- clearly mark all trade secret materials at the time the information is submitted;
- include a statement with regard to the information justifying the trade secret designation for each item; and
- defend any action seeking release of the materials it believes to be trade secret, and indemnify and hold harmless the Lead State, its agents and employees, from any judgments awarded against the Lead State in favor of the party requesting the materials, and any and all costs connected with that defense. This indemnification survives the Lead State's award of a Master Agreement. In submitting a response to the RFP, the responder agrees that this indemnification survives as long as the trade secret materials are in possession of the Lead State. The Lead State will not consider the prices submitted by the responder to be trade secret materials.

9. **DISPUTE RESOLUTION PROCEDURES.** Any issue a responder has with the RFP document, which includes, but is not limited to, the terms, conditions, and specifications, must be submitted in writing to and received by the Master Agreement Administrator prior to the opening due date and time. Any issue a responder has with the Master Agreement award must be submitted in writing to the Master Agreement Administrator within five working days from the time the notice of the intent to award is issued. This notice may be made by any of the following methods: notification by letter, fax or email, or posted on the Materials Management website, www.mmd.admin.state.mn.us. 12. IRREVOCABLE OFFER. In accordance with this Request for Proposal, and subject to all conditions thereof, the undersigned agrees that its response to this RFP, or any part thereof, is an irrevocable offer for 180 days following the submission deadline date unless stated otherwise in the RFP. 13. MATERIAL DEVIATION. A responder shall be presumed to be in agreement with these terms and conditions unless it takes specific exception to one or more of the conditions. Submission by the responder of its proposed language shall not be viewed as an exception unless the responder specifically states in the response that its proposed changes are intended to supersede the terms and conditions.

RESPONDERS ARE CAUTIONED THAT BY TAKING ANY EXCEPTION THEY MAY BE MATERIALLY DEVIATING FROM THE REQUEST FOR PROPOSAL. IF A RESPONDER MATERIALLY DEVIATES FROM THE GENERAL TERMS, CONDITIONS AND INSTRUCTIONS OR THE WSCA-NASPO TERMS AND CONDITIONS AND/OR SPECIFICATIONS, ITS RESPONSE MAY BE REJECTED.

A material deviation is an exception to the Request for Proposal general or WSCA-NASPO terms and conditions and/or specifications that:

- a. gives the responder taking the exception a competitive advantage over other vendors; or,
- b. gives the Lead State something significantly different from that which the Lead State requested.

14. NONRESPONSIVE RESPONSES. Responses that do not comply with the provisions in the RFP may be considered nonresponsive and may be rejected.

The WSCA-NASPO Administrative Fee shall be submitted quarterly and is based on sales of products and services (less any charges for taxes or shipping). The WSCA-NASPO Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with proposal.

Additionally, some states may require an additional fee be paid directly to the state on purchases made by Purchasing Entities within that state. For all such requests, the fee level, payment method and schedule for such reports and payments will be incorporated into the Participating Addendum that is made a part of the Master Agreement. The Contract Vendor may adjust the Master Agreement pricing accordingly for purchases made by Purchasing Entities within the jurisdiction of the state. All such agreements may not affect the WSCA-NASPO Administrative Fee or the prices paid by the Purchasing Entities outside the jurisdiction of the state requesting the additional fee.

Further, any Participating Entity may cancel its participation upon 30 days written notice, unless otherwise limited or stated in the special terms and conditions of this solicitation or in the applicable Participating Addendum. Cancellation may be in whole or in part. Any cancellation under this provision shall not affect the rights and obligations attending orders outstanding at the time of cancellation, including any right of a Participating Entity to indemnification by the Contract Vendor, rights of payment for goods/services delivered and accepted, and rights attending any warranty or default in performance in association with any order. When Customer contacts a Service Provider, Customer must follow the specified problem determination and resolution procedures.

The Service Provider will attempt to diagnose and resolve the problem by telephone, e-mail or remote assistance. The Service Provider may direct Customer to download and install designated software updates.

Some problems may be resolved with a replacement part to be installed by Customer called a "Customer Replaceable Unit" or "CRU." If so, the Service Provider will ship the CRU to Customer for installation.

If the problem cannot be resolved over the telephone; through the application of software updates or the installation of a CRU, the Service Provider will arrange for service under the **Type of Warranty Service** designated for the hardware Product as specified in the table below.

If the Service Provider determines that it is unable to repair the hardware Product, the Service Provider will replace it with one that is at least functionally equivalent.

If the Service Provider determines that it is unable to either repair or replace the hardware Product, Customer's sole remedy under this Limited Warranty is to return the hardware Product to the place of purchase or to Lenovo for a refund of the purchase price.

Replacement Products and Parts

When warranty service involves the replacement of a hardware Product or part, the replaced hardware Product or part becomes Lenovo's property and the replacement hardware Product or part becomes Customer's property. Only unaltered Lenovo hardware Products and parts are eligible for replacement. The replacement hardware Product or part provided by Lenovo may not be new, but it will be in good working order and at least functionally equivalent to the original hardware Product or part. The replacement hardware Product or part shall be warranted for the balance of the period remaining on the original hardware Product.

If required, the Service Provider will provide repair or exchange service depending on the type of warranty service specified for the hardware Product and the available service. Scheduling of service will depend upon the time of Customer's call, parts availability, and other factors.

Types of Warranty Service

1. Customer Replaceable Unit ("CRU") Service

Under CRU Service, a Service Provider will ship CRUs to Customer for installation by Customer. CRU information and replacement instructions are shipped with the hardware Product and are available from Lenovo at any time upon request. CRUs that are easily installed by Customer are called "Self-service CRUs". "Optional-service CRUs" are CRUs that may require some technical skill and tools. Installation of Self-service CRUs is Customer's responsibility. Customer may request that a Service Provider install Optional-service CRUs under one of the other types of warranty service designated for the hardware Product. An optional service offering may be available for purchase from a Service Provider or Lenovo under which Self-service CRUs would be installed for Customer. Customer may find a list of CRUs and their designation in the publication that ships with the hardware Product or at www.lenovo.com/CRUs. The requirement to return a defective CRU, if any, will be specified in the materials shipped with a replacement CRU. When return is required: 1) return instructions, a prepaid return shipping label, and a container will be included with the replacement CRU; and 2) Customer may be charged for the replacement CRU if the Service Provider does not receive the defective CRU within thirty (30) days of Customer's receipt of the replacement CRU.

2. On-Site Service

Under On-Site Service, a Service Provider will either repair or exchange the hardware Product at Customer's location. Customer must provide a suitable working area to allow disassembly and reassembly of the hardware Product. Some repairs may need to be completed at a service center. If so, the Service Provider will send the hardware Product to the service center at its expense.

3. Courier or Depot Service

Under Courier or Depot Service, the hardware Product will be repaired or exchanged at a designated service center, with shipping at the expense of the Service Provider. Customer is responsible for disconnecting the hardware Product and packing it in a shipping container provided to Customer for return of the hardware Product to a designated service center. A courier will pick up the hardware Product and deliver it to the designated service center. The service center will return the hardware Product to Customer at its expense.

4. Customer Carry-In Service

Under Customer Carry-In Service, the hardware Product will be repaired or exchanged after Customer delivers it to a designated service center at Customer's risk and expense. After the hardware Product has been repaired or exchanged, it will be made available for collection by Customer. Failure to collect the hardware Product may result in the Service Provider disposing of the hardware Product as it sees fit, with no liability to Customer.

5. Mail-In Service

Under Mail-In Service, the hardware Product will be repaired or exchanged at a designated service center after Customer delivers it at Customer's risk and expense. After the hardware Product has been repaired or exchanged, it will be returned to Customer at Lenovo's risk and expense, unless the Service Provider specifies otherwise.

6. Customer Two-Way Mail-In Service

Under Customer Two-Way Mail-In Service, the hardware Product will be repaired or exchanged after Customer delivers it to a designated service center at Customer's risk and expense. After the hardware Product has been repaired or exchanged, it will be made available to Customer for return shipping at Customer's risk and expense. If Customer fails to arrange return shipment, the Service Provider may dispose of the product as it sees fit, with no liability to Customer.

7. Product Exchange Service

Under Product Exchange Service, Lenovo will ship a replacement hardware Product to Customer's location. Customer shall be responsible for its installation and verification of its operation. The replacement hardware Product becomes the property of Customer in exchange for the failed hardware Product, which becomes the property of Lenovo. Customer shall pack the failed hardware Product in the shipping carton used to ship the replacement hardware Product and return it to Lenovo. Transportation charges, both ways, shall be at Lenovo's expense. If Customer fails to use the carton in which the replacement hardware Product was received, Customer may be responsible for any damage to the failed hardware Product occurring during shipment. Customer may be charged for the replacement hardware Product if Lenovo does not receive the failed hardware Product within thirty (30) days of Customer's receipt of the replacement hardware Product.

Stat. § 363A.36 and the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.
- (d) The Contract Vendor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the commissioner of the Minnesota Department of Human Rights. This clause shall not be construed to bar any legal remedies the Contract Vendor may have with the Lead State's and Participating Entity's failure to fulfill its obligations pursuant to the Master Agreement. If the Participating Entity's laws require approval of a third party to defend Participating Entity, Participating Entity will seek such approval and if approval is not received, Contract Vendor is not required to defend that Participating Entity.
- b. **INTELLECTUAL PROPERTY PROTECTION.** If any third party claims that a Contract Vendor branded product provided by Contract Vendor to a Participating Entity under this Agreement infringes that party's patent or copyright, Contract Vendor shall defend the Participating Entity consistent with Participating Entity's governing law against that claim at its expense, and shall pay all costs, damages, and attorney's fees that a court finally awards, provided that the Participating Entity (a) promptly notifies the Contract Vendor of the claim in writing; and (b) allows the Contract Vendor to control, and cooperates with the Contract Vendor in the defense and any related settlement negotiations. The foregoing shall be the Contract Vendor's entire obligation to a Participating Entity regarding any claim of infringement.

If such a claim has occurred, or in the Contract Vendor's opinion is likely to occur, the Contract Vendor shall either procure for the Participating Entity the right to continue using the materials or products, modify such materials or products, or replace them with materials or products that are at least functionally equivalent. If an option satisfactory to the Participating Entity is not reasonably available, the Participating Entity shall return the materials or products to the Contract Vendor, upon written request of the Contract Vendor and at the Contract Vendor's expense, and Contract Vendor shall provide a credit to the Participating Entity equal to the amount paid for the product or materials. Contract Vendor shall have no obligation regarding any claim based upon: (i) anything a participating Entity provides which is incorporated into, or combined with a product; (ii) a Participating Entity's unauthorized modification of a product; (iii) the combination, operation, or use of a product with any products not provided by Contract Vendor as a system, or the combination, operation, or use of a product with any product, data, apparatus or business method that Contract Vendor did not provide; (iv) Contract Vendor's compliance with a Participating Entity's specifications or requirements; or (v) infringement by a third party product alone, as opposed to its combination with a Contract Vendor branded product.

c. LIMITATION OF LIABILITY. NEGOTIATED.

- 1. Neither party, including its affiliates, shall be liable to the other party or its affiliates for any of the following even if informed of their possibility and whether arising in contract, tort, (including negligence) or otherwise: (a) third party claims for damages (other than such third party claims specifically identified in Section 14, above, and Section 17(c)(3), below); (b) loss of, or damage to, data; (c) special, incidental, indirect, punitive, exemplary or consequential damages; or (d) loss of profits, business, revenue, goodwill or anticipated savings; and

21. NOTICE TO RESPONDERS. Pursuant to Minn. Stat. § 270C.65, subd. 3, Contract Vendors are required to provide their Federal Employer Identification Number or Social Security Number. This information may be used in the enforcement of federal and State tax laws. Supplying these numbers could result in action to require a Contract Vendor to file tax returns and pay delinquent tax liabilities. These numbers will be available to federal and State tax authorities and State personnel involved in the payment of State obligations.

22. ORGANIZATIONAL CONFLICTS OF INTEREST. The responder warrants that, to the best of its knowledge and belief, and except as otherwise disclosed, there are no relevant facts or circumstances which could give rise to organizational conflicts of interest. An organizational conflict of interest exists when, because of existing or planned activities or because of relationships with other persons:

- a Contract Vendor is unable or potentially unable to render impartial assistance or advice to the State;
- the Contract Vendor's objectivity in performing the work is or might be otherwise impaired; or
- the Contract Vendor has an unfair competitive advantage.

The Contract Vendor agrees that if an organizational conflict of interest is discovered after award, an immediate and full disclosure in writing shall be made to the Assistant Director of the Department of Administration's Materials Management Division that shall include a description of the action the Contract Vendor has taken or proposes to take to avoid or mitigate such conflicts. If an organizational conflict of interest is determined to exist, the State may, at its discretion, cancel the Master Agreement. In the event the Contract Vendor was aware of an organizational conflict of interest prior to the award of the Master Agreement and did not disclose the conflict to the Master Agreement Administrator, the State may terminate the Master Agreement for default. The provisions of this clause shall be

included in all subcontracts for work to be performed, and the terms "Contract," "Contract Vendor," "Master Agreement," "Master Agreement Administrator" and "Contract Administrator" modified appropriately to preserve the State's rights.

No other terms and conditions shall apply, including terms and conditions listed in the Contract Vendor's response to the Solicitation, or terms listed or referenced on the Contract Vendor's website, in the Contract Vendor quotation/sales order or in similar documents subsequently provided by the Contract Vendor. The solicitation language prevails unless a mutually agreed exception has been negotiated.

3. **ADDENDA TO THE RFP.** Any addendum issued will become a part of the RFP. The Lead State may modify or clarify the RFP by issuing one or more addenda to all parties who have received the RFP. Each responder must follow the directions on the addendum. Addenda will be numbered consecutively in the order they are issued.
4. **AWARD.** The award of this solicitation will be based upon the total accumulated points as established in the RFP, for separate items, by grouping items, or by total lot, and where at its sole discretion the Lead State believes it will receive the best value. The Lead State reserves the right to award this solicitation to a single responder, or to multiple responders, whichever is in the best interest of the Lead State. - 8. DISPOSITION OF DATA SUBMITTED BY CONTRACT VENDOR.** All materials submitted in response to this RFP will become property of the Lead State and will become public record after the evaluation process is completed. The evaluation process is complete when negotiations with the selected vendors are final.

By executing this Contract, the Contract Vendor certifies and agrees that all information provided in the Contract and in response to the solicitation will be made public in accordance with the solicitation and that no information has been designated Trade Secret pursuant to the Minnesota Government Data Practices Act.

If the Contract Vendor submits information after execution of this Contract that it believes to be trade secret materials, as defined by the Minnesota Government Data Practices Act, Minn. Stat. § 13.37, the Contract Vendor must:

- clearly mark all trade secret materials at the time the information is submitted;
- include a statement with regard to the information justifying the trade secret designation for each item; and,
- defend any action seeking release of the materials it believes to be trade secret, and indemnify and hold harmless the Lead State, its agents and employees, from any judgments awarded against the Lead State in favor of the party requesting the materials, and any and all costs connected with that defense. This indemnification survives the Lead State's award of a Master Agreement. In submitting a response to the RFP, the responder agrees that this indemnification survives as long as the trade secret materials are in possession of the Lead State. The Lead State will not consider the prices submitted by the responder to be trade secret materials.

- 9. DISPUTE RESOLUTION PROCEDURES.** Any issue a responder has with the RFP document, which includes, but is not limited to, the terms, conditions, and specifications, must be submitted in writing to and received by the Master Agreement Administrator prior to the opening due date and time. Any issue a responder has with the Master Agreement award must be submitted in writing to the Master Agreement Administrator within five working days from the time the notice of the intent to award is issued. The Lead State will respond to any protest received that follows the above procedure. For those protests that meet the above submission requirements, the appeal process is, in sequence: The responsible Master Agreement Administrator, the Materials Management Division (MMD) Assistant Director, and the MMD Director.
- 10. ELECTRONIC FILES TO DOWNLOAD, COMPLETE, AND RETURN.** Responders must download a Word/Excel document.
- 11. ENTIRE AGREEMENT.** A written Master Agreement (including the contents of this RFP and selected portions of Contract Vendor's response incorporated therein by reference) and any written addenda thereto constitute the entire agreement of the parties to the Master Agreement.

- 12. IRREVOCABLE OFFER.** In accordance with this Request for Proposal, and subject to all conditions thereof, the undersigned agrees that its response to this RFP, or any part thereof, is an irrevocable offer for 180 days following the submission deadline date unless stated otherwise in the RFP. It is understood and agreed that the response, or any part thereof, when accepted by the appropriate department and State officials in writing, may become part of a legal and binding Master Agreement between the undersigned vendor and the State of Minnesota.
- 13. MATERIAL DEVIATION.** A responder shall be presumed to be in agreement with these terms and conditions unless it takes specific exception to one or more of the conditions. Submission by the responder of its proposed language shall not be viewed as an exception unless the responder specifically states in the response that its proposed changes are intended to supersede the terms and conditions.
- RESPONDERS ARE CAUTIONED THAT BY TAKING ANY EXCEPTION THEY MAY BE MATERIALLY DEVIATING FROM THE REQUEST FOR PROPOSAL. IF A RESPONDER MATERIALLY DEVIATES FROM THE GENERAL TERMS, CONDITIONS AND INSTRUCTIONS OR THE WSCA-NASPO TERMS AND CONDITIONS AND/OR SPECIFICATIONS, ITS RESPONSE MAY BE REJECTED.
- A material deviation is an exception to the Request for Proposal general or WSCA-NASPO terms and conditions and/or specifications that:
- a. gives the responder taking the exception a competitive advantage over other vendors; or,
 - b. gives the Lead State something significantly different from that which the Lead State requested.
- 14. NONRESPONSIVE RESPONSES.** Responses that do not comply with the provisions in the RFP may be considered nonresponsive and may be rejected.
- 15. NOTICES.** If one party is required to give notice to the other under the Master Agreement, such notice shall be in writing and shall be effective upon receipt. Delivery may be by certified United States mail or by hand, in which case a signed receipt shall be obtained. CRUs that are easily installed by Customer are called "Self-service CRUs". "Optional-service CRUs" are CRUs that may require some technical skill and tools. Installation of Self-service CRUs is Customer's responsibility. Customer may request that a Service Provider install Optional-service CRUs under one of the other types of warranty service designated for the hardware Product. An optional service offering may be available for purchase from a Service Provider or Lenovo under which Self-service CRUs would be installed for Customer. Customer may find a list of CRUs and their designation in the publication that ships with the hardware Product or at www.lenovo.com/CRUs. The requirement to return a defective CRU, if any, will be specified in the materials shipped with a replacement CRU. When return is required: 1) return instructions, a prepaid return shipping label, and a container will be included with the replacement CRU; and 2) Customer may be charged for the replacement CRU if the Service Provider does not receive the defective CRU within thirty (30) days of Customer's receipt of the replacement CRU.

2. On-Site Service

Under On-Site Service, a Service Provider will either repair or exchange the hardware Product at Customer's location. Customer must provide a suitable working area to allow disassembly and reassembly of the hardware Product. Some repairs may need to be completed at a service center. If so, the Service Provider will send the hardware Product to the service center at its expense.

3. Courier or Depot Service

Under Courier or Depot Service, the hardware Product will be repaired or exchanged at a designated service center, with shipping at the expense of the Service Provider. Customer is responsible for disconnecting the hardware Product and packing it in a shipping container provided to Customer for return of the hardware Product to a designated service center. A courier will pick up the hardware Product and deliver it to the designated service center. The service center will return the hardware Product to Customer at its expense.

4. Customer Carry-In Service

Under Customer Carry-In Service, the hardware Product will be repaired or exchanged after Customer delivers it to a designated service center at Customer's risk and expense. After the hardware Product has been repaired or exchanged, it will be made available for collection by Customer. Failure to collect the hardware Product may result in the Service Provider disposing of the hardware Product as it sees fit, with no liability to Customer.

5. Mail-In Service

Under Mail-In Service, the hardware Product will be repaired or exchanged at a designated service center after Customer delivers it at Customer's risk and expense. After the hardware Product has been repaired or exchanged, it will be returned to Customer at Lenovo's risk and expense, unless the Service Provider specifies otherwise.

6. Customer Two-Way Mail-In Service

Under Customer Two-Way Mail-In Service, the hardware Product will be repaired or exchanged after Customer delivers it to a designated service center at Customer's risk and expense. After the hardware Product has been repaired or exchanged, it will be made available to Customer for return shipping at Customer's risk and expense. If Customer fails to arrange return shipment, the Service Provider may dispose of the product as it sees fit, with no liability to Customer.

7. Product Exchange Service

Under Product Exchange Service, Lenovo will ship a replacement hardware Product to Customer's location. Customer shall be responsible for its installation and verification of its operation. The replacement hardware Product becomes the property of Customer in exchange for the failed hardware Product, which becomes the property of Lenovo. Customer shall pack the failed hardware Product in the shipping carton used to ship the replacement hardware Product and return it to Lenovo. Transportation charges, both ways, shall be at Lenovo's expense. If Customer fails to use the carton in which the replacement hardware Product was received, Customer may be responsible for any damage to the failed hardware Product occurring during shipment. Customer may be charged for the replacement hardware Product if Lenovo does not receive the failed hardware Product within thirty (30) days of Customer's receipt of the replacement hardware Product.

Stat. § 363A.36 and the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.
- (d) The Contract Vendor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the commissioner of the Minnesota Department of Human Rights. This clause shall not be construed to bar any legal remedies the Contract Vendor may have with the Lead State's and Participating Entity's failure to fulfill its obligations pursuant to the Master Agreement. If the Participating Entity's laws require approval of a third party to defend Participating Entity, Participating Entity will seek such approval and if approval is not received, Contract Vendor is not required to defend that Participating Entity.
- b. **INTELLECTUAL PROPERTY PROTECTION.** If any third party claims that a Contract Vendor branded product provided by Contract Vendor to a Participating Entity under this Agreement infringes that party's patent or copyright, Contract Vendor shall defend the Participating Entity consistent with Participating Entity's governing law against that claim at its expense, and shall pay all costs, damages, and attorney's fees that a court finally awards, provided that the Participating Entity (a) promptly notifies the Contract Vendor of the claim in writing; and (b) allows the Contract Vendor to control, and cooperates with the Contract Vendor in the defense and any related settlement negotiations. These numbers will be available to federal and State tax authorities and State personnel involved in the payment of State obligations.

22. ORGANIZATIONAL CONFLICTS OF INTEREST. The responder warrants that, to the best of its knowledge and belief, and except as otherwise disclosed, there are no relevant facts or circumstances which could give rise to organizational conflicts of interest.
