event Contractor, or subcontractor, is determined to have engaged in discrimination identified at RCW 49.60.530(3), Enterprise Services may terminate this Cooperative Purchasing Agreement in whole or in part, and Contractor, subcontractor, or both, may be referred for debarment as provided in RCW 39.26.200. Contractor or subcontractor may be given a reasonable time in which to cure this noncompliance, including implementing conditions consistent with any court-ordered injunctive relief or settlement agreement.

- (d) Remedies for Breach. Notwithstanding any provision to the contrary, in the event of Cooperative Purchasing Agreement termination or suspension for engaging in discrimination, Contractor, subcontractor, or both, shall be liable for contract damages as authorized by law including, but not limited to, any cost difference between this Cooperative Purchasing Agreement and the replacement or cover contract and all administrative costs directly related to the replacement contract, which damages are distinct from any penalties imposed under Chapter 49.60, RCW. Enterprise Services and/or Purchasing Entities shall have the right to deduct from any monies due to Contractor or subcontractor, or that thereafter become due, an amount for damages Contractor or subcontractor will owe Enterprise Services and/or Purchasing Entities for default under this provision.

- 21.4. ENTIRE AGREEMENT. This *Cooperative Purchasing Agreement* constitutes the entire agreement and understanding of the *Parties* with respect to the subject matter and supersedes all prior negotiations, representations, and understandings between them. There are no representations or understandings of any kind not set forth herein.
- 21.5. AMENDMENT OR MODIFICATION. Except as set forth herein, this *Cooperative Purchasing Agreement* may not be amended or modified except in writing and signed by a duly authorized representative of each party.
- 21.6. AUTHORITY. Each party to this *Cooperative Purchasing Agreement*, and each individual signing on behalf of each party, hereby represents and warrants to the other that it has full power and authority to enter into this *Cooperative Purchasing Agreement* and that its execution, delivery, and performance of this *Cooperative Purchasing Agreement* has been fully authorized and approved, and that no further approvals or consents are required to bind such party.
- 21.7. NO AGENCY. The *Parties* agree that no agency, partnership, or joint venture of any kind shall be or is intended to be created by or under this *Cooperative Purchasing Agreement*. Neither party is an agent of the other party nor authorized to obligate it.
- 21.8. ASSIGNMENT. *Contractor* may not assign its rights under this *Cooperative Purchasing Agreement* without *Enterprise Services'* prior written consent and *Enterprise Services* may consider any attempted assignment without such consent to be void; Provided, however, that, if *Contractor* (a) provides written notice to *Enterprise Services* within thirty (30) days of such event and (b) timely executes *Enterprise Services'* Assignment, Assumption and Consent Agreement. *Contractor* may assign its rights under this *Cooperative Purchasing Agreement* in full to any parent, subsidiary, or affiliate of *Contractor* that controls or is controlled by or under common control with *Contractor*, is merged or consolidated with *Contractor*, or purchases a majority or controlling interest in the ownership or assets of *Contractor*. Unless

otherwise agreed, *Contractor* guarantees prompt performance of all obligations under this *Cooperative Purchasing Agreement* notwithstanding any prior assignment of its rights.

- 21.9. BINDING EFFECT; SUCCESSORS & ASSIGNS. This *Cooperative Purchasing Agreement* shall be binding upon and shall inure to the benefit of the *Parties* hereto and their respective successors and assigns.
- 21.10. ASSIGNMENT OF ANTITRUST RIGHTS REGARDING PURCHASED GOODS/SERVICES. *Contractor* irrevocably assigns to *Enterprise Services*, on behalf of the State of Washington, any claim for relief or cause of action which the *Contractor* now has or which may accrue to the *Contractor* in the future by reason of any violation of state or federal antitrust laws in connection with any *Goods and/or Services* provided to *Purchasing Entities* in Washington for the purpose of carrying out *Contractor's* obligations under this *Cooperative Purchasing Agreement*, including, at *Enterprise Services'* option, the right to control any such litigation on such claim for relief or cause of action.
- 21.11. FEDERAL FUNDS. To the extent that any *Purchasing Entity* uses federal funds to purchase *Goods and/or Services* pursuant to this *Cooperative Purchasing Agreement*, such *Purchasing Entity* shall specify, with its *Purchase Order*, any applicable requirement or certification that must be satisfied by *Contractor* at the time the order is placed or upon delivery of such *Goods and/or Services* to *Purchasing Entity*.
- 21.12. SEVERABILITY. If any provision of this *Cooperative Purchasing Agreement* is held to be invalid or unenforceable, such provision shall not affect or invalidate the remainder of this *Cooperative Purchasing Agreement*, and to this end the provisions of this *Cooperative Purchasing Agreement* are declared to be severable. If such invalidity becomes known or apparent to the *Parties*, the *Parties* agree to negotiate promptly in good faith in an attempt to amend such provision as nearly as possible to be consistent with the intent of this *Cooperative Purchasing Agreement*.
- 21.13. WAIVER. Failure of either party to insist upon the strict performance of any of the terms and conditions hereof, or failure to exercise any rights or remedies provided herein or by law, or to notify the other party in the event of breach, shall not release the other party of any of its obligations under this *Cooperative Purchasing Agreement*, nor shall any purported oral modification or rescission of this *Cooperative Purchasing Agreement* by either party operate as a waiver of any of the terms hereof. No waiver by either party of any breach, default, or violation of any term, warranty, representation, contract, covenant, right, condition, or provision hereof shall constitute waiver of any subsequent breach, default, or violation of the same or other term, warranty, representation, contract, covenant, right, condition, or provision.
- 21.14. SURVIVAL. All representations, warranties, covenants, agreements, and indemnities set forth in or otherwise made pursuant to this *Cooperative Purchasing Agreement* shall survive and remain in effect following the expiration or termination of this *Cooperative Purchasing Agreement*, Provided, however, that nothing herein is intended to extend the survival beyond any applicable statute of limitations periods.
- 21.15. GOVERNING LAW.
- (a) Cooperative Purchasing Agreement. The validity, construction, performance, and enforcement of this *Cooperative Purchasing Agreement* shall be governed by and construed in accordance with the

laws of the State of Washington, without regard to any choice of law principles that would provide for the application of the laws of another jurisdiction.

- (b) Participating Addendum & Purchase Orders. The validity, construction, and effect of any *Participating Addendum* pertaining to the *Cooperative Purchasing Agreement* or *Purchase Order* placed pursuant to such *Participating Addendum* shall be governed by and construed in accordance with the laws of the *Participating Entity's* or *Purchasing Entity's* state without regard to any choice of law principles that would provide for the application of the laws of another jurisdiction.

21.16. JURISDICTION & VENUE.

- (a) Cooperative Purchasing Agreement. In the event that any action is brought to enforce any provision of this *Cooperative Purchasing Agreement*, the *Parties* agree to exclusive jurisdiction in Thurston County Superior Court for the State of Washington and agree that in any such action venue shall lie exclusively at Olympia, Washington.
- (b) Purchase Orders. Venue for any claim, dispute, or action concerning any *Purchase Order* placed against the *Cooperative Purchasing Agreement* or the effect of a *Participating Addendum* shall be in the Purchasing Entity's state.

21.17. SOVEREIGN IMMUNITY. In no event shall this *Cooperative Purchasing Agreement*, any *Participating Addendum*, or any *Purchase Order* issued thereunder, or any act of the *Lead State*, a *Participating Entity*, or *Purchasing Entity* be a waiver of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or otherwise, from any claim or from the jurisdiction of any court. This section applies to a claim brought against the *Participating Entities* who are states only to the extent Congress has appropriately abrogated the state's sovereign immunity and is not consent by the state to be sued in federal court.

21.18. ATTORNEYS' FEES. In the event of litigation or other action brought to enforce this *Cooperative Purchasing Agreement*, each party shall bear its own attorneys' fees and costs.

21.19. FAIR CONSTRUCTION & INTERPRETATION. The provisions of this *Cooperative Purchasing Agreement* shall be construed as a whole according to their common meaning and not strictly for or against any party and consistent with the provisions contained herein in order to achieve the objectives and purposes of this *Cooperative Purchasing Agreement*. Each party hereto and its counsel has reviewed and revised this *Cooperative Purchasing Agreement* and agrees that the normal rules of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be construed in the interpretation of this *Cooperative Purchasing Agreement*. Each term and provision of this *Cooperative Purchasing Agreement* to be performed by either party shall be construed to be both a covenant and a condition.

21.20. FURTHER ASSURANCES. In addition to the actions specifically mentioned in this *Cooperative Purchasing Agreement*, the Parties shall each do whatever may reasonably be necessary to accomplish the transactions contemplated in this *Cooperative Purchasing Agreement* including, without limitation, executing any additional documents reasonably necessary to effectuate the provisions and purposes of this *Cooperative Purchasing Agreement*.

- 21.21. EXHIBITS. All exhibits referred to herein are deemed to be incorporated in this *Cooperative Purchasing Agreement* in their entirety.
- 21.22. CAPTIONS & HEADINGS. The captions and headings in this *Cooperative Purchasing Agreement* are for convenience only and are not intended to, and shall not be construed to, limit, enlarge, or affect the scope or intent of this *Cooperative Purchasing Agreement* nor the meaning of any provisions hereof.
- 21.23. ELECTRONIC SIGNATURES. An electronic signature or electronic record of this *Cooperative Purchasing Agreement* or any other ancillary agreement shall be deemed to have the same legal effect as delivery of an original executed copy of this *Cooperative Purchasing Agreement* or such other ancillary agreement for all purposes.
- 21.24. COUNTERPARTS. This *Cooperative Purchasing Agreement* may be executed in any number of counterparts, each of which shall be deemed an original and all of which counterparts together shall constitute the same instrument which may be sufficiently evidenced by one counterpart. ## INSURANCE REQUIREMENTS

1. **INSURANCE OBLIGATION.** During the term of this *Cooperative Purchasing Agreement*, *Contractor* shall possess and maintain in full force and effect, at *Contractor's* sole expense, the following insurance coverages:
  - a. **COMMERCIAL GENERAL LIABILITY INSURANCE.** Commercial general liability insurance (and, if necessary, commercial umbrella liability insurance) covering bodily injury, property damage, products/completed operations, personal injury, and advertising injury liability on an 'occurrence form' that shall be no less comprehensive and no more restrictive than the coverage provided by Insurance Services Office (ISO) under the most recent version of form CG 00 01 in the amount of not less than \$2,000,000 per occurrence and \$4,000,000 general aggregate. This coverage shall include blanket contractual liability coverage. This coverage shall include a cross-liability clause or separation of insured condition.
  - b. **WORKERS' COMPENSATION INSURANCE.** *Contractor* shall comply with applicable Workers' Compensation or Industrial Accident insurance providing benefits as required by law.
  - c. **EMPLOYERS' LIABILITY (STOP GAP) INSURANCE.** Employers' liability insurance (and, if necessary, commercial umbrella liability insurance) with limits not less than \$1,000,000 each accident for bodily injury by accident, \$1,000,000 each employee for bodily injury by disease, and \$1,000,000 bodily injury by disease policy limit.
  - d. **COMMERCIAL AUTOMOBILE LIABILITY INSURANCE** (required if *Contractor* is accessing Purchasing Entity's premises). 'Symbol 1' commercial automobile liability coverage (and, if necessary, commercial umbrella liability insurance) including coverage for all owned, hired, and non-owned vehicles. The combined single limit per accident shall not be less than \$1,000,000.

The insurance coverage limits set forth herein are the minimum. *Contractor's* insurance coverage shall be no less than the minimum amounts specified. Coverage in the amounts of these minimum limits, however, shall not be construed to relieve *Contractor* from liability in excess of such limits. *Contractor* waives all rights against the State of Washington for the recovery of damages to the extent such damages are covered by any insurance required herein.

2. **INSURANCE CARRIER RATING.** Coverages provided by the *Contractor* must be underwritten by an insurance company deemed acceptable to the State of Washington's Office of Risk Management. Insurance coverage shall be provided by companies authorized to do business within the State of Washington and rated A- Class VII or better in the most recently published edition of Best's Insurance Rating. *Enterprise Services* reserves the right to reject all or any insurance carrier(s) with an unacceptable financial rating.
3. **ADDITIONAL INSURED.** When specified as a required insurance coverage (see § 1 – Insurance Obligation, above) Commercial General Liability, Commercial Automobile Liability, and Pollution Liability Insurance shall include the State of Washington and all authorized *Purchasing Entities* (and their agents, officers, and employees) as Additional Insureds evidenced by copy of the Additional Insured Endorsement attached to the Certificate of Insurance on such insurance policies.
4. **CERTIFICATE OF INSURANCE.** Prior to execution of the *Cooperative Purchasing Agreement*, *Contractor* shall furnish to *Enterprise Services*, as evidence of the insurance coverage required by this *Cooperative Agreement*, a certificate of insurance satisfactory to *Enterprise Services* that insurance, in the above-stated kinds and minimum amounts, has been secured. In addition, no less than ten (10) days prior to coverage expiration, *Contractor* shall furnish to *Enterprise Services* an updated or renewed certificate of insurance, satisfactory to *Enterprise Services*, that insurance, in the above-stated kinds and minimum amounts, has been secured. Failure to maintain or provide proof of insurance, as required, shall result in termination of this *Cooperative Purchasing Agreement*. **All policies**

and certificates of insurance shall include the ***Cooperative Purchasing Agreement*** number stated on the cover of this ***Cooperative Purchasing Agreement***. All certificates of Insurance and any related insurance documents shall be delivered to *Enterprise Services* via email sent to the email address set forth below :

Email: [DESContractsTeamFir@des.wa.gov](mailto:DESContractsTeamFir@des.wa.gov)

Note: the Email Subject line must state:

**Insurance Certificate: Cooperative Purchasing Agreement  
No. 24283 Police Radar/Lidar**

5. **PRIMARY COVERAGE.** *Contractor's* insurance shall apply as primary and shall not seek contribution from any insurance or self-insurance maintained by, or provided to, the additional insureds listed above including, at a minimum, the State of Washington and/or any *Purchasing Entity*. All insurance or self-insurance of the State of Washington and/or *Purchasing Entities* shall be excess of any insurance provided by *Contractor* or subcontractors.
6. **SUBCONTRACTORS.** *Contractor* shall include all subcontractors as insureds under all required insurance policies. Alternatively, prior to utilizing any subcontractor, *Contractor* shall cause any such subcontractor to provide insurance that complies with all applicable requirements of the insurance set forth herein and shall furnish separate Certificates of Insurance and endorsements for each subcontractor. Each subcontractor must comply fully with all insurance requirements stated herein. Failure of any subcontractor to comply with insurance requirements does not limit *Contractor's* liability or responsibility.
7. **WAIVER OF SUBROGATION.** *Contractor* waives all rights of subrogation against the State of Washington and any *Purchasing Entity* for the recovery of damages to the extent such damages are or would be covered by the insurance specified herein.
8. **NOTICE OF CHANGE OR CANCELLATION.** There shall be no cancellation, material change, exhaustion of aggregate limits, or intent not to renew insurance coverage, either in whole or in part without at least thirty (30) days prior written legal notice by *Contractor* to *Enterprise Services*. Failure to provide such notice, as required, shall constitute default by *Contractor*. Any such written notice shall include the *Cooperative Purchasing Agreement* number stated on the cover of this *Cooperative Purchasing Agreement*.
9. **EXTENDED REPORTING PERIOD.** If any required insurance coverage is on a claims-made basis (rather than occurrence), *Contractor* shall maintain such coverage for a period of no less than three (3) years following expiration or termination of the *Cooperative Purchasing Agreement*.

Upon discovery or reasonable belief of any access, destruction, loss, theft, use or disclosure of Enterprise Services' Data by an unauthorized party ("Data Breach"), Contractor shall notify Enterprise Services by the fastest means available and also in writing. Contractor shall provide such notification within forty-eight (48) hours after Contractor reasonably believes there has been such a Data Breach. Contractor's notification shall identify:
