Name and Title:

Kevin Jarrett
Buyer

Educational background:

Graduate of Boise State University with a Bachelor's in Supply Chain Management

Brief description of your experience:

Graduated from Boise State in December 2023. Getting an opportunity with the State of Idaho is my first job post-graduation and allows me to get my foot in the door when it comes to Supply Chain. Before coming to work with the State, I was lucky enough to intern for Simplot in their Procurement department in the Summer of 2023. I was able to get an idea of how the procurement process works and what steps need to be taken to ensure the job is done correctly. During my last two years in school I worked for the ExtraMile Arena in their box office and was able to see a lot of cool concerts and shows.

Fun fact:

I love being outdoors! My friends and I enjoy going on backpacking trips, camping trips and hanging out by the river. There is so much Idaho has to offer that I want to go out and see. Hoping to see more of the State this Summer.
