September 22, 2017

Dear Mr. Urquhart,

This letter is in response to your September 19, 2017, correspondence. Grasmick Produce Company's response to each request for clarification is below. For your convenience, each numbered section below corresponds to the section number in your correspondence.

Response to Section 1:

By entering "0.00%" for Special Service #s 3 through 7, Grasmick Produce means that it will not charge an additional percentage in connection with the provision of those services. In other words, Grasmick Produce is willing to provide those services at no additional cost.

Response to Section 2:

Grasmick Produce submitted an invoice dated 6/22/2016 for this item because that is the last date Grasmick Produce purchased that item prior to August 1, 2016.

Response to Section 3:

Upon further inquiry, Grasmick Produce was able to locate an invoice for this item dated August 4, 2016. Pursuant to that invoice, which is enclosed herewith, the cost was .23 cents per lb. On average, a 1 ct watermelon weighs 12 lbs. Thus, based on this invoice, the cost for a 1 ct watermelon (weighing 12 lbs) would be \$2.76. Grasmick apologizes for the error in its submission for this item for this particular period.

Response to Section 4:

The invoice Grasmick Produce submitted for this item describes the item as follows: "Watermelon, Seedless, 45 ct" with a weight of "750 lbs" and a unit price of "\$154.00." To calculate the price for a 1 ct watermelon, Grasmick Produce performed the following calculation:

$$\$154.00/750 \text{ lbs} = .205 \times 12 \text{ lbs} = \$2.46$$

On average, a 1 ct watermelon weighs 12 lbs. Thus, to determine the weight of a 1 ct watermelon, Grasmick Produce took the per pound price of .205 and multiplied it by 12 lbs to arrive at a

cost of \$2.46. While the invoice identifies that the product is "45 ct," Grasmick Produce used the pound price because that is more consistent with industry practice.

Grasmick Produce also calculated the other 1 ct watermelon prices for the other periods using this same methodology.

Response to Section 5:

Grasmick Produce apologizes that the spreadsheet attached to its bid identified the pricing for choice 88 ct oranges; however, the price of \$15.35 was correct. The correct spreadsheet for choice 113 ct oranges is attached to this letter.

As you will note from the attachment, the contract cost for the Oct – Dec 2017 quarter is \$14.95. Because this contract is managed through Produce Alliance, Produce Alliance charges Grasmick Produce an additional .40 cent fee per package of product purchased on the contract. Thus, Grasmick's cost for the product in the October – Dec 2017 quarter would be as follows:

$$\$14.95 + .40 = \$15.35$$

Response to Section 6:

The product bid by Grasmick Produce for Item #17 is 25 lbs.

Response to Section 7:

The product bid by Grasmick Produce for Item #22 is 25 lbs.

Please let me know you have any additional questions or concerns or need any additional information in connection with Grasmick Produce's submission.

Very truly yours,

A handwritten signature in blue ink, consisting of a large, stylized loop followed by a long, sweeping horizontal line that curves upwards at the end.

Attach a letter to your response to this letter (see signature and date requirement below) that provides this information.

Grasmick's Authorized Confirming Signature: _____

2. See ITB section 5.1.2 and the ITB's Attachment 3-Bid Schedule, REV 1, Unit Price Schedule tab.

Division of Purchasing: Bidders were to submit supplier invoices for the three periods identified in Columns E, F and G.

Grasmick's supplier invoice for the period of August 1, 2016 for Item #2 is dated 6/22/2016.

Please clarify how this supplier invoice is for a period that is over 5 weeks later.

Attach a letter to your response to this letter (see signature and date requirement below) that provides this information.

4. See ITB section 5.1.2 and the ITB's Attachment 3-Bid Schedule, REV 1, Unit Price Schedule tab.

Division of Purchasing: Bidders were to submit supplier invoices for the three periods identified in Columns E, F and G.

Grasmick's supplier invoice for the period of May 1, 2017 for Item #14 shows a unit price of \$154.00. The dollar figure that Grasmick entered for Item #14 on its completed Bid Schedule in Column G is \$2.46. The count shown on the supplier invoice is "45 ct". $\$154.00 \div 45 = \3.42 .

Please clarify why the dollar figure that Grasmick entered for Item #14 on its completed Bid Schedule in Column G is \$2.46, whereas, the math seems to show that it should be \$3.42.

Attach a letter to your response to this letter (see signature and date requirement below) that provides this information.

5. See ITB section 5.1.2 and the ITB's Attachment 3-Bid Schedule, REV 1, Unit Price Schedule tab.

Division of Purchasing: Bidders were to submit supplier invoices for the three periods identified in Columns E, F and G; however, Instruction 1.c.1 identified that for items for which a Longer Price Guarantee is bid, the Bidder was to submit documentation demonstrating that the Bidder has negotiated such a guarantee.

Grasmick's entered "Quarterly" in Column M for Item #16, and entered \$15.35 as the dollar figure for each period for that Item #. The documentation that Grasmick submitted, which has a heading of "Produce Alliance Citrus Comparison" does not identify that the product is "113 CT".

Please identify whether or not the product bid by Grasmick for Item #16 is 113 ct.

Attach a letter to your response to this letter (see signature and date requirement below) that provides this information.

6. See ITB section 5.1.2 and the ITB's Attachment 3-Bid Schedule, REV 1, Unit Price Schedule tab.

Division of Purchasing: Bidders were to submit supplier invoices for the three periods identified in Columns E, F and G.

From what we could tell, Grasmick's supplier invoices for Item #17 do not show what the Unit of Measure is. The Unit of Measure for Item #17 is "25 LB".

Please identify whether or not the product bid by Grasmick for Item #17 is 25 lb.

Attach a letter to your response to this letter (see signature and date requirement below) that provides this information.

From what we could tell, Grasmick's documentation for Item #22, which has a heading of "Andrew & Williamson Fresh Produce Tomato Supply Agreement", does not show what the Unit of Measure is. The Unit of Measure for Item #22 is "25 LB".

Please identify whether or not the product bid by Grasmick for Item #22 is 25 lb.

AMENDMENT 2

TO: All concerned vendors

RE: ITB18000001, Fresh Produce for Idaho Institutions, for the State of Idaho, closing (as of this amendment) 5:00 p.m. Mountain time, September 6, 2017.

I. The following are changes made to the referenced ITB. This additional information is added to and is made part of the referenced ITB.

1. See the ITB header document. The ITB Closing Date, shown as the “End Date” on the header document, is changed to read as follows:

“September 6, 2017 at 5:00:00 PM MDT”

2. The entire Bid Schedule of Invitation to Bid ITB18000001 is deleted (the document had the document file name “Attachment 3 Bid Schedule.xls” and “ATTACHMENT 3-BID SCHEDULE” as the heading) and replaced with the attached document that has the heading “ATTACHMENT 3-BID SCHEDULE, REV 1” (see the document with the document file name “Attachment 3 Bid Schedule REV 1.xls”).

It was brought to our attention that cells D77 through D132 on the Unit Price Schedule were locked. So, the only change made in the Bid Schedule besides the heading change is that those cells are now shaded and unlocked.

3. The following references regarding the Bid Schedule within the main body of ITB now read “ATTACHMENT 3–BID SCHEDULE, REV 1”:

- “the Bid Schedule (Attachment 3)”
- “Attachment 3–Bid Schedule”
- “ATTACHMENT 3–BID SCHEDULE”

4. The following reference regarding the Bid Schedule within the main body of the ITB now reads “Attachment 3 Bid Schedule REV 1.xls”:

- “Attachment 3 Bid Schedule.xls”

II. The following are questions, statements, clarifications, and their responses regarding the referenced ITB. This additional information is added to and is made part of the referenced ITB.

Written Vendor Questions

(Please note that responses were provided to questions 1 and 2 on Amendment 1 to this ITB.)

	ITB Section	ITB Page	Question	Response
3			Section 7 of the Fresh Produce Bid requires a list of at least three (3) references from individuals, companies or government agencies to whom the Bidder has provided fresh produce to within the last three (3) years from the date the solicitation was posted. If a company has not been in business for three years, will the bid be rejected by the State or will the company otherwise be disqualified from submitting a bid?	Section 7 is written as a request, not as a requirement. Additionally, there's no requirement in that section for a company to be in business for any certain period. So, Bids will not be rejected and Bidders will not be disqualified from submitting a Bid for the Bidder not being in business for any certain period.

There are no other changes. If you have already submitted your Bid and this amendment will alter your Bid, please contact the Division of Purchasing.

Thank you for your interest in supplying the needs of the state of Idaho.

Sincerely,

/s/

AMENDMENT 1

TO: All concerned vendors

RE: ITB18000001, Fresh Produce for Idaho Institutions, for the State of Idaho, closing (as of this amendment) 5:00 p.m. Mountain time, August 21, 2017.

I. The following are changes made to the referenced ITB. This additional information is added to and is made part of the referenced ITB.

1. See the ITB header document. The ITB Closing Date, shown as the "End Date" on the header document, is changed to read as follows:

"August 21, 2017
5:00 PM MDT"

2. ITB section 26.2, Website Ordering, is changed to read as follows:

"26.2 Website Ordering

26.2.1 If the Contractor provides a website for Institutions to use for placing orders, any terms or conditions associated with the website that do the following are void:

26.2.1.1 Waive the sovereign immunity of the state of Idaho;

26.2.1.2 Subject the state of Idaho, its agencies, or political subdivisions of the state of Idaho to the jurisdiction of the courts of other states;

26.2.1.3 Limit the time in which the state of Idaho, its agencies, or political subdivisions of the state of Idaho may bring a legal claim to a period shorter than that provided in Idaho law;

26.2.1.4 Impose a payment obligation, including a rate of interest for late payments, less favorable than the obligations set forth in Section 67-2302, Idaho Code; or,

26.2.1.5 Require the state of Idaho, its agencies, or political subdivisions of the state of Idaho to accept arbitration or to waive right to a jury trial.

26.2.1.6 Furthermore, any terms or conditions associated with the website that require indemnification not specifically authorized by the Idaho legislature or subject to appropriation are void pursuant to Section 67-9215, Idaho Code, and Section 59-1016, Idaho Code. Additionally, terms or conditions associated with the website that hold individual users (employees or officers of the state of Idaho and of political subdivisions of the state of Idaho) personally liable are void.

26.2.2 Additionally, the Contractor agrees that if an employee or officer of the state of Idaho or of a political subdivision of the state of Idaho clicks-through acceptance of any terms and conditions

associated with a website that the Contractor provides for Institutions to use for placing orders, that click-through does not indicate that the employee or officer has accepted any clicked-through terms and conditions that contradict the terms and conditions of the Contract. The Contractor also represents that, if the website that it provides belongs to any third party, the third party also agrees specifically with the requirements of sections 26.2.1 through 26.2.2.”

3. The first paragraph of ITB section 26.5, Potential Utilization by Idaho School Districts, is changed to read as follows:

“While there is no requirement for political subdivisions or Idaho School Districts to utilize a state of Idaho statewide contract, and the State makes no guarantee that Idaho School Districts will utilize the Contract, Idaho School Districts may choose to utilize the Contract under section 26.1, Public Agency Clause. **Appendix B-Information about Public Schools** contains the name of the school district, the regional classification, and a map of the location of Idaho School Districts. The school regions align with the State’s Area maps found in **Appendix C** in that school regions I and II are located in Area A, school regions III and IV are in Area B and school regions V and VI are in Area C. The estimated annual volume of meals for all Idaho School Districts is 46,612,349. For School Districts that choose to utilize this Contract, the Contractor must guarantee in writing to each such School District that all produce provided to them under the Contract is grown and distributed in the USA (unless a produce item is not available from growers in the USA; or, unless, in the School District’s sole discretion, the cost of the USA produce item is exorbitant) and meets federal School Lunch regulations.”

4. ITB section 25, IDJC Produce Purchasing Practices and Needs, is changed to read as follows:

“25 IDJC PRODUCE PURCHASING PRACTICES AND NEEDS

Please see **Appendix E** for information regarding that Agency’s produce purchasing practices and needs.

For IDJC, the Contractor must guarantee in writing to IDJC’s Institutions that all produce provided to them under the Contract is grown in the USA (unless a produce item is not available from growers in the USA; or, unless, in IDJC’s sole discretion, which may be delegated to each of its individual Institutions, the cost of the USA produce item is exorbitant) and distributed in the USA and meets federal School Lunch regulations.”

II. The following are questions, statements, clarifications, and their responses regarding the referenced ITB. This additional information is added to and is made part of the referenced ITB.

Any oral interpretations or clarifications of this ITB shall not be relied upon. All changes to this ITB must be in writing and posted at IPRO to be valid. Alternate Bids are not allowed.

3 PRE-BID TELEPHONE CONFERENCE

All parties interested may attend the optional pre-bid telephone conference, at their expense. Parties interested in attending this telephone conference must pre-register no later than one (1) business day prior to the telephone conference by submitting the completed Pre-Bid Conference Registration Form (Attachment 2) via email to the ITB Lead. Once the ITB Lead receives the Form, the ITB Lead will respond with call-in information.

Any oral answers given by the State during the pre-bid telephone conference are unofficial, and will not be binding on the State. Failure to attend the optional pre-bid telephone conference shall not relieve the Bidder of meeting the requirements of this ITB.

4 INQUIRIES

Questions or other correspondence must be submitted in writing to the ITB Lead listed below. **QUESTIONS MUST BE RECEIVED BY 5:00 P.M. MOUNTAIN TIME ON THE DATE LISTED IN THE ITB ADMINISTRATIVE INFORMATION.** Written questions must be submitted using **Attachment 1**, Bidder Questions. Official answers to all written questions will be posted on IPRO as an amendment to this ITB.

ITB Lead: Jason Urquhart

E-mail: jason.urquhart@adm.idaho.gov

Any questions regarding the State of Idaho Standard Contract Terms and Conditions found at http://purchasing.idaho.gov/terms_and_conditions.html must also be submitted in writing, using **Attachment 1**, Bidder Questions, by the deadline identified in the ITB Administrative Information. The State will not consider proposed modifications to these requirements after the date and time set for receiving questions. Questions regarding these requirements must contain the following:

1. The rationale for the specific requirement being unacceptable to the party submitting the question (define the deficiency).
2. Recommended verbiage for the State’s consideration that is consistent in content, context, and form with the State’s requirement that is being questioned.
3. Explanation of how the State’s acceptance of the recommended verbiage is fair and equitable to both the State and to the party submitting the question.

Bids which condition the Bid based upon the State accepting other terms and conditions not found in the ITB, or which take exception to the State's terms and conditions, will be found non-responsive, and no further consideration of the Bid will be given.

5 SUBMISSION REQUIREMENTS

5.1 Required Bid Submission Items

Your Bid Submission must consist of the following:

5.1.1 Bid Schedule

See the four (4) tab attachment with the heading Attachment 3-Bid Schedule. Do not submit your Bid on any other form. Submitting your Bid on a form different than the Bid Schedule may cause your Bid to be rejected as non-responsive. The Bidder must complete and submit as part of its Bid the Unit Price Schedule tab, the Special Services tab and the School Districts tab.

5.1.2 Supplier Invoices

The Unit Price Schedule tab of the Bid Schedule includes requirements regarding supplier invoices that must accompany the Bid.

5.1.3 Narrative (if any)

The Unit Price Schedule tab of the Bid Schedule includes the following requirement:

"If the unit of measure for an Item you are bidding is different from Our Stated Unit of Measure, you must include a narrative with your Bid for that Item that clearly shows the math used to convert the unit price per the unit of measure for the Item you are bidding to the Unit Price Per Our Stated Unit of Measure."

5.1.4 State of Idaho Signature Page

The State of Idaho Signature Page must be completed and submitted as part of your Bid. The State of Idaho Signature Page is attached in IPRO.

5.2 Bid Submission Methods

Bids may be submitted electronically via IPRO or manually in a sealed envelope/package. Do not fax or e-mail your Bid. Your Bid must be received at the Division of Purchasing by the date and time specified on the IPRO header document. The official time, for bid closing purposes, is the Division of Purchasing's time clock.

While it is not mandatory to submit your Bid electronically via IPRO, all Bidders participating in a Solicitation issued through IPRO must establish an account in the IPRO system (even if submitting a Bid manually outside of IPRO) as it is necessary in order to process and/or award the resulting Contract(s). It is free to establish an account and only takes a few minutes.

5.2.1 Electronic Submission via IPRO

If submitting electronically via IPRO, upload all of the Required Bid Submission Items (see section 5.1) and enter your cost in IPRO as the "Grand Total, Fresh Produce" on the Bid Schedule (see the Unit Price Schedule tab).

Upload all Required Bid Submission Items using Microsoft products such as Word and Excel. Do not submit items in .pdf format, unless provided otherwise in this ITB. The State of Idaho Signature Page is exempt from this requirement.

If submitting via IPRO, be advised that the Bidder for Bid evaluation and award purposes is the entity profile under which submit in IPRO, which must be the same legal entity presented in your uploaded response materials. If the entity identified on the uploaded response materials differs from the entity under which you submit your Bid in IPRO, the information provided on the uploaded response materials prevails.

Bidders are further advised to upload response materials with descriptive file names, organized and consolidated in a manner which allows the State to efficiently navigate the Bidder's response; as the State will print uploaded documents for evaluation in the manner received via IPRO.

5.2.1 Manual Submission

If submitting manually (via U.S. Mail, courier or hand-delivery), seal all Required Bid Submission Items in a single envelope or package (*be certain to include an original hand-written signature in ink OR an electronic signature on the State of Idaho Signature Page*) and label the outside of the package as follows:

Attn: Jason Urquhart, Idaho Division of Purchasing

Bidder Name: (Company Name)

ITB Number: ITB18000001

ITB Title: Fresh Produce for Idaho Institutions

Bidders submitting manually must provide one (1) original and an electronic copy on a USB or CD. Please clearly identify the original manual submission and be certain that the Signature Page is located at the front of the original Bid.

5.3 Trade Secrets

If your Bid contains trade secret information which you have identified, you must also submit a redacted copy of the Bid (in electronic format, with the word "redacted" in the file name) with all trade secret information removed or blacked out; as well as a separate document containing a complete list (per the instructions in the three (3) paragraphs directly below) of all trade secret information which was removed or blacked out in the redacted copy.

Paragraph 28 of the Solicitation Instructions to Vendors describes trade secrets to "*include a formula, pattern, compilation, program, computer program, device, method, technique or process that derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by other persons and is subject to the efforts that are reasonable under the circumstances to maintain its secrecy.*" In addition to marking each page of the document with a trade secret notation (as applicable; and as provided in Paragraph 28 of the Solicitation Instructions to Vendors), Bidders must also:

Identify with particularity the precise text, illustration, or other information contained within each page marked "trade secret" (it is not sufficient to simply mark the entire page). The specific information you deem "trade secret" within each noted page must be highlighted, italicized, identified by asterisks,

contained within a text border, or otherwise clearly delineated from other text/information and specifically identified as a “trade secret.”

Provide a separate document entitled “List of Redacted Trade Secret Information” which provides a succinct list of all trade secret information noted in your Bid; listed in the order it appears in your submittal documents, identified by Page #, Section #/Paragraph #, Title of Section/Paragraph, specific portions of text/illustrations; or in a manner otherwise sufficient to allow the State’s procurement personnel to determine the precise text/material subject to the notation. Additionally, this list must identify with each notation the specific basis for your position that the material be treated as exempt from disclosure.

6 METHOD OF BID PRICING

Provide your fully burdened prices on the Bid Schedule (**Attachment 3**).

Prices must be bid by the Unit of Measure indicated on the Bid Schedule (i.e., pound, count, etc.). (See **Attachment 3-Bid Schedule**, Unit Price Schedule tab for additional Bid Schedule Instructions and Requirements and for more information pertaining to units of measure.) Bidders must complete the Bid Schedule with all required information and submit it as part of their Bids. The “Unit Price Bid” (see **Attachment 3-Bid Schedule**) shall be the price as delivered to the Institution, and shall be Fully Burdened (and must factor in the Freight Charge Per Our Stated Unit of Measure and the Fee Per Our Stated Unit of Measure). For evaluation purposes, an (Average) Unit Price Per Our Stated Unit of Measure plus the Freight Charge Per Our Stated Unit of Measure and plus the Fee Per Our Stated Unit of Measure will be used to calculate the Unit Price Bid.

Failure to properly complete the Bid Schedule with all required information will be cause to reject the Bid as non-responsive.

The Bidder must identify on the Special Services tab of the Bid Schedule the percent effect (up or down) of providing each special service. Please note that Special Service #’s 6 and 7 are optional (they are desired, but not required). If the Bidder cannot provide Special Service #’s 6 and 7, the Bidder may enter “N/A” for them.

The Bidder must identify on the School Districts tab of the Bid Schedule the percent effect (up or down) of providing delivery to the School District or Districts for which they are capable and willing to provide delivery.

See Bid Schedule Instructions and Requirements on the Unit Price Schedule tab, the Special Services tab and the School Districts tab of the Bid Schedule.

The Contractor shall not charge different prices for providing fresh produce items to different Areas of the state of Idaho (see **Appendix C-Zone and Area Maps**). The only allowed variances in prices are those identified on the Special Services tab and the School Districts tab of the Bid Schedule.

7 REFERENCES

Bidder is requested to provide a list of at least three (3) references that are individuals, companies or government agencies to whom the Bidder has provided fresh produce, and provided within the last three (3) years from the date this ITB was posted to IPRO. The list should provide each reference’s company or government entity name, address, phone number, fax number and a current email address. For any list of references that a Bidder provides, we request that the list not include the Idaho Department of Correction, the Idaho Department of Juvenile Corrections, the Idaho Department of Health and Welfare, the Idaho Division of Veteran’s Services or current employees of those Agencies.

8 RESPONSIBILITY

Pursuant to IDAPA 38.05.01.081, the ITB Lead may, in the State's sole discretion, conduct a review to determine if the apparent successful Bidder is responsible. As part of the responsibility review, the ITB Lead may require the apparent successful Bidder to provide financial reports to the satisfaction of the State, and may also seek to obtain completed reference questionnaires from Bidder's references to the satisfaction of the State. Nothing herein shall prevent the State from using other means to determine Bidder's responsibility.

9 AWARD

Award will be to the responsible and responsive Bidder with the lowest Grand Total, Fresh Produce.

The State will only issue one (1) Contract from this ITB to a single Bidder. However, if the Contractor chooses to subcontract a part of the Contract (such as delivering fresh produce to a certain Area of the state; see **Appendix C** for Areas), then it must comply with section 15, Subcontracting, of the State of Idaho Standard Contract Terms and Conditions. It shall be the responsibility of the Contractor to manage the performance of any subcontractor.

10 PURCHASE AND DELIVERY OF FRESH PRODUCE

10.1 Purchase and Delivery of Fresh Produce - General

The State of Idaho intends to purchase all of the Items listed on the Bid Schedule and any fresh produce items added by Agencies or Institutions during the term of the Contract from the Contractor; however, each Institution utilizing the Contract retains the right to purchase no more than twenty percent (20%) of its annual fresh produce purchases from other vendors. Additionally, Institutions may accept donations of fresh produce items and may also reduce their orders by any quantity of produce grown on-site at Agency or Institution locations, and acceptance of these donations and any use of produce grown on-site at Agency or Institution locations shall not factor into the percentage identified in this paragraph.

At any point during the term of the Contract, each Institution may identify certain other fresh produce items that it needs to purchase. Due to issues, such as prescribed diet orders changing without notice and needing to be implemented immediately, Institutions may require new fresh produce items be delivered within the same week as identified, and may require produce items be delivered within one (1) day after the Contractor receives the order. Item usage or item type is subject to change and may be dependent upon the prices submitted by the Contractor.

The requirements of the Contract will apply to any fresh produce items added to the Contract by an Agency or Institution.

10.2 Indefinite Delivery/Indefinite Quantity

The Contract shall be an indefinite delivery/indefinite quantity term Contract. As such, no guarantee shall be made concerning the number of units which may be required or the dates they may be ordered, and the Contractor shall not require any Agency or Institution to purchase any certain amount of the Contractor's stock. The Contractor shall not require any minimum order amounts or minimum order quantities. The State will be obligated only for the quantities on orders issued pursuant to this Contract.

11 DELIVERY LOCATIONS FOR STATE INSTITUTIONS

See **Appendix A** for list of delivery locations for State Institutions.

12 ADDITIONAL INSTITUTIONS

Additional Institutions may be added to the Contract at any time during its term upon one (1) week written notice to the Contractor. For Institutions added to the Contract that are schools or school districts not listed in the ITB by the date and time that Bids are due, the Contractor may add a percent to the Unit Prices for the fresh produce items it delivers to those Institutions; however, the Contractor must first obtain the written approval of that additional percent from DOP.

13 QUALITY

Quality must meet or exceed the specifications stated for each item on the Bid Schedule (specifications on the Bid Schedule include information in the "Description" and the "Unit of Measure" columns), and the requirements of sections 14 through 16 below. When items are rejected due to unacceptable quality, unauthorized item substitutions, spoilage or damage, or unauthorized unit size, the Contractor must, within twenty-four (24) hours for Institutions in Ada County and for Institutions in Canyon County, and within forty-eight (48) hours for Institutions in all other Idaho counties, replace those goods with items of equal quantity and quality or must issue a credit (at the Institution's sole option). These issues shall be acknowledged and documented on the delivery paperwork and signed and dated by both the delivery driver and a representative of the Institution at time of delivery. Some issues, however, such as spoilage cannot be determined upon delivery. In those cases, the Institution will notify the Contractor as follows:

- a) within forty-eight (48) hours after receipt for most items;
- b) within five (5) calendar days for items such as melons, apples, oranges, onions, carrots, potatoes (which typically degrade at a slower rate);
- c) no later than one (1) calendar day prior to the expiration date for ready to eat bagged items such as chopped greens, baby carrots, slaw mix, and broccoli florets. (The minimum shelf life for ready to eat bagged items shall be eight [8] calendar days after delivery to the Institution.)

Additionally, when items are rejected due to unacceptable quality, unauthorized item substitutions, spoilage or damage, or unauthorized unit size, each Institution reserves the right to cancel the order and purchase needed items (the same quantity as was ordered, and, if possible similar quality) from another source, and deduct any costs over and above Contract prices incurred from purchasing from another source, from a subsequent invoice. Purchases outside of the Contract identified in this section shall not factor into the percentage identified in section 10.1.

When an Institution rejects items as described in the paragraph above, if the Contractor wishes to retrieve any items rejected by the Institution, the Contractor must do so within forty-eight (48) hours of being notified of the rejection. After that time, the Institution may discard the rejected items at the Institution's discretion.

Fresh fruit and vegetables shall be cool to the touch, reasonably uniform in color, free from foreign flavor and odor, clean and free from foreign material.

14 PACKAGING FOR FRESH PRODUCE

Fresh produce shall have been picked and packaged for delivery in a fresh state free of soil and insects and cooled before packing. Packaging shall be in accordance with good commercial practice that protects the integrity of the fresh produce throughout the transportation channel. The Contractor must package fresh produce and use packing materials in compliance with United States Department of Agriculture (USDA) Food Safety and Inspection Service (FSIS) regulations.

Packaging shall:

- a) protect the taste, aroma, visual and other palatable properties measured by the senses and other quality characteristics of the item;
- b) protect the item against microbiological and other contamination;
- c) protect the item from dehydration and, where appropriate, leakage as far as technologically practical; and
- d) not pass on to the item any odor, taste, color or other foreign characteristics throughout the harvest and distribution of the item up to the time of receipt by Institutions.

15 PACKAGING REQUIREMENTS

The delivery containers that the Contractor uses to deliver fresh produce shall be free from any unsanitary condition caused by the presence of harmful microorganisms, chemical residues, or filth that could adulterate, cross contaminate or diminish the quality of the fresh produce.

Containers shall be constructed of recyclable materials wherever feasible and where shipment within the recyclable container does not diminish the quality of the fresh produce, i.e., bushels, lugs, crates, corrugated boxes or moisture-proof fiberboard. Packing materials shall protect the packed commodity from crushing or bruising. Containers shall be stackable and permit chilled and refrigerated air circulation.

Each shipping container for bulk-packaged and washed, cut or otherwise processed produce shall be labeled legibly to show:

- a) Name of the item contained;
- b) Item number;
- c) Net weight;
- d) Name, address and date packed (month, day, year); and
- e) Best Used By/Expiration Date.

16 REFRIGERATION AND CLIMATE CONTROL

Temperature for all fresh produce must be maintained, during both storage and transportation, at a suitable temperature to maintain freshness, quality, shelf life and nutritional value. Fresh produce shall be transported in a climate-controlled container regulated to keep the item(s) in good condition, and in accordance with the current USDA guidelines and food handling practices during all stages of processing, distribution and storage.

17 RECALL

In the event of recall or finding of contaminants, the Contractor shall notify the Agencies and Institutions within twenty-four (24) hours by phone and follow up within one (1) week with a written notice indicating:

- a) The reasons for the recall;
- b) The lot number and/or item number; and
- c) The level of urgency for removal of item.

The Contractor shall make provisions to have all recalled items removed within twenty-four (24) hours from the Institutions affected by a recall and provide remedy to each affected Institution which may include, but not be limited to, replacing item with equivalent value item or reimbursing the Institution by applying credit(s) to the Institution's invoices. The Contractor may request that the Institution discard the recalled items.

18 DELIVERY REQUIREMENTS

Deliveries will be consistently scheduled to arrive at each Institution at a day and time mutually agreed upon by the Contractor and the Institution. Known delivery requirements for each Institution are listed in sections 18.1 through 18.4; however, each Institution may make different delivery arrangements with the Contractor as needed.

When items are backordered, each Institution reserves the right to cancel the order and purchase needed items (the same quantity as was ordered, and, if possible, similar quality) from another source, and deduct any costs over and above Contract prices incurred from purchasing from another source from a subsequent invoice. The determination of what constitutes similar quality shall be in the sole discretion of the Institution. Purchases outside of the Contract identified in this paragraph shall not factor into the percentage identified in section 10.1.

18.1 State Hospital North Delivery Requirements

Deliveries shall be made to the State Hospital North (SHN) kitchen at least two (2) times per week on a schedule agreed upon between the Contractor and SHN with no minimum drop requirement.

18.2 State Hospital South Delivery Requirements

Deliveries for State Hospital South must be available five (5) days per week with no minimum drop requirement. Main delivery days will be Tuesday and Friday of each week. Deliveries shall be made to State Hospital South (SHS) to both the Patient Treatment Facility (PTF) kitchen and to the Canteen. Deliveries must be made by full-unopened case, unless a partial case is specified by SHS. Delivery personnel may be required to place refrigerated items in kitchen walk-in or reach-in refrigerators as directed by Dietary staff.

18.3 Idaho Division of Veterans Services Delivery Requirements

Deliveries for Idaho Division of Veterans Services (IDVS) Institutions must be available five (5) days per week with no minimum drop requirement. Main delivery days will be Tuesday and Friday of each week. If a holiday falls on either of the main delivery days, delivery must be made the day preceding the holiday. Deliveries must be made by full-unopened case, unless a partial case is specified by the IDVS Institution. Delivery personnel may be required to place refrigerated items in kitchen walk-in or reach-in refrigerators as directed by Dietary staff.

18.4 Idaho Department of Correction Delivery Requirements

Delivery will be provided at a minimum of once per week to all Idaho Department of Correction (IDOC) Institutions. IDOC Institutions with a population of more than five hundred (500) will be provided with delivery two (2) times per week if requested by IDOC administration. The Contractor must identify mutually agreed upon delivery days and times (see section 18) to the IDOC Dietary Services Manager's office in writing. Changes or modifications in this schedule must be reported in writing to the IDOC Dietary Services Manager by the Contractor.

All deliveries to IDOC Institutions must be palletized, labeled with name of receiving location, and wrapped in clear wrap. Pallets must not exceed five (5) feet in height. The Contractor's delivery person(s) will be responsible for unloading items off the end of the truck, and the fresh produce must be accepted by IDOC staff, and not left unattended in the delivery area by the Contractor. The packing slip must be signed by both the delivery driver and a representative of the IDOC Institution at the time of delivery. Any items that are missing from the order or damaged will be the responsibility of the Contractor and replaced within twenty-four (24) hours (within a fifty [50] mile radius of Boise) and within forty-eight (48) hours outside of that area. Any changes to the order, back orders or damaged items must be noted on delivery paperwork and signed and dated by Contractor and IDOC staff.

In the event of any IDOC Institution lock down caused by riot, power failure, disaster or security situation, that prevents food delivery, the Contractor will re-deliver within twenty-four (24) hours in the Boise area (within a fifty [50] mile radius of Boise), and within forty-eight (48) hours outside of that area, after clearance for delivery has been received by the Contractor from the IDOC Institution or IDOC administration. No additional charges will be billed for re-delivery due to a lock down.

The IDOC may request that some food items, due to the security risk they can pose, be secured in the delivery vehicle, invoiced separately, and be given directly to the IDOC Institution food services authority at the receiving IDOC Institutions. The Contractor must comply with these requests. See additional security requirements in **Appendix D-Idaho Department of Correction Security Requirements**.

19 ACCOUNT MANAGEMENT

Contractor will assign a primary and alternate customer services representative to each Institution's account. These individuals must be identified to the State by the Contractor no later than the Service Start Date of the Contract. These representatives will meet with each Agency and Institution monthly for the first three (3) months of the Contract and no less than quarterly thereafter, or as often as deemed necessary by each Agency or Institution. Each Agency and Institution will notify the Contractor of required frequency.

20 ORDERING AND ACCOUNT NUMBERS

The Contractor shall assign a separate account number to each Institution (see Attachment A). Additionally, each Institution may require separate account numbers for different functions within the Institution. The Contractor shall bill any purchases that are not under the Contract utilizing a separate account number.

20.1 Idaho Department of Correction Ordering Requirements

The IDOC prefers to place orders on-line. If on-line ordering is available, the Contractor shall provide each IDOC Institution with its own on-line account through which orders for that IDOC Institution shall be placed. Additionally, the IDOC requests that Contractor provide two (2) administrator accounts which will provide the IDOC the ability to review all orders placed and received by all IDOC Institutions.

The IDOC requires order acknowledgments which the Contractor must send via email to the ordering IDOC Institution upon receipt of the order. At a minimum, the acknowledgments shall include purchase order number, ship to and bill to information, estimated delivery date, and backorder information. The Contractor may allow standing orders if requested by the IDOC Institution; however, the Contractor must still provide the order acknowledgements. Any changes to a standing order will be made by the IDOC Institution via email no less than forty-eight (48) hours before the scheduled delivery.

The Contractor shall send shipping notifications to the ordering IDOC Institution via email upon shipment of the order. At a minimum, the notifications shall include the following information: purchase order number (unless ordered by credit card), ship to address, carrier (if any), tracking number (if any), estimated deliver date, description of items being shipped, and quantity of the items being shipped.

20.2 Idaho Division of Veterans Services Ordering Requirements

Orders for each IDVS Institution will be placed with the Contractor on an as needed basis. Emergency orders will be phoned in to the Contractor.

20.3 State Hospital South Ordering Requirements

Orders will be placed with the Contractor on an as needed basis. Emergency orders will be phoned into Contractor.

21 INVOICING

The Contractor must provide an original invoice plus a minimum of one copy with each delivery. Invoices must, at a minimum, reflect: delivery driver's name, purchase order number, ship to address, description of item(s), price per line item, quantity ordered, quantity shipped, quantity backordered and invoice total.

22 PAYMENT TERMS

22.1 State Hospital South Payment Terms

State Hospital South Canteen and Dietary departments will maintain separate accounts and payment systems. The Dietary department will make purchases with a purchasing card (p-card). The Contractor must not assess a credit card handling fee on State Hospital South transactions. Any credits due from the Contractor will be posted to the credit card account. The Canteen will maintain a charge account with a net thirty (30) day payment term. The Contractor will provide a hard copy credit memo for each credit due.

22.2 Idaho Department of Correction Payment Terms

The IDOC requests that the Contractor only accept IDOC issued purchase orders, and not accept p-card orders.

22.3 Idaho Division of Veterans Services Payment Terms

The IDVS Institutions will maintain separate charge accounts and payment systems with a net thirty (30) day payment term. The Contractor must provide a hard copy credit memo for each credit due to the individual IDVS Institution.

23 PRICE ADJUSTMENTS

All prices bid on the Bid Schedule must be firm for the remainder of the month in which the initial term of the Contract begins (beginning with the Service Start Date of the Contract)*. If there are less than fifteen (15) calendar days remaining in that month, then the prices bid must be firm for the remainder of that month and for the following month. Thereafter, prices may be adjusted by the Contractor on a weekly basis. However, the Freight Charges and Fees (see **Attachment 3-Bid Schedule**) shall remain firm throughout the term of the Contract. Additionally, for items added to the Contract (see section 10.1), the Contractor shall identify to the Institution what the Freight Charge and Fee is for the item, and, thereafter, such Freight Charge and Fee shall remain firm for all Institutions for the remaining term of the Contract.

* The bid prices that shall go into effect upon the Service Start Date for the initial term of the Contract shall be:

- 1) The Unit Price Per Our Stated Unit of Measure for the Period of the Week of May 1, 2017 plus the Freight Charge Per Our Stated Unit of Measure and plus the Fee Per Our Stated Unit of Measure for Bid Schedule Items 1 through 16.
- 2) The Contractor's most current supplier invoices plus the Freight Charge and Fee for all of the other items listed on the Bid Schedule.

Certain items do not fluctuate as much as others, such as potatoes, onions and apples, and the Bidder is requested to bid longer price guarantees. Bidders must identify any items that can be bid with quarterly, semi-annual or annual guaranteed prices and so indicate on the Bid Schedule. If the Bidder enters a quarterly, semi-

annual or annual guaranteed price, then the price bid shall go into effect upon the Service Start Date of the Contract (for the Bidder to whom the Contract is awarded) and shall remain in effect for the time period entered in the column labeled “Longer Price Guarantee” on the Bid Schedule. For items added to the Contract by Institutions during the Contract’s term (see section 10.1), the Contractor must identify whether or not it offers a longer price guarantee for those items, and must identify the period for which the price will be held.

If the Contractor’s contract with a supplier contains a force majeure clause, and the supplier invokes that clause, the Contractor shall notify DOP, and the Agency and Institution affected, in writing (email, at a minimum), and must keep the prices for each affected item as-is for not less than seven (7) calendar days after providing the written notification. The Contractor shall also identify substitute items to each Institution and request the Institution’s approval of the substitute as soon as possible.

Prices for other fresh produce items that Institutions add to the Contract must be firm for the remainder of the month in which the items are added to the Contract. Thereafter, these prices may be adjusted by the Contractor on a weekly basis.

It shall be the Contractor’s responsibility to prove to the State, to the State’s satisfaction, that a change requiring an upward price adjustment has taken place; however, understanding the frequency of price changes (as often as weekly), the Contractor shall only be required to provide this proof upon request by the State. The State may set forth a format for providing such proof, and the Contractor must comply with that format. The Contractor shall notify both DOP and the Institution (and the Agency, at the Agency’s discretion) in writing of price changes for each item on the Contract.

23.1 Rights of Institutions for Upwardly Adjusted Prices

If the Contractor upwardly adjusts the price for any item for four (4) consecutive weeks (or, for more than six (6) weeks in a three (3) month period), Institutions reserve the right to purchase the item from another source as long as the other source’s price is less than the price of the item on the Contract. The Institution can continue to purchase the item from another source until such time as the price of the item on the Contract is less than the price of the item purchased from the other source. Purchases outside of the Contract identified in section 23.1 shall not factor into the percentage identified in section 10.1.

23.1.1 Institutions shall follow the following procedure in order to purchase from an outside source in accordance with section 23.1:

23.1.1.1 The Institution must contact DOP, and substantiate in writing that the price for the item has been upwardly adjusted as identified in section 23.1.

23.1.1.2 The Institution must also substantiate in writing to DOP that there is an equivalent item available from another source that has a lower price than the item on the Contract.

23.1.1.3 The Institution must provide a written monthly report to DOP demonstrating that the item available from another source remains at a lower price than the item on the Contract. Otherwise, the item must be purchased under the Contract.

24 ORDER FILL RATE

For all items purchased under the Contract, the fill rate must remain at ninety-five percent (95%) or above for total items ordered per quarter (per individual account). Substitutions must be pre-approved by each Institution

(the Agency may require that someone in its administrative office be contacted for pre-approval; if so, the Agency will identify this to the Contractor in writing). The following shall count against the fill rate:

- a) Items ordered but not delivered;
- b) Refused items (e.g., damaged or spoiled items) (Items may be rejected upon delivery, but may also be rejected after containers or cases are opened and damage or spoilage is discovered at a later time.); or
- c) Items substituted without prior approval by the Agency (or Institution)

If the fill rate falls below ninety-five percent (95%) (per individual account, per quarter), it may have a bearing on whether or not the State chooses to renew the Contract.

24.1 Fill Rate Report

The Contractor shall report quarterly fill rate information (per individual account) to the Division of Purchasing which shall include the following:

- a) Number of orders received by the Contractor;
- b) Number of orders delivered by the Contractor;
- c) Items ordered but not delivered, including item name, item description, item order number, and quantity;
- d) Refused items, including item name, item description, item order number, and quantity; and
- e) Items substituted without prior approval by the Agency (or Institution), including item name, item description, item order number, and quantity.

This report must be provided electronically, and Excel format is acceptable. The quarterly due dates for this report are the same as those for the report specified in section 5, Administrative Fee, of the State of Idaho Standard Contract Terms and Conditions.

25 IDJC PRODUCE PURCHASING PRACTICES AND NEEDS

Please see **Appendix E** for information regarding that Agency's produce purchasing practices and needs.

26 SPECIAL CONTRACT TERMS AND CONDITIONS

26.1 Public Agency Clause

Contract prices shall be extended to other "Public agencies" as defined in Section #67-2327 of the Idaho Code, which reads as follows:

67-2327. DEFINITIONS. "Public agency" means any city or political subdivision of this state, including, but not limited to counties; school districts; highway districts; and port authorities; instrumentalities of counties, cities or any political subdivision created under the laws of the state of Idaho; any agency of the state government; and any city or political subdivision of another state.

"State" means a state of the United States and the District of Columbia.

It will be the responsibility of the Public Agency to independently contract with the Contractor and/or comply with any other applicable provisions of Idaho Code governing public contracts.

26.2 Website Ordering

26.2.1 If the Contractor provides a website for Institutions to use for placing orders, any terms or conditions associated with the website that do the following are void:

26.2.1.1 Waive the sovereign immunity of the state of Idaho;

26.2.1.2 Subject the state of Idaho, its agencies, or political subdivisions of the state of Idaho to the jurisdiction of the courts of other states;

26.2.1.3 Limit the time in which the state of Idaho, its agencies, or political subdivisions of the state of Idaho may bring a legal claim to a period shorter than that provided in Idaho law;

26.2.1.4 Impose a payment obligation, including a rate of interest for late payments, less favorable than the obligations set forth in Section 67-2302, Idaho Code; or,

26.2.1.5 Require the state of Idaho, its agencies, or political subdivisions of the state of Idaho to accept arbitration or to waive right to a jury trial.

26.2.1.6 Furthermore, any terms or conditions within any Agreement that require indemnification not specifically authorized by the Idaho legislature or subject to appropriation are void pursuant to Section 67-9215, Idaho Code, and Section 59-1016, Idaho Code. Additionally, terms or conditions in any Agreement that hold individual users (employees or officers of the state of Idaho and of political subdivisions of the state of Idaho) personally liable are void.

26.2.2 Additionally, If the apparent successful Bidder is awarded a Contract from this ITB, the apparent successful Bidder agrees that if an employee or officer of the state of Idaho or of a political subdivision of the state of Idaho clicks-through acceptance of any terms and conditions associated with a website that the apparent successful Bidder will provide for Institutions to use for placing orders, that click-through does not indicate that they have accepted any clicked-through terms and conditions that contradict the terms and conditions of the Contract. The apparent successful Bidder, by having submitted a Bid, represents that, if the website that it will provide belongs to any third party, the third party also agrees specifically with the requirements of sections 26.2.1 through 26.2.2.

26.3 Insurance Requirements

Within five (5) business days of receipt of a letter of intent to award, the apparent successful Bidder must provide certificates of insurance required herein and must maintain the insurance during the term of the Contract. There are no provisions for exceptions to this requirement. Failure to provide the certificates of insurance within the five (5) business day period may be cause for your Bid to be found non-responsive or for your Contract to be cancelled.

Contractor shall carry liability and property damage insurance that will protect it and the state of Idaho from claims for damages for bodily injury, including accidental death, as well as for claims for property damages, which may arise from operations under the Contract whether such operations be by themselves or by anyone directly or indirectly employed by either of them.

Contractor shall not commence work under the Contract until it obtains all insurance required under this provision and furnishes a certificate or other form showing proof of current coverage to the State. All insurance policies and certificates must be signed copies. After work commences, the Contractor will keep in force all required insurance until the Contract is terminated.

26.3.1 Commercial General and Umbrella Liability Insurance

Contractor shall maintain Commercial General Liability (CGL) and, if necessary, Commercial Umbrella insurance with a limit of not less than \$1,000,000 each occurrence. If such CGL insurance contains a general aggregate limit, it shall apply separately to the Contract.

CGL insurance shall be written on ISO occurrence form CG 00 01 (or a substitute form providing equivalent coverage) and shall cover liability arising from premises, operations, independent contractors, products-completed operations, personal and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).

26.3.2 Commercial Automobile and Commercial Umbrella Liability Insurance

Contractor shall maintain Commercial Automobile Liability and, if necessary, Commercial Umbrella Liability insurance with a limit of not less than \$1,000,000 each accident. Such insurance shall cover liability arising out of any auto (including owned, hired, and non-owned autos).

Bidder may request a waiver from providing Commercial Automobile and Commercial Umbrella Liability Insurance in its Bid if the Bidder will not use any owned, hired or non-owned vehicles to conduct business under the Contract, if it is awarded the Contract, and the state of Idaho will consider the request. If the Bidder submits a request to waive the provision of Commercial Automobile and Commercial Umbrella Liability Insurance after the due date and time for receipt of Bids, the state of Idaho may not consider the request.

26.3.3 Workers Compensation Insurance and Employer's Liability

Contractor shall maintain workers compensation and employer's liability. The employer's liability shall have limits not less than \$100,000 each accident for bodily injury by accident, \$500,000 disease policy limit, and \$100,000 disease, each employee.

Contractor must provide either a certificate of workers compensation insurance issued by a surety licensed to write workers compensation insurance in the state of Idaho, as evidence that the Contractor has in effect a current Idaho workers compensation insurance policy, or an extraterritorial certificate approved by the Idaho Industrial Commission from a state that has a current reciprocity agreement with the Idaho Industrial Commission.

26.3.4 State of Idaho as Additional Insured

The liability insurance coverage required for performance of the Contract shall include the state of Idaho, the Agencies and their divisions, officers and employees as additional insured, but only with respect to the Contractor's activities to be performed under the Contract.

The Contractor must provide proof of the state of Idaho, Agencies and their divisions, officers and employees being additional insured by providing endorsements to the liability insurance policies showing the state of Idaho, Agencies and their divisions, officers and employees as additional insured. The endorsements must also show the policy numbers and the policy effective dates.

If a liability insurance policy provides for automatically endorsing additional insured when required by contract, then, in that case, the Contractor must provide proof of the state of Idaho, Agencies and their divisions, officers and employees being additional insured by providing copies of the policy pages that clearly identify the blanket endorsement.

26.3.5 Notice of Cancellation or Change

Contractor shall ensure that should any of the above described policies be cancelled before the expiration date thereof, or if there is a material change, potential exhaustion of aggregate limits or intent not to renew insurance coverage(s), that written notice will be delivered to the Division of Purchasing (if the Contract was issued by the Division) or to the Purchasing Activity (contracting state agency) in accordance with the policy provisions.

Contractor shall further ensure that all policies of insurance are endorsed to read that any failure to comply with the reporting provisions of this insurance, except for the potential exhaustion of aggregate limits, shall not affect the coverage(s) provided to the state of Idaho, and its divisions, officers and employees.

26.3.6 Acceptable Insurers and Deductibles

Insurance coverage required under the Contract shall be obtained from insurers rated A-VII or better in the latest Bests Rating Guide and in good standing and authorized to transact business in Idaho. The Contractor shall be financially responsible for all deductibles, self-insured retention's and/or self-insurance included hereunder. The coverage provided by such policy will be primary to any coverage of the State on or related to the Contract and shall provide that the insurance afforded applies separately to each insured against whom a claim is made, except with respect to the limitation of liability.

26.3.7 Waiver of Subrogation

All policies shall contain waivers of subrogation. The Contractor waives all rights against the State and its officers, employees, and agents for recovery of damages to the extent these damages are covered by the required policies. Policies may contain deductibles but such deductibles will not be deducted from any damages due to the State.

The election of any one or more remedies by either party shall not constitute a waiver of the right to pursue other available remedies.

26.10.2 Termination for Cause

Except as set forth herein, the State may terminate the Contract (and/or any order issued pursuant to the Contract) when the Contractor has been provided written notice of default or non-compliance and has failed to cure the default or non-compliance within a reasonable time, not to exceed thirty (30) calendar days. APPENDIX D-IDAHO DEPARTMENT OF CORRECTION SECURITY REQUIREMENTS

At the beginning of the Contract, the Contractor must submit a list of all staff that will be providing services on location at any IDOC Institution (including, but not limited to: product deliveries, software training for staff, and contract site visits and meetings). These individuals will be required to provide data for a current IDOC Background investigation and fingerprints within two (2) weeks after the award of the Contract. All future Contractor staff that will be providing services under the Contract on location at any IDOC Institution will be required to provide this information before being allowed to enter the secured perimeter of the Institution.

Background Checks: Employees of the Contractor who will be entering Idaho Department of Correction (IDOC) Institutions, prior to working on the Contract, must submit to a criminal background investigation as follows:

- An IDOC Background Questionnaire conducted by the IDOC's Special Investigations Unit.
- Fingerprinting completed by the IDOC and sent to Idaho State Police for a more thorough criminal investigation.

IDOC requires a minimum of thirty (30) business days from IDOC's receipt of required information to complete background checks. The Contractor shall provide all required information on the then-current IDOC background form and email it to IDOC's Office of Professional Standards at backgrounds@idoc.idaho.gov or hand deliver it to 1299 N. Orchard Street, Suite 110, Boise, Idaho, at least thirty (30) business days in advance of the need for access. The Contractor shall provide IDOC Contract Services with written notice of all background checks submitted by providing the date submitted and the individual's first and last name.

Once the background check has been completed, IDOC Contract Services will notify the Contractor of each clearance or denial. The IDOC will issue preliminary approval for an employee to enter/deliver to its Institutions after completion and clearance of the criminal investigation and after the urinalysis results have been received. The fingerprints must be completed within thirty (30) calendar days of receipt of this initial approval.

If the Contractor becomes aware of the arrest of any of the Contractor's delivery staff, the Contractor shall immediately notify the IDOC Contract Services, providing as much detail and information as is available. IDOC will review the situation and determine if the impacted individual can continue to enter IDOC Institutions and/or work in the warehouse. IDOC reserves the right to revoke security clearance approval for any individual for security-based reasons at any time.

The IDOC may change the requirements of this section during the term of the Contract, and the Contractor must comply with the changes. Changes shall become final upon the Division of Purchasing executing an amendment to the Contract.

Fingerprinting: Contractor staff who clear the background investigation are required to have fingerprints taken within thirty (30) calendar days of background clearance approval. Fingerprints are obtained at specific IDOC Institutions and must be coordinated in advance with the IDOC Institution where the fingerprinting will take place.

Ongoing Access: All Contractor staff are subject to re-backgrounding every three (3) years or as otherwise deemed appropriate by IDOC. Institution access requirements as set forth herein and in applicable IDOC SOP apply any time Personnel are on the premises of any IDOC Institution.

Background Check/Fingerprinting Fees: The Contractor will be charged for each background check and fingerprint processed on its behalf. Background fees are charged at the then-current IDOC rate. Charges for fingerprinting are made on a pass-through basis to the Contractor as charged to IDOC by Idaho State Police. The Contractor will be invoiced by IDOC on a monthly basis for all backgrounds and fingerprinting completed for the prior month, payable net 30 days of receipt of invoice. Payment can be made by check or by electronic transfer (e.g. ACH / EFT) as mutually agreed in writing between IDOC and the Contractor. Pursuant to 28 C.F.R. § 20.33 the Contractor shall not be entitled to the dissemination of any criminal history record information obtained as part of the backgrounding process.

Right to Bar Entry: The IDOC reserves the right to bar entry to any person. Employees of the Contractor entering IDOC property will adhere to all IDOC policy, rules, statutes and regulations and are subject to search if deemed necessary by the IDOC. The Contractor, upon written request by the IDOC, will remove and replace any employee providing services to the IDOC (including employees of any subcontractor) who has broken any of the rules or regulations of the IDOC, or who, in the judgment of the IDOC, poses a risk or threat to the security of the Institution. The written request will include the basis for the IDOC's request for removal. If the Contractor disagrees with the basis for removal of its employee from service to IDOC, the Contractor must contact officials from the IDOC within twenty-four (24) hours of receipt of the request to present its reasons for not removing the employee from service to the IDOC; however, the IDOC's final decision shall stand.

Ex-Inmates and Families of Ex-Inmates: The Contractor must provide written notification to IDOC Contract Services of intent to hire an inmate, probationer or parolee, ex-inmate or a family member of an inmate. In order to ensure a safe and secure environment for staff, inmates, visitors and Contractor staff providing services at IDOC Institutions, the IDOC reserves the right to exclude those individuals from working on any IDOC portion of the Contract if it is deemed in the best interest of the IDOC to do so. A list of current employees that fall within the categories identified in this paragraph must be submitted to the IDOC within 2 weeks of the award of the Contract.

Delivery Vehicle Searches: All delivery vehicles are subject to search before entering and at any time while on IDOC property.

Drug Testing Policy: No later than two (2) weeks after the award of Contract, the Contractor must provide IDOC a copy of its company drug-free policy that shows that the Contractor ensures that all potential drivers undergo testing for controlled substances and that the Contractor verifies negative test results prior to assigning safety-sensitive job functions to any employee. The policy must also show that the Contractor performs periodic retesting.

APPENDIX E-IDAHO DEPARTMENT OF JUVENILE CORRECTIONS NARRATIVE ON FRESH PRODUCE PURCHASING PRACTICES AND NEEDS

Two thirds of the Idaho Department of Juvenile Correction's (IDJC's) feeding obligation is as a school district - Juniper Hills High, School District 709 with sites in St. Anthony, Lewiston and Nampa. Therefore, although IDJC operates three correctional institutions, for purposes of a food purchasing contract, it would be more appropriate to view IDJC as a school district. This distinction may help the Contractor to understand that IDJC's produce purchasing practices differ greatly from the normal practices of a correctional agency.

PRODUCE NEEDS

Updated USDA nutrition standards began being phased-in July of 2012, with continued milestones set for July 2013 and 2014. IDJC must demonstrate that we are meeting them through menus, production sheets and purchasing records, which are audited to confirm compliance. We are able to use fresh, frozen, canned and dried fruits and vegetables, so we have latitude on which products we buy; however, our cold and freezer storage space is limited, and there are sodium limitations that would be exceeded if we relied solely on canned vegetables. Therefore, a carefully planned mix is the best approach. Keep in mind that past purchasing habits are not a good indicator of what is needed as the latest USDA standards are implemented. Basically, a wide variety of vegetables and fruit will be needed to keep up with the new mandates.

Fruit: In order to be eligible for meal and snack reimbursement, IDJC is currently required to serve each youth at least ½ cup of fruit at both breakfast and lunch daily Monday through Friday, for a total of 5 cups. This amount may increase in the near future due to federal requirements. IDJC also expects that the federal requirements will soon require that no more than half of the fruit offerings may be in the form of juice, which must be 100% full-strength.

Please also note the following:

- ½ cup of dried fruit as 1 cup;
- If fruit is used as a snack, it must be at least ¾ cup;
- Frozen fruit cannot contain added sugar;
- Canned fruit must be in light syrup or fruit juice.

Vegetables: We are also required to serve each youth one cup of vegetables at lunch for a total of 7 cups per week. However, the 5-cup measurement can be misleading, because 1 cup of leafy greens only counts as ½ cup of vegetables. No more than half of the weekly vegetable offerings may be in the form of juice, which must be 100% full-strength.

A further issue that must be factored is that there are specific weekly serving requirements Monday through Friday for each vegetable subtype:

Dark Green – ½ cup per week minimum

Red/Orange – 1¼ cup per week minimum

Beans/Dried Peas (legumes) – ½ cup per week minimum

Starchy vegetables (corn, peas, potatoes) - ½ cup per week minimum

Other servings from dark green, red/orange, and/or legumes subtypes – ¾ cup per week

Additional vegetables from ANY subtype to reach 5-cup weekly total for lunch – 1½ cup

Finally, the minimal creditable serving for any food item is 1/8 cup, so for example, a Tablespoon of diced onions or tomato as a garnish does not count; a breakfast parfait would require at least 2 Tablespoons of fruit

to be able to be counted toward the 1 cup minimum for the meal; and vegetables such as celery or onions in a recipe must be calculated to provide a minimum yield of 1 ounce per serving. The idea is that whether served alone or as an ingredient in dish, fruit and vegetables must be substantial enough to provide a measureable nutrient content.

While these standards for reimbursement apply only to the meals and snacks compensated by USDA under the School Lunch, Breakfast and Snack Programs, our mission is to ensure all meals and snacks provide adequate nutrition for the juveniles in our care. As a result, additional servings of fruits and vegetables are served over the entire week, but with more latitude on non-school days.

We anticipate that, over time, a clearer picture of IDJC's produce needs will emerge. Due to these new mandates, at least one IDJC Institution is looking to purchase more colorful vegetables, including red and orange bell peppers, tomatoes, winter squash, turnips, parsnips, spinach, romaine lettuce, bok choy, zucchini, green beans, green bell peppers, asparagus, Brussels sprouts, red and white onions, mushrooms.

We are working to expand our selection of whole fresh fruit beyond the standard apples, oranges, grapes, and bananas to include berries and kiwi. As we continue to experiment with different fruits and vegetables to gauge juvenile acceptance, as well as to meet production and budget needs, IDJC expects this list to change over time.

SOLICITATION INSTRUCTIONS TO VENDORS

1. AUTHORITY TO PURCHASE: The Administrator of the Division of Purchasing, Department of Administration or the Administrator's delegates are the only statutory agents authorized to execute Contracts for the procurement of goods and services, unless exempted pursuant to statute or rule.

2. E-PURCHASING: The State of Idaho, Division of Purchasing and many individual Agencies utilize the Idaho e-Procurement System (IPRO), an electronic procurement system. Depending upon which profiling options vendors select in IPRO, vendors may be sent e-mail notifications of acquisition opportunities on those Solicitations electronically posted.

3. ELECTRONIC SIGNATURES: IDAPA 38.05.01.061 specifically allows for electronic signatures on responses submitted to formal solicitations. For vendors submitting via IPRO, IPRO processes all information electronically on the Internet. Signatures by both the submitting Vendor and the State when using IPRO may be electronic and electronic signatures used with IPRO are as fully binding and legal for the State's purchasing process as a manually affixed signature. Any reference in these *Solicitation Instructions to Vendors* to "signed," "signature," "manually signed in ink," or equivalents will include electronic signatures.

4. DEFINITIONS: Unless the context requires otherwise, all terms not defined below shall have the meanings defined in Idaho Code Section 67-9203 or IDAPA 38.05.01.011.

Includes concession services and rights to access or use state property or facilities for business purposes.

I. Proposal – A written response, including pricing information, to a Request for Proposals that describes the solution or means of providing the Property requested and which Proposal is considered an offer to perform in full response to the Request for Proposals. Price may be an evaluation criterion for Proposals, but will not necessarily be the predominant basis for Contract award.

K. Request for Quotation – The document, form or method generally used for purchases solicited in accordance with small purchase or emergency purchase procedures.

N. State – The state of Idaho including each Agency unless the context implies other state(s) of the United States.

O. Vendor – A person or entity capable of supplying Property to the State.

5. AWARD METHOD: Contracts may only be awarded to the "Lowest Responsible Bidder." The Lowest Responsible Bidder is defined by Idaho Code Section 67-9203(9) as "The responsible bidder whose bid reflects the lowest acquisition price to be paid by the state; except that when specifications are valued or comparative performance examinations are conducted, the results of such examinations and the relative score of valued specifications will be weighed, as set out in the specifications, in determining the lowest acquisition price." When deemed to be in the best interest of the State, and set forth in the Solicitation documents, additional consideration may be given to the elements of discounts, supply location, quality of products or previous service, delivery time, or other elements.

6. ADMINISTRATIVE FEE: In accordance with Paragraph 5 of the State of Idaho Standard Terms and Conditions, Contracts issued through IPRO as Statewide Blanket Purchase Orders (SBPO) will be subject to an Administrative Fee of one and one-quarter percent (1.25%) based on orders placed against the Contract, unless specifically exempted. The Administrative Fee must be included in the prices offered by the Vendor submitting a response to an ITB or RFP issued by the State, when the solicitation will result in a Statewide Blanket Purchase Order (SBPO) which is not otherwise specifically exempt (See Paragraph 5, State of Idaho Standard Terms and Conditions).

7. DETERMINATION OF RESPONSIBILITY: The State reserves the right to make reasonable inquiry about or from the submitting Vendor or from third parties to determine the responsibility of a submitting Vendor. Such inquiry may include, but not be limited to, inquiry regarding financial statements, credit ratings, references, potential subcontractors, and past performance. The unreasonable failure of a submitting Vendor to promptly supply any requested information may result in a finding of non-responsibility.

8. SOLICITATION AMENDMENTS: It will be the Vendors' responsibility to check for any amendments to the solicitation document(s) prior to submitting a Bid, Proposal, or Quotation. In the event it becomes necessary to revise any part of the Solicitation, amendment(s) will be made available via IPRO. Furthermore, the State is in no way responsible for reimbursing the Vendor for goods provided or services rendered prior to execution by the authorized State purchasing official and the arrival of the effective date of the Contract.

10. ECONOMY OF PREPARATION: If submitting a response to a solicitation, responses should be prepared simply and economically, providing a clear, complete and concise description of the Offeror's capabilities to satisfy the State's requirements.

11. SPECIFICATIONS: Specifications describe the Property the State wants to acquire. Vendors are encouraged to review the specifications closely and present written questions within the time prescribed in the Solicitation to the designated purchasing official. See also Paragraph 14 on Administrative Appeals. The State is prohibited from accepting Property that does not meet the minimum specifications pursuant to Idaho Code Section 67-9230(6).

The signature page must be manually signed in ink or contain an electronic signature of an authorized agent of the submitting Vendor and returned with the submission package. Manually submitted Bids or Proposals submitted without the signature page or other binding document shall be found nonresponsive and will not be considered. An incomplete, modified or unsigned signature page will be cause for a finding of non-responsiveness. Submissions must be completed either in ink or typewritten. Forms or figures written in pencil are not acceptable. Mistakes should not be erased but may be crossed out and corrections inserted next to the errors and initialed **IN INK** (or with an electronic signature) by the person signing.

Additionally, one or more of the following may be applicable:

1. If the Vendor is a corporation, partnership, sole proprietorship or other legal entity, and employs individual persons, by submitting its Bid, Proposal or Quotation, vendor warrants that any Contract resulting from this Solicitation is subject to Executive Order 2009-10 [http://gov.idaho.gov/mediacenter/execorders/eo09/eo_2009_10.html]; it does not knowingly hire or engage any illegal aliens or persons not authorized to work in the United States; it takes steps to verify that it does not hire or engage any illegal aliens or persons not authorized to work in the United States; and that any misrepresentation in this regard or any employment of persons not authorized to work in the United States constitutes a material breach and shall be cause for the imposition of monetary penalties up to five percent (5%) of the Contract price, per violation, and/or termination of its Contract; or

2. If Vendor is a natural person eighteen (18) years of age or older,

a. by submitting its Bid, Proposal or Quotation, warrants that its Bid, Proposal or Quotation is subject to Idaho Code section 67-7903 and, pursuant thereto, by submitting its Bid, Proposal or Quotation, attests, under penalty of perjury, that it is a United States citizen or legal permanent resident or that it is otherwise lawfully present in the United States pursuant to federal law; and

b. prior to being issued a Contract, Vendor will be required to submit proof of lawful presence in the United States in accordance with Idaho Code Section 67-7903.

16. BID AND REQUEST FOR PROPOSAL SUBMISSIONS:

A. Manual Submissions – Unless otherwise stated elsewhere in the Solicitation, the submission package or envelope must be **SEALED** and plainly marked in the **LOWER** left corner with the following: (i) the name of the item or service being sought; (ii) opening date and time; and (iii) the Solicitation number. This information is found in the Solicitation document. The submitting Vendor's return address must appear on the envelope or package. Any Bid sheets and the signature page containing an authorized signature must be submitted in a sealed envelope or package. **(Do not respond to more than one Solicitation in the same envelope!)** A submission made using "Express/Overnight" services must be shipped in a separate sealed inner envelope/package identified as stated above, and enclosed inside the "Express/Overnight" shipping container or package. No responsibility will attach to the State, or to any official or employee thereof, for the pre-opening of, post-opening of, or the failure to open a submission not properly addressed and identified. No oral, telephone, facsimile or late submissions will be considered. All submissions must be received at the physical address designated for courier service and time/date stamped by the purchasing activity prior to the closing date and time. It is the submitting Vendor's responsibility to

January 1, 2017

SOLICITATION INSTRUCTIONS TO VENDORS

timely submit its Bid or Proposal in a properly marked envelope, prior to the scheduled closing, for receipt in sufficient time to allow the submission to be time and date stamped **prior to the closing time**.

B. Bid Submissions – Electronic – For Bids or Proposals submitted electronically via IPRO, the submitting Vendor is the individual or entity as it is profiled in IPRO. If Vendor's submittal includes a signed State supplied signature page which identifies a different legal entity than the IPRO profile under which the Bid or Proposal was submitted, the submitting Vendor is the individual or entity identified on the state supplied Signature Page. Vendors submitting electronically must complete all steps in the IPRO submission process prior to the scheduled closing date and time.

C. Late Submissions – It is the submitting Vendor's responsibility to ensure that its Bid, Quotation, or Proposal is delivered or electronically submitted to the place designated for receipt prior to the specified closing time. Late submissions will not be considered under any circumstances. The official time used in the receipt of manual submissions is determined by the automatic time/date stamp located at the physical address designated for receipt of Bids, Quotations or Proposals. Electronic submissions will use IPRO's time to determine receipt time. No responsibility will be assumed for delays in the delivery of mail by the U.S. Post Office, private couriers, the intra-State mail system, or for the failure of any computer or electronic equipment. Submitting Vendors are advised that the intra-State mail system may increase delivery time from Central Postal to the place designated for receipt and should plan accordingly. **LATE SUBMISSIONS WILL NOT BE ACCEPTED, AND WILL BE RETURNED TO THE SUBMITTING VENDOR. NO DEVIATIONS WILL BE ALLOWED.**

17. TABULATION INFORMATION:

Manual/Electronic Opening – Electronic and manually distributed Solicitations will contain detailed information regarding closing/opening dates and times. Vendors may attend openings of manually submitted Solicitations at the place, date, and time specified on the Solicitation. At that time, for Bids, the names of Bidders and Bid amount will be announced. For Proposals, only the names of the Offerors will be announced. No other information will be disclosed at that time. Individuals may request tabulation information when it becomes available. No tabulation information will be given over the phone.

18. TERMS AND CONDITIONS OF ENSUING CONTRACT: Any ensuing Contract will be governed by the *State of Idaho Standard Contract Terms and Conditions*, any applicable Special Terms and Conditions and, if applicable, any negotiated provisions, all as specified in the Solicitation. Unless otherwise identified in the Solicitation, no additional or supplemental terms and conditions submitted by the submitting Vendor as part of its response shall be evaluated or considered. Any and all such additional terms and conditions shall have no force and effect and shall be inapplicable to the Solicitation and any ensuing Contract. If additional or supplemental terms and conditions, either intentionally or inadvertently appear separately in transmittal letters, specifications, literature, price lists or warranties, it is understood and agreed that *the State of Idaho Standard Contract Terms and Conditions* and any Special Terms and Conditions in the Solicitation are the only conditions applicable to the Solicitation and any ensuing Contract and the submitting Vendor's authorized signature affixed to the signature page form attests to this. If you condition your Bid or Proposal on such additional terms and conditions, your Bid or Proposal will be deemed nonresponsive. **IF YOU HAVE QUESTIONS OR CONCERNS REGARDING THE STATE'S TERMS AND CONDITIONS, ADDRESS THEM IN WRITING TO THE DESIGNATED PURCHASING OFFICIAL WITHIN THE TIME PERIOD PRESCRIBED PRIOR TO THE SOLICITATION CLOSING DATE.**

19. PRE-OPENING SOLICITATION WITHDRAWALS OR MODIFICATION:

A. Manual – Manual submissions may be withdrawn or modified only as follows: Bids or Proposals may be withdrawn or modified prior to the closing by written communication signed by the submitting Vendor. Bids or Proposals may be withdrawn prior to closing in person upon presentation of satisfactory evidence establishing the individual's authority to act on behalf of the submitting Vendor. Any withdrawing or modifying communication must clearly identify the Solicitation. A modifying letter should be worded so as **NOT** to reveal the amount.

B. Pre-Opening Solicitation Withdrawals – Electronic – A submitting Vendor using IPRO may withdraw a previously submitted Solicitation response at any time prior to the closing by submitting another response with a zero unit price for each affected line item of the Solicitation and inserting the words "WITHDRAWAL OF PREVIOUSLY SUBMITTED BID" in the comments field for each affected line item or may select the "INTENTIONAL NO BID" checkbox in IPRO.

C. Pre-Opening Solicitation Modification – Electronic – A submitting Vendor using IPRO may modify or change a previously submitted Solicitation response at any time prior to the closing by amending its solicitation response in IPRO and resubmitting (i.e. adding or removing attachments, modifying pricing, etc.).

SOLICITATION INSTRUCTIONS TO VENDORS

20. REJECTION OF BIDS AND PROPOSALS AND CANCELLATION OF SOLICITATION:

A. Prior to the issuance of a Contract, the State shall have the right to accept or reject all or any part of a Bid, Proposal or Quotation or any and all Bids, Proposals and Quotations when: (i) it is in the best interests of the State; (ii) the Bid, Proposal or Quotation does not meet the minimum specifications; (iii) the Bid, Proposal or Quotation is not the lowest responsible Bid, Proposal or Quotation; (iv) a finding is made based upon available evidence that a submitting Vendor is not responsible or is otherwise incapable of meeting specifications or providing an assurance of ability to fulfill Contract requirements; or (v) the item offered deviates to a major degree from the specifications, as determined by the State (minor deviations, as determined by the State, may be accepted as substantially meeting the Solicitation requirements). Deviations will be considered major when such deviations appear to frustrate the competitive Solicitation process or provide a submitting Vendor an unfair advantage.

B. Prior to the issuance of a Contract, the State shall have the right to reject all Bids, Proposals, or Quotations or to cancel a Solicitation. Cancellation may be for reasons that include, but are not limited to: (i) inadequate or ambiguous specifications; (ii) specifications have been revised; (iii) Property is no longer required; (iv) there is a change in requirements; (v) all submissions are deemed unreasonable or sufficient funds are not available; (vi) Bids, Proposals or Quotations were not independently arrived at or were submitted in bad faith; (vii) it is determined that all requirements of the Solicitation process were not met; (viii) insufficient competition; or (ix) it is in the best interests of the State.

21. BURDEN OF PROOF: It shall be the responsibility and burden of the submitting Vendor to furnish, with its original submission, unless otherwise provided in the Solicitation, sufficient data for the State to determine whether or not the property offered conforms to the specifications.

22. ALTERNATE BIDS: Multiple bids submitted by a single submitting Vendor, or a submitting Vendor's alternate bids, **WILL NOT BE ACCEPTED UNLESS SO STATED IN THE SPECIFICATIONS.**

23. DISCOUNTS: Discounts, when applicable, shall be shown in a single net percentage figure (e.g. 57-1/4% instead of 50, 10, and 5 percent). **DISCOUNTS FOR PROMPT PAYMENT WILL BE ACCEPTED BUT CANNOT BE USED IN DETERMINING THE LOWEST BID.**

24. UNIT PRICES GOVERN: Unit prices shall govern. **IMPORTANT:** Prices must be given in the "unit of measure" required in the Solicitation. Example: If the Solicitation requires an item by the "piece," submit pricing by the "piece." If the Solicitation requires an item by the "foot," submit pricing by the "foot."

25. FIRM PRICES: The submitting Vendor agrees that its Bid, Quotation or Proposal shall be good and may not be withdrawn for a period of ninety (90) days after the scheduled closing date, unless otherwise identified in the Solicitation. No Bid, Quotation or Proposal will be accepted if marked "price prevailing at time of delivery," "estimated prices," "actual costs to be billed," or similar phrases. After the date and time of closing, no price change will be allowed, unless otherwise stated in the Solicitation. All Bids, Quotations and Proposals must be in U.S. Dollars.

26. ORAL INFORMATION: Questions concerning a Solicitation must be directed in writing to the designated purchasing official in the period of time prescribed in the Solicitation. Bids, Proposals, or Quotations deviating from the specifications by any means other than that which is allowed by an amendment to the Solicitation written and issued by the State will be subject to rejection. The State will not be responsible for any verbal or oral information given to Vendors by anyone other than an authorized purchasing official who has provided information in writing. Reliance on any oral representation is at the Vendor's sole risk.

27. GOVERNMENTAL USE ONLY: Unless otherwise noted in the Solicitation, all purchases made pursuant to the Solicitation are for the internal use of government only and will not be resold to the general public at retail. Upon request, the State will issue a certification that all purchases made pursuant to the Solicitation are intended for the internal use of government and will not be resold to the general public at retail.

28. PUBLIC RECORDS:

A. The Idaho Public Records Law, Idaho Code Sections 74-101 through 74-126, allows the open inspection and copying of public records. Public records include any writing containing information relating to the conduct or administration of the public's business prepared, owned, used, or retained by a State Agency or a local agency (political subdivision of the state of Idaho) regardless of the physical form or character. All, or most, of the information contained in your response to the State's

SOLICITATION INSTRUCTIONS TO VENDORS

Solicitation will be a public record subject to disclosure under the Public Records Law. The Public Records Law contains certain exemptions. One exemption potentially applicable to part of your response may be for trade secrets. Trade secrets include a formula, pattern, compilation, program, computer program, device, method, technique or process that derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by other persons and is subject to the efforts that are reasonable under the circumstances to maintain its secrecy. If you consider any material that you provide in your Bid, Proposal or Quotation to be a trade secret, or otherwise protected from disclosure, you **MUST** so indicate by marking as "exempt" **EACH PAGE** containing such information. Marking your entire Bid, Proposal or Quotation as exempt is not acceptable or in accordance with the Solicitation or the Public Records Law and **WILL NOT BE HONORED**. In addition, a legend or statement on one (1) page that all or substantially all of the response is exempt from disclosure is not acceptable or in accordance with the Public Records Law and **WILL NOT BE HONORED**. Prices that you provide in your Bid, Proposal or Quotation are not a trade secret. The State, to the extent allowed by law and in accordance with these Solicitation Instructions, will honor a designation of nondisclosure. Any questions regarding the applicability of the Public Records Law should be addressed to your own legal counsel **PRIOR TO SUBMISSION** of your Bid, Proposal or Quotation.

B. If your Bid, Proposal or Quotation contains information that you consider to be exempt, you must also submit an electronic redacted copy of the Bid, Proposal or Quotation with all exempt information removed or blacked out. The State will provide this redacted Bid, Proposal or Quotation to requestors under the Public Records Law. Submitting Vendors must also:

1. Identify with particularity the precise text, illustration, or other information contained within each page marked "exempt" (it is not sufficient to simply mark the entire page). The specific information you deem "exempt" within each noted page must be highlighted, italicized, identified by asterisks, contained within a text border, or otherwise be clearly distinguished from other text or other information and be specifically identified as "exempt."
2. Provide a separate document with your Bid, Proposal or Quotation entitled "List of Redacted Exempt Information," which provides a succinct list of all exempt material noted in your Bid, Proposal or Quotation. The list must be in the order in which the material appears in your Bid, Proposal or Quotation, identified by Page#, Section#/Paragraph#, Title of Section/Paragraph, specific portions of text or other information; or in a manner otherwise sufficient to allow the State to determine the precise material subject to the notation. Additionally, this list must identify with each notation the specific basis for your position that the material be treated as exempt from disclosure.

C. Vendor shall indemnify and defend the State against all liability, claims, damages, losses, expenses, actions, attorney fees and suits whatsoever for honoring a designation of exempt or for the Vendor's failure to designate individual documents as exempt. The Vendor's failure to designate as exempt any document or portion of a document that is released by the State shall constitute a complete waiver of any and all claims for damages caused by any such release. If the State receives a request for materials claimed exempt by the Vendor, the Vendor shall provide the legal defense for such claim.

29. LENGTH OF CONTRACT: Pursuant to Idaho Code Section 67-9205(10), the State may enter into Contracts, including leases and rentals, for periods of time exceeding one (1) year provided that such Contracts contain no penalty to or restriction upon the State in the event cancellation is necessitated by a lack of financing for any such Contract or Contracts.

30. LEASE-PURCHASE OPTIONS: Idaho Code Section 67-9222 reads, in part, as follows: "Any exercise of an option to acquire previously nonowned property, or any other procedure which shall serve to pass title to the state where no passage of title existed before, shall be deemed to be a new acquisition and, prior to execution all applicable provisions and procedures of this chapter shall be exercised." (**NOTE:** This provision is **NOT** applicable to time purchase or installment purchase contracts).

F. Proposal – A written response, including pricing information, to a Request for Proposals that describes the solution or means of providing the Property requested and which Proposal is considered an offer to perform in full response to the Request for Proposals. G. Quotation – An offer to supply Property in response to a Request for Quotation and generally used for small or emergency purchases.

H. Solicitation – An Invitation to Bid, a Request for Proposals, or a Request for Quotation issued by the purchasing activity for the purpose of soliciting Bids, Proposals, or Quotes to perform a Contract.

If the Contract is terminated for default or non-compliance, the Contractor will be responsible for any costs resulting from the State's award of a new contract and any damages incurred by the State. The State, upon termination for default or non-compliance, reserves the right to take any legal action it may deem necessary including, without limitation, offset of damages against payment due.

3. RENEWAL OPTIONS: Notwithstanding any other provision in the Contract limiting or providing for renewal of the Contract, upon mutual, written agreement by the parties, the Contract may be extended under the same terms and conditions for the time interval equal to the original contract period, or for such shorter period of time as agreed to by the parties.

4. PRICES: Prices shall not fluctuate for the period of the Contract and any renewal or extension unless agreed to in writing by the State. Destination address identified in the Solicitation, as provided in Paragraph 17, Shipping and Delivery, below.

STATE OF IDAHO STANDARD CONTRACT TERMS AND CONDITIONS

5. ADMINISTRATIVE FEE:

A. Application of Administrative Fee:

1. All Statewide Blanket Purchase Orders (SBPO) shall be subject to an Administrative Fee of one and one-quarter percent (1.25%), based on orders placed against the Contract (unless the SBPO is exempt), as follows:

- a. The prices to be paid by the State (the price BID by Contractor) shall be inclusive of a one and one-quarter percent (1.25%) Administrative Fee. On a quarterly basis, Contractor will remit to State of Idaho, Attn: Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075 an amount equal to one and one-quarter percent (1.25%) of Contractor's net (sales minus credits) quarterly Contract sales.

For Example: If the total of Contractor's net sales to the Agency for one quarter = \$10,000, Contractor would remit $\$10,000 \times 0.0125 = \125 to the Division of Purchasing for that quarter, along with the required quarterly usage report.

- b. Contractor will furnish detailed usage reports as designated by the State. In addition to any required detailed usage reports, Contractor must also submit a summary quarterly report of purchases made from the Contract to purchasing@adm.idaho.gov, utilizing the State's Summary Usage Report Form.

2nd Quarter Oct 1 - Dec 31	January 31 st
3rd Quarter Jan 1 - Mar 31	April 30 th
4th Quarter Apr 1 - Jun 30	July 31 st

2. Unless otherwise exempt, the Administrative Fee will apply regardless of how Contractor submits its response to the solicitation (i.e. manual (paper) or electronic via IPRO).

3. A Contractor's failure to consider the Administrative Fee when preparing its Solicitation response shall not constitute or be deemed a waiver by the State of any Administrative Fees owed by Contractor to the State as a result of an Award issued through IPRO.

B. Administrative Fee Exemptions:

1. Notwithstanding any language to the contrary, the Administrative Fee will not apply to Contracts with an original awarded value of \$100,000 or less.
2. The Administrative Fee will not apply to Purchase Orders (PO), Contract Purchase Orders (CPO) or Blanket Purchase Orders (BPO).
3. The Administrative Fee will not apply to Contracts issued without a competitive solicitation, e.g. Emergency Procurements (EPA), Sole Source Procurements (SSA), etc.
4. The Administrator of the Division of Purchasing may also exempt a specific solicitation or class of solicitations from the Administrative Fee requirement.

C. Payment of Administrative Fee:

Contractor will remit the Administrative Fee to the Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075, as follows:

1. SBPOs: Contractor will remit the Administrative Fee and Report for the prior quarter based on the schedule outlined in Paragraph 5.A.1.c., above.

D. Refund of Administrative Fee: In the event that a Contract is cancelled by the State through no fault of the Contractor, or if item(s) are returned by the State through no fault, act, or omission of the Contractor after the sale of any such item(s) to the State, the State will refund the Contractor any Administrative Fees remitted. Administrative Fees will not be refunded or

STATE OF IDAHO STANDARD CONTRACT TERMS AND CONDITIONS

returned when an item is rejected or returned, or declined, or the Contract cancelled by the State due to the Contractor's failure to perform or comply with specifications or requirements of the Contract. If, for any other reason, the Contractor is obligated to refund to the State all or a portion of the State's payment to the Contractor, or the State withholds payment because of the assessment of liquidated damages, the Administrative Fee will not be refunded in whole or in part.

E. Failure to Remit Administrative Fees: If a Contractor fails to remit the Administrative Fee, as provided above, the State, at its discretion, may declare the Contractor in default; cancel the Contract; assess and recover re-procurement costs from the Contractor (in addition to all outstanding Administrative Fees); seek State or federal audits, monitoring or inspections; exclude Contractor from participating in future solicitations; and/or suspend Contractor's IPRO account.

6. CHANGES/MODIFICATIONS: Changes of specifications or modification of the Contract in any particular manner can be affected only upon written consent of all parties. In the event that a typographical or other ministerial or clerical error is discovered, the State may correct such error after providing notice to the Contractor of its intent to make the clerical correction. A copy of the corrected Contract (or that portion of the Contract which contains correction(s)) will be provided electronically to the Contractor immediately after the correction(s) are made.

7. CONFORMING PROPERTY: The Property shall conform in all respects with the requirements of the State's Solicitation. In the event of non-conformity, and without limitation upon any other remedy, the State shall have no financial obligation in regard to the non-conforming goods or services. Additionally, upon notification by the State, the Contractor shall pay all costs for the removal of nonconforming Property from State premises.

8. OFFICIAL, AGENT AND EMPLOYEES OF THE STATE NOT PERSONALLY LIABLE: In no event shall any official, officer, employee or agent of the State be in any way personally liable or responsible for any covenant or agreement herein contained whether expressed or implied, nor for any statement, representation or warranty made herein or in any connection with the Contract.

9. CONTRACT RELATIONSHIP: It is distinctly and particularly understood and agreed between the parties to the Contract that the State is in no way associated or otherwise connected with the performance of any service under the Contract on the part of the Contractor or with the employment of labor or the incurring of expenses by the Contractor. Said Contractor is an independent contractor in the performance of each and every part of the Contract, and solely and personally liable for all labor, taxes, insurance, required bonding and other expenses, except as specifically stated herein, and for any and all damages in connection with the operation of the Contract, whether it may be for personal injuries or damages of any other kind. The Contractor shall exonerate, defend, indemnify and hold the State harmless from and against and assume full responsibility for payment of all federal, state and local taxes or contributions imposed or required under unemployment insurance, social security, worker's compensation and income tax laws with respect to the Contractor or Contractor's employees engaged in performance under the Contract. The Contractor will maintain any applicable worker's compensation insurance as required by law and will provide certificate of same if requested. There will be no exceptions made to this requirement and failure to provide a certificate of worker's compensation insurance may, at the State's option, result in cancellation of the Contract or in a contract price adjustment to cover the State's cost of providing any necessary worker's compensation insurance. The Contractor must provide either a certificate of worker's compensation insurance issued by a surety licensed to write worker's compensation insurance in the state of Idaho, as evidence that the Contractor has in effect a current Idaho worker's compensation insurance policy, or an extraterritorial certificate approved by the Idaho Industrial Commission from a state that has a current reciprocity agreement with the Idaho Industrial Commission. The State does not assume liability as an employer.

10. ANTI-DISCRIMINATION/EQUAL EMPLOYMENT OPPORTUNITY CLAUSE: The Contractor is bound to the terms and conditions of Section 601, Title VI, Civil Rights Act of 1964, in that "No person in the United States shall, on the grounds of race, color, national origin, or sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance." In addition, "No otherwise qualified handicapped individual in the United States shall, solely by reason of his handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance" (Section 504 of the Rehabilitation Act of 1973). Furthermore, for Contracts involving federal funds, the applicable provisions and requirements of Executive Order 11246 as amended, Section 402 of the Vietnam Era Veterans Readjustment Assistance Act of 1974, Section 701 of Title VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act of 1967 (ADEA), 29 USC Sections 621, et seq., the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, U.S. Department of Interior regulations at 43 CFR Part 17, and the Americans with Disabilities Act of 1990, are also incorporated into the Contract. The Contractor shall comply with pertinent amendments to such laws made during the term of the Contract and with all federal and state rules and regulations implementing such laws. The Contractor must include this provision in every subcontract relating to the Contract.

STATE OF IDAHO STANDARD CONTRACT TERMS AND CONDITIONS

11. TAXES: The State is generally exempt from payment of state sales and use taxes and from personal property tax for property purchased for its use. The State is generally exempt from payment of federal excise tax under a permanent authority from the District Director of the Internal Revenue Service (Chapter 32 Internal Revenue Code [No. 82-73-0019K]). Exemption certificates will be furnished as required upon written request by the Contractor. If the Contractor is required to pay any taxes incurred as a result of doing business with the State, it shall be solely responsible for the payment of those taxes. If, after the effective date of the Contract, an Idaho political subdivision assesses, or attempts to assess, personal property taxes not applicable or in existence at the time the Contract becomes effective, the State will be responsible for such personal property taxes, after reasonable time to appeal. In no event shall the State be responsible for personal property taxes affecting items subject to the Contract at the time it becomes effective.

12. INDEMNIFICATION: Contractor shall defend, indemnify and hold harmless the State from any and all liability, claims, damages, costs, expenses, and actions, including reasonable attorney fees, caused by or that arise from the negligent or wrongful acts or omissions of the Contractor, its employees, agents, or subcontractors under the Contract that cause death or injury or damage to property or arising out of a failure to comply with any state or federal statute, law, regulation or act. Contractor shall have no indemnification liability under this section for death, injury, or damage arising solely out of the negligence or misconduct of the State.

13. CONTRACT NUMBERS: The Contractor shall clearly show the State's Contract number or Purchase Order number on all acknowledgments, shipping labels, packing slips, invoices, and on all correspondence.

14. CONTRACTOR RESPONSIBILITY: The Contractor is responsible for furnishing and delivery of all Property included in the Contract, whether or not the Contractor is the manufacturer or producer of such Property. Further, the Contractor will be the sole point of contact on contractual matters, including all warranty issues and payment of charges resulting from the use or purchase of Property.

15. SUBCONTRACTING: Unless otherwise allowed by the State in the Contract, the Contractor shall not, without written approval from the State, enter into any subcontract relating to the performance of the Contract or any part thereof. Approval by the State of Contractor's request to subcontract or acceptance of or payment for subcontracted work by the State shall not in any way relieve the Contractor of any responsibility under the Contract. The Contractor shall be and remain liable for all damages to the State caused by negligent performance or non-performance of work under the Contract by Contractor's subcontractor. Subcontractor(s) must maintain the same types and levels of insurance as that required of the Contractor under the Contract; unless the Contractor provides proof to the State's satisfaction that the subcontractor(s) are fully covered under the Contractor's insurance, or, except as otherwise authorized by the State.

16. COMMODITY STATUS: It is understood and agreed that any item offered or shipped shall be new and in first class condition and that all containers shall be new and suitable for storage or shipment, unless otherwise indicated by the State in the Solicitation. Demonstrators, previously rented, refurbished, or reconditioned items are not considered "new" except as specifically provided in this section. "New" means items that have not been used previously and that are being actively marketed by the manufacturer or Contractor. The items may contain minimal amounts of recycled or recovered parts that have been reprocessed to meet the manufacturer's new product standards. The items must have the State as their first user and the items must not have been previously sold, installed, demonstrated, or used in any manner (such as rentals, demonstrators, trial units, etc.). The new items offered must be provided with a full, unadulterated, and undiminished new item warranty against defects in workmanship and materials. The warranty is to include replacement, repair, and any labor for the period of time required by other specifications or for the standard manufacturer or warranty provided by the Contractor, whichever is longer.

17. SHIPPING AND DELIVERY: Unless otherwise required in the Contract, all orders will be shipped directly to the Agency that placed the order at the location specified by the State, on an F.O.B. Destination freight prepaid and allowed basis with all transportation, unloading, uncrating, drayage, or other associated delivery and handling charges paid by the Contractor. Unless otherwise specified in the Contract, deliveries shall be made to the Agency's receiving dock or inside delivery point, such as the Agency's reception desk. The Contractor shall deliver all orders and complete installation, if required, within the time specified in the Contract. Time for delivery commences at the time the order is received by the Contractor.

18. ACCEPTANCE: Unless otherwise specified in the Contract:

A. When the Contract does not require installation, acceptance shall occur fourteen (14) calendar days after delivery, unless the State has notified the Contractor in writing that the product delivered does not meet the State's specification requirements or otherwise fails to pass the Contractor's established test procedures or programs or test procedures or programs identified in the Contract.

January 1, 2017

STATE OF IDAHO STANDARD CONTRACT TERMS AND CONDITIONS

B. When the Contract requires installation, acceptance shall occur fourteen (14) calendar days after completion of installation, unless the State has notified the Contractor in writing that the products(s) delivered does not meet the State's specification requirements, that the product is not installed correctly or otherwise fails to pass the Contractor's established test procedures or programs or test procedures or programs identified in the Contract.

C. When the Contract requires the delivery of services, acceptance shall occur fourteen (14) calendar days after delivery of the services, unless the State has notified the Contractor in writing that the services do not meet the State's requirements or otherwise fail to pass the Contractor's established test procedures or programs or test procedures or programs identified in the Contract.

19. RISK OF LOSS: Risk of loss and responsibility and liability for loss or damage will remain with Contractor until acceptance, when responsibility will pass to the State with the exceptions of latent defects, fraud and Contractor's warranty obligations. Such loss, injury or destruction shall not release the Contractor from any obligation under the Contract.

20. INVOICING: ALL INVOICES are to be sent directly to the **AGENCY TO WHICH THE PROPERTY IS PROVIDED**, unless otherwise required by the Contract. The Contract number is to be shown on all invoices. Invoices must not be sent to the Division of Purchasing unless required by the Contract.

21. ASSIGNMENTS: Contractor shall not assign this contract, or its rights, obligations, or any other interest arising from the Contract, or delegate any of its performance obligations, without the express written consent of the Administrator of the Division of Purchasing and the Idaho Board of Examiners. Transfer without such approval shall cause the annulment of the Contract, at the option of the State. All rights of action, however, for any breach of the contract are reserved to the State. (Idaho Code Section 67-9230).

Notwithstanding the foregoing, and to the extent required by applicable law (including Idaho Code Section 28-9-406), Contractor may assign its right to payment on an account provided that the State shall have no obligation to make payment to an assignee until thirty days after Contractor (not the assignee) has provided the responsible State procurement officer with (a) proof of the assignment, (b) the identity of the specific state contract to which the assignment applies, and (c) the name of the assignee and the exact address to which assigned payments should be made. The State may treat violation of this provision as an event of default.

22. PAYMENT PROCESSING: Idaho Code Section 67-9218 reads as follows: "Within ten (10) days after the property acquired is delivered as called for by the bid specifications, the acquiring agency shall complete all processing required of that agency to permit the contractor to be reimbursed according to the terms of the bid. Within ten (10) days of receipt of the document necessary to permit reimbursement of the contractor according to the terms of the contract, the State Controller shall cause a warrant to be issued in favor of the contractor and delivered." Payments shall be processed within the timeframes required by I.C. § 67-9218 unless otherwise specified in the Contract.

23. COMPLIANCE WITH LAW, LICENSING AND CERTIFICATIONS: Contractor shall comply with **ALL** requirements of federal, state and local laws and regulations applicable to Contractor or to the Property provided by Contractor pursuant to the Contract. For the duration of the Contract, the Contractor shall maintain in effect and have in its possession all licenses and certifications required by federal, state and local laws and rules.

24. PATENTS AND COPYRIGHT INDEMNITY:

A. Contractor shall indemnify and hold the State harmless and shall defend at its own expense any action brought against the State based upon a claim of infringement of a United States' patent, copyright, trade secret, or trademark for Property purchased under the Contract. Contractor will pay all damages and costs finally awarded and attributable to such claim, but such defense and payments are conditioned on the following: (i) that Contractor shall be notified promptly in writing by the State of any notice of such claim; (ii) that Contractor shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise and State may select at its own expense advisory counsel; and (iii) that the State shall cooperate with Contractor in a reasonable way to facilitate settlement or defense of any claim or suit.

B. Contractor shall have no liability to the State under any provision of this clause with respect to any claim of infringement that is based upon: (i) the combination or utilization of the Property with machines or devices not provided by the Contractor other than in accordance with Contractor's previously established specifications unless such combination or utilization was disclosed in the specifications; (ii) the modification of the Property unless such modification was disclosed in the

STATE OF IDAHO STANDARD CONTRACT TERMS AND CONDITIONS

specifications; or (iii) the use of the Property not in accordance with Contractor's previously established specifications unless such use was disclosed in the specifications.

C. Should the Property become, or in Contractor's opinion be likely to become, the subject of a claim of infringement of a United States' patent, the Contractor shall, at its option and expense, either procure for the State the right to continue using the Property, to replace or modify the Property so that it becomes non-infringing, or to grant the State a full refund for the purchase price of the Property and accept its return.

25. CONFIDENTIAL INFORMATION: Pursuant to the Contract, Contractor may collect, or the State may disclose to Contractor, financial, personnel or other information that the State regards as proprietary or confidential ("Confidential Information"). Such Confidential Information shall belong solely to the State. Contractor shall use such Confidential Information only in the performance of its services under the Contract and shall not disclose Confidential Information or any advice given by it to the State to any third party, except with the State's prior written consent or under a valid order of a court or governmental agency of competent jurisdiction and then only upon timely notice to the State. Confidential Information shall be returned to the State upon termination or expiration of the Contract.

Confidential Information shall not include data or information that:

A. Is or was in the possession of Contractor before being furnished by the State, provided that such information or other data is not known by Contractor to be subject to another confidentiality agreement with or other obligation of secrecy to the State;

B. Becomes generally available to the public other than as a result of disclosure by Contractor; or

C. Becomes available to Contractor on a non-confidential basis from a source other than the State, provided that such source is not known by Contractor to be subject to a confidentiality agreement with or other obligation of secrecy to the State.

26. USE OF THE STATE OF IDAHO NAME: Contractor shall not, prior to, in the course of, or after performance under the Contract, use the State's name in any advertising or promotional media, including press releases, as a customer or client of Contractor without the prior written consent of the State.

27. TERMINATION FOR FISCAL NECESSITY: The State is a government entity and it is understood and agreed that the State's payments under the Contract shall be paid from Idaho State Legislative appropriations, funds granted by the federal government, or both. The Legislature is under no legal obligation to make appropriations to fulfill the Contract. Additionally, the federal government is not legally obligated to provide funds to fulfill the Contract. The Contract shall in no way or manner be construed so as to bind or obligate the state of Idaho beyond the term of any particular appropriation of funds by the Idaho State Legislature, or beyond any federal funds granted to the State, as may exist from time to time. The State reserves the right to terminate the Contract in whole or in part (or any order placed under it) if, in its sole judgment, the Legislature of the state of Idaho fails, neglects, or refuses to appropriate sufficient funds as may be required for the State to continue such payments, or requires any return or "give-back" of funds required for the State to continue payments, or if the Executive Branch mandates any cuts or holdbacks in spending, or if funds are not budgeted or otherwise available (e.g. through repeal of enabling legislation), or if the State discontinues or makes a material alteration of the program under which funds were provided, or if federal grant funds are discontinued. The State shall not be required to transfer funds between accounts in the event that funds are reduced or unavailable. All affected future rights and liabilities of the parties shall thereupon cease within ten (10) calendar days after notice to the Contractor. Further, in the event that funds are no longer available to support the Contract, as described herein, the State shall not be liable for any penalty, expense, or liability, or for general, special, incidental, consequential or other damages resulting therefrom. In the event of early Contract termination under this section, the State will collect all Contractor-owned equipment and accessory items distributed under the Contract within thirty (30) calendar days of Contract termination. Items will be collected at a central (or regional) location(s) designated by the State. Contractor will be responsible for all costs associated with packaging and removing all Contractor-owned items from the State-designated location(s), which must be completed within thirty (30) calendar days of written notification from the State. If Contractor fails to remove its items within that time period, the State may charge Contractor for costs associated with storing the items; and may otherwise dispose of the items as allowed by applicable law. At Contractor's request, the State shall promptly provide supplemental documentation as to such Termination for Fiscal Necessity. Nothing in this section shall be construed as ability by the State to terminate for its convenience.

STATE OF IDAHO STANDARD CONTRACT TERMS AND CONDITIONS

28. PUBLIC RECORDS:

A. Pursuant to Idaho Code Section 74-101, et seq., information or documents received by the State will be open to public inspection and copying unless the material is exempt from disclosure under applicable law. The person or entity submitting the material must clearly designate specific information within the document as "exempt," if claiming an exemption; and indicate the basis for such exemption (e.g. Trade Secret). The State will not accept the marking of an entire document as exempt; or a legend or statement on one page that all, or substantially all, of the document is exempt from disclosure.

B. Contractor shall indemnify and defend the State against all liability, claims, damages, losses, expenses, actions, attorney fees and suits whatsoever for honoring such a designation or for the Contractor's failure to designate specific information within the document as exempt. The Contractor's failure to designate as exempt any document or portion of a document that is released by the State shall constitute a complete waiver of any and all claims for damages caused by any such release. If the State receives a request for materials claimed exempt by the Contractor, the Contractor shall provide the legal defense for such claim.

29. NOTICES: Any notice which may be or is required to be given pursuant to the provisions of the Contract shall be in writing and shall be hand delivered, sent by facsimile, email, prepaid overnight courier or United States' mail as follows:
