For the Services and related software, you will not (i) make derivative works; (ii) sublicense, sell, rent, lease, lend, time-share, disclose, transfer or host the Services, documentation or any other confidential or proprietary information to or for any other parties; (iii) use the Services to modify or reproduce a third party's materials unless you have the legal right to do so; (iv) distribute any part of the Services over any network, including a local area network; or (v) extract any data from the Services and use such data for any purpose other than for your use of the Services.
- d) If you are delivered software for on premise installation as part of the Service ("Software") the following additional terms apply: You won't (i) reverse engineer, decompile or disassemble the

Software; (ii) make copies of the Software, other than a reasonable number of copies for use for disaster recovery purposes; and (iii) separate the components of the Software, or install and use such components separately and independently of the Software they comprise.

e) If you do not comply with this Section 2, you will be in material breach of this Agreement, and we will have the right to immediately terminate your use of the Services.

### **3. Term and Termination; Suspension**

a) The term of this Agreement begins on the effective date of the Order and will remain in effect for each Service for the duration of the Order or SOW applicable to such Service. Each Order or SOW will be effective as of the date in such Order or SOW and will remain in effect until its expiration or until your account is closed. If this Agreement is terminated, any Order entered into beforehand will, unless terminated under another provision of this Agreement, remain in effect for its entire term and this Agreement will remain in effect for the Order until its termination.

b) Unless the Product Terms state otherwise, you may terminate your account at any time and for any reason by giving thirty days' notice to us.

c) We may at any time without notice: i) refuse to accept or fulfill your Orders or any part of any Orders for the Sites and/or Services; or ii) move, suspend or terminate all or any part of the Sites and/or Services or terminate your account.

d) Once your use of a Service is terminated, (i) we may permanently delete your account and all the data associated with it, in accordance with our records management policies and as permitted by applicable law, (ii) you must immediately stop using the Service and Software, and remove any Software from the computers on which it was installed, (iii) each party will promptly return or destroy all confidential information of the other party; and (iv) your access to the Service will continue through the current billing period for access to the Service (the "Billing Period") for which you have paid in advance, unless you have failed to comply with this Agreement, in which case your access will be immediately revoked. You won't be entitled to a refund from us under any circumstances.

e) Termination of this Agreement will be in addition to and not in lieu of any other legal or equitable remedies available to us.

### **4. Changes**

We may change the Services and any features from time to time, and if such changes are material, we will notify you by sending an email to the last email address you gave to us. If you do not wish to continue using the modified Services, you may terminate your use of the Service, effective the last day of the current Billing Period for which you have paid in advance. We may change any terms of this Agreement and the fees charged for using the Services by posting revised terms and/or fees on the Sites and/or by sending an email to the last email address you gave to us; provided, however, that if the Order includes the lease of equipment, no change to the fees will be effective prior to the end of the term of the lease of such equipment. The new terms and new fees will be effective on the first day of the next Billing Period and will apply thereafter. By continuing to use the Services after any such changes, you agree to be bound by such changes. If you do not wish to agree to the new terms or the new fees, you must stop using that portion of the Services affected immediately.

### **5. Account and Password**

By registering for the Services, you will be prompted to establish certain passwords and provide other access information to enable you to use the Services. You represent that you have all necessary authority to establish an account with us on behalf of the business. The account name, password and access information is confidential information and should be used solely by you to access your account and use the Services. You are responsible for keeping your account name, password and access information confidential. You will take all reasonable steps to prevent unauthorized access to your account and you will immediately notify us of any unauthorized use of your accounts or any other breach of security. We aren't responsible for any losses due to stolen or hacked passwords.

## **6. Account Disputes**

We don't arbitrate disputes over who owns an account. You won't request access to or information about an account that's not yours. We decide who owns an account based on the information that has been provided to us with respect to the account, and if multiple people or entities are identified, then we will rely on the contact information listed for that account.

## **7. Fees; Payment Terms**

a) You will pay the fees for the use of the Services which are posted on the Sites or described in an Order or SOW, and may be changed from time to time, unless specified as conditions of a subscription type. These fees do not include: (i) any applicable sales, use or other taxes, which will be separately identified on your invoice; (ii) usage-based fees for the Services, which will be separately identified on your invoice, and (iii) charges for any services not contemplated by this Agreement, such as special programming, which may be available upon request and are subject to our then-current rates. Except as provided in an Order or SOW, your subscription for the use of the Services will be billed in advance with the first payment due at the time of registration and with each subsequent payment due on the due date specified in the invoice for the payment.

b) We will automatically charge your payment source the cost of your subscription at the beginning of each Billing Period. Please note that we may receive updated billing information regarding your credit card account or other payment source and you consent to us receiving such updates.

## **8. Personal Information**

If any of the Services collects or stores individually identifiable personal information, then we will comply with our privacy statement located at <http://www.pitneybowes.com/us/legal/privacy-statement.html> as it may be updated by us from time to time (the "Privacy Statement").

In addition, except as explicitly set forth in this Agreement, you will not use any copyrighted work displayed on the Sites or any of our other intellectual property without our prior written consent.

## **10. Feedback; Data**

a) You grant to us (and our affiliates and vendors, if applicable) the right to use the data you provide to us as necessary to provide the Services and as provided in our Privacy Statement. We reserve the right to use, without limitation, any anonymized or aggregated data that does not identify you or any user of the Service relating to use of the Service. We retain the right to use data derived from your use of the Service for our internal purposes and for the purposes of performing analytics on the Service, or for improving or enhancing the Service or other products or services offered by us to our customers, all in accordance with the Privacy Statement.

b) You assign to us all right, title, and interest (including all rights in copyright and resulting patents) in any data, feedback, suggestions, and written materials provided to us related to your use of the Services.

c) You'll ensure that you have the appropriate rights to (including the right to provide to us) all data, files, materials or other information that you provide to us in connection with our provision of the Services.

#### **11. LIMITATION OF LIABILITY**

**a) TO THE MAXIMUM EXTENT PERMITTED BY LAW, YOU ASSUME FULL RESPONSIBILITY FOR ANY LOSS THAT RESULTS FROM YOUR USE OF OR INABILITY TO USE THE SERVICE AND WE WILL NOT BE LIABLE FOR ANY SUCH LOSS. IF THE WAIVER OF LIABILITY IN THE PREVIOUS SENTENCE IS NOT PERMITTED BY LAW, OUR TOTAL LIABILITY FOR ALL CLAIMS MADE RELATING TO YOUR USE OF OR INABILITY TO USE THE SERVICE IN ANY BILLING PERIOD WILL BE NO MORE THAN WHAT YOU PAID US TO PROVIDE THE SERVICE FOR THE PREVIOUS BILLING PERIOD.**

**b) WE WON'T BE LIABLE FOR ANY INDIRECT, PUNITIVE, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, INCLUDING LOSS OF PROFIT OR REVENUE, LOST POSTAGE, LOST BUSINESS OPPORTUNITIES, BUSINESS INTERRUPTION OR LOST DATA YOU MAY SUFFER UNDER ANY CIRCUMSTANCES, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF THOSE DAMAGES, OR FOR ANY CLAIM BY ANY OTHER PARTY.**

**YOU AGREE TO INDEMNIFY AND HOLD US HARMLESS FROM AND AGAINST ANY AND ALL LOSSES, COSTS AND EXPENSES (INCLUDING ATTORNEYS' FEES) ARISING IN ANY WAY FROM YOUR USE OF THE SERVICE OR RELATED TO ANY BREACH OF THIS AGREEMENT BY YOU OR ANY USER AUTHORIZED BY YOU. WE RESERVE THE RIGHT TO ASSUME THE EXCLUSIVE DEFENSE AND CONTROL OF ANY MATTER SUBJECT TO INDEMNIFICATION BY YOU AND YOU AGREE TO COOPERATE WITH US IN MAKING THE DEFENSE. THIS SECTION 12 WILL SURVIVE ANY TERMINATION OF THIS AGREEMENT OR AN ORDER INDEFINITELY.**

#### **13. SERVICE AVAILABILITY; DISCLAIMERS**

The Sites and this Agreement may contain links to third party websites, including links to the websites of carriers ("Linked Sites"). The Linked Sites are not under our control and we are not responsible for the contents of any Linked Site, including any link contained in a Linked Site, or any changes or updates to a Linked Site. You should contact the site administrator or webmaster for those Linked Sites if you have any concerns regarding such links or the content located there.

#### **15. Compliance with Laws**

Each party will comply with all applicable federal, state and local laws, rules and regulations, including export regulations and privacy laws. You will be solely responsible for the content of all data submitted to us in connection with our provision of the Services and will comply with all laws, rules and regulations relating to the use, disclosure and transmission of such data.

#### **16. Assignments**

You may not assign any of your rights under this Agreement to anyone else. We may assign or subcontract our rights to any other individual or entity at our discretion.

#### **17. U.S. Government Restricted Rights**

If you are an agency of the United States Government, use of the Services by the Government constitutes acknowledgment of our proprietary rights in software contained in the Services, and such software will be: (i) deemed "commercial computer software" or "commercial computer software documentation" and the Government's rights with respect to such software and documentation are limited by this Agreement, pursuant to FAR § 12.212(a) and/or DFARS § 227.7202-1(a), as applicable, or their successors; and (ii) subject to "RESTRICTED RIGHTS," as described in FAR52.227-14 and/or DFAR252.227-7013 et seq., as applicable. Use, duplication, or disclosure by the Government is subject to restrictions as set forth in these regulations.

#### **18. Choice of Law; Arbitration; WAIVER OF JURY TRIAL**

a) This Agreement will be governed by the laws of the State of Delaware without regard to its principals of conflict of laws.

b) If we file an action against you claiming you breached this Agreement and we prevail, we will be entitled to recover reasonable attorneys' fees.

**c) ANY CLAIM OR CAUSE OF ACTION UNDER THIS AGREEMENT THAT YOU DON'T PRESENT WITHIN 1 YEAR FROM THE DISCOVERY OF THE CLAIM OR CAUSE OF ACTION WILL BE DEEMED WAIVED. ANY DISPUTE BETWEEN THE PARTIES WILL BE RESOLVED EXCLUSIVELY BY INDIVIDUAL BINDING ARBITRATION GOVERNED BY THE FEDERAL ARBITRATION ACT AND YOU AGREE TO GIVE UP THE RIGHT TO LITIGATE DISPUTES IN COURT.** Neither party will seek to have any dispute heard as a class action, private attorney general action, or in any other proceeding in which either party acts or proposes to act in a representative capacity. Any arbitration will be conducted by the American Arbitration Association (the "AAA") under its Commercial Arbitration Rules. In the case of: (i) any dispute involving \$75,000 or less, we will reimburse your filing fees and pay the AAA's and arbitrator's fees and expenses; and (ii) any dispute involving more than \$75,000, the AAA rules will govern payment of filing fees and the AAA's and arbitrator's fees and expenses.

d) This Section 18 will survive any termination of this Agreement or an Order indefinitely.

## **19. Force Majeure**

Except for a party's payment obligations, neither party will be liable for any delays or failure in performance from any cause beyond their control. This includes acts of God, changes to law or regulations, embargoes, war, terrorist acts, riots, strikes, power disruptions, and any disruption of internet service not caused by us.

## **20. Notices**

Notices under this Agreement will be effective (i) in the case of a notice to you, when we send it to the last email or physical address you gave us or any address you may later provide; (ii) in the case of a notice to us alleging a breach of this Agreement, when delivered to us by email to [legalnotices@pb.com](mailto:legalnotices@pb.com) or by overnight courier or delivered in person to Pitney Bowes Inc., 3001 Summer Street, Stamford, CT 06926 along with a copy to our legal counsel: Attn. Chief Legal Officer and Corporate Secretary, or any addresses we may later provide; and (iii) in the case of any other notice to us, when delivered to us by physical mail to Pitney Bowes Inc., EVP & President, Pitney Bowes Sending Technology Solutions, 3001 Summer Street, Stamford, CT 06926 or when you create a case at <https://www.pitneybowes.com/us/contact-us.html> (follow the instructions under "how to create a case").

## **21. Independent Contractor**

Nothing contained in this Agreement will be construed to constitute either party as a partner, joint venturer, co-owner, employee or agent of the other party, and neither party will hold itself out as such.

## **22. Miscellaneous**

Neither party will be subject to pre-printed or standard terms contained on any purchase order or other purchasing document, and we specifically disclaim such terms. If there's a conflict between the Product Terms and any other provision of this Agreement, the Product Terms will govern and control. Each Party will cooperate with the other and take such other actions as may reasonably be requested from time to time in order to carry out the intent and accomplish the purposes of this Agreement, including our right to verify your compliance with this Agreement and any Orders at all locations which you access the Services. If we don't immediately take action on a violation of this Agreement, we're not giving up any rights under this Agreement, and we may still take action at a later point. Each party will also keep confidential the terms and conditions of the Agreement and the SOW(s).

## DI2000™ TERMS AND CONDITIONS

The following provisions apply when you buy or lease the DI2000™ inserting system (the “**System**”) and are in addition to the Pitney Bowes Terms. These System terms, the executed order (the “**Order**”) and your State Participating Addendum (which incorporates the NASPO ValuePoint Master Agreement ADSPO16-169897, as amended, and the Pitney Bowes Terms) make up your agreement with Pitney Bowes (the “**Agreement**”). Capitalized terms not defined below will have the same meanings set out in the Pitney Bowes Terms.

### D1. SYSTEM FEES

D1.1 System Fees. We will invoice you the System fees listed on the Order. You agree to provide accurate information about base and measured usage rates to us. If the information is not accurate, we reserve the right to estimate such usage and make adjustments based on actual usage on your next invoice.

### D2. SYSTEM MAINTENANCE SERVICES

D2.1 Service Level Options.

(a) If you sign up for equipment maintenance on the Order, PBI will repair the System during the Initial Service Term or any Renewal Service Term (each term as defined in Section (b) below) (the “**Service Term**”). You are also entitled to preventative maintenance. Preventative maintenance will consist of inspecting, cleaning and periodically lubricating various components as well as replacing any worn parts. PBI will inform you of the recommended timing for preventative maintenance required. You will make the System reasonably available to PBI for preventative maintenance. Alterations to the System not authorized by us are strictly prohibited and will void your SLA. If the System needs repair, PBI may provide repair by remote access, diagnostics and service and/or by on-site repair service. Repair service is provided only for damage resulting from normal wear and tear. Repair service may include the use of new, reconditioned, or remanufactured parts and assemblies. PBI will

provide parts or assemblies for discontinued equipment (or equipment not marketed as new) only if available. If PBI deems it necessary, PBI will dispatch a service technician to arrive at your location for on-site service. You won't incur hourly charges unless service is performed outside Normal Working Hours, which will be done only with your consent. "**Normal Working Hours**" means 8 a.m. – 5 p.m., Monday – Friday, excluding PBI- observed U.S. holidays, in the time zone where the System or other items are located.

(b) System Maintenance Term. PBI will provide you with maintenance service for twelve months, if you don't have a Lease, or for the Lease Term, if you are leasing the System (the "**Initial Service Term**"). **SERVICE AUTOMATICALLY RENEWS FOR CONSECUTIVE ONE YEAR TERMS (EACH A "RENEWAL SERVICE TERM") UNLESS YOU TERMINATE YOUR SERVICE AS PROVIDED BELOW OR THE LEASE EXPIRES OR IS TERMINATED OR THE RENEWAL IS PROHIBITED BY LAW.** If you don't wish to renew the maintenance service, you must deliver a written notice (the "**Termination Notice**") at least 60 days prior to the renewal of the term to us at 2225 American Drive, Neenah, WI 54956. Your Termination Notice must include your customer account number or CAN and lease number (if applicable). PBI reserves the right not to renew your SLA for any reason. If you elect to terminate the maintenance service without cause prior to the expiration of the then applicable Service Term, no pro-rata refund will be provided, even if any prepaid hours of service have not yet been performed by us.

D2.2 Repair Service. If the System is under warranty, and we need to take the System back, PBI will be responsible for all transportation costs. We will provide parts or assemblies for discontinued equipment (or equipment not marketed as new) only if available. Lubricants and other materials needed to service the System, except Consumable Supplies and replacement printheads, are provided without additional charge. Not included as normal wear is coverage for repairs made necessary due to any DI2000 Excluded Circumstance (defined below). If off site service is not successful, then a customer service representative will be sent to your location.

D2.3 System Maintenance Fees. If the Order specifies the purchase of maintenance services, you will pay the fees upon receipt of our invoice. We may increase the fees in accordance with your State Participating Addendum, and any increases will be reflected on your invoice. If you are leasing, the fees will be incorporated into your payment cycle. If you receive service for repairs caused by any DI2000 Excluded Circumstance, PBI will charge you for the service at PBI's current hourly rates and for any required parts in accordance with your State Participating Addendum. "DI2000 Excluded Circumstance": Notwithstanding anything in this Agreement to the contrary, PBI will not be responsible: (i) for maintaining any System that you have failed to operate under suitable temperature, humidity, line voltage, or any specified environmental conditions; (ii) if reasonable care is not used in handling, operating, and maintaining the System; (iii) if the System is not used in accordance with the agreed applications and for the ordinary purpose for which it is designed; (iv) if the inability of any System to perform is due to any act or failure to act by you, including without limitation, any alteration of or adding components to any System; (v) for unqualified operators' use of the System; (vi) for use of the System in a manner not intended; (vii) for use of the System to process applications not previously approved in writing by PBI; (viii) for use of damaged materials, such as paper or envelopes; (ix) if someone other than us services the System; (x) if you don't use required software updates; (xi) if you use the System with any equipment where we have told you that we will no longer provide support or that we have advised you is no longer compatible; (xii) if you use third party supplies (such as ink), hardware or software that results in (1) damage to the System (including damage to printheads), (2) poor indicia, text or image print quality, (3) indicia readability failures, or (4) a failure to print indicia, text or images; or (xiii) for damage to the System resulting from your missed preventative maintenance appointment. If PBI performs any repairs or maintenance as a result of any of the foregoing, you will pay PBI at its normal rates in effect at such time. If you exceed the cycle volume of your Equipment specified on the Order, PBI will bill you \$0.0022 per cycle for each additional cycle over the specified cycle volume (the additional

cycles are called the "Overage"). We will not be obligated to provide any maintenance services before receiving full payment of any applicable invoice.

**D2.4 Replacement Equipment.** If you acquire an attachment, or add a unit, to the System, PBI will provide coverage for each attachment or unit which we determine qualifies for coverage under the SLA and will automatically enroll you for maintenance coverage on the new components at PBI's then current annual rates. If you choose not to continue coverage on the replacement component, attachment or unit, you may cancel the maintenance service for the item within thirty days of the date of your initial invoice for the item from PBI. If you cancel, any further maintenance services on the System, attachment or unit will be subject to PBI's current NASPO ValuePoint time and material rates.

**D2.5 Service Changes.** PBI may modify its maintenance service by giving written notice to you (a "**Service Change Notice**"), which will state whether the change is material. After receiving a Service Change Notice, if the change is material, you may terminate maintenance service by giving us a termination notice at the address indicated in Section D2.1(b).

**D2.6 Additional Service Terms.**

(a) Maintenance service excludes the supply of postal and carrier rate changes and Consumable Supplies.

(b) Self-Service Maintenance. WE WILL NOT IN ANY EVENT BE LIABLE FOR ANY CLAIMS OF ANY KIND, ASSERTED BY YOU OR ANY THIRD PARTY, CAUSED BY THE REMOVAL, MODIFICATION, FAILURE TO MAINTAIN OR BY-PASSING OF BUILT-IN SAFETY FEATURES BY YOU.

(c) You can't elect to have maintenance service apply to some but not all of the components of the System. Maintenance service doesn't include services and repairs that are made necessary due to any DI2000 Excluded Circumstance.

**D2.7 Support Services.** If you request that we provide services such as installation, maintenance, training, consulting, systems integration

and data conversion or other similar support services ("**Support Services**"), charges for such services are in addition to the price of the System, unless otherwise specified in the Order.

### **D3. WARRANTIES**

D3.1 PBI System Warranty. The warranty on any System will run for a period of one (1) year from the date of Acceptance as defined in your State Participating Addendum.

### **D4. DELIVERY; INSTALLATION; RETURNS**

D4.1 Delivery. You will pay all costs for transporting the System from PBI's facility to the location designated in the Order. We will make commercially reasonable efforts to deliver the System on the delivery date in the Order but cannot guarantee a specific date.

D4.2 Installation. You must provide a suitable power source, access, and space for installation according to PBI's specifications. You must give us advance notice of any site problems.

D4.3 Returns. Unless the System fails to conform to the express warranties in Section D3.1, the System will not be returned to us.

4. Participating Entity Modifications Or Additions To The Master Agreement: Notwithstanding any provisions in the Master Agreement to the contrary, the following shall apply to this PADD:
- 4.1 Amendments: Amendments to the Master Agreement (including, but not limited to extensions, renewals, and modifications to the terms, conditions and pricing) will automatically be incorporated in this PADD unless the Participating State elects not to incorporate an amendment by providing written notification to Contractor; which notice must be provided within ten (10) working days of the date of the amendment to the Master Agreement, in order to be effective. Failure to provide notice in accordance with this Section will result in the Master Agreement amendment automatically being incorporated in this PADD.
- 4.2 Governing Law: Notwithstanding any provision to the contrary, the state of Idaho's PADD and all orders issued under the PADD by Ordering Entities within the state of Idaho, shall be construed in accordance with and governed by the laws of the state of Idaho. Any action to enforce the provisions of this PADD shall be brought in state district court in Ada County, Boise, Idaho. In the event any term of this PADD is held to be invalid or unenforceable by a court, the remaining terms of this PADD will remain in full force and

effect. Except to the extent the provisions of the PADD are clearly inconsistent therewith, the PADD shall also be governed by the applicable provisions of the Idaho Uniform Commercial Code (IUCC).

- 4.3 Administrative Fee and Quarterly Usage Report: The prices to be paid by the Ordering Entities shall be inclusive of a one and one quarter percent (1.25%) Administrative Fee (the Participating State understands and agrees that Contractor may raise the negotiated Price Agreement prices by this amount). This additional percentage represents the Ordering Entity's contract usage administrative fee. On a quarterly basis, Contractor must remit to **State of Idaho, Attn: Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075** an amount equal to one and one quarter percent (1.25%) of Contractor's net (sales minus returns, adjustments, and credits) quarterly Contract sales. For leased equipment: The total cost of the equipment shall be reported in net sales for the quarter in which the lease commences; ongoing meter rental and maintenance fees shall be included in net sales on an on-going quarterly basis.

***For Example:*** If the total of your net sales to Ordering Entities for one quarter = \$10,000, you would remit  $\$10,000 \times 0.0125 = \$125$  to the Division of Purchasing for that quarter, along with the required quarterly usage report.

Contractor must also furnish summary and detailed usage reports, attached as **Attachment E**. Usage Reports must be submitted for each quarter (enter "0" if no purchases were made during a quarter), and must include a breakdown of purchases by Entity Type (i.e. State Agency, Higher Education, K-12, City, County and 'other'), as provided on the Form. In the event the State implements an online reporting tool in the future, Contractor agrees to work in good faith to utilize any new method of reporting quarterly usage. Reporting Time Line (Fiscal Year Quarters):

Fee and Report Due:

1 <sup>st</sup> Quarter	July 1 - Sept 30	October 31 <sup>st</sup>
2 <sup>nd</sup> Quarter	Oct 1 - Dec 31	January 31 <sup>st</sup>
3 <sup>rd</sup> Quarter	Jan 1 - Mar 31	April 30 <sup>th</sup>
4 <sup>th</sup> Quarter	Apr 1 - Jun 30	July 31 <sup>st</sup>

E-mail your completed Quarterly Summary Usage Reports to [purchasing@adm.idaho.gov](mailto:purchasing@adm.idaho.gov).

Mail your check, in the amount of the Quarterly Administrative Fee, to: **State of Idaho, Attn: Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075**

- 4.4 Subcontractors: All contactors, dealers, and resellers authorized in the State of *Idaho*, as shown on the dedicated Contractor (cooperative contract) website, are approved to

provide sales and service support to participants in the NASPO ValuePoint Master Agreement. The contractor's dealer participation will be in accordance with the terms and conditions set forth in the Master Agreement.

4.5 Orders: Any order placed by a Participating Entity or Purchasing Entity for a product and/or service available from this Master Agreement shall be deemed to be a sale under (and governed by the prices and other terms and conditions) of the Master Agreement unless the parties to the order agree in writing that another contract or agreement applies to such order.

4.6 Termination for Convenience: The State may terminate this PADD for its convenience, in whole or in part, with or without cause, upon thirty (30) calendar days written notice to the Contractor specifying the date of termination if the State determines it is in the State's best interest. In the event of termination of the PADD, all underlying leases, rentals, maintenance and license/subscription agreements to this Addendum, including applicable terms and conditions, will remain in full force and effect throughout the duration of the lease, rental, maintenance, or license/subscription agreement, in accordance with the terms of the applicable agreement.

4.7 Termination for Default: The State may terminate the Participating Addendum (but not the underlying leases or orders issued pursuant to the Contract) when the Contractor has been provided written notice of default or non-compliance and has failed to cure the default or noncompliance within a reasonable time, not to exceed thirty (30) calendar days, unless such longer period of time is mutually agreed upon in writing. If the Contract is terminated for default or noncompliance, the Contractor will be responsible for any costs resulting from the State's award of a new contract and any damages incurred by the State. The State, upon termination for default or non-compliance, reserves the right to take any legal action it may deem necessary including, without limitation, offset of damages against payment due. A Purchasing Entity may terminate a lease or an order when the Contractor has been provided written notice of default or non-compliance and fails to cure such breach or non-compliance within thirty (30) days of receiving written notice of said breach or non-compliance.

4.8 Public Records and Trade Secret: Title 74, Chapter 1, Idaho Code (the Public Records Act) provides for the examination of public records, including records related to procurements and contracts. Section 74-107 details an exemption to examination of records deemed "trade secrets." Generally, this exemption describes trade secrets to *"include a formula, pattern, compilation, program, computer program, device, method, technique or process that derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by other persons and is subject to the efforts that are reasonable under the circumstances to maintain its secrecy."*

Upon request, the Contractor must provide an electronic copy of any documents related to this PADD, with any information it has determined to meet the Idaho Code definition of

trade secret redacted within three (3) business days. The Contractor must redact only that information which meets the definition of "trade secret;" entire documents identified as "confidential" will not be accepted. Contractor must also provide a separate document entitled "List of Redacted Trade Secret Information" which provides a succinct list of all trade secret information noted in your Document; listed in the order it appears in your submittal documents, identified by Page #, Section #/Paragraph #, Title of Section/Paragraph, specific portions of text/illustrations; or in a manner otherwise sufficient to allow the State's procurement personnel to determine the precise text/material subject to the notation. Additionally, this list must identify with each notation the specific basis for your position that the material be treated as exempt from disclosure and how the exempting the material complies with the Public Records Law.

In the event the State receives a request pursuant to the Public Records Act, which includes information deemed "trade secret" by the Contractor, the Contractor must agree to defend and indemnify the State against any claim brought challenging the denial of the request under the trade secret exemption. Failure of the Contractor to provide an electronic copy of the redacted documents, or to defend and indemnify the State, will result in the State releasing the full (unredacted) document in response to the request.

- 4.9 Software Licenses: Software license terms and conditions shall be mutually agreed upon in writing by the purchasing entity's authorized individual and Pitney Bowes Inc. List of Software Licenses offered under this Addendum are attached hereto as **Attachment D**.
- 4.10 Compliance with Postal Regulations: All purchasing entities requiring the use of a Postage Meter will comply with all United States Postal Service regulations and meter terms and conditions applicable to the rental and use of postage meters supplied under this participating addendum as provided by the Contractor and attached hereto as **Attachment C**.
- 4.11 Lease Agreements: Equipment Lease and Rental Agreements are authorized in accordance with the terms of NASPO ValuePoint Master Price Agreement number ADSPO16-169897.
- 4.11.1 The Master Mailing Equipment Lease Agreement, attached as **Attachment A**, is the only lease agreement that may be used by State agencies, as defined in Idaho Code Section 67-9203(3), for equipment leased under this PADD.
- 4.11.2 Non-State agencies may utilize any leasing option provided under the Master Agreement and deemed appropriate by the leasing entity.
- 4.12 Placement of Orders: All orders under this PA are to be made out to and processed by Pitney Bowes and must be accompanied by a completed Placement Order Form, attached as **Appendix B**. Any order placed by a Participating Entity or Purchasing Entity for a product and/or service available from this Master Agreement shall be deemed to be a sale under (and governed by the prices and other terms and

conditions) of the Master Agreement unless the parties to the order agree in writing that another contract or agreement applies to such order.

4.13 Individual Customer: Each State agency and political subdivision, as a Purchasing Entity, that purchases products/services under this Participating Addendum will be treated as if they were Individual Customers. Except to the extent modified by a Participating Addendum, each agency and political subdivision will be responsible to follow the terms and conditions of the Participating Addendum Master Agreement; and they will have the same rights and responsibilities for their purchases as the Participating Entity has in the Master Agreement. Each agency and political subdivision will be responsible for their own charges, fees, and liabilities. Each agency and political subdivision will have the same rights to any indemnity or to recover any costs allowed in the contract for their purchases. The Contractor will apply the charges to each Purchasing Entity individually.

4.14 Acceptance:

A. When the purchase does not require installation, acceptance shall occur sixty (60) calendar days after delivery, unless the Purchasing Entity has notified the Contractor in writing within said sixty (60) day period, that the product delivered does not meet the specification requirements or otherwise fails to pass the Contractor's established test procedures or programs or test procedures or programs identified in the Order.

B. When the Order requires installation, acceptance shall occur sixty (60) calendar days after completion of installation, unless the Purchasing Entity has notified the Contractor in writing, within said sixty (60) day period, that the products(s) delivered does not meet the specification requirements, that the product is not installed correctly or otherwise fails to pass the Contractor's established test procedures or programs or test procedures or programs identified in the Order.

C. When the Order requires the delivery of services, acceptance shall occur sixty (60) calendar days after delivery of the services, unless the Purchasing Entity has notified the Contractor in writing, within said sixty (60) day period, that the services do not meet the State's requirements or otherwise fail to pass the Contractor's established test procedures or programs or test procedures or programs identified in the Order.

Lessor covenants that it has good title to the Leased Equipment. Title of the Leased Equipment at all times shall remain in the Lessor's name. Leasing Entities which are state of Idaho agencies are provided a comprehensive liability plan through the Risk Management Program (Program) established under Idaho Code section 67-5773 et seq. The Program utilizes the Retained Risk Account, which is funded and in effect subject to limitation on liability of the Tort Claims Act, Idaho Code section 6-901 et seq. In addition to the comprehensive liability plan, the Program covers certain property damage, subject to the deductibles established by the Program. Evidence of financial responsibility will be provided upon request, and will consist of a Certificate of Financial Responsibility.

Leasing Entities which are not state of Idaho agencies (e.g. cities, counties, public schools, etc.) must either provide to Lessor proof that the Leased Equipment is covered for the value thereof against property loss and damage or must enroll in our ValueMAX program while in the Leasing Entity's possession.

- a) If Lessee enrolled in our ValueMAX program, Lessor may include the Leased Equipment in the ValueMAX program and charge Lessee a fee, which Lessor will include as an additional charge on Lessee's invoice.
- b) If Lessee does not respond with evidence of insurance within the time frame specified in the notification Lessor may immediately include the Leased Equipment in the ValueMAX program.
- c) If the Leased Equipment is included in the ValueMAX program and any damage or destruction to the Leased Equipment occurs (other than from Lessee's gross negligence or willful

- misconduct, which is not covered by ValueMAX), Lessor will (unless Lessee is in default) repair or replace the Leased Equipment.
- d) If Lessor is required to repair or replace the Leased Equipment under the ValueMAX program and Lessor fails to do so within 20 days of receiving Lessee's written notice of loss or damage, Lessee may terminate this Lease.
  - e) Lessor is not liable to Lessee if Lessor terminates the ValueMAX program. By providing the ValueMAX program Lessor is not offering or selling Lessee insurance; accordingly, regulatory agencies have not reviewed this Lease, this program or its associated fees, nor are they overseeing our financial condition.

## 11 TERMINATION.

11.1 Mutual Termination. Any discretionary or vested right of renewal notwithstanding, this MLA, or any lease entered into under this MLA, may be terminated by mutual consent of the parties.

11.2 Termination for Default. A default or breach may be declared with or without termination. A lease entered into under this MLA may be terminated by either party upon written notice to the other party for any material breach or default by the other party of any terms, conditions, covenants, or obligations of this MLA, which material breach is not cured within thirty (30) after written notice is provided by the non-breaching party. Notice of Termination for Breach or Default is effective 30 days following service of notice, or upon any subsequent date specified in the notice of termination.

11.3 Nonappropriation. Lessee warrants that it has funds available to pay all payments until the end of Lessee's current fiscal period. Lessee is a government entity and this MLA shall not be construed so as to bind or obligate the State beyond the term of Lessee's current fiscal year for any particular appropriation of funds by the Idaho Legislature, as may exist from time to time. In the event the Idaho Legislature fails, neglects or refuses to appropriate funds to continue the Lease Payments beyond Lessee's then current fiscal year, all affected future rights and liabilities of the parties shall thereupon cease at the end of Lessee's then current fiscal year within ten (10) calendar days after notice to the Lessor.

This Nonappropriation clause applies equally to individual Leasing Entities and their respective governing bodies (e.g. Board of Commissioners, City Councils, etc.).

## 12 NOTICE.

All notices or other communications required or permitted to be given under this MLA shall be in writing and shall be deemed to have been duly given if (a) delivered personally in hand, (b) delivered by confirmed facsimile; or (c) mailed postage prepaid, to the address specified above. For purposes of computing times from service of notice, service of notice by delivery in hand or via confirmed facsimile shall be effective on the date of confirmed delivery; notices that are mailed shall be effective on the third calendar day following the date of mailing (or on the date of confirmed receipt, with delivery confirmation).

## 13 GOVERNING LAW, JURISDICTION AND VENUE.

This MLA and the rights and obligations of the parties hereto (including Leasing Entities executing individual leases against the MLA) shall be governed by, and construed according to, the laws of the State of Idaho, without giving effect to any principle of conflict of laws that would require the application of the law of any other jurisdiction. Any action to enforce the provisions of the MLA shall be brought in State district court in Ada County, Boise, Idaho.

14 INCORPORATED DOCUMENTS.

This MLA incorporates the following attachments in descending order of constructive precedence; any additional Lessor Attachments shall not contradict or supersede any State specifications, terms or conditions without written evidence of mutual assent to such change appearing in this MLA, or as a subsequent fully executed amendment:

State of Idaho Participating Addendum (PADD18200512)

F. Proposal – A written response, including pricing information, to a Request for Proposals that describes the solution or means of providing the Property requested and which Proposal is considered an offer to perform in full response to the Request for Proposals. ## STATE OF IDAHO STANDARD CONTRACT TERMS AND CONDITIONS

### 5. ADMINISTRATIVE FEE:

#### A. Application of Administrative Fee:

1. All Statewide Blanket Purchase Orders (SBPO) shall be subject to an Administrative Fee of one and one-quarter percent (1.25%), based on orders placed against the Contract (unless the SBPO is exempt), as follows:

- a. The prices to be paid by the State (the price BID by Contractor) shall be inclusive of a one and one-quarter percent (1.25%) Administrative Fee. On a quarterly basis, Contractor will remit to State of Idaho, Attn: Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075 an amount equal to one and one-quarter percent (1.25%) of Contractor's net (sales minus credits) quarterly Contract sales.

*For Example: If the total of Contractor's net sales to the Agency for one quarter = \$10,000, Contractor would remit  $\$10,000 \times 0.0125 = \$125$  to the Division of Purchasing for that quarter, along with the required quarterly usage report.*

- b. Contractor will furnish detailed usage reports as designated by the State. In addition to any required detailed usage reports, Contractor must also submit a summary quarterly report of purchases made from the Contract to [purchasing@adm.idaho.gov](mailto:purchasing@adm.idaho.gov), utilizing the State's Summary Usage Report Form.

4th Quarter Apr 1 - Jun 30

October 31<sup>st</sup>  
January 31<sup>st</sup>  
April 30<sup>th</sup>  
July 31<sup>st</sup>

2. Unless otherwise exempt, the Administrative Fee will apply regardless of how Contractor submits its response to the solicitation (i.e. manual (paper) or electronic via IPRO).

3. A Contractor's failure to consider the Administrative Fee when preparing its Solicitation response shall not constitute or be deemed a waiver by the State of any Administrative Fees owed by Contractor to the State as a result of an Award issued through IPRO.

#### B. Administrative Fee Exemptions:

1. Notwithstanding any language to the contrary, the Administrative Fee will not apply to Contracts with an original awarded value of \$100,000 or less.

4. The Administrator of the Division of Purchasing may also exempt a specific solicitation or class of solicitations from the Administrative Fee requirement.

If, for any other reason, the Contractor is obligated to refund to the State all or a portion of the State's payment to the Contractor, or the State withholds payment because of the assessment of liquidated damages, the Administrative Fee will not be refunded in whole or in part.

**E. Failure to Remit Administrative Fees:** If a Contractor fails to remit the Administrative Fee, as provided above, the State, at its discretion, may declare the Contractor in default; cancel the Contract; assess and recover re-procurement costs from the Contractor (in addition to all outstanding Administrative Fees); seek State or federal audits, monitoring or inspections; exclude Contractor from participating in future solicitations; and/or suspend Contractor's IPRO account.

**6. CHANGES/MODIFICATIONS:** Changes of specifications or modification of the Contract in any particular manner can be affected only upon written consent of all parties. In the event that a typographical or other ministerial or clerical error is discovered, the State may correct such error after providing notice to the Contractor of its intent to make the clerical correction. A copy of the corrected Contract (or that portion of the Contract which contains correction(s)) will be provided electronically to the Contractor immediately after the correction(s) are made.

**7. CONFORMING PROPERTY:** The Property shall conform in all respects with the requirements of the State's Solicitation. In the event of non-conformity, and without limitation upon any other remedy, the State shall have no financial obligation in regard to the non-conforming goods or services. The Contractor shall exonerate, defend, indemnify and hold the State harmless from and against and assume full responsibility for payment of all federal, state and local taxes or contributions imposed or required under unemployment insurance, social security, worker's compensation and income tax laws with respect to the Contractor or Contractor's employees engaged in performance under the Contract. The Contractor will maintain any applicable worker's compensation insurance as required by law and will provide certificate of same if requested. There will be no exceptions made to this requirement and failure to provide a certificate of worker's compensation insurance may, at the State's option, result in cancellation of the Contract or in a contract price adjustment to cover the State's cost of providing any necessary worker's compensation insurance. The Contractor must provide either a certificate of worker's compensation insurance issued by a surety licensed to write worker's compensation insurance in the state of Idaho, as evidence that the Contractor has in effect a current Idaho worker's compensation insurance policy, or an extraterritorial certificate approved by the Idaho Industrial Commission from a state that has a current reciprocity agreement with the Idaho Industrial Commission. The State does not assume liability as an employer.

**10. ANTI-DISCRIMINATION/EQUAL EMPLOYMENT OPPORTUNITY CLAUSE:** The Contractor is bound to the terms and conditions of Section 601, Title VI, Civil Rights Act of 1964, in that "No person in the United States shall, on the grounds of race, color, national origin, or sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance." In addition, "No otherwise qualified handicapped individual in the United States shall, solely by reason of his handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance" (Section 504 of the Rehabilitation Act of 1973). Furthermore, for Contracts involving federal funds, the applicable provisions and requirements of Executive Order 11246 as amended, Section 402 of the Vietnam Era Veterans Readjustment Assistance Act of 1974, Section 701 of Title VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act of 1967 (ADEA), 29 USC Sections 621, et seq., the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, U.S. Department of Interior regulations at 43 CFR Part 17, and the Americans with Disabilities Act of 1990, are also incorporated into the Contract. The Contractor shall comply with pertinent amendments to such laws made during the term of the Contract and with all federal and state rules and regulations implementing such laws. The Contractor must include this provision in every subcontract relating to the Contract.

The State is generally exempt from payment of federal excise tax under a permanent authority from the District Director of the Internal Revenue Service (Chapter 32 Internal Revenue Code [No. 82-73-0019K]). Exemption certificates will be furnished as required upon written request by the Contractor. If the Contractor is required to pay any taxes incurred as a result of doing business with the State, it shall be solely responsible for the payment of those taxes. If, after the effective date of the Contract, an Idaho political subdivision assesses, or attempts to assess, personal property taxes not applicable or in existence at the time the Contract becomes effective, the State will be responsible for such personal property taxes, after reasonable time to appeal. In no event shall the State be responsible for personal property taxes affecting items subject to the Contract at the time it becomes effective.

**12. INDEMNIFICATION:** Contractor shall defend, indemnify and hold harmless the State from any and all liability, claims, damages, costs, expenses, and actions, including reasonable attorney fees, caused by or that arise from the negligent or wrongful acts or omissions of the Contractor, its employees, agents, or subcontractors under the Contract that cause death or injury or damage to property or arising out of a failure to comply with any state or federal statute, law, regulation or act. **14. CONTRACTOR RESPONSIBILITY:** The Contractor is responsible for furnishing and delivery of all Property included in the Contract, whether or not the Contractor is the manufacturer or producer of such Property. Further, the Contractor will be the sole point of contact on contractual matters, including all warranty issues and payment of charges resulting from the use or purchase of Property.

**15. SUBCONTRACTING:** Unless otherwise allowed by the State in the Contract, the Contractor shall not, without written approval from the State, enter into any subcontract relating to the performance of the Contract or any part thereof. Approval by the State of Contractor's request to subcontract or acceptance of or payment for subcontracted work by the State shall not in any way relieve the Contractor of any responsibility under the Contract. The Contractor shall be and remain liable for all damages to the State caused by negligent performance or non-performance of work under the Contract by Contractor's subcontractor. Subcontractor(s) must maintain the same types and levels of insurance as that required of the Contractor under the Contract; unless the Contractor provides proof to the State's satisfaction that the subcontractor(s) are fully covered under the Contractor's insurance, or, except as otherwise authorized by the State.

**16. COMMODITY STATUS:** It is understood and agreed that any item offered or shipped shall be new and in first class condition and that all containers shall be new and suitable for storage or shipment, unless otherwise indicated by the State in the Solicitation. Demonstrators, previously rented, refurbished, or reconditioned items are not considered "new" except as specifically provided in this section. "New" means items that have not been used previously and that are being actively marketed by the manufacturer or Contractor. The items may contain minimal amounts of recycled or recovered parts that have been reprocessed to meet the manufacturer's new product standards. The items must have the State as their first user and the items must not have been previously sold, installed, demonstrated, or used in any manner (such as rentals, demonstrators, trial units, etc.). The new items offered must be provided with a full, unadulterated, and undiminished new item warranty against defects in workmanship and materials. The warranty is to include replacement, repair, and any labor for the period of time required by other specifications or for the standard manufacturer or warranty provided by the Contractor, whichever is longer.

**17. SHIPPING AND DELIVERY:** Unless otherwise required in the Contract, all orders will be shipped directly to the Agency that placed the order at the location specified by the State, on an F.O.B. Destination freight prepaid and allowed basis with all transportation, unloading, uncrating, drayage, or other associated delivery and handling charges paid by the Contractor. Unless otherwise specified in the Contract, deliveries shall be made to the Agency's receiving dock or inside delivery point, such as the Agency's reception desk. The Contractor shall deliver all orders and complete installation, if required, within the time specified in the Contract. Time for delivery commences at the time the order is received by the Contractor.

**18. ACCEPTANCE:** Unless otherwise specified in the Contract:

A. When the Contract does not require installation, acceptance shall occur fourteen (14) calendar days after delivery, unless the State has notified the Contractor in writing that the product delivered does not meet the State's specification requirements or otherwise fails to pass the Contractor's established test procedures or programs or test procedures or programs identified in the Contract.

B. When the Contract requires installation, acceptance shall occur fourteen (14) calendar days after completion of installation, unless the State has notified the Contractor in writing that the products(s) delivered does not meet the State's specification requirements, that the product is not installed correctly or otherwise fails to pass the Contractor's established test procedures or programs or test procedures or programs identified in the Contract.

C. When the Contract requires the delivery of services, acceptance shall occur fourteen (14) calendar days after delivery of the services, unless the State has notified the Contractor in writing that the services do not meet the State's requirements or otherwise fail to pass the Contractor's established test procedures or programs or test procedures or programs identified in the Contract.

**19. RISK OF LOSS:** Risk of loss and responsibility and liability for loss or damage will remain with Contractor until acceptance, when responsibility will pass to the State with the exceptions of latent defects, fraud and Contractor's warranty obligations. Such loss, injury or destruction shall not release the Contractor from any obligation under the Contract.

**20. INVOICING: ALL INVOICES** are to be sent directly to the **AGENCY TO WHICH THE PROPERTY IS PROVIDED**, unless otherwise required by the Contract. The Contract number is to be shown on all invoices. Invoices must not be sent to the Division of Purchasing unless required by the Contract.

**21. ASSIGNMENTS:** Contractor shall not assign this contract, or its rights, obligations, or any other interest arising from the Contract, or delegate any of its performance obligations, without the express written consent of the Administrator of the Division of Purchasing and the Idaho Board of Examiners. Transfer without such approval shall cause the annulment of the Contract, at the option of the State. All rights of action, however, for any breach of the contract are reserved to the State. (Idaho Code Section 67-9230).

Notwithstanding the foregoing, and to the extent required by applicable law (including Idaho Code Section 28-9-406), Contractor may assign its right to payment on an account provided that the State shall have no obligation to make payment to an assignee until thirty days after Contractor (not the assignee) has provided the responsible State procurement officer with (a) proof of the assignment, (b) the identity of the specific state contract to which the assignment applies, and (c) the name of the assignee and the exact address to which assigned payments should be made. The State may treat violation of this provision as an event of default.

**22. PAYMENT PROCESSING:** Idaho Code Section 67-9218 reads as follows: "Within ten (10) days after the property acquired is delivered as called for by the bid specifications, the acquiring agency shall complete all processing required of that agency to permit the contractor to be reimbursed according to the terms of the bid. Within ten (10) days of receipt of the document necessary to permit reimbursement of the contractor according to the terms of the contract, the State Controller shall cause a warrant to be issued in favor of the contractor and delivered." Payments shall be processed within the timeframes required by I.C. § 67-9218 unless otherwise specified in the Contract.

**23. COMPLIANCE WITH LAW, LICENSING AND CERTIFICATIONS:** Contractor shall comply with ALL requirements of federal, state and local laws and regulations applicable to Contractor or to the Property provided by Contractor pursuant to the Contract. For the duration of the Contract, the Contractor shall maintain in effect and have in its possession all licenses and certifications required by federal, state and local laws and rules.

### **24. PATENTS AND COPYRIGHT INDEMNITY:**

A. Contractor shall indemnify and hold the State harmless and shall defend at its own expense any action brought against the State based upon a claim of infringement of a United States' patent, copyright, trade secret, or trademark for Property purchased under the Contract. Contractor will pay all damages and costs finally awarded and attributable to such claim, but such defense and payments are conditioned on the following: (i) that Contractor shall be notified promptly in writing by the State of any notice of such claim; (ii) that Contractor shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise and State may select at its own expense advisory counsel; and (iii) that the State shall cooperate with Contractor in a reasonable way to facilitate settlement or defense of any claim or suit.

B. Contractor shall have no liability to the State under any provision of this clause with respect to any claim of infringement that is based upon: (i) the combination or utilization of the Property with machines or devices not provided by the Contractor other than in accordance with Contractor's previously established specifications unless such combination or utilization was disclosed in the specifications; (ii) the modification of the Property unless such modification was disclosed in the

specifications; or (iii) the use of the Property not in accordance with Contractor's previously established specifications unless such use was disclosed in the specifications.

C. Should the Property become, or in Contractor's opinion be likely to become, the subject of a claim of infringement of a United States' patent, the Contractor shall, at its option and expense, either procure for the State the right to continue using the Property, to replace or modify the Property so that it becomes non-infringing, or to grant the State a full refund for the purchase price of the Property and accept its return.

**25. CONFIDENTIAL INFORMATION:** Pursuant to the Contract, Contractor may collect, or the State may disclose to Contractor, financial, personnel or other information that the State regards as proprietary or confidential ("Confidential Information"). Such Confidential Information shall belong solely to the State. Contractor shall use such Confidential Information only in the performance of its services under the Contract and shall not disclose Confidential Information or any advice given by it to the State to any third party, except with the State's prior written consent or under a valid order of a court or governmental agency of competent jurisdiction and then only upon timely notice to the State. Confidential Information shall be returned to the State upon termination or expiration of the Contract.

Confidential Information shall not include data or information that:

A. Is or was in the possession of Contractor before being furnished by the State, provided that such information or other data is not known by Contractor to be subject to another confidentiality agreement with or other obligation of secrecy to the State;

B. Becomes generally available to the public other than as a result of disclosure by Contractor; or

C. Becomes available to Contractor on a non-confidential basis from a source other than the State, provided that such source is not known by Contractor to be subject to a confidentiality agreement with or other obligation of secrecy to the State.

**26. USE OF THE STATE OF IDAHO NAME:** Contractor shall not, prior to, in the course of, or after performance under the Contract, use the State's name in any advertising or promotional media, including press releases, as a customer or client of Contractor without the prior written consent of the State.

**27. TERMINATION FOR FISCAL NECESSITY:** The State is a government entity and it is understood and agreed that the State's payments under the Contract shall be paid from Idaho State Legislative appropriations, funds granted by the federal government, or both. The Legislature is under no legal obligation to make appropriations to fulfill the Contract. Additionally, the federal government is not legally obligated to provide funds to fulfill the Contract. The Contract shall in no way or manner be construed so as to bind or obligate the state of Idaho beyond the term of any particular appropriation of funds by the Idaho State Legislature, or beyond any federal funds granted to the State, as may exist from time to time. The State reserves the right to terminate the Contract in whole or in part (or any order placed under it) if, in its sole judgment, the Legislature of the state of Idaho fails, neglects, or refuses to appropriate sufficient funds as may be required for the State to continue such payments, or requires any return or "give-back" of funds required for the State to continue payments, or if the Executive Branch mandates any cuts or holdbacks in spending, or if funds are not budgeted or otherwise available (e.g. through repeal of enabling legislation), or if the State discontinues or makes a material alteration of the program under which funds were provided, or if federal grant funds are discontinued. The State shall not be required to transfer funds between accounts in the event that funds are reduced or unavailable. All affected future rights and liabilities of the parties shall thereupon cease within ten (10) calendar days after notice to the Contractor. Further, in the event that funds are no longer available to support the Contract, as described herein, the State shall not be liable for any penalty, expense, or liability, or for general, special, incidental, consequential or other damages resulting therefrom. In the event of early Contract termination under this section, the State will collect all Contractor-owned equipment and accessory items distributed under the Contract within thirty (30) calendar days of Contract termination. Items will be collected at a central (or regional) location(s) designated by the State. Contractor will be responsible for all costs associated with packaging and removing all Contractor-owned items from the State-designated location(s), which must be completed within thirty (30) calendar days of written notification from the State. If Contractor fails to remove its items within that time period, the State may charge Contractor for costs associated with storing the items; and may otherwise dispose of the items as allowed by applicable law. At Contractor's request, the State shall promptly provide supplemental documentation as to such Termination for Fiscal Necessity. Nothing in this section shall be construed as ability by the State to terminate for its convenience.

## STATE OF IDAHO STANDARD CONTRACT TERMS AND CONDITIONS

### 28. PUBLIC RECORDS:

A. Pursuant to Idaho Code Section 74-101, et seq., information or documents received by the State will be open to public inspection and copying unless the material is exempt from disclosure under applicable law. The person or entity submitting the material must clearly designate specific information within the document as "exempt," if claiming an exemption; and indicate the basis for such exemption (e.g. Trade Secret). The State will not accept the marking of an entire document as exempt; or a legend or statement on one page that all, or substantially all, of the document is exempt from disclosure.

B. Contractor shall indemnify and defend the State against all liability, claims, damages, losses, expenses, actions, attorney fees and suits whatsoever for honoring such a designation or for the Contractor's failure to designate specific information within the document as exempt. The Contractor's failure to designate as exempt any document or portion of a document that is released by the State shall constitute a complete waiver of any and all claims for damages caused by any such release. If the State receives a request for materials claimed exempt by the Contractor, the Contractor shall provide the legal defense for such claim.

Either party may change its address, facsimile number or email address by giving written notice of the change to the other party.

**30. NON-WAIVER:** The failure of any party, at any time, to enforce a provision of the Contract shall in no way constitute a waiver of that provision, nor in any way affect the validity of the Contract, any part hereof, or the right of such party thereafter to enforce each and every provision hereof.

**31. ATTORNEY FEES:** In the event suit is brought or an attorney is retained by any party to the Contract to enforce the terms of the Contract or to collect any moneys due hereunder, the prevailing party shall be entitled to recover reimbursement for reasonable attorney fees, court costs, costs of investigation and other related expenses incurred in connection therewith in addition to any other available remedies; however, the State's liability is limited to that which is identified in the Idaho Tort Claims Act, Idaho Code Section 6-9 et seq.

**32. RESTRICTIONS ON AND WARRANTIES – ILLEGAL ALIENS:** Contractor warrants that the Contract is subject to Executive Order 2009-10 [[http://gov.idaho.gov/mediacenter/execorders/eo09/eo\\_2009\\_10.html](http://gov.idaho.gov/mediacenter/execorders/eo09/eo_2009_10.html)]; it does not knowingly hire or engage any illegal aliens or persons not authorized to work in the United States; it takes steps to verify that it does not hire or engage any illegal aliens or persons not authorized to work in the United States; and that any misrepresentation in this regard or any employment of persons not authorized to work in the United States constitutes a material breach and shall be cause for the imposition of monetary penalties up to five percent (5%) of the contract price, per violation, and/or termination of its contract.

**33. FORCE MAJEURE:** Neither party shall be liable or deemed to be in default for any Force Majeure delay in shipment or performance occasioned by unforeseeable causes beyond the control and without the fault or negligence of either party,

including, but not restricted to, acts of God or the public enemy, fires, floods, epidemics, quarantine, restrictions, strikes, freight embargoes, or unusually severe weather, provided that in all cases the Contractor shall notify the State promptly in writing of any cause for delay and the State concurs that the delay was beyond the control and without the fault or negligence of the Contractor. The period for the performance shall be extended for a period equivalent to the period of the Force Majeure delay.

**34. PRIORITY OF DOCUMENTS:** The Contract consists of and precedence is established by the order of the following documents:

1. The State's Blanket Purchase Order, Statewide Blanket Purchase Order, Contract Purchase Order, Purchase Order, or Participating Addendum;
2. The Solicitation; and
3. Contractor's Bid, Proposal or Quotation as accepted by the State.

The Solicitation and the Contractor's Bid, Proposal or Quotation accepted by the State are incorporated into the Contract by this reference. The parties intend to include all items necessary for the proper completion of the Contract's requirements. The documents set forth above are complementary and what is required by one shall be binding as if required by all. However, in the case of any conflict or inconsistency arising under the documents, a lower numbered document shall supersede a higher numbered document to the extent necessary to resolve any such conflict or inconsistency. Provided, however, that in the event an issue is addressed in one of the above mentioned documents but is not addressed in another of such documents, no conflict or inconsistency shall be deemed to occur.

Where terms and conditions specified in the Contractor's Bid, Proposal or Quotation differ from the terms in the Solicitation, the terms and conditions in the Solicitation shall apply. Where terms and conditions specified in the Contractor's Bid, Proposal or Quotation supplement the terms and conditions in the Solicitation, the supplemental terms and conditions shall apply only if specifically accepted by the Division of Purchasing in writing.

**35. ENTIRE AGREEMENT:** The Contract is the entire agreement between the parties with respect to the subject matter hereof. Where terms and conditions specified in the Contractor's Bid, Proposal or Quotation differ from those specifically stated in the Contract, the terms and conditions of the Contract shall apply. In the event of any conflict between the State of Idaho Standard Contract Terms and Conditions and any Special Terms and Conditions in the Contract, the Special Terms and Conditions will govern. The Contract may not be released, discharged, changed or modified except by an instrument in writing signed by a duly authorized representative of each of the parties; however, Termination for Fiscal Necessity is excepted, and, the State may issue unilateral amendments to the Contract to make administrative changes when necessary.

**36. GOVERNING LAW AND SEVERABILITY:** The Contract shall be construed in accordance with and governed by the laws of the state of Idaho. Any action to enforce the provisions of the Contract shall be brought in State district court in Ada County, Boise, Idaho. In the event any term of the Contract is held to be invalid or unenforceable by a court of competent jurisdiction, the remaining terms of the Contract will remain in force.
