Kim Guevara

Name and Title:

Kim Guevara, Buyer

Educational background:

B.B.A in Supply Chain Management

Experience:

Before coming to DOP, I helped coordinate the Medical Mobile Clinic at Saint Alphonsus Medical Group. One of my favorite projects was helping out with the creation of patient demographic statistics which benefited the hospital in order to obtain additional funds. I've also been a peer mentor at Boise State University, helped with operations at Biomark, and handled financial transactions at Zions Bank.

Areas of expertise:

Healthcare Industry, project management, statistics

Fun Fact:

Studied abroad in Northern Spain for my last semester of college and my favorite ice cream is cookie dough.
