The IDOC will issue preliminary approval for an employee to enter/deliver to its Institutions after completion and clearance of the criminal investigation and after the urinalysis results have been received. The fingerprints must be completed within thirty (30) calendar days of receipt of this initial approval.

The Contractor shall be responsible for all fees associated with the NCIC investigations and fingerprinting investigations. The total amount for the above processes is currently forty-five dollars (\$45.00) per individual. The IDOC will bill the Contractor a minimum of quarterly for all NCIC and fingerprint investigation requests submitted by the Contractor during the billing period, irrespective of the approval status of the investigations. The Contractor must pay the invoice in full to the IDOC within thirty (30) calendar days of the IDOC issuing the invoice.

At the beginning of the Contract, the Contractor must submit a list of all staff that will be providing deliveries to IDOC Institutions. These individuals will be required to provide data for a current NCIC Background investigation, fingerprints and urinalysis within two (2) weeks after the Service Start Date of the Contract. All future employees that will be delivering to IDOC Institutions will be required to provide this information before being allowed to work on the Contract (as described previously).

The IDOC may change the requirements of this section during the term of the Contract, and the Contractor must comply with the changes. Changes shall become final upon the execution of an amendment to the Contract.

12.1.1.2 Right to Bar Entry

The IDOC reserves the right to bar entry to any person. Employees of the Contractor entering IDOC property will adhere to all IDOC policy, rules and regulations and are subject to search if deemed necessary by the IDOC. The Contractor, upon written request by the IDOC, will remove and replace any employee (including employees of any subcontractor) who has broken any of the rules or regulations of the IDOC, or who, in the judgment of the IDOC, poses a risk or threat to the security of an Institution. The written request will include the basis for the IDOC's request for removal. If the Contractor disagrees with the basis for removal of its employee from providing deliveries to IDOC Institutions, the Contractor must contact officials from the IDOC within twenty-four (24) hours of receipt of the request to present its reasons for not removing the employee from providing deliveries to IDOC Institutions; however, the IDOC's final decision shall stand.

12.1.1.3 Ex-Offenders and Families of Ex-Offenders

The Contractor must provide written notification to the IDOC of intent to hire an offender, probationer or parolee, ex-offender or a family member of an offender. In order to ensure a safe and secure environment for staff, offenders, visitors and IDOC's contract providers, the IDOC reserves the right to exclude those individuals from working on any IDOC portion of the Contract if it is deemed in the best interest

of the IDOC to do so. A list of current employees that fall within these categories must be submitted to the IDOC within two (2) weeks after the Service Start Date of the Contract."

2. Except as expressly modified in this Amendment, all other terms and conditions of the Contract remain in full force and effect.

3. This Amendment is effective upon the date of the last signature. In no event will this Amendment be effective until executed by DOP.

Re: ITB17000451 – Milk for Idaho Institutions for the State of Idaho

Dear Mr. Phillips:

The state of Idaho (the "State") has received and has begun reviewing the Bid received from Meadow Gold Dairy in response to this Invitation to Bid ("ITB"), and has found issues with the Bid as noted below:

Issue #1 – Meadow Gold Dairy did not enter an FEIN on its signature page, and so must provide one in response to this letter.

Issue #2 – ITB section 6.1.2.1 is stated as follows:

"6.1.2.1 Identify as part of your Bid any Idaho School Districts (see section 11.7) to which you ARE NOT WILLING to deliver."

Please confirm that Meadow Gold Dairy, by not identifying any Idaho School Districts in its Bid to which Meadow Gold Dairy is not willing to deliver, that that means that Meadow Gold Dairy is willing to deliver to all Idaho School Districts within the state of Idaho.

Meadow Gold Dairy must submit the information required in Issue #'s 1 and 2 above no later than 12 PM (noon) Mountain time, Wednesday, January 11, 2017, or the State may find Meadow Gold Dairy's Bid non-responsive. The response must be submitted Meadow Gold Dairy letterhead and signed by Brandy Bengoechea. Meadow Gold Dairy may fax its response to this letter to our fax number shown above or email it to jason.urquhart@adm.idaho.gov, but must then follow up with the original in the mail to:

5 PRICES

Provide your Fully Burdened prices on the Bid Schedule (**Attachment 2 – Bid Schedule**). Prices must be bid by the “Unit of Measure to Bid” indicated on the Bid Schedule (i.e., cartons, gallons, etc.). The “Price per Unit of Measure” (see Bid Schedule) must be the price as delivered to the Institution, and must be Fully Burdened.

6 SUBMISSION REQUIREMENTS

6.1 Required Bid Submission Items

Your Bid Submission must consist of the following:

6.1.1 Bid Schedule

Provide your cost information on **Attachment 2 – Bid Schedule** below. Do not submit your Bid on any other form. Submitting your Bid on a form different than the Bid Schedule may cause your Bid to be rejected as non-responsive.

6.1.2 Delivery to Idaho School Districts

6.1.2.1 Identify as part of your Bid any Idaho School Districts (see section 11.7) to which you ARE NOT WILLING to deliver.

6.1.2.2 Identify as part of your Bid the delivery charge (as a percentage; see section 11.7.1), if any, by which you will increase prices for Idaho School Districts to which you are willing to deliver.

6.1.3 State of Idaho Signature Page

The State of Idaho Signature Page must be completed and submitted as part of your Bid. The State of Idaho Signature Page is attached in IPRO.

6.2 Bid Submission Methods

Bids may be submitted electronically via IPRO or manually in a sealed envelope/package. Do not fax or e-mail your Bid. Your Bid must be received at the Division of Purchasing by the date and time specified on the IPRO header document. The official time, for bid closing purposes, is the Division of Purchasing’s time clock.

6.2.1 Electronic Submission via IPRO

If submitting electronically via IPRO, upload all of the Required Bid Submission Items (See section 6.1) and enter your cost in IPRO as the “Grand Total, Milk” on the Bid Schedule.

Upload all Required Bid Submission Items using Microsoft products such as Word and Excel. Do not submit items in .pdf format, unless provided otherwise in this ITB.

If submitting via IPRO, be advised that that the Bidder for Bid evaluation and award purposes is the entity profile under which submit in IPRO, which must be the same legal entity presented in your uploaded response materials. If the entity identified in your uploaded response materials differs from the entity under which you submit your Bid in IPRO, the information provided in your uploaded response materials prevails.

While it is not mandatory to submit your Bid electronically via IPRO, all Bidders participating in a Solicitation issued through IPRO must establish an account in the IPRO system (even if submitting a Bid manually

outside of IPRO) as it is necessary in order to process and/or award the resulting Contract(s). It is free to establish an account and only takes a few minutes.

Bidders are further advised to upload response materials with descriptive file names, organized and consolidated in a manner which allows the State to efficiently navigate the Bidder's response; as the State will print uploaded documents for evaluation in the manner received via IPRO.

6.2.2 Manual Submission

If submitting manually (via U.S. Mail, courier or hand-delivery), seal all Required Bid Submission Items in a single envelope or package (*be certain to include an original hand-written signature in ink OR an electronic signature on the State of Idaho Signature Page*) and label the outside of the package as follows:

Attn: Jason Urquhart, Idaho Division of Purchasing
Bidder Name: (Company Name)
ITB Number: ITB17000451
ITB Title: Milk for Idaho Institutions

Bidders submitting manually must provide one (1) original and one (1) copy of their Bids, as well as an electronic copy on a USB or CD. Please clearly identify the original manual submission and be certain that the Signature Page is located at the front of the original Bid.

6.3 Trade Secrets

If your Bid contains trade secret information which you have identified, you must also submit a redacted copy of the Bid (in electronic format, with the word "redacted" in the file name) with all trade secret information removed or blacked out; as well as a separate document containing a complete list (per the instructions in the three (3) paragraphs directly below) of all trade secret information which was removed or blacked out in the redacted copy.

Paragraph 28 of the Solicitation Instructions to Vendors describes trade secrets to "*include a formula, pattern, compilation, program, computer program, device, method, technique or process that derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by other persons and is subject to the efforts that are reasonable under the circumstances to maintain its secrecy.*" In addition to marking each page of the document with a trade secret notation (as applicable; and as provided in Paragraph 28 of the Solicitation Instructions to Vendors), Bidders must also:

Identify with particularity the precise text, illustration, or other information contained within each page marked "trade secret" (it is not sufficient to simply mark the entire page). The specific information you deem "trade secret" within each noted page must be highlighted, italicized, identified by asterisks, contained within a text border, or otherwise clearly delineated from other text/information and specifically identified as a "trade secret."

Provide a separate document entitled "List of Redacted Trade Secret Information" which provides a succinct list of all trade secret information noted in your Bid; listed in the order it appears in your submittal documents, identified by Page #, Section #/Paragraph #, Title of Section/Paragraph, specific portions of text/illustrations; or in a manner otherwise sufficient to allow the State's procurement personnel to determine the precise text/material subject to the notation. Additionally, this list must identify with each notation the specific basis for your position that the material be treated as exempt from disclosure.

7 PURCHASE OF MILK

The State intends to purchase all of the Line Items listed on the Bid Schedule and any milk items added by Agencies during the term of the Contract (see “Initial Term of Contract and Renewals” within the ITB Administrative Information) from a single Contractor. Items listed on the attached Bid Schedule reflect typical purchases made during the year; however, each Institution utilizing the Contract retains the right to purchase no more than twenty percent (20%) of its annual milk purchases from other vendors. Additionally, Institutions may accept donations of milk products, and acceptance of these donations shall not factor into the percentage identified in this paragraph.

8 PRECEDENCE OF MILK REQUIREMENTS

In case of conflict between requirements found in section 9, Milk Contract Requirements, and requirements found in section 12, Special Contract Requirements – By Agency, the requirements found in section 12, Special Contract Requirements – By Agency shall take precedence.

9 MILK CONTRACT REQUIREMENTS

9.1 Minimum Order Amounts or Quantities

The Contractor shall not require any minimum order amounts or minimum order quantities.

9.2 Indefinite Delivery/Indefinite Quantity

The Contract shall be an indefinite delivery/indefinite quantity term Contract. As such, no guarantee shall be made by the State concerning the number of units which may be required or the dates on which they may be ordered.

9.3 General Delivery Requirements

The Contractor must make deliveries to each Institution on days and times mutually agreed upon by the Contractor and the Institution, or as identified in section 12, Special Contract Requirements – By Agency. When items will not be delivered on a scheduled delivery day, the Institution reserves the right to cancel the order, or cancel part of the order, and purchase needed items (the same quantity as was ordered, and, if possible similar quality) from another source. The determination of what constitutes similar quality shall be in the sole discretion of the Institution.

Please see section 12, Special Contract Requirements – By Agency for Agency-specific delivery requirements.

9.4 Account Management

The Contractor will assign a primary and alternate customer services representative to each Agency account. These representatives will meet with each Agency monthly for the first three (3) months of the Contract (unless an Agency determines that this is not necessary for their particular Agency) and no less than quarterly thereafter, or as often as deemed necessary by each Agency. Each Agency will notify the Contractor of required frequency.

The Contractor shall assign a separate account number to each Institution (see Appendix A). Additionally, each Institution may require separate account numbers for different functions within the Institution. The Contractor shall bill all purchases made by Institutions that are not under the Contract utilizing a separate account number.

9.5 Order Fill Rate

For all items purchased under the Contract, fill rate must remain at ninety-eight percent (98%) or above for total items ordered per quarter, per individual account. Substitutions must be pre-approved by each Agency (the Agency may allow each of its Institutions to approve substitutions, and will identify this to the Contractor in writing). The

Contractor must contact the Institution no later than twenty-four (24) hours prior to scheduled delivery if an order will not be completely filled. Contact shall be by email or phone call, at a minimum.

The following shall count against the fill rate:

9.5.1 Items ordered but not delivered.

9.5.2 Refused items (e.g., damaged or spoiled items). (Items may be rejected upon delivery, but may also be rejected after containers are opened and damage or spoilage is discovered at a later time.)

9.5.3 Items substituted without prior approval by the Agency (or Institution).

If the fill rate falls below ninety-eight percent (98%) (per individual account, per quarter), the Contractor will provide to the Institution a two percent (2%) rebate of the total dollar amount ordered for the quarter by that Institution.

9.6 Invoicing

The Contractor will provide an original invoice plus a minimum of one copy with each delivery. Invoices must, at a minimum, reflect: IPRO contract number; Agency PO number; quantity ordered; quantity shipped; price per item; and invoice total. Please see section 12, Special Contract Requirements – By Agency for Agency-specific invoicing requirements, which take precedence over this section 9.6.

9.7 Items and Prices

Bidders must bid every Line Item shown on the Bid Schedule in order to be considered for award. Once the Contract is awarded, each Institution may purchase any of the Line Items shown on the Bid Schedule.

Additionally, at any point during the term of the Contract, each Institution may identify certain other milk items and estimated quantities for each item that it intends to purchase. The Contractor must lock-in the prices for each of those items for the remainder of the current month (see section 9.8), and then may adjust prices per section 9.8 below thereafter. Institutions shall endeavor to notify the Contractor of those items in writing at least forty-five (45) calendar days in advance; however, due to issues such as prescribed diet orders changing with no notice which must be implemented immediately, the Institutions may only be able to notify the Contractor in writing of those items up to a week in advance. The Contractor must identify the locked-in prices to the Institution in writing within forty-eight (48) hours of notification by the Institution. These prices shall be Fully Burdened.

The requirements of the Contract will apply to any items added to the Contract by an Institution in accordance with this section.

9.8 Price Adjustments

9.8.1 Price Adjustments - General

All prices for items on the Contract must be firm for the remainder of the month in which the prices are locked in by the Contractor (including items added per section 9.7). Prices may be adjusted once per month thereafter. Any changes must be made based on the month to month changes in the Federal Milk Orders 124 and 131, Announcement of Final Class and Component Prices and Announcement of Advanced Class and Component Prices. For the first month of the initial term of the Contract, the prices shall be as shown on the Bid Schedule. For each successive month, the price changes shall be based on the three (3) immediately previous months' changes in the Federal Milk Orders identified in this section. The first two (2)

of those three (3) months shall be Final Class and Component Prices and the last of those three (3) months shall be Advanced Class and Component Prices.

It shall be the Contractor's responsibility to prove to the State, to the State's satisfaction, that a change requiring a price adjustment has taken place. The State may set forth a format for providing such proof, and the Contractor must comply with that format.

Requests for price changes must be delivered to the State no later than twenty (20) calendar days prior to the Contractor's desired effective date for the changes.

9.8.2 Fuel Surcharge and Resin Surcharge

Beginning a minimum of six (6) months after the Service Start Date of the Contract, and no more frequently than semi-annually thereafter, the Contractor may request a price adjustment based on a surcharge for fuel and resin.

It shall be the Contractor's responsibility to prove to the State, to the State's satisfaction, that a change requiring an upward price adjustment has taken place. The State may set forth a format for providing such proof, and the Contractor must comply with that format.

Requests for price changes for surcharges for fuel and resin must be delivered to the State no less than sixty (60) calendar days prior to the Contractor's desired effective date for the changes.

9.8.3 Cost of Living Adjustment

Beginning a minimum of twelve (12) months after the Service Start Date of the Contract, and no more frequently than annually thereafter, the Contractor may request a cost of living price adjustment. This adjustment will be based on the Employment Cost Index published by the US Dept. of Labor, Bureau of Labor Statistics, for the month of September for the then current year. The Table that will be used will be Table 6, COMPENSATION (NOT SEASONALLY ADJUSTED): Employment Cost Index for total compensation, for private industry workers, by bargaining status, census region, census divisions, and area. The category that will be used will be Mountain. This information may be accessed at www.bls.gov. The percent change to be allowed, if any, shall be two percent (2%), or the percent change from the previous September to the September of the then current year, whichever is less.

It shall be the Contractor's responsibility to prove to the State, to the State's satisfaction, that a change requiring an upward price adjustment has taken place. The State may set forth a format for providing such proof, and the Contractor must comply with that format.

Requests for price changes for cost of living adjustments must be delivered to the State no less than sixty (60) calendar days prior to the Contractor's desired effective date for the changes.

9.9 Quality, Guarantee and Return

Quality for Line Items listed on the Bid Schedule must meet or exceed the Specifications stated within the Bid Schedule for those Line Items. Quality for items added to the Contract (see section 9.7) must meet or exceed the Specifications identified by the Institution for those items.

For all items purchased on the Contract, all of the Contract's product requirements, temperature requirements and Specifications must be met and milk products must be delivered fresh, free of visible spoilage, contamination, rodents, insects and/or any matter which would render the product unsafe for human consumption.

When items are rejected due to unacceptable quality, unauthorized product substitutions, spoilage or damage, unauthorized unit size, or due to short use by dates, the Contractor must replace those items with product of equal quantity and quality or must issue a credit (in the Institution's sole discretion). These issues shall be acknowledged and documented on the delivery paperwork and signed and dated by both parties at time of delivery. (See section 9.5 regarding pre-approval requirements for substitutions.) Additionally, each Institution reserves the right to cancel the order and purchase needed items (the same quantity as was ordered, and, if possible similar quality) from another source, and deduct any costs over and above Contract prices incurred as a result of purchasing from another source, from a subsequent invoice.

Please see section 12, Special Contract Requirements – By Agency for Agency-specific quality, guarantee and return requirements.

10 AWARD

Award will be made on an "ALL OR NONE" basis to the lowest responsive, responsible Bidder based on the Grand Total, Milk (see Bid Schedule). Failure of the Bidder to bid all Line Items on the Bid Schedule may result in the Bid being found non-responsive.

11 SPECIAL TERMS AND CONDITIONS

Note: In the event of conflict with the State of Idaho Standard Contract Terms and Conditions, the following provisions will take precedence:

11.1 Definitions

11.1.1 Institution – For the purposes of this ITB, "Institution" shall mean the facilities operated by the Idaho Department of Correction, the Idaho Department of Juvenile Corrections, the Idaho Department of Health and Welfare and the Idaho Division of Veterans Services.

11.1.2 Fully Burdened – For the purposes of this ITB, "Fully Burdened" shall mean that there will be no other costs allowed under the Contract other than the prices bid on the Bid Schedule, and any costs allowed in sections 9.7 and 9.8, and that those costs include all costs associated with providing the services and supplies called for in this ITB to the state of Idaho, including, but not limited to, wages, administrative overhead, travel, transportation, lodging and per diem. "Fully Burdened" shall also mean that prices shall be F.O.B. destination, freight pre-paid and allowed.

11.2 Website Ordering

11.2.1.1 Waive the sovereign immunity of the state of Idaho;

11.2.1.2 Subject the state of Idaho, its agencies, or political subdivisions of the state of Idaho to the jurisdiction of the courts of other states;

11.2.1.3 Limit the time in which the state of Idaho, its agencies, or political subdivisions of the state of Idaho may bring a legal claim to a period shorter than that provided in Idaho law;

11.2.1.4 Impose a payment obligation, including a rate of interest for late payments, less favorable than the obligations set forth in Section 67-2302, Idaho Code; or,

11.2.1.5 Require the state of Idaho, its agencies, or political subdivisions of the state of Idaho to accept arbitration or to waive right to a jury trial.

11.2.1.6 Furthermore, any terms or conditions within any Agreement that require indemnification not specifically authorized by the Idaho legislature or subject to appropriation are void pursuant to Section 67-9215, Idaho Code, and Section 59-1016, Idaho Code. Additionally, terms or conditions in any Agreement that hold individual users (employees or officers of the state of Idaho and of political subdivisions of the state of Idaho) personally liable are void.

11.2.2 Additionally, If the apparent successful Bidder is awarded a Contract from this ITB, the apparent successful Bidder agrees that if an employee or officer of the state of Idaho or of a political subdivision of the state of Idaho clicks-through acceptance of any terms and conditions associated with a website that the apparent successful Bidder will provide for Institutions to use for placing orders, that click-through does not indicate that they have accepted any clicked-through terms and conditions that contradict the terms and conditions of the Contract. The apparent successful Bidder, by having submitted a Bid, represents that, if the website that it will provide belongs to any third party, the third party also agrees specifically with the requirements of sections 11.2.1 through 11.2.2.

11.3 Insurance Requirements

Within five (5) business days of issuance of letter(s) of intent to award, the apparent successful Bidder or Offeror will provide certificates of insurance required herein and will maintain the insurance during the life of the Contract. There are no provisions for exceptions to this requirement. Failure to provide the certificates of insurance within the five (5) business day period may be cause for your Bid or Proposal to be declared non-responsive or for your Contract to be cancelled.

Contractor shall carry liability and property damage insurance that will protect it and the State of Idaho from claims for damages for bodily injury, including accidental death, as well as for claims for property damages, which may arise from operations under the Contract whether such operations be by themselves or by anyone directly or indirectly employed by either of them.

Contractor shall not commence work under the Contract until it obtains all insurance required under this provision and furnishes a certificate or other form showing proof of current coverage to the State. All insurance policies and certificates must be signed copies. After work commences, the Contractor will keep in force all required insurance until the Contract is terminated.

11.3.1 Commercial General and Umbrella Liability Insurance. Contractor shall maintain Commercial General Liability (CGL) and, if necessary, Commercial Umbrella insurance with a limit of not less than \$1,000,000 each occurrence. If such CGL insurance contains a general aggregate limit, it shall apply separately to the Contract.

11.3.1.1 CGL insurance shall be written on ISO occurrence form CG 00 01 (or a substitute form providing equivalent coverage) and shall cover liability arising from premises, operations, independent contractors, products-completed operations, personal and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).

11.3.2 Commercial Automobile and Commercial Umbrella Liability Insurance. Contractor shall maintain Commercial Automobile Liability and, if necessary, Commercial Umbrella Liability insurance with a limit of not less than \$1,000,000 each accident. Such insurance shall cover liability arising out of any auto (including owned, hired, and non-owned autos).

11.3.2.1 Bidder or Offeror may request a waiver from providing Commercial Automobile and Commercial Umbrella Liability Insurance in its Bid or Proposal if the Bidder or Offeror will not use any owned, hired or non-owned vehicles to conduct business under the Contract, if it is awarded the Contract, and the State of Idaho will consider the request. If the Bidder or Offeror submits a request to waive the provision of Commercial Automobile and Commercial Umbrella Liability Insurance after the due date and time for receipt of Bids or Proposals, the State of Idaho may not consider the request.

11.3.3 Workers Compensation Insurance and Employer's Liability. Contractor shall maintain workers compensation and employer's liability. The employer's liability shall have limits not less than \$100,000 each accident for bodily insurance by accident, \$500,000 disease policy limit, and \$100,000 disease, each employee.

11.3.3.1 Contractor must provide either a certificate of workers compensation insurance issued by a surety licensed to write workers compensation insurance in the State of Idaho, as evidence that the Contractor has in effect a current Idaho workers compensation insurance policy, or an extraterritorial certificate approved by the Idaho Industrial Commission from a state that has a current reciprocity agreement with the Idaho Industrial Commission.

11.3.4 State of Idaho as Additional Insured: The liability insurance coverage required for performance of the Contract shall include the State of Idaho, each Agency that makes purchases on the Contract, and their divisions, officers and employees as additional insured, but only with respect to the Contractor's activities to be performed under the Contract.

11.3.4.1 The Contractor must provide proof of the State of Idaho, each Agency that makes purchases on the Contract, and their divisions, officers and employees being additional insured by providing endorsements to the liability insurance policies showing the State of Idaho, the (agency) and its divisions, officers and employees as additional insured. The endorsements must also show the policy numbers and the policy effective dates.

11.3.4.2 If a liability insurance policy provides for automatically endorsing additional insured when required by contract, then, in that case, the Contractor must provide proof of the State of Idaho, each Agency that makes purchases on the Contract, and their divisions, officers and employees being additional insured by providing copies of the policy pages that clearly identify the blanket endorsement.

11.3.5 Notice of Cancellation or Change: Contractor shall ensure that should any of the above described policies be cancelled before the expiration date thereof, or if there is a material change, potential exhaustion of aggregate limits or intent not to renew insurance coverage(s), that written notice will be delivered to the Division of Purchasing (if the Contract was issued by the Division) or to the Purchasing Activity (contracting state agency) in accordance with the policy provisions.

11.3.6 Contractor shall further ensure that all policies of insurance are endorsed to read that any failure to comply with the reporting provisions of this insurance, except for the potential exhaustion of aggregate

limits, shall not affect the coverage(s) provided to the State of Idaho, and its divisions, officers and employees.

11.3.7 Acceptable Insurers and Deductibles: Insurance coverage required under the Contract shall be obtained from insurers rated A-VII or better in the latest Bests Rating Guide and in good standing and authorized to transact business in Idaho. The Contractor shall be financially responsible for all deductibles, self-insured retention's and/or self-insurance included hereunder. The coverage provided by such policy will be primary to any coverage of the State on or related to the Contract and shall provide that the insurance afforded applies separately to each insured against whom a claim is made, except with respect to the limitation of liability.

11.3.8 Waiver of Subrogation: All policies shall contain waivers of subrogation. The Contractor waives all rights against the State and its officers, employees, and agents for recovery of damages to the extent these damages are covered by the required policies. Policies may contain deductibles but such deductibles will not be deducted from any damages due to the State.

11.4 Records Maintenance

Contractor shall maintain or supervise the maintenance of all records necessary to properly account for all payments made to the Contractor pursuant to the Contract. These records shall be retained by the Contractor for at least three (3) years after the Contract terminates, or until all audits initiated within the three (3) years have been completed, whichever is later.

The Contractor agrees to allow State and Federal auditors and State purchasing staff access to all the records relating to this Contract, for audit, inspection, and monitoring of services or performance. Such access will be during normal business hours or by appointment.

11.6 Public Agency Clause

Contract prices shall be extended to other "Public agencies" as defined in Section #67-2327 of the Idaho Code, which reads as follows:

67-2327. DEFINITIONS. "Public agency" means any city or political subdivision of this state, including, but not limited to counties; school districts; highway districts; and port authorities; instrumentalities of counties, cities or any political subdivision created under the laws of the state of Idaho; any agency of the state government; and any city or political subdivision of another state.

"State" means a state of the United States and the District of Columbia.

It will be the responsibility of the Public agency (other than agencies of the state government) to independently contract with the Contractor and/or comply with any other applicable provisions of Idaho Code governing public contracts.

11.7 Potential Utilization by Idaho School Districts

While there is no requirement for Public agencies (other than agencies of the state government) to utilize a state of Idaho statewide contract, Idaho school districts may choose to utilize the Contract under section 11.6, Public Agency Clause. The estimated annual volume of meals for Idaho school districts is 46,612,349; however, students are not required to take milk with meals, and so, this number does not identify the quantity of milk that will be served with

each meal. Please also note that, due to the Child Nutrition Programs Reauthorization that was signed into law in December, 2010, all Child Nutrition Programs are required to serve either nonfat or 1% milk.

11.7.1 Delivery Charge for Public Agencies Other Than Agencies of the State Government

The Contractor may assess an additional delivery charge, not to exceed a ten percent (10%) margin increase added to each Price per Unit of Measure for all items on the Contract, to Public agencies (other than agencies of the state government) that utilize the Contract.

11.8 Records Maintenance

The Contractor shall maintain or supervise the maintenance of all records necessary to properly account for all payments made to the Contractor for the costs authorized by the Contract. These records shall be retained by the Contractor for at least three (3) years after the Contract terminates, or until all audits initiated within the three (3) years have been completed, whichever is later.

11.9 Audit Rights

The Contractor agrees to allow State and Federal auditors and Agency staff access to all the records relating to the Contract, for the purpose of audit, inspection, examination, exceptions and transcriptions. Such access will be during normal business hours or by appointment.

11.10 Administrative Fee and Reporting

11.11 Additional Reports

Additional reports regarding sales information, such as monthly reports, and/or detailed user purchases may be required by the State and must be supplied by the Contractor upon request, and at no additional charge. The State anticipates that it will not request such reports any more frequently than four (4) times annually. The Contractor may be required to submit reports electronically, in a format designated by the State.

12.1.1.1.2 Fingerprinting completed by the IDOC and sent to Idaho State Police for a more thorough criminal investigation. This process must be completed by each delivery employee of the Contractor prior to assignment at an IDOC facility, and at least every three years thereafter, or more frequently as requested by IDOC.

12.1.1.1.3 A urinalysis. The Contractor shall arrange for a current urinalysis for each of its employees and provide a copy of the written results of each urinalysis to the IDOC's Human Resources Office before final clearance can be granted. The costs of the urinalysis shall be the responsibility of the Contractor.

The Contractor shall be responsible for all fees associated with the NCIC investigations and fingerprinting investigations. The total amount (for sections 12.1.1.1.1 and 12.1.1.1.2 above) is currently forty-five dollars (\$45.00) per individual, which will be deducted from the Contractor's invoices as the investigations and fingerprinting investigations are completed for the Contractor's employees. The IDOC will issue preliminary approval for an employee to enter and deliver to its locations after completion and clearance of the criminal investigation and after the urinalysis results have been received. The fingerprints must be completed within thirty (30) calendar days of receipt of this initial approval.

At the beginning of the Contract, the Contractor must submit a list of all staff that will be providing deliveries to IDOC Institutions. These individuals will be required to provide data for a current NCIC Background investigation, fingerprints and urinalysis within two (2) weeks after the Service Start Date of the Contract. All future employees that will be delivering to IDOC Institutions will be required to provide this information before being allowed to work on the Contract (as described previously).

The IDOC may change the requirements of this section during the term of the Contract, and the Contractor must comply with the changes. Changes shall become final upon the execution of an amendment to the Contract.

12.1.1.2 Right to Bar Entry

The IDOC reserves the right to bar entry to any person. Employees of the Contractor entering IDOC property will adhere to all IDOC policy, rules and regulations and are subject to search if deemed necessary by the IDOC. The Contractor, upon written request by the IDOC, will remove and replace any employee (including employees of any subcontractor) who has broken any of the rules or regulations of the IDOC, or who, in the judgment of the IDOC, poses a risk or threat to the security of an Institution. The written request will include the basis for the IDOC's request for removal. If the Contractor disagrees with the basis for removal of its employee from providing deliveries to IDOC Institutions, the Contractor must contact officials from the IDOC within twenty-four (24) hours of receipt of the request to present its reasons for not removing the employee from providing deliveries to IDOC Institutions; however, the IDOC's final decision shall stand.

12.1.1.3 Ex-Offenders and Families of Ex-Offenders

The Contractor must provide written notification to the IDOC of intent to hire an offender, probationer or parolee, ex-offender or a family member of an offender. In order to ensure a safe and secure environment for staff, offenders, visitors and IDOC's contract providers, the IDOC reserves the right to exclude those individuals from working on any IDOC portion of the Contract if it is deemed in the best interest of the IDOC to do so. A list of current employees that fall within these categories must be submitted to the IDOC within two (2) weeks after the Service Start Date of the Contract.

12.1.2 Adding or Deleting Institutions

The IDOC may add Institutions to the Contract or delete Institutions from the Contract at any time during the Contract's term upon one (1) month written notice to the Contractor.

12.1.3 IDOC Delivery Requirements

The packing slip must be signed by both the IDOC and the Contractor at the time of delivery. Any items that are missing from the order or damaged prior to this point will be the responsibility of the Contractor and replaced within twenty-four (24) hours (within a fifty (50) mile radius of Boise) and within forty-eight (48) hours outside of that area. Any changes to the order, back orders or damaged product must be noted on delivery paperwork and signed and dated by Contractor and IDOC staff. See section 9.3 for each Institution's rights to cancel and order from another source.

12.1.3.2 Delivery will be provided at a minimum of once a week to all Idaho Department of Correction Institutions. Institutions with a population of more than five hundred (500) will be provided with delivery two (2) times per week if requested by Idaho Department of Correction administration. The Contractor must identify any requested changes to this schedule in writing to, and no changes shall be made unless approved by, the IDOC Dietary Services Manager.

No additional charges will be billed for re-delivery due to a lock down/security situation.

12.1.3.4 Missing or damaged items will be re-delivered within the above stated time parameters at the Institution's discretion at no additional cost to the Idaho Department of Correction. See section 9.3 regarding each Institution's right to cancel and order from another source.

12.1.3.5 Delivery vehicles are subject to search before entering and at any time while on IDOC property.

12.1.3.6 The IDOC may request that some food items, due to the security risk they can pose, be secured in the delivery vehicle, invoiced separately, and be given directly to the Institution food services authority at the receiving location. The Contractor must comply with these requests.

12.1.3.7 Delivery trucks must maintain foods at the appropriate temperature during transportation and delivery (frozen foods at less than 10 degrees Fahrenheit, milk at 34 to 40 degrees Fahrenheit and refrigerated/perishable foods at less than 41 degrees Fahrenheit). Milk must be delivered with a minimum of fourteen (14) days remaining on the use by date.

12.1.3.8 Delivery Containers: The Idaho Department of Correction will safeguard and make available to the Contractor all Contractor-owned delivery containers and pallets weekly. Containers lost or damaged will be paid for by the IDOC, at the current replacement cost, upon receipt of billing from the Contractor.

12.1.4 On-Line Ordering and Account Numbers

The IDOC prefers to place orders on-line. The IDOC requests that the Contractor only accept IDOC issued purchase orders, and not accept p-card orders. If on-line ordering is available, the Contractor shall provide each IDOC Institution listed on Appendix A with its own on-line account through which orders for that Institution shall be placed. Additionally, the IDOC requests that Contractor provide two (2) administrator accounts which will provide the IDOC the ability to review all orders placed and received by all Institutions. Standing orders are acceptable if mutually agreed upon by the Institution and the Contractor.

STATE OF IDAHO STANDARD CONTRACT TERMS AND CONDITIONS

1. DEFINITIONS: Unless the context requires otherwise, all terms not defined below shall have the meanings defined in Idaho Code Section 67-9203 or IDAPA 38.05.01.011.

A. Agency. All offices, departments, divisions, bureaus, boards, commissions and institutions of the state, including the public utilities commission, but excluding other legislative and judicial branches of government, and excluding the governor, the lieutenant-governor, the secretary of state, the state controller, the state treasurer, the attorney general, and the superintendent of public instruction.

B. Bid – A written offer that is binding on the Bidder to perform a Contract to purchase or supply Property in response to an Invitation to Bid.

C. Contract - Any state written agreement, including a solicitation or specification documents and the accepted portions of the solicitation, for the acquisition of Property. Generally, the term is used to describe term contracts, definite or indefinite quantity or delivery contracts or other acquisition agreements whose subject matter involves multiple payments and deliveries.

D. Contractor – A Vendor who has been awarded a Contract.

E. Property – Goods, services, parts, supplies and equipment, both tangible and intangible, including, but nonexclusively, designs, plans, programs, systems, techniques and any rights and interest in such Property. Includes concession services and rights to access or use state property or facilities for business purposes.

F. Proposal – A written response, including pricing information, to a Request for Proposals that describes the solution or means of providing the Property requested and which Proposal is considered an offer to perform in full response to the Request for Proposals. Price may be an evaluation criterion for Proposals, but will not necessarily be the predominant basis for Contract award.

G. Quotation – An offer to supply Property in response to a Request for Quotation and generally used for small or emergency purchases.

H. Solicitation – An Invitation to Bid, a Request for Proposals, or a Request for Quotation issued by the purchasing activity for the purpose of soliciting Bids, Proposals, or Quotes to perform a Contract.

I. State – The state of Idaho including each Agency unless the context implies other state(s) of the United States.

J. Vendor – A person or entity capable of supplying Property to the State.

2. TERMINATION: The State may terminate the Contract (and/or any order issued pursuant to the Contract) when the Contractor has been provided written notice of default or non-compliance and has failed to cure the default or non-compliance within a reasonable time, not to exceed thirty (30) calendar days. If the Contract is terminated for default or non-compliance, the Contractor will be responsible for any costs resulting from the State's award of a new contract and any damages incurred by the State. The State, upon termination for default or non-compliance, reserves the right to take any legal action it may deem necessary including, without limitation, offset of damages against payment due.

3. RENEWAL OPTIONS: Notwithstanding any other provision in the Contract limiting or providing for renewal of the Contract, upon mutual, written agreement by the parties, the Contract may be extended under the same terms and conditions for the time interval equal to the original contract period, or for such shorter period of time as agreed to by the parties.

4. PRICES: Prices shall not fluctuate for the period of the Contract and any renewal or extension unless agreed to in writing by the State. Unless otherwise specified, prices include all costs associated with delivery to the F.O.B. Destination address identified in the Solicitation, as provided in Paragraph 17, Shipping and Delivery, below.

STATE OF IDAHO STANDARD CONTRACT TERMS AND CONDITIONS

5. ADMINISTRATIVE FEE:

A. Application of Administrative Fee:

1. All Blanket Purchase Orders (BPO) and Statewide Blanket Purchase Orders (SBPO) shall be subject to an Administrative Fee of one and one-quarter percent (1.25%), based on orders placed against the Contract (unless the BPO or SBPO is exempt), as follows:

- a. The prices to be paid by the State (the price BID by Contractor) shall be inclusive of a one and one-quarter percent (1.25%) Administrative Fee. On a quarterly basis, Contractor will remit to State of Idaho, Attn: Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075 an amount equal to one and one-quarter percent (1.25%) of Contractor's net (sales minus credits) quarterly Contract sales.

For Example: If the total of Contractor's net sales to the Agency for one quarter = \$10,000, Contractor would remit $\$10,000 \times 0.0125 = \125 to the Division of Purchasing for that quarter, along with the required quarterly usage report.

- b. Contractor will furnish detailed usage reports as designated by the State. In addition to any required detailed usage reports, Contractor must also submit a summary quarterly report of purchases made from the Contract to purchasing@adm.idaho.gov, utilizing the State's Summary Usage Report Form.

c. Reporting Time Line (Fiscal Year Quarters):	Fee and Report Due:
1st Quarter July 1 - Sept 30	October 31 st
2nd Quarter Oct 1 - Dec 31	January 31 st
3rd Quarter Jan 1 - Mar 31	April 30 th
4th Quarter Apr 1 - Jun 30	July 31 st

2. Unless otherwise exempt, the Administrative Fee will apply regardless of how Contractor submits its response to the solicitation (i.e. manual (paper) or electronic via IPRO).

3. A Contractor's failure to consider the Administrative Fee when preparing its Solicitation response shall not constitute or be deemed a waiver by the State of any Administrative Fees owed by Contractor to the State as a result of an Award issued through IPRO.

B. Administrative Fee Exemptions:

1. Notwithstanding any language to the contrary, the Administrative Fee will not apply to Contracts with an original awarded value of \$100,000 or less.
2. The Administrative Fee will not apply to Purchase Orders (PO) or Contract Purchase Orders (CPO).
3. The Administrative Fee will not apply to Contracts issued through IPRO without a competitive solicitation, e.g. Emergency Procurements (EPA), Sole Source Procurements (SSA), etc.
4. The Administrator of the Division of Purchasing may also exempt a specific solicitation or class of solicitations from the Administrative Fee requirement.

C. Payment of Administrative Fee:

Contractor will remit the Administrative Fee to the Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075, as follows:

1. BPOs and SBPOs: Contractor will remit the Administrative Fee and Report for the prior quarter based on the schedule outlined in Paragraph 5.A.1.c., above.

D. Refund of Administrative Fee: In the event that a Contract is cancelled by the State through no fault of the Contractor, or if item(s) are returned by the State through no fault, act, or omission of the Contractor after the sale of any such item(s) to the State, the State will refund the Contractor any Administrative Fees remitted. Administrative Fees will not be refunded or

STATE OF IDAHO STANDARD CONTRACT TERMS AND CONDITIONS

returned when an item is rejected or returned, or declined, or the Contract cancelled by the State due to the Contractor's failure to perform or comply with specifications or requirements of the Contract. If, for any other reason, the Contractor is obligated to refund to the State all or a portion of the State's payment to the Contractor, or the State withholds payment because of the assessment of liquidated damages, the Administrative Fee will not be refunded in whole or in part.

E. Failure to Remit Administrative Fees: If a Contractor fails to remit the Administrative Fee, as provided above, the State, at its discretion, may declare the Contractor in default; cancel the Contract; assess and recover re-procurement costs from the Contractor (in addition to all outstanding Administrative Fees); seek State or federal audits, monitoring or inspections; exclude Contractor from participating in future solicitations; and/or suspend Contractor's IPRO account.

6. CHANGES/MODIFICATIONS: Changes of specifications or modification of the Contract in any particular can be affected only upon written consent of the State, and after any proposed change or modification has been submitted in writing, signed by the party proposing the change. Additionally, the State may issue unilateral amendments to the Contract to make administrative changes, when necessary.

7. CONFORMING PROPERTY: The Property shall conform in all respects with the requirements of the State's Solicitation. In the event of non-conformity, and without limitation upon any other remedy, the State shall have no financial obligation in regard to the non-conforming goods or services. Additionally, upon notification by the State, the Contractor shall pay all costs for the removal of nonconforming Property from State premises.

8. OFFICIAL, AGENT AND EMPLOYEES OF THE STATE NOT PERSONALLY LIABLE: In no event shall any official, officer, employee or agent of the State be in any way personally liable or responsible for any covenant or agreement herein contained whether expressed or implied, nor for any statement, representation or warranty made herein or in any connection with the Contract.

9. CONTRACT RELATIONSHIP: It is distinctly and particularly understood and agreed between the parties to the Contract that the State is in no way associated or otherwise connected with the performance of any service under the Contract on the part of the Contractor or with the employment of labor or the incurring of expenses by the Contractor. Said Contractor is an independent contractor in the performance of each and every part of the Contract, and solely and personally liable for all labor, taxes, insurance, required bonding and other expenses, except as specifically stated herein, and for any and all damages in connection with the operation of the Contract, whether it may be for personal injuries or damages of any other kind. The Contractor shall exonerate, defend, indemnify and hold the State harmless from and against and assume full responsibility for payment of all federal, state and local taxes or contributions imposed or required under unemployment insurance, social security, worker's compensation and income tax laws with respect to the Contractor or Contractor's employees engaged in performance under the Contract. The Contractor will maintain any applicable worker's compensation insurance as required by law and will provide certificate of same if requested. There will be no exceptions made to this requirement and failure to provide a certificate of worker's compensation insurance may, at the State's option, result in cancellation of the Contract or in a contract price adjustment to cover the State's cost of providing any necessary worker's compensation insurance. The Contractor must provide either a certificate of worker's compensation insurance issued by a surety licensed to write worker's compensation insurance in the state of Idaho, as evidence that the Contractor has in effect a current Idaho worker's compensation insurance policy, or an extraterritorial certificate approved by the Idaho Industrial Commission from a state that has a current reciprocity agreement with the Idaho Industrial Commission. The State does not assume liability as an employer.

10. ANTI-DISCRIMINATION/EQUAL EMPLOYMENT OPPORTUNITY CLAUSE: The Contractor is bound to the terms and conditions of Section 601, Title VI, Civil Rights Act of 1964, in that "No person in the United States shall, on the grounds of race, color, national origin, or sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance." In addition, "No otherwise qualified handicapped individual in the United States shall, solely by reason of his handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance" (Section 504 of the Rehabilitation Act of 1973). Furthermore, for Contracts involving federal funds, the applicable provisions and requirements of Executive Order 11246 as amended, Section 402 of the Vietnam Era Veterans Readjustment Assistance Act of 1974, Section 701 of Title VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act of 1967 (ADEA), 29 USC Sections 621, et seq., the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, U.S. Department of Interior regulations at 43 CFR Part 17, and the Americans with Disabilities Act of 1990, are also incorporated into the Contract. The Contractor shall comply with pertinent amendments to such laws made during the term of the Contract and with all federal and state rules and regulations implementing such laws. The Contractor must include this provision in every subcontract relating to the Contract.

STATE OF IDAHO STANDARD CONTRACT TERMS AND CONDITIONS

11. TAXES: The State is generally exempt from payment of state sales and use taxes and from personal property tax for property purchased for its use. The State is generally exempt from payment of federal excise tax under a permanent authority from the District Director of the Internal Revenue Service (Chapter 32 Internal Revenue Code [No. 82-73-0019K]). Exemption certificates will be furnished as required upon written request by the Contractor. If the Contractor is required to pay any taxes incurred as a result of doing business with the State, it shall be solely responsible for the payment of those taxes. If, after the effective date of the Contract, an Idaho political subdivision assesses, or attempts to assess, personal property taxes not applicable or in existence at the time the Contract becomes effective, the State will be responsible for such personal property taxes, after reasonable time to appeal. In no event shall the State be responsible for personal property taxes affecting items subject to the Contract at the time it becomes effective.

12. INDEMNIFICATION: Contractor shall defend, indemnify and hold harmless the State from any and all liability, claims, damages, costs, expenses, and actions, including reasonable attorney fees, caused by or that arise from the negligent or wrongful acts or omissions of the Contractor, its employees, agents, or subcontractors under the Contract that cause death or injury or damage to property or arising out of a failure to comply with any state or federal statute, law, regulation or act. Contractor shall have no indemnification liability under this section for death, injury, or damage arising solely out of the negligence or misconduct of the State.

13. CONTRACT NUMBERS: The Contractor shall clearly show the State's Contract number or Purchase Order number on all acknowledgments, shipping labels, packing slips, invoices, and on all correspondence.

14. CONTRACTOR RESPONSIBILITY: The Contractor is responsible for furnishing and delivery of all Property included in the Contract, whether or not the Contractor is the manufacturer or producer of such Property. Further, the Contractor will be the sole point of contact on contractual matters, including all warranty issues and payment of charges resulting from the use or purchase of Property.

15. SUBCONTRACTING: Unless otherwise allowed by the State in the Contract, the Contractor shall not, without written approval from the State, enter into any subcontract relating to the performance of the Contract or any part thereof. Approval by the State of Contractor's request to subcontract or acceptance of or payment for subcontracted work by the State shall not in any way relieve the Contractor of any responsibility under the Contract. The Contractor shall be and remain liable for all damages to the State caused by negligent performance or non-performance of work under the Contract by Contractor's subcontractor. Subcontractor(s) must maintain the same types and levels of insurance as that required of the Contractor under the Contract; unless the Contractor provides proof to the State's satisfaction that the subcontractor(s) are fully covered under the Contractor's insurance, or, except as otherwise authorized by the State.

16. COMMODITY STATUS: It is understood and agreed that any item offered or shipped shall be new and in first class condition and that all containers shall be new and suitable for storage or shipment, unless otherwise indicated by the State in the Solicitation. Demonstrators, previously rented, refurbished, or reconditioned items are not considered "new" except as specifically provided in this section. "New" means items that have not been used previously and that are being actively marketed by the manufacturer or Contractor. The items may contain minimal amounts of recycled or recovered parts that have been reprocessed to meet the manufacturer's new product standards. The items must have the State as their first user and the items must not have been previously sold, installed, demonstrated, or used in any manner (such as rentals, demonstrators, trial units, etc.). The new items offered must be provided with a full, unadulterated, and undiminished new item warranty against defects in workmanship and materials. The warranty is to include replacement, repair, and any labor for the period of time required by other specifications or for the standard manufacturer or warranty provided by the Contractor, whichever is longer.

17. SHIPPING AND DELIVERY: Unless otherwise required in the Contract, all orders will be shipped directly to the Agency that placed the order at the location specified by the State, on an F.O.B. Destination freight prepaid and allowed basis with all transportation, unloading, uncrating, drayage, or other associated delivery and handling charges paid by the Contractor. Unless otherwise specified in the Contract, deliveries shall be made to the Agency's receiving dock or inside delivery point, such as the Agency's reception desk. The Contractor shall deliver all orders and complete installation, if required, within the time specified in the Contract. Time for delivery commences at the time the order is received by the Contractor.

18. ACCEPTANCE: Unless otherwise specified in the Contract:

A. When the Contract does not require installation, acceptance shall occur fourteen (14) calendar days after delivery, unless the State has notified the Contractor in writing that the product delivered does not meet the State's specification requirements or otherwise fails to pass the Contractor's established test procedures or programs or test procedures or programs identified in the Contract.

STATE OF IDAHO STANDARD CONTRACT TERMS AND CONDITIONS

B. When the Contract requires installation, acceptance shall occur fourteen (14) calendar days after completion of installation, unless the State has notified the Contractor in writing that the products(s) delivered does not meet the State's specification requirements, that the product is not installed correctly or otherwise fails to pass the Contractor's established test procedures or programs or test procedures or programs identified in the Contract.

C. When the Contract requires the delivery of services, acceptance shall occur fourteen (14) calendar days after delivery of the services, unless the State has notified the Contractor in writing that the services do not meet the State's requirements or otherwise fail to pass the Contractor's established test procedures or programs or test procedures or programs identified in the Contract.

19. RISK OF LOSS: Risk of loss and responsibility and liability for loss or damage will remain with Contractor until acceptance, when responsibility will pass to the State with the exceptions of latent defects, fraud and Contractor's warranty obligations. Such loss, injury or destruction shall not release the Contractor from any obligation under the Contract.

20. INVOICING: ALL INVOICES are to be sent directly to the **AGENCY TO WHICH THE PROPERTY IS PROVIDED**, unless otherwise required by the Contract. The Contract number is to be shown on all invoices. Invoices must not be sent to the Division of Purchasing unless required by the Contract.

21. ASSIGNMENTS: Contractor shall not assign this contract, or its rights, obligations, or any other interest arising from the Contract, or delegate any of its performance obligations, without the express written consent of the Administrator of the Division of Purchasing and the Idaho Board of Examiners. Transfer without such approval shall cause the annulment of the Contract, at the option of the State. All rights of action, however, for any breach of the contract are reserved to the State. (Idaho Code Section 67-9230).

Notwithstanding the foregoing, and to the extent required by applicable law (including Idaho Code Section 28-9-406), Contractor may assign its right to payment on an account provided that the State shall have no obligation to make payment to an assignee until thirty days after Contractor (not the assignee) has provided the responsible State procurement officer with (a) proof of the assignment, (b) the identity of the specific state contract to which the assignment applies, and (c) the name of the assignee and the exact address to which assigned payments should be made. The State may treat violation of this provision as an event of default.

22. PAYMENT PROCESSING: Idaho Code Section 67-9218 reads as follows: "Within ten (10) days after the property acquired is delivered as called for by the bid specifications, the acquiring agency shall complete all processing required of that agency to permit the contractor to be reimbursed according to the terms of the bid. Within ten (10) days of receipt of the document necessary to permit reimbursement of the contractor according to the terms of the contract, the State Controller shall cause a warrant to be issued in favor of the contractor and delivered." Payments shall be processed within the timeframes required by I.C. § 67-9218 unless otherwise specified in the Contract.

23. COMPLIANCE WITH LAW, LICENSING AND CERTIFICATIONS: Contractor shall comply with **ALL** requirements of federal, state and local laws and regulations applicable to Contractor or to the Property provided by Contractor pursuant to the Contract. For the duration of the Contract, the Contractor shall maintain in effect and have in its possession all licenses and certifications required by federal, state and local laws and rules.

24. PATENTS AND COPYRIGHT INDEMNITY:

A. Contractor shall indemnify and hold the State harmless and shall defend at its own expense any action brought against the State based upon a claim of infringement of a United States' patent, copyright, trade secret, or trademark for Property purchased under the Contract. Contractor will pay all damages and costs finally awarded and attributable to such claim, but such defense and payments are conditioned on the following: (i) that Contractor shall be notified promptly in writing by the State of any notice of such claim; (ii) that Contractor shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise and State may select at its own expense advisory counsel; and (iii) that the State shall cooperate with Contractor in a reasonable way to facilitate settlement or defense of any claim or suit.

B. Contractor shall have no liability to the State under any provision of this clause with respect to any claim of infringement that is based upon: (i) the combination or utilization of the Property with machines or devices not provided by the Contractor other than in accordance with Contractor's previously established specifications unless such combination or utilization was disclosed in the specifications; (ii) the modification of the Property unless such modification was disclosed in the

STATE OF IDAHO STANDARD CONTRACT TERMS AND CONDITIONS

specifications; or (iii) the use of the Property not in accordance with Contractor's previously established specifications unless such use was disclosed in the specifications.

C. Should the Property become, or in Contractor's opinion be likely to become, the subject of a claim of infringement of a United States' patent, the Contractor shall, at its option and expense, either procure for the State the right to continue using the Property, to replace or modify the Property so that it becomes non-infringing, or to grant the State a full refund for the purchase price of the Property and accept its return.

25. CONFIDENTIAL INFORMATION: Pursuant to the Contract, Contractor may collect, or the State may disclose to Contractor, financial, personnel or other information that the State regards as proprietary or confidential ("Confidential Information"). Such Confidential Information shall belong solely to the State. Contractor shall use such Confidential Information only in the performance of its services under the Contract and shall not disclose Confidential Information or any advice given by it to the State to any third party, except with the State's prior written consent or under a valid order of a court or governmental agency of competent jurisdiction and then only upon timely notice to the State. Confidential Information shall be returned to the State upon termination or expiration of the Contract.

Confidential Information shall not include data or information that:

A. Is or was in the possession of Contractor before being furnished by the State, provided that such information or other data is not known by Contractor to be subject to another confidentiality agreement with or other obligation of secrecy to the State;

B. Becomes generally available to the public other than as a result of disclosure by Contractor; or

C. Becomes available to Contractor on a non-confidential basis from a source other than the State, provided that such source is not known by Contractor to be subject to a confidentiality agreement with or other obligation of secrecy to the State.

26. USE OF THE STATE OF IDAHO NAME: Contractor shall not, prior to, in the course of, or after performance under the Contract, use the State's name in any advertising or promotional media, including press releases, as a customer or client of Contractor without the prior written consent of the State.

27. TERMINATION FOR FISCAL NECESSITY: The State is a government entity and it is understood and agreed that the State's payments under the Contract shall be paid from Idaho State Legislative appropriations, funds granted by the federal government, or both. The Legislature is under no legal obligation to make appropriations to fulfill the Contract. Additionally, the federal government is not legally obligated to provide funds to fulfill the Contract. The Contract shall in no way or manner be construed so as to bind or obligate the state of Idaho beyond the term of any particular appropriation of funds by the Idaho State Legislature, or beyond any federal funds granted to the State, as may exist from time to time. The State reserves the right to terminate the Contract in whole or in part (or any order placed under it) if, in its sole judgment, the Legislature of the state of Idaho fails, neglects, or refuses to appropriate sufficient funds as may be required for the State to continue such payments, or requires any return or "give-back" of funds required for the State to continue payments, or if the Executive Branch mandates any cuts or holdbacks in spending, or if funds are not budgeted or otherwise available (e.g. through repeal of enabling legislation), or if the State discontinues or makes a material alteration of the program under which funds were provided, or if federal grant funds are discontinued. The State shall not be required to transfer funds between accounts in the event that funds are reduced or unavailable. All affected future rights and liabilities of the parties shall thereupon cease within ten (10) calendar days after notice to the Contractor. Further, in the event that funds are no longer available to support the Contract, as described herein, the State shall not be liable for any penalty, expense, or liability, or for general, special, incidental, consequential or other damages resulting therefrom. In the event of early Contract termination under this section, the State will collect all Contractor-owned equipment and accessory items distributed under the Contract within thirty (30) calendar days of Contract termination. Items will be collected at a central (or regional) location(s) designated by the State. Contractor will be responsible for all costs associated with packaging and removing all Contractor-owned items from the State-designated location(s), which must be completed within thirty (30) calendar days of written notification from the State. If Contractor fails to remove its items within that time period, the State may charge Contractor for costs associated with storing the items; and may otherwise dispose of the items as allowed by applicable law. At Contractor's request, the State shall promptly provide supplemental documentation as to such Termination for Fiscal Necessity. Nothing in this section shall be construed as ability by the State to terminate for its convenience.

The State will not accept the marking of an entire document as exempt; or a legend or statement on one page that all, or substantially all, of the document is exempt from disclosure.

B. Contractor shall indemnify and defend the State against all liability, claims, damages, losses, expenses, actions, attorney fees and suits whatsoever for honoring such a designation or for the Contractor's failure to designate specific information within the document as exempt. The Contractor's failure to designate as exempt any document or portion of a document that is released by the State shall constitute a complete waiver of any and all claims for damages caused by any such release. If the State receives a request for materials claimed exempt by the Contractor, the Contractor shall provide the legal defense for such claim.

Either party may change its address, facsimile number or email address by giving written notice of the change to the other party.

30. NON-WAIVER: The failure of any party, at any time, to enforce a provision of the Contract shall in no way constitute a waiver of that provision, nor in any way affect the validity of the Contract, any part hereof, or the right of such party thereafter to enforce each and every provision hereof.

31. ATTORNEY FEES: In the event suit is brought or an attorney is retained by any party to the Contract to enforce the terms of the Contract or to collect any moneys due hereunder, the prevailing party shall be entitled to recover reimbursement for reasonable attorney fees, court costs, costs of investigation and other related expenses incurred in connection therewith in addition to any other available remedies; however, the State's liability is limited to that which is identified in the Idaho Tort Claims Act, Idaho Code Section 6-9 et seq.

including, but not restricted to, acts of God or the public enemy, fires, floods, epidemics, quarantine, restrictions, strikes, freight embargoes, or unusually severe weather, provided that in all cases the Contractor shall notify the State promptly in writing of any cause for delay and the State concurs that the delay was beyond the control and without the fault or negligence of the Contractor. The period for the performance shall be extended for a period equivalent to the period of the Force Majeure delay.

The documents set forth above are complementary and what is required by one shall be binding as if required by all. However, in the case of any conflict or inconsistency arising under the documents, a lower numbered document shall supersede a higher numbered document to the extent necessary to resolve any such conflict or inconsistency. Provided, however, that in the event an issue is addressed in one of the above mentioned documents but is not addressed in another of such documents, no conflict or inconsistency shall be deemed to occur.

Where terms and conditions specified in the Contractor's Bid, Proposal or Quotation differ from the terms in the Solicitation, the terms and conditions in the Solicitation shall apply. Where terms and conditions specified in the Contractor's Bid, Proposal or Quotation supplement the terms and conditions in the Solicitation, the supplemental terms and conditions shall apply only if specifically accepted by the Division of Purchasing in writing.

35. ENTIRE AGREEMENT: The Contract is the entire agreement between the parties with respect to the subject matter hereof. Where terms and conditions specified in the Contractor's Bid, Proposal or Quotation differ from those specifically stated in the Contract, the terms and conditions of the Contract shall apply. In the event of any conflict between the State of Idaho Standard Contract Terms and Conditions and any Special Terms and Conditions in the Contract, the Special Terms and Conditions will govern. The Contract may not be released, discharged, changed or modified except by an instrument in writing signed by a duly authorized representative of each of the parties; however, Termination for Fiscal Necessity is excepted, and, the State may issue unilateral amendments to the Contract to make administrative changes when necessary.

36. GOVERNING LAW AND SEVERABILITY: The Contract shall be construed in accordance with and governed by the laws of the state of Idaho. Any action to enforce the provisions of the Contract shall be brought in State district court in Ada County, Boise, Idaho. Any and all such additional terms and conditions shall have no force and effect and shall be inapplicable to the Solicitation and any ensuing Contract. If additional or supplemental terms and conditions, either intentionally or inadvertently appear separately in transmittal letters, specifications, literature, price lists or warranties, it is understood and agreed that *the State of Idaho Standard Contract Terms and Conditions* and any Special Terms and Conditions in the Solicitation are the only conditions applicable to the Solicitation and any ensuing Contract and the submitting Vendor's authorized signature affixed to the signature page form attests to this. SOLICITATION INSTRUCTIONS TO VENDORS

20. REJECTION OF BIDS AND PROPOSALS AND CANCELLATION OF SOLICITATION:

A. Prior to the issuance of a Contract, the State shall have the right to accept or reject all or any part of a Bid, Proposal or Quotation or any and all Bids, Proposals and Quotations when: (i) it is in the best interests of the State; (ii) the Bid, Proposal or Quotation does not meet the minimum specifications; (iii) the Bid, Proposal or Quotation is not the lowest responsible Bid, Proposal or Quotation; (iv) a finding is made based upon available evidence that a submitting Vendor is not responsible or is otherwise incapable of meeting specifications or providing an assurance of ability to fulfill Contract requirements; or (v) the item offered deviates to a major degree from the specifications, as determined by the State (minor deviations, as determined by the State, may be accepted as substantially meeting the Solicitation requirements). Deviations will be considered major when such deviations appear to frustrate the competitive Solicitation process or provide a submitting Vendor an unfair advantage.

B. Prior to the issuance of a Contract, the State shall have the right to reject all Bids, Proposals, or Quotations or to cancel a Solicitation. Cancellation may be for reasons that include, but are not limited to: (i) inadequate or ambiguous specifications; (ii) specifications have been revised; (iii) Property is no longer required; (iv) there is a change in requirements; (v) all submissions are deemed unreasonable or sufficient funds are not available; (vi) Bids, Proposals or Quotations were not independently arrived at or were submitted in bad faith; (vii) it is determined that all requirements of the Solicitation process were not met; (viii) insufficient competition; or (ix) it is in the best interests of the State.

21. BURDEN OF PROOF: It shall be the responsibility and burden of the submitting Vendor to furnish, with its original submission, unless otherwise provided in the Solicitation, sufficient data for the State to determine whether or not the property offered conforms to the specifications.

22. ALTERNATE BIDS: Multiple bids submitted by a single submitting Vendor, or a submitting Vendor's alternate bids, **WILL NOT BE ACCEPTED UNLESS SO STATED IN THE SPECIFICATIONS.**

23. DISCOUNTS: Discounts, when applicable, shall be shown in a single net percentage figure (e.g. 57-1/4% instead of 50, 10, and 5 percent). **DISCOUNTS FOR PROMPT PAYMENT WILL BE ACCEPTED BUT CANNOT BE USED IN DETERMINING THE LOWEST BID.**

24. UNIT PRICES GOVERN: Unit prices shall govern. **IMPORTANT:** Prices must be given in the "unit of measure" required in the Solicitation. Example: If the Solicitation requires an item by the "piece," submit pricing by the "piece." If the Solicitation requires an item by the "foot," submit pricing by the "foot."

25. FIRM PRICES: The submitting Vendor agrees that its Bid, Quotation or Proposal shall be good and may not be withdrawn for a period of ninety (90) days after the scheduled closing date, unless otherwise identified in the Solicitation. No Bid, Quotation or Proposal will be accepted if marked "price prevailing at time of delivery," "estimated prices," "actual costs to be billed," or similar phrases. After the date and time of closing, no price change will be allowed, unless otherwise stated in the Solicitation. All Bids, Quotations and Proposals must be in U.S. Dollars.

26. ORAL INFORMATION: Questions concerning a Solicitation must be directed in writing to the designated purchasing official in the period of time prescribed in the Solicitation. Bids, Proposals, or Quotations deviating from the specifications by any means other than that which is allowed by an amendment to the Solicitation written and issued by the State will be subject to rejection. Reliance on any oral representation is at the Vendor's sole risk.

GOVERNMENTAL USE ONLY: Unless otherwise noted in the Solicitation, all purchases made pursuant to the Solicitation are for the internal use of government only and will not be resold to the general public at retail. 28. PUBLIC RECORDS:

A. The Idaho Public Records Law, Idaho Code Sections 74-101 through 74-126, allows the open inspection and copying of public records. SOLICITATION INSTRUCTIONS TO VENDORS

Solicitation will be a public record subject to disclosure under the Public Records Law. The Public Records Law contains certain exemptions. One exemption potentially applicable to part of your response may be for trade secrets. Trade secrets include a formula, pattern, compilation, program, computer program, device, method, technique or process that derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by other persons and is subject to the efforts that are reasonable under the circumstances to maintain its secrecy. If you consider any material that you provide in your Bid, Proposal or Quotation to be a trade secret, or otherwise protected from disclosure, you **MUST** so indicate by marking as "exempt" **EACH PAGE** containing such information. Marking your entire Bid, Proposal or Quotation as exempt is not acceptable or in accordance with the Solicitation or the Public Records Law and **WILL NOT BE HONORED**. In addition, a legend or statement on one (1) page that all or substantially all of the response is exempt from disclosure is not acceptable or in accordance with the Public Records Law and **WILL NOT BE HONORED**. Prices that you provide in your Bid, Proposal or Quotation are not a trade secret. The State, to the extent allowed by law and in accordance with these Solicitation Instructions, will honor a designation of nondisclosure. Any questions regarding the applicability of the Public Records Law should be addressed to your own legal counsel **PRIOR TO SUBMISSION** of your Bid, Proposal or Quotation.

B. If your Bid, Proposal or Quotation contains information that you consider to be exempt, you must also submit an electronic redacted copy of the Bid, Proposal or Quotation with all exempt information removed or blacked out. The State will provide this redacted Bid, Proposal or Quotation to requestors under the Public Records Law. Submitting Vendors must also:

1. Identify with particularity the precise text, illustration, or other information contained within each page marked "exempt" (it is not sufficient to simply mark the entire page). The specific information you deem "exempt" within each noted page must be highlighted, italicized, identified by asterisks, contained within a text border, or otherwise be clearly distinguished from other text or other information and be specifically identified as "exempt."
2. Provide a separate document with your Bid, Proposal or Quotation entitled "List of Redacted Exempt Information," which provides a succinct list of all exempt material noted in your Bid, Proposal or Quotation. The list must be in the order in which the material appears in your Bid, Proposal or Quotation, identified by Page#, Section#/Paragraph#, Title of Section/Paragraph, specific portions of text or other information; or in a manner otherwise sufficient to allow the State to determine the precise material subject to the notation. Additionally, this list must identify with each notation the specific basis for your position that the material be treated as exempt from disclosure.

C. Vendor shall indemnify and defend the State against all liability, claims, damages, losses, expenses, actions, attorney fees and suits whatsoever for honoring a designation of exempt or for the Vendor's failure to designate individual documents as exempt. The Vendor's failure to designate as exempt any document or portion of a document that is released by the State shall constitute a complete waiver of any and all claims for damages caused by any such release. If the State receives a request for materials claimed exempt by the Vendor, the Vendor shall provide the legal defense for such claim.

29. LENGTH OF CONTRACT: Pursuant to Idaho Code Section 67-9205(10), the State may enter into Contracts, including leases and rentals, for periods of time exceeding one (1) year provided that such Contracts contain no penalty to or restriction upon the State in the event cancellation is necessitated by a lack of financing for any such Contract or Contracts.

30. LEASE-PURCHASE OPTIONS: Idaho Code Section 67-9222 reads, in part, as follows: "Any exercise of an option to acquire previously nonowned property, or any other procedure which shall serve to pass title to the state where no passage of title existed before, shall be deemed to be a new acquisition and, prior to execution all applicable provisions and procedures of this chapter shall be exercised." (**NOTE:** This provision is **NOT** applicable to time purchase or installment purchase contracts).
