Erik Schmidt

Name and Title:

Erik Schmidt
Buyer

Educational background:

Bachelor of Science - Management

Brief description of your experience:

Management experience in retail during undergrad. Transitioned over to non-profit work overseeing after-school programs contracted by local school districts. These programs received an influx of funds from the State, so I transitioned over to procurement to help support the programs. I most recently worked for local medical provider in Supply Chain & Procurement, before joining the Division of Purchasing.

Areas of expertise:

Public procurement and solicitations

Fun fact:

I moved to Idaho in 2023 and got married that same year. My wife and I went to Italy last spring while she was pregnant with our daughter.
