

Supplier Portal Go-live: May 5th, 2023

What is it?	The Supplier Portal (IPRO - Powered by Luma) provides suppliers across the state with web-based access to manage their accounts and access information that is relevant to their business.
How does it impact suppliers?	The state anticipates the transition to Luma from Jaggaer will start on July 1st. In addition to the current functionality available in Jaggaer, suppliers will be able to view purchase orders, invoices, and payments processed in the system for their companies.
What do suppliers need to do?	Suppliers are encouraged to register as soon as possible. Please note the following: <ul style="list-style-type: none">• If you are doing business with the State at this time you may already have an account• New sourcing events are anticipated to start posting July 1st.
How can I access the Supplier Portal?	The Supplier Portal can be accessed here . If you have any questions or get an error message during the registration process, please contact supplierportal@sco.idaho.gov for assistance.
