Computer Equipment, Peripherals, and Related Services
Administered by the State of Minnesota (hereinafter "Lead State")

Master Agreement No: MNWNC-117

Lenovo (United States) Inc.
(hereinafter "Contractor")

And

The State of Idaho
(hereinafter "State")

PADD 15201139

1. Scope: This Participating Addendum (PADD) covers the Computer Equipment, Peripherals, and Related Services contract issued by the State of Minnesota to Lenovo (United States) Inc. (Master Agreement No. MNWNC-117), for use by State agencies and other entities located in the State.

The Contractor has been awarded Bands in the following categories:

Band 1: Desktop	Band 3: Tablet	Band 5: Storage
Band 2: Laptop	Band 4: Server	

Ruggedized equipment will be allowed in Bands 1-5.

2. Participation: Use of NASPO ValuePoint (formerly "WSCA" or "WSCA-NASPO") cooperative contracts by agencies, political subdivisions and other entities authorized by an individual state's statutes to use state contracts are subject to the prior approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the State Chief Procurement Official (in Idaho, the Administrator of the Division of Purchasing).

This PADD is for the benefit of State of Idaho agencies, institutions and departments; as well as eligible political subdivisions or other "Public Agencies," as defined by Idaho Code, Section 67-2327. The Public Agency placing an order (Ordering Entity) will issue individual releases (Orders) against this PADD on an as needed basis for the period noted in Section 3. "Public Agency" means any city or political subdivision of the state, including, but not limited to counties; school districts; highway districts; port authorities; instrumentalities of counties; cities or any political subdivision created under the laws of the State of Idaho.

INDIVIDUAL CUSTOMER: Each Ordering Entity that places an Order under this PADD will be treated as if it is an Individual Customer. Except to the extent modified by this Participating Addendum, each Ordering Entity will be responsible to follow the terms and conditions of the Master Agreement; and will have the same rights and responsibilities for its purchases as the Lead State has in the Master Agreement. Each Ordering Entity will be responsible for its own charges, fees, and liabilities; and will have the same rights to any indemnity or to recover any costs allowed in the Master Agreement for its individual purchases.

3. **Term:** This PADD will be effective July 1, 2015 and continue through **March 31, 2017**, unless extended, renewed or terminated earlier.

4. **Configuration Dollar Limits:** This PADD is not for the purchase of major hardware. The dollar limits identified below are based on a single computer configuration. This is not a restriction on the purchase of multiple configurations. The following configuration limits apply to this PADD:

ITEM	CONFIGURATION*
Storage	\$300,000
Server	\$300,000
Desktops	\$2,500
Laptops	\$2,500
Tablets	\$2,500
Peripherals	\$2,500
Services	No Limitation

*Configuration is defined as the combination of hardware and software components that make up the total functioning system. Software purchases are considered a part of the configuration limit of the equipment.

Purchases outside these limits must receive approval from the Administrator.

5. **Restrictions:** This PADD is restricted to purchases of computer hardware manufactured by Contractor. Each Ordering Entity may also purchase Contractor services required for installation, maintenance, and upgrade of the procured hardware. Additionally, each Ordering Entity may purchase Contractor offered peripherals compatible with the procured hardware. Purchases exclusively for software and printers will not be allowed via this PADD. Lease or rentals of equipment will also not be allowed via this PADD.

6. **State Modifications or Additions to Master Agreement:** Notwithstanding any provisions in the Master Agreement to the contrary, the following applies to this PADD:

6.1 **Assignment:** In accordance with Idaho Code 67-5726(1), no contract or order or any interest therein (i.e. this PADD or individual orders placed against this PADD) shall be transferred by the Contractor to whom such contract or order is given to any other party, without the approval in writing of the Administrator. Transfer of a contract without approval shall cause the annulment of the contract so transferred, at the option of the Administrator. All rights of action, however, for any breach of this PADD by the contracting parties are reserved by the Administrator.

6.2 **Amendments:** Amendments to the Master Agreement (including, but not limited to extensions, renewals, and modifications to the terms, conditions and pricing) will automatically be incorporated in this PADD unless the State elects not to incorporate an amendment by providing written notification to Contractor; which notice must be provided within 10 working days of the date of the amendment to the Master Agreement, in order to be effective. Failure to provide notice in accordance with this Section 6.2 will result in the Master Agreement amendment automatically being incorporated in this PADD.

6.3 **Governing Law:** Notwithstanding any provision to the contrary, the State's PADD and all orders issued under the PADD by Ordering Entities within the State shall be construed in accordance with and governed by the laws of the State. Any action to enforce the provisions of this PADD shall be brought in State district court in Ada County, Boise, Idaho. In the event any term of this PADD is held to be invalid or unenforceable by a court, the remaining terms of this PADD will remain in full force and effect. Except to the extent the provisions of the PADD are clearly inconsistent therewith, the PADD shall also be governed by the applicable provisions of the Idaho Uniform Commercial Code (IUCC).

6.4 **Administrative Fee and Quarterly Usage Report:**

The prices to be paid by the Ordering Entities shall be inclusive of a one and one quarter percent (1.25%) Administrative Fee (the State understands and agrees that Contractor will raise the negotiated Price Agreement prices by this amount). This additional percentage represents the Ordering Entity's contract usage administrative fee. On a quarterly basis, Contractor will remit to State of Idaho, Attn: Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075 an amount equal to one and one quarter percent (1.25%) of Contractor's net (sales minus credits) quarterly Contract sales.

For Example: If the total of your net sales to Ordering Entities for one quarter = \$10,000, you would remit $\$10,000 \times 0.0125 = \125 to the Division of Purchasing for that quarter, along with the required quarterly usage report.

Contractor will furnish detailed usage reports as designated by the Participating State. In ADDITION to any required detailed usage reports, Contractor must also submit a summary quarterly report of purchases made from the Contract utilizing the PADD SUMMARY USAGE REPORT FORM. A Summary Usage Report Form must be submitted for each quarter (enter "0" if no purchases were made during a quarter), and must include a breakdown of purchases by Entity Type (i.e. State Agency, Higher Education, K-12, City, County and 'other'), as provided on the Form.

- 13. MATERIAL DEVIATION.** A responder shall be presumed to be in agreement with these terms and conditions unless it takes specific exception to one or more of the conditions. Submission by the responder of its proposed language shall not be viewed as an exception unless the responder specifically states in the response that its proposed changes are intended to supersede the terms and conditions.
- RESPONDERS ARE CAUTIONED THAT BY TAKING ANY EXCEPTION THEY MAY BE MATERIALLY DEVIATING FROM THE REQUEST FOR PROPOSAL. IF A RESPONDER MATERIALLY DEVIATES FROM THE GENERAL TERMS, CONDITIONS AND INSTRUCTIONS OR THE WSCA-NASPO TERMS AND CONDITIONS AND/OR SPECIFICATIONS, ITS RESPONSE MAY BE REJECTED.
- A material deviation is an exception to the Request for Proposal general or WSCA-NASPO terms and conditions and/or specifications that:
- a. gives the responder taking the exception a competitive advantage over other vendors; or,

Warranty Service Information

If a defect in material or workmanship is discovered during the warranty period, warranty service may be obtained by contacting Lenovo or a Lenovo approved service provider ("Service Provider"). Repair, correction and replacement in the manner described below shall constitute fulfillment of all of Lenovo's obligations under the Lenovo limited warranty. A list of Service Providers and their telephone numbers is available at www.lenovo.com/support/phone.

Warranty service may not be available in all locations and may differ from location to location. Charges may apply outside a Service Provider's normal service area. Contact a local Service Provider for information specific to your location.

Customer Responsibilities for Warranty Service

Before warranty service is provided, Customer must take the following steps:

- follow the service request procedures specified by the Service Provider
- backup or secure all programs and data contained in the product
- provide the Service Provider with all system keys or passwords
- provide the Service Provider with sufficient, free, and safe access to Customer facilities to perform service
- remove all data, including confidential information, proprietary information and personal information, from the hardware Product or, if Customer is unable to remove any such information, modify the information to prevent its access by another party or so that it is not personal data under applicable law. The Service Provider shall not be responsible for the loss or disclosure of any data, including confidential information, proprietary information, or personal information, on a hardware Product returned or accessed for warranty service
- remove all features, parts, options, alterations, and attachments not covered by the warranty
- ensure that the hardware Product or part is free of any legal restrictions that prevent its replacement
- if Customer is not the owner of a hardware Product or part, obtain authorization from the owner for the Service Provider to provide warranty service

What the Service Provider Will Do to Correct Problems

When Customer contacts a Service Provider, Customer must follow the specified problem determination and resolution procedures.

The Service Provider will attempt to diagnose and resolve the problem by telephone, e-mail or remote assistance. The Service Provider may direct Customer to download and install designated software updates.

Some problems may be resolved with a replacement part to be installed by Customer called a "Customer Replaceable Unit" or "CRU." If so, the Service Provider will ship the CRU to Customer for installation.

If the problem cannot be resolved over the telephone; through the application of software updates or the installation of a CRU, the Service Provider will arrange for service under the **Type of Warranty Service** designated for the hardware Product as specified in the table below.

If the Service Provider determines that it is unable to repair the hardware Product, the Service Provider will replace it with one that is at least functionally equivalent.

If the Service Provider determines that it is unable to either repair or replace the hardware Product, Customer's sole remedy under this Limited Warranty is to return the hardware Product to the place of purchase or to Lenovo for a refund of the purchase price.

Replacement Products and Parts

When warranty service involves the replacement of a hardware Product or part, the replaced hardware Product or part becomes Lenovo's property and the replacement hardware Product or part becomes Customer's property. Only unaltered Lenovo hardware Products and parts are eligible for replacement. The replacement hardware Product or part provided by Lenovo may not be new, but it will be in good working order and at least functionally equivalent to the original hardware Product or part. The replacement hardware Product or part shall be warranted for the balance of the period remaining on the original hardware Product.

Types of Warranty Service

1. Customer Replaceable Unit ("CRU") Service

Under CRU Service, a Service Provider will ship CRUs to Customer for installation by Customer. CRU information and replacement instructions are shipped with the hardware Product and are available from Lenovo at any time upon request. CRUs that are easily installed by Customer are called "Self-service CRUs". "Optional-service CRUs" are CRUs that may require some technical skill and tools. Installation of Self-service CRUs is Customer's responsibility. Customer may request that a Service Provider install Optional-service CRUs under one of the other types of warranty service designated for the hardware Product. An optional service offering may be available for purchase from a Service Provider or Lenovo under which Self-service CRUs would be installed for Customer. Customer may find a list of CRUs and their designation in the publication that ships with the hardware Product or at www.lenovo.com/CRUs. The requirement to return a defective CRU, if any, will be specified in the materials shipped with a replacement CRU. When return is required: 1) return instructions, a prepaid return shipping label, and a container will be included with the replacement CRU; and 2) Customer may be charged for the replacement CRU if the Service Provider does not receive the defective CRU within thirty (30) days of Customer's receipt of the replacement CRU.

2. On-Site Service

Under On-Site Service, a Service Provider will either repair or exchange the hardware Product at Customer's location. Customer must provide a suitable working area to allow disassembly and reassembly of the hardware Product. Some repairs may need to be completed at a service center. If so, the Service Provider will send the hardware Product to the service center at its expense.

3. Courier or Depot Service

Under Courier or Depot Service, the hardware Product will be repaired or exchanged at a designated service center, with shipping at the expense of the Service Provider. Customer is responsible for disconnecting the hardware Product and packing it in a shipping container provided to Customer for return of the hardware Product to a designated service center. A courier will pick up the hardware Product and deliver it to the designated service center. The service center will return the hardware Product to Customer at its expense.

4. Customer Carry-In Service

Under Customer Carry-In Service, the hardware Product will be repaired or exchanged after Customer delivers it to a designated service center at Customer's risk and expense. After the hardware Product has been repaired or exchanged, it will be made available for collection by Customer. Failure to collect the hardware Product may result in the Service Provider disposing of the hardware Product as it sees fit, with no liability to Customer.

5. Mail-In Service

Under Mail-In Service, the hardware Product will be repaired or exchanged at a designated service center after Customer delivers it at Customer's risk and expense. After the hardware Product has been repaired or exchanged, it will be returned to Customer at Lenovo's risk and expense, unless the Service Provider specifies otherwise.

6. Customer Two-Way Mail-In Service

Under Customer Two-Way Mail-In Service, the hardware Product will be repaired or exchanged after Customer delivers it to a designated service center at Customer's risk and expense. After the hardware Product has been repaired or exchanged, it will be made available to Customer for return shipping at Customer's risk and expense. If Customer fails to arrange return shipment, the Service Provider may dispose of the product as it sees fit, with no liability to Customer.

7. Product Exchange Service

Under Product Exchange Service, Lenovo will ship a replacement hardware Product to Customer's location. Customer shall be responsible for its installation and verification of its operation. The replacement hardware Product becomes the property of Customer in exchange for the failed hardware Product, which becomes the property of Lenovo. Customer shall pack the failed hardware Product in the shipping carton used to ship the replacement hardware Product and return it to Lenovo. Transportation charges, both ways, shall be at Lenovo's expense. If Customer fails to use the carton in which the replacement hardware Product was received, Customer may be responsible for any damage to the failed hardware Product occurring during shipment. Customer may be charged for the replacement hardware Product if Lenovo does not receive the failed hardware Product within thirty (30) days of Customer's receipt of the replacement hardware Product.
