PARTICIPATING ADDENDUM NASPO ValuePoint COOPERATIVE PURCHASING PROGRAM Computer Equipment, Peripherals, and Related Services Administered by the State of Minnesota (hereinafter "Lead State")

Master Agreement No: MNWNC-126
Samsung Electronics America, Inc.
(hereinafter "Contractor")
And
The State of Idaho
(hereinafter "State")

PADD17200261

1. <u>Scope</u>: This Participating Addendum (PADD) covers the Computer Equipment, Peripherals, and Related Services contract issued by the State of Minnesota to Samsung Electronics America, Inc. (Master Agreement No. MNWNC-126), for use by State agencies and other entities located in the State.

Contractor has been awarded Bands in the following categories:

Band 3: Tablet

Ruggedized equipment will be allowed in Band 3.

2. <u>Participation</u>: Use of NASPO ValuePoint (formerly "WSCA" or "WSCA-NASPO") cooperative contracts by agencies, political subdivisions and other entities authorized by an individual state's statutes to use state contracts are subject to the prior approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the State Chief Procurement Official (in Idaho, the Administrator of the Division of Purchasing).

This PADD is for the benefit of State of Idaho agencies, institutions and departments; as well as eligible political subdivisions or other "Public Agencies," as defined by Idaho Code, Section 67-2327. The Public Agency placing an order (Ordering Entity) will issue individual releases (Orders) against this PADD on an as needed basis for the period noted in Section 3. "Public Agency" means any city or political subdivision of the state, including, but not limited to counties; school districts; highway districts; port authorities; instrumentalities of counties; cities or any political subdivision created under the laws of the State of Idaho.

INDIVIDUAL CUSTOMER: Each Ordering Entity that places an Order under this PADD will be treated as if it is an Individual Customer. Except to the extent modified by this Participating Addendum, each Ordering Entity will be responsible to follow the terms and conditions of the Master Agreement; and will have the same rights and responsibilities for its purchases as the Lead State has in the Master Agreement. Each Ordering Entity will be responsible for its own charges, fees, and liabilities; and will have the same rights to any indemnity or to recover any costs allowed in the Master Agreement for its individual purchases.

- 3. <u>Term</u>: This PADD will be effective July 1, 2015, or upon final executed signatures, whichever is later, through March 31, 2017, unless extended, renewed or terminated earlier.
- 4. <u>Configuration Dollar Limits</u>: This PADD is not for the purchase of major hardware. The dollar limits identified below are based on a single computer configuration. This is not a restriction on the purchase of multiple configurations. The following configuration limits apply to this PADD:

ITEM

CONFIGURATION*

Tablets

\$2,500

Peripherals

\$2,500

Services

No Limitation

Purchases outside these limits must receive approval from the Administrator.

- 5. <u>Restrictions</u>: This PADD is restricted to purchases of computer hardware manufactured by Contractor. Each Ordering Entity may also purchase Contractor services required for installation, maintenance, and upgrade of the procured hardware. Additionally, each Ordering Entity may purchase Contractor offered peripherals compatible with the procured hardware. Purchases exclusively for software and printers will not be allowed via this PADD. Lease or rentals of equipment will also not be allowed via this PADD.
- 6. <u>State Modifications or Additions to Master Agreement:</u> Notwithstanding any provisions in the Master Agreement to the contrary, the following applies to this PADD:
 - 6.1 <u>Assignment</u>: In accordance with Idaho Code 67-5726(1), no contract or order or any interest therein (i.e. this PADD or individual orders placed against this PADD) shall be transferred by the Contractor to whom such contract or order is given to any other party, without the approval in writing of the Administrator. Transfer of a contract without approval shall cause the annulment of the contract so transferred, at the option of the Administrator. All rights of action, however, for any breach of this PADD by the contracting parties are reserved by the Administrator.
 - 6.2 <u>Amendments</u>: Amendments to the Master Agreement (including, but not limited to extensions, renewals, and modifications to the terms, conditions and pricing) will automatically be incorporated in this PADD unless the State elects not to incorporate an amendment by providing written notification to Contractor; which notice must be provided within 10 working days of the date of the amendment to the Master Agreement, in order to be effective. Failure to provide notice in accordance with this Section 6.2 will result in the Master Agreement amendment automatically being incorporated in this PADD.

^{*}Configuration is defined as the combination of hardware and software components that make up the total functioning system. Software purchases are considered a part of the configuration limit of the equipment.

6.3 Governing Law: Notwithstanding any provision to the contrary, the State's PADD and all orders issued under the PADD by Ordering Entities within the State shall be construed in accordance with and governed by the laws of the State. Any action to enforce the provisions of this PADD shall be brought in State district court in Ada County, Boise, Idaho. In the event any term of this PADD is held to be invalid or unenforceable by a court, the remaining terms of this PADD will remain in full force and effect. Except to the extent the provisions of the PADD are clearly inconsistent therewith, the PADD shall also be governed by the applicable provisions of the Idaho Uniform Commercial Code (IUCC).

6.4 Administrative Fee and Quarterly Usage Report: The prices to be paid by the Ordering Entities shall be <u>inclusive of</u> a one and one quarter percent (1.25%) Administrative Fee (the State understands and agrees that Contractor will raise the negotiated Price Agreement prices by this amount). This additional percentage represents the Ordering Entity's contract usage administrative fee. On a quarterly basis, Contractor will remit to **State of Idaho**, **Attn: Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075** an amount equal to one and one quarter percent (1.25%) of Contractor's net (sales minus credits) quarterly Contract sales.

For Example: If the total of your net sales to Ordering Entities for one quarter = \$10,000, you would remit $$10,000 \times 0.0125 = 125 to the Division of Purchasing for that quarter, along with the required quarterly usage report.

Contractor will furnish <u>detailed</u> usage reports as designated by the Participating State. In ADDITION to any required detailed usage reports, Contractor must also submit a summary quarterly report of purchases made from the Contract utilizing the <u>PADD SUMMARY USAGE REPORT FORM</u>. A Summary Usage Report Form must be submitted for each quarter (enter "0" if no purchases were made during a quarter), and must include a breakdown of purchases by Entity Type (i.e. State Agency, Higher Education, K-12, City, County and 'other'), as provided on the Form.

2 nd Quarter Oct 1 - Dec 31	January 31st
