Amendment No. 04

Contract for: Statewide Propane Fuel and Related Equipment
SBPO15200554

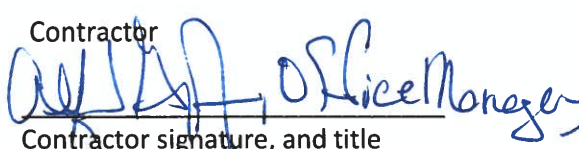

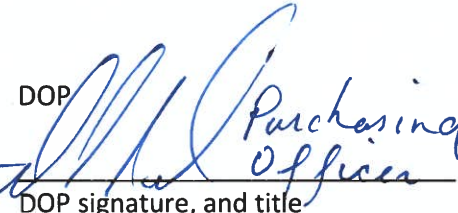

Parties: State of Idaho, Division of Purchasing "DOP"
And
Suburban Propane, LP "Contractor"

Recitals:

- A. The Parties entered into a Contract for Statewide Propane Fuel and Related Equipment ("Contract"), effective December 12, 2014, SBPO15200554.
- B. DOP has requested a change in rail location (McKittrick, CA to Midstream Energy: San Joaquin Valley, CA) due to BPN (Butane-Propane News) newsletter no longer publishing the McKittrick, CA location.
- C. This change to the rail location closely reflects McKittrick, CA prices paid by Contractor for the fuel it supplies under the Contract.

Based on the above recitals, and good and valuable consideration, the receipt of which is hereby acknowledged, the Contract is amended as follows:

- 1. Section 5 of the Contract, "Prices" is deleted and replaced with the following: The price paid by Ordering Agencies, for propane, will be the amount from the BPN (Butane-Propane News) Weekly Propane Newsletter, Propane Prices, FOB terminal (**San Joaquin Valley, CA RAIL**) PLUS Contractor's "Mark-up Price."
- 2. All other references to "McKittrick, CA Rail" in the Contract are replaced with "San Joaquin Valley, CA Rail."
- 3. The parties agree to review the designated rail location on a semi-annual basis, to determine if an adjustment to the rail location is necessary to reflect actual prices paid by Contractor for the propane provided under the Contract.
- 4. Except as expressly modified in this Amendment, all other terms and conditions of the Contract remain in full force and effect.
