Evaluators will assign a score from 0 to 10 for each evaluation item listed below in this section, based upon the scoring explanation in the following chart. The SPC will then determine the points to be awarded to that item by changing the evaluator’s assigned score to a percentage and applying that percentage to the total points available for award to that item (for example, an evaluator’s score of 4 means that the Proposer is awarded 40% of the total points available for award; a score of 9 means that the Proposer is awarded 90% of the total points available for award)

SPC may request further clarification to assist the Evaluation Committee in gaining additional understanding of Proposal. A response to a clarification request must be to clarify or explain portions of the already submitted Proposal and may not contain new information not included in the original Proposal.

The SPC will combine the average score for each Proposal with Proposer's cost score. After any applicable preference has been applied, SPC will describe the rank order for each Proposer, with the highest score receiving the highest rank, and successive rank order determined by the next highest score.

DAS, if it awards a Master Agreement, shall award a Master Agreement to the highest ranking Responsible Proposer(s) based upon the scoring methodology and process described in Section 4. DAS may award less than the full Scope defined in this RFP. DAS, in its sole discretion, may make additional award(s) for up to 9 months following the close of this solicitation. DAS may select the next ranked Responsive and Responsible Proposer, issue an Intent to Award notice and begin a new award protest period. If agreement with that Proposer is not reached, DAS may offer award to the next ranked Proposer and so on until agreement is reached or until DAS terminates the process. DAS may require reconfirmation of the qualifications and staffing of any Proposer.

5.1.2 Intent to Award Notice

DAS will notify all Proposers in Writing that DAS intends to award a Master Agreement to the selected Proposer(s) subject to successful negotiation of any negotiable provisions.

5.2 INTENT TO AWARD PROTEST

5.2.1 Protest Submission

- DAS abused its discretion in rejecting the protestor's Proposal as non-Responsive.

- DAS's evaluation of Proposal or determination of award otherwise violates ORS Chapter 279B or ORS Chapter 279A.

If DAS receives only one Proposal, DAS may dispense with the evaluation process and intent to award protest period and proceed with Master Agreement Negotiations and award.

5.2.1.1 Protests must:

- Be delivered to the SPC via email or hard copy
- Reference the RFP number
- Identify prospective Proposer's name and contact information
- Be signed by an authorized representative

Proposer shall review the attached Sample Master Agreement and note exceptions to the negotiable items on a redline copy submitted with its Proposal. Unless Proposer notes exceptions in its Proposal, the State intends to enter into a Master Agreement with the successful Proposer substantially in the form set forth in Sample Master Agreement (Attachment A).

It may be possible to negotiate some provisions of the final Master Agreement; however, many provisions cannot be changed. Proposer is cautioned that the State of Oregon believes modifications to the standard provisions constitute increased risk and increased cost to the State.
