EXHIBIT A

STATE OF IDAHO
MASTER COPIER EQUIPMENT LEASE AGREEMENT

This **Master Copier Equipment Lease Agreement** is between:

Lessor Xerox Corporation

and

Lessee State of Idaho

For individual lease agreements placed against this Master Lease Agreement, Lessee or "Leasing Entity" is the state agency or other Ordering Entity, as defined in PADD16201164 and identified on the individual Placement Form(s)

1 EQUIPMENT TO BE LEASED.

Lessor agrees to lease the equipment listed on each Placement Form to the Leasing Entity executing the Placement Form, for the Lease Term provided below; in accordance with the NASPO ValuePoint Master Agreement, Nevada No. 3091 (NASPO ValuePoint Agreement), and State of Idaho Participating Addendum PADD16201164 (Idaho's PADD).

2 TRUE LEASE.

THIS MASTER COPIER EQUIPMENT LEASE AGREEMENT (MLA) IS A "TRUE LEASE" AND NOT AN INSTALLMENT OR FINANCING AGREEMENT.

3 LEASE TERM.

Each lease shall be effective as detailed on the associated Order or Placement Form, unless sooner terminated by either party as set forth in Section 11, below.

3.1 Cotermious Lease Termination for Added Equipment. If a Leasing Entity chooses to add additional equipment to a current lease, as an add-on piece to an existing leased piece of equipment, the lease for the equipment and accessories must be cotermious (e.g. additional paper trays or sorting devices that cannot be operated on their own, but are subject to another larger piece of equipment for their use).

3.2 Lease Renewals. At the end of the original Lease Term, the Leasing Entity shall have the option to: (i) renew the schedule for a term no greater than the original Lease Term; (ii) extend on a month to month basis for a period of time not to exceed twelve (12) months; or (iii) return the Leased Equipment to Lessor. If the Leasing Entity desires to exercise a renewal or extension, it shall give Lessor written notice at least thirty (30) calendar days prior to the expiration of the Lease Term.

3.3 Holdover. Notwithstanding any language to the contrary, if the Leasing Entity fails to notify Lessor of its intent to renew, extend or return the Leased Equipment within the required time frame, the initial Lease Term shall automatically be converted to a month-to-month lease under the same terms and conditions; except that the holdover term may not exceed twelve (12) months; and the month-to-month lease may be terminated by the Leasing Entity upon thirty (30) calendar days written notice provided to Lessor.

3.4 Lease Cancellation. By signing its Order or Placement Form, the Leasing Entity agrees that EACH LEASE IS AN UNCONDITIONAL, NON-CANCELABLE AGREEMENT FOR THE MINIMUM TERM INDICATED ON THE ORDER OR PLACEMENT FORM FOR A LEASE MADE PURSUANT TO PADD16201164; except to the extent provided otherwise in this MLA or Idaho's PADD, with regard to Non-appropriation and uncured Contractor breach.

4 DEFINITIONS.

"Leased Equipment" means the equipment described in the Leasing Entity's Order or Placement Form; as well as any equipment replaced by Lessor during the term of the individual lease.

"Lease Term" means the term of the individual lease set forth in Section 3, above.

"Lessor" means the entity from whom the Ordering/Leasing Entity has leased equipment under the terms and conditions set forth in this MLA.

"Ordering Entity" and "Leasing Entity" are used interchangeably, and refer to the Idaho state agency or other public agency executing an Order or a Placement Form to lease copier equipment under Idaho's PADD and this MLA.

"Placement Form" means the form utilized by an Ordering Entity to place an order against Idaho's PADD (**Exhibit B** to Idaho's PADD).

"State" means the State of Idaho.

5 CONSIDERATION.

The parties agree that for the Lease Term set forth in Section 3, above, Lessor leases to the Ordering Entity the equipment described in **Exhibit B**, for the lease payment(s) set forth in **Exhibit B**. Lessor's service obligations on the Leased Equipment shall conform to the terms of the NASPO ValuePoint Master Agreement and Idaho's PADD. The State does not agree to reimburse Lessor for expenses unless otherwise specified in the incorporated documents.

5.1 Payments. The first scheduled payment will be due net thirty (30) days from the date of the invoice.

5.2 Billing. The Minimum Lease Payment, which may include a monthly copy allowance (guaranteed number of copies), plus any additional Print Charges covers the cost of (i) the use of the equipment; (ii) the equipment's maintenance; and (iii) consumable supplies, if applicable. The Minimum Lease Payment will commence following the Equipment's installation and is billed monthly. The Minimum Lease Payment for any partial month equipment installation(s) will be billed on a pro rata basis, using a 31-day billing month. Charges for excess prints will be reconciled and billed monthly or quarterly, as applicable in arrears.

6 CONDITION OF EQUIPMENT.

Leased Equipment must be new, unused, and the standard production model of the manufacturer's latest current design. Though they are not specifically covered herein, all parts necessary to provide a complete and efficient unit must be furnished and must include all accessories customarily furnished with this type of equipment. Such parts must conform to current engineering practices of the industry relative to design, strength, quality of material and workmanship.

7 DELIVERY, POSSESSION AND RETURN OF LEASED EQUIPMENT.

7.1 Delivery. Lessor is responsible for delivering Leased Equipment FOB Destination to the location(s) listed on the Placement Form; and installing the same, as provided in the NASPO ValuePoint Master Agreement.

7.2 Possession. The Leasing Entity shall have possession of the Leased Equipment for the term set forth in Section 3 unless the lease is earlier terminated in accordance with the provisions of this MLA.

7.3 Equipment Moves. Leased Equipment may be moved to another Leasing Entity location subject to the requirements and conditions in the NASPO ValuePoint Master Agreement.

7.4 End of Term Removal. At the expiration of the Lease Term, the Leasing Entity may renew, extend, or return the Leased Equipment, as provided in the NASPO ValuePoint Master Agreement, Idaho's PADD and Section 3 of this MLA. If the lease is not extended or renewed, the Leasing Entity will make the Leased Equipment available to Lessor for pickup at the Leasing Entity's premises. If the Leasing Entity is not in breach of the lease, all costs of removing and transporting the Leased Equipment at the expiration of the Lease Term shall be the responsibility of Lessor.

8 OWNERSHIP AND INSPECTION.

This is an agreement for leasing only. Leasing Entity will acquire no right, title or interest in or to the Leased Equipment, except those of a Lessee, as detailed in this MLA. Lessor covenants that it has good title to the Leased Equipment. Title of the Leased Equipment at all times shall remain in the Lessor's name. Leasing Entity shall keep the Leased Equipment free from any and all liens or claims and shall do or permit no act or thing whereby Lessor's title may be encumbered or impaired.

8.1 Property Taxes. Lessor will be responsible for the payment of any property taxes on the Leased Equipment.

8.2 Inspection. Leasing Entity will permit Lessor to inspect the Leased Equipment during Leasing Entity's regular business hours, upon a minimum of twenty-four (24) hours advance notice.

9 DAMAGE, WARRANTY and MAINTENANCE.

Lessor bears the risk of loss until the Leased Equipment is delivered to the Leasing Entity's designated location. Leasing Entity will insure the Lease Equipment after installation.

Leasing Entity shall maintain the Leased Equipment in as good condition as when received, ordinary wear and tear or defect excepted; and will be responsible for any damage to the Leased Equipment caused by Leasing Entity's negligence or misuse. This includes any damage caused by the use of supplies or accessories, not supplied by Lessor, which do not meet the manufacturer's specifications for use with the equipment; however, the Leasing Entity shall not be responsible for damage which occurs because of operation of the equipment during the existence of a malfunction, such as drum damage because of operation with a paper jam, or for damage caused through the use of accessories or supplies which are provided by Lessor.

Lessor shall be responsible for damage to, or loss of, the equipment caused by the negligence of the Lessor, the manufacturer, or from any other source other than the Leasing Entity, as detailed in the paragraph above.

All services performed under this MLA shall be of workmanlike quality, consistent with the standards of the trade, profession or industry. Lessor shall assign to the Leasing Entity all manufacturers' warranties on the Leased Equipment.

Lessor shall be responsible for ongoing service and maintenance of the Leased Equipment for the duration of the Lease Term, as provided in the NASPO ValuePoint Master Agreement and Idaho's PADD.

10 INSURANCE.

Lessor shall procure, maintain and keep in force for the duration of this Agreement insurance conforming to the requirements of the NASPO ValuePoint Master Agreement and Idaho's PADD.

Leasing Entities which are state of Idaho agencies are provided a comprehensive liability plan through the Risk Management Program (Program) established under Idaho Code section 67-5773 et seq. The Program utilizes the Retained Risk Account, which is funded and in effect subject to limitation on liability of the Tort Claims Act, Idaho Code section 6-901 et seq. In addition to the comprehensive liability plan, the Program covers certain property damage, subject to the deductibles established by the Program. Evidence of financial responsibility will be provided upon request, and will consist of a Certificate of Financial Responsibility.

Leasing Entities which are not state of Idaho agencies (e.g. cities, counties, public schools, etc.) may be required to provide to Lessor proof that the Leased Equipment is covered for the value thereof against property loss or damage while in the Leasing Entity's possession.

11 TERMINATION.

11.1 Mutual Termination. Any discretionary or vested right of renewal notwithstanding, this MLA, or any lease entered into under this MLA, may be terminated by mutual consent of the parties.

11.2 Termination for Default. A default or breach may be declared with or without termination. A lease entered into under this MLA may be terminated by either party upon written notice to the other party for any material breach or default by the other party of any terms, conditions, covenants, or obligations of this MLA pursuant to the WSCA-NASPO Master Agreement. Upon the occurrence of an event of default, the State shall issue a written notice of default, identifying the nature of the default, and providing a period of 15 calendar days in which Lessor shall have an opportunity to cure the default. Notice of Termination for Breach or Default is effective 30 days following service of notice, or upon any subsequent date specified in the notice of termination.

11.3 Non-appropriation. Lessee is a government entity and this MLA shall not be construed so as to bind or obligate the State beyond the term of any particular appropriation of funds by the Idaho Legislature, as may exist from time to time. In the event the Idaho Legislature fails, neglects or refuses to appropriate funds to continue the Lease Payments, all affected future rights and liabilities of the parties shall thereupon cease within ten (10) calendar days after notice to the Lessor.

This Non-appropriation clause applies equally to individual Leasing Entities and their respective governing bodies (e.g. Board of Commissioners, City Councils, etc.).

12 NOTICE.

All notices or other communications required or permitted to be given under this MLA shall be in writing and shall be deemed to have been duly given if (a) delivered personally in hand, (b) delivered by confirmed facsimile; or (c) mailed postage prepaid, to the address specified above. For purposes of computing times from service of notice, service of notice by delivery in hand or via confirmed facsimile shall be effective on the date of confirmed delivery; notices that are mailed shall be effective on the third calendar day following the date of mailing (or on the date of confirmed receipt, with delivery confirmation).

13 GOVERNING LAW, JURISDICTION AND VENUE.

This MLA and the rights and obligations of the parties hereto (including Leasing Entities executing individual leases against the MLA) shall be governed by, and construed according to, the laws of the State of Idaho, without giving effect to any principle of conflict of laws that would require the application of the law of any other jurisdiction. Any action to enforce the provisions of the MLA shall be brought in State district court in Ada County, Boise, Idaho.

14 INCORPORATED DOCUMENTS.

This MLA incorporates the following attachments in descending order of constructive precedence; any additional Lessor Attachments shall not contradict or supersede any State specifications, terms or conditions without written evidence of mutual assent to such change appearing in this MLA, or as a subsequent fully executed amendment:

State of Idaho Participating Addendum (PADD16201164)

NASPO ValuePoint Master Price Agreement (Nevada No. 3091)

Exhibit B: Order or Placement Form (as individually executed by an Ordering/Leasing Entity)

15 AGREEMENT AND MODIFICATION.

This MLA is made pursuant to the state of Nevada's NASPO ValuePoint Master Agreement identified above, and the Participating Addendum to that Master Agreement between the State of Idaho and Lessor, the terms of which are

incorporated herein by reference. Any amendments to the NASPO ValuePoint Master Agreement or Idaho's PADD shall apply to this MLA. Unless otherwise expressly authorized by the terms of this MLA, no modification or amendment to this MLA shall be binding upon the parties unless the same is in writing and signed by the parties.

16 SURVIVAL OF TERMS.

As provided in Section 3 of Idaho's PADD, the provisions of Idaho's PADD and all incorporated documents will survive the expiration of the PADD with respect to individual leases with Lease Terms extending beyond its expiration.

PARTICIPATING ADDENDUM
NASPO ValuePoint COOPERATIVE PURCHASING PROGRAM
COPIERS, PRINTERS & RELATED DEVICES 14-19
Administered by the State of Nevada (hereinafter "Lead State")

Price Agreement Number: 3091
Xerox Corporation
(hereinafter "Contractor")
And
The State of Idaho
(hereinafter "Participating State")

1. **Scope:** This Participating Addendum (PADD) covers the Copiers, Printers & Related Devices 14-19 Master Agreement administered by the State of Nevada (Nevada Price Agreement No. 3091) for use by state agencies and other entities located in the State of Idaho (Participating or Ordering Entity) authorized by Idaho's statutes to utilize state contracts with the prior approval of the State's Chief Procurement Official.

This PADD authorizes the purchase and lease of equipment and associated software in all segments of the following categories as set forth in the Master Agreement and detailed below:

Group A – Convenience Copiers
Group B – Production Copiers
Group D – Printers

Permitted Leasing options include thirty-six (36), forty-eight (48), or sixty (60) month leases for Operational Leases only. Purchases are permitted under this PADD. Xerox remanufactured products are also acceptable, if available.

The following items are excluded from the original solicitation: managed print services, cameras, interactive white boards, micrographic equipment, and overhead projectors.

2. **Participation:** Use of NASPO ValuePoint (formerly "WSCA" or "WSCA-NASPO") cooperative contracts by agencies, political subdivisions and other entities authorized by an individual state's statutes to use state contracts are subject to the prior approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the State Chief Procurement Official (in Idaho, the Administrator of the Division of Purchasing).

This PADD is for the benefit of State of Idaho agencies, institutions and departments; as well as eligible political subdivisions or other "Public Agencies," as defined by Idaho Code, Section 67-2327 (any city or political subdivision of the state, including, but not limited to counties; school districts; highway districts; port authorities; instrumentalities of counties; cities or any political subdivision created under the laws of the State of Idaho). The Public Agency placing an order (Ordering Entity) will issue an individual release or Placement Form (Order) against this PADD on an as needed basis during the period noted below. .

INDIVIDUAL CUSTOMER: Each Ordering Entity that places an Order under this PADD will be treated as an Individual Customer. Except to the extent modified by this PADD, each Ordering Entity will be responsible

to follow the terms and conditions of the Master Agreement; and will have the same rights and responsibilities for its purchases as the Lead State has in the Master Agreement. Each Ordering Entity will be responsible for its own charges, fees, and liabilities; and will have the same rights to any indemnity or to recover any costs allowed in the Master Agreement for its individual purchases.

3. **Term:** This PADD will be effective on the date of last signature, below, and continue through **December 31, 2019**, unless extended, renewed or terminated earlier (the Master Agreement contains a provision for an option to extend up to thirty-six (36) months after the initial term expires December 31, 2019). **Note:** The State of Idaho Master Copier Equipment Lease Agreement and each Placement Form (or order) issued prior to the termination of this PADD shall survive the termination of this PADD; and the provisions of this PADD (including all incorporated documents) will continue to be in full force and effect with regard to any leases issued against this PADD prior to its termination.

Volume Placement: For purposes of this PADD, a volume placement consists of more than (1) machine in one (1) order. The Ordering Entity and the Contractor may negotiate an additional discount for volume placement when placing an Order for machines for purchase or lease at one time. Nothing in this PADD prohibits Ordering Entities and Contractor from negotiating additional discounts, based on other factors.

4. **Leases:** Equipment leases may be exercised by Ordering Entities, in accordance with the policies of their individual agencies.

Equipment leases are subject to the Terms and Conditions of the State of Idaho Master Copier Equipment Lease Agreement, attached as **Exhibit A**. To initiate a lease under this PADD, Ordering Entities coordinate with Contractor's authorized resellers to complete a Placement Form (**Exhibit B – Sample Placement Form**).

A signed Placement Form binds the Contractor and Ordering Entity under this PADD.

Lease Term: Terms for each lease shall begin on the date of physical placement of equipment on Purchasing Entity's premises. The initial lease term shall be from the date of placement for thirty-six (36), forty-eight (48) or sixty (60) months thereafter.

5. **Purchased Equipment:** Equipment purchases may be exercised by Ordering Entities, in accordance with the policies of their individual agencies.

To initiate a purchase under this PADD, Ordering Entities coordinate with Contractor's authorized resellers to complete a Placement Form (**Exhibit B – Sample Placement Form**). A signed Placement Form is sufficient to bind the Contractor and Ordering Entity under this PADD.

Taxes: Ordering Entities are public agencies and exempt from the payment of sales or property tax. Any taxes associated with the sale of Products under this Contract are tax exempt. An ST-101 will be provided to Contractor upon request.

6. **Purchases with Maintenance Agreement:**

Ordering Entities purchasing equipment, refurbished or new, under this PADD, have the option to enter into a Service Agreement with Xerox for various terms. For all Maintenance Agreements placed under this PADD, a Placement Form must be filled out detailing the Terms for each piece of Equipment. Such Placement Form incorporates the terms of the Master Price Agreement # 3091 including installation and

full connectivity as well as toner and products, if applicable. For customer-installable Equipment, the term of an Order shall commence non-later than the 5th day after delivery of the Equipment. Contractor agrees that if the Equipment does not perform to its published specification, Contractor, as the Ordering Entity's exclusive remedy, will repair or replace the Equipment at its expense under the Xerox Total Satisfaction Guarantee, which allows the Ordering Entity, at its request, to replace the equipment with an identical model or, at the option of Contractor with a machine with comparable features and capabilities, and comparable usage.

7. Participating State Modifications or Additions to Master Agreement: Notwithstanding any provisions in the Master Agreement to the contrary, the following shall apply to this PADD:

7.1 Assignment: In accordance with Idaho Code 67-5726(1), no contract or order or any interest therein (i.e. this PADD or individual orders placed against this PADD) shall be transferred by the Contractor to whom such contract or order is given to any other party, without the approval in writing of the Administrator of the Division of Purchasing. Transfer of a contract without approval shall cause the annulment of the contract so transferred, at the option of the Participating State. All rights of action, however, for any breach of this PADD by the contracting parties are reserved to the Participating State.

7.2 Amendments: Amendments to the Master Agreement (including, but not limited to extensions, renewals, and modifications to the terms, conditions and pricing) will automatically be incorporated in this PADD unless the Participating State elects not to incorporate an amendment by providing written notification to Contractor; which notice must be provided within ten (10) working days of the date of the amendment to the Master Agreement, in order to be effective. Failure to provide notice in accordance with this Section 4.2 will result in the Master Agreement amendment automatically being incorporated in this PADD.

7.3 Governing Law: Notwithstanding any provision to the contrary, the state of Idaho's PADD and all orders issued under the PADD by Ordering Entities within the state of Idaho, shall be construed in accordance with and governed by the laws of the state of Idaho. Any action to enforce the provisions of this PADD shall be brought in state district court in Ada County, Boise, Idaho. In the event any term of this PADD is held to be invalid or unenforceable by a court, the remaining terms of this PADD will remain in full force and effect. Except to the extent the provisions of the PADD are clearly inconsistent therewith, the PADD shall also be governed by the applicable provisions of the Idaho Uniform Commercial Code (IUCC).

7.4 Administrative Fee and Quarterly Usage Report: The prices to be paid by the Ordering Entities shall be inclusive of a one and one quarter percent (1.25%) Administrative Fee (the Participating State understands and agrees that Contractor will raise the negotiated Price Agreement prices by this amount). This additional percentage represents the Ordering Entity's contract usage administrative fee. On a quarterly basis, Contractor will remit to **State of Idaho, Attn: Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075** an amount equal to one and one quarter percent (1.25%) of Contractor's net (sales minus credits) quarterly Contract sales.

For Example: If the total of your net sales to Ordering Entities for one quarter = \$10,000, you would remit $\$10,000 \times 0.0125 = \125 to the Division of Purchasing for that quarter, along with the required quarterly usage report.

Contractor will furnish detailed usage reports as designated by the Participating State. In ADDITION to any required detailed usage reports, Contractor must also submit a summary quarterly report of purchases made from the Contract utilizing the **PADD SUMMARY USAGE REPORT FORM** available for download at http://purchasing.idaho.gov/vendor_forms.htm. A Summary Usage Report Form must be submitted for each quarter (enter "0" if no purchases were made during a quarter), and must include a breakdown of purchases by Entity Type (i.e. State Agency, Higher Education, K-12, City, County and 'other'), as provided on the Form.

Reporting Time Line (Fiscal Year Quarters):	Fee and Report Due:
1 st Quarter July 1 - Sept 30	October 31st
2 nd Quarter Oct 1 - Dec 31	January 31st
3 rd Quarter Jan 1 - Mar 31	April 30 th
4 th Quarter Apr 1 - Jun 30	July 31 st

E-mail your completed Quarterly Summary Usage Reports (in excel format and attached directly to the email) to purchasing@adm.idaho.gov.

Mail your check, in the amount of the Quarterly Administrative Fee, to: State of Idaho, Attn: Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075.
