7. Subcontractors:
All Contractor’s Fulfillment Partners, as defined in the Master Agreement, authorized in the State of Idaho, as shown on the dedicated Contractor’s (cooperative contract) website, are approved to provide sales and service support to participants in the WSCA-NASPO Master Price Agreement, e.g., for direct order taking, processing, fulfillment or provisioning. The Fulfillment Partners’ participation will be in accordance with the terms and conditions set forth in the aforementioned Master Agreement.

Subject to the approval of the State, Contractor may designate a minimum of two Fulfillment Partners and no set maximum number of Fulfillment Partners to provide sales and services support, and may add Fulfillment Partners at any time during the term of this Participating Addendum. Contractor, in its sole discretion, is not required to add, and may delete upon thirty (30) days written notice, any Fulfillment Partner who does not meet Contractor’s established qualifying criteria, or where the addition of the entity would violate any State or federal law or regulation.

8. **Orders:**
Any Order placed by an Authorized Purchaser for a Product and/or Service under the Participating Addendum and available from the Master Agreement shall be deemed to be a sale under (and governed by the prices and other terms and conditions) of the Master Agreement.

Authorized Purchasers may place orders directly only through Contractor’s approved Fulfillment Partners or through Contractor for products or services as authorized under this Participating Addendum. Only those Fulfillment Partners approved by the State and listed during the term of the Participating Addendum on the State’s Division of Purchasing website shall be authorized to directly provide quotes, receive purchase orders, invoice Authorized Purchasers, and receive payment from Authorized Purchasers on Contractor’s behalf.

Except as otherwise set forth in the qualifying criteria, Contractor will not, directly or indirectly, restrict any State authorized Fulfillment Partner’s participation or ability to quote pricing for an Authorized Purchaser. The approved Fulfillment Partners will not offer less favorable pricing discounts than the contract discounts established by Contractor under the Master Agreement. However, the Fulfillment Partner may offer any additional incremental discounts to Authorized Purchasers, and such additional discounts if offered, may be provided in the discretion and as the sole legal obligation of the approved Fulfillment Partner to the Authorized Purchaser.

The Master Agreement number and the Participating Addendum number must appear on every Purchase Order placed under this Participating Addendum.

The right is reserved to purchase other software or hardware solutions from other sources that may that may have the same or similar functions as those items listed in this paragraph based on current installations or existing technology investments.
