

Authorized Dealers

Note: Deere & Company is the contractor and has independent authorized John Deere dealers listed below to receive purchase orders on behalf of Deere & Company. Dealers will assist the contract user with configuring the product and then provide a written quote which will itemize contract pricing enabling the contract user to place their purchase order. The purchase order must be made out to Deere & Company and be mailed or emailed to the dealer who will then upload the order into Deere's Order Management Department. Purchase orders must reference the Idaho contract number and the appropriate dealer. Deere & Company will invoice contract users directly. Deere & Company will continue to assume full responsibility for all terms and conditions of the contract.
