- d. **Governing Law.** This PA and all orders issued thereunder by Purchasing Entities shall be construed in accordance with, and governed by the laws of the state of Idaho, and the parties hereto consent to the jurisdiction and exclusive venue of the state courts of Ada county in the state of Idaho in the event of any dispute with respect to the PA.

Transfer without such approval shall cause the annulment of the PA, at the option of the Participating Entity. All rights of action, however, for any breach of the PA are reserved to the Participating Entity. (I.C. § 67-5726(1)).

Notwithstanding the foregoing, to the extent required by applicable law (including I.C. § 28-9-406), Contractor may assign its right to payment on an account provided that the Participating Entity shall have no obligation to make payment to an assignee until thirty (30) calendar days after Contractor (not the assignee) has provided the responsible procurement officer with (a) proof of the assignment, (b) the identity of the specific state contract to which the assignment applies, and (c) the name of the assignee and the exact address to which assigned payments should be made. - h. Order of Precedence. This PA consists of and precedence is established by the order of the following documents:
- i. This PA (this PA shall not diminish, change, or impact the rights of the Lead State with regard to the Lead State's contractual relationship with the Contractor under the terms of Master Agreement # 00218);
 - ii. State of Washington NASPO ValuePoint Master Agreement # 00218;
 - iii. The RFP, including all Addendums; and,
 - iv. Contractor's response to the RFP.

Contractor for at least three (3) years after the PA terminates or expires, or until all audits initiated within the three (3) years have been completed, whichever is later.

- k. **Price Agreement Numbers.** All orders issued by Purchasing Entities under this PA shall include the following price agreement numbers:

00218

PADD19200535

- l. **Termination for Convenience.** The Participating Entity may terminate this PA for its convenience, in whole or in part, with or without cause, upon thirty (30) calendar days' written notice to the Contractor specifying the date of termination if the Participating Entity determines it is in its best interest.
- m. **Termination for Default.** The Participating Entity may terminate this PA when the Contractor has been provided written notice of default or non-compliance and has failed to cure the default or noncompliance within a reasonable time, not to exceed thirty (30) calendar days, unless such longer period of time is mutually agreed upon between the parties in writing. If the Contract is terminated for default or noncompliance, the Contractor will be responsible for any costs resulting from the Participating Entity's award of a new contract and any damages incurred by the Participating Entity. The Participating Entity, upon termination for default or non-compliance, reserves the right to take any legal action it may deem necessary including, without limitation, offset of damages against payment due.

A Purchasing Entity may terminate an order when the Contractor has been provided written notice of default or non-compliance and fails to cure such breach or non-compliance within thirty (30) calendar days of receiving written notice of said breach or non-compliance.

- n. **Public Records and Trade Secrets.** Title 74, Chapter 1, Idaho Code (the Public Records Act) provides for the examination of public records, including records related to procurements and contracts. Section 74-107 details an exemption to examination of records deemed "trade secrets." Generally, this exemption describes trade secrets to "include a formula, pattern, compilation, program, computer program, device, method, technique or process that derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by other persons and is subject to the efforts that are reasonable under the circumstances to maintain its secrecy."

Upon request, the Contractor must provide an electronic copy of any documents related to this PA, with any information it has determined to meet the Idaho Code definition of trade secret redacted within three (3) business days. The Contractor must redact only that information which meets the definition of "trade secret;" entire documents identified as "confidential" will not be accepted. The Contractor must also provide a separate

document entitled "List of Redacted Trade Secret Information" which provides a succinct list of all trade secret information noted in your Document; listed in the order it appears in your submittal documents, identified by Page #, Section #/Paragraph #, Title of Section/Paragraph, specific portions of text/illustrations; or in a manner otherwise sufficient to allow the Participating Entity's procurement personnel to determine the precise text/material subject to the notation. Additionally, this list must identify with each notation the specific basis for your position that the material be treated as exempt from disclosure and how the exempting the material complies with the Public Records Law. In the event the Participating Entity or Purchasing Entity receives a request pursuant to the Public Records Act, which includes information deemed "trade secret" by the Contractor, the Contractor must agree to defend and indemnify the Participating Entity or the Purchasing Entity against any claim brought challenging the denial of the request under the trade secret exemption. Failure of the Contractor to provide an electronic copy of the redacted documents, or to defend and indemnify the Participating Entity or Purchasing Entity, will result in the full (unredacted) document being released in response to the request.

5. Lease Agreements: No equipment or goods of any sort shall be leased to Purchasing Entities under this PA.
6. Orders: Any order placed by a Participating Entity or Purchasing Entity for a product and/or service available from this Master Agreement shall be deemed to be a sale under (and governed by the prices and other terms and conditions) of the Master Agreement unless the parties to the order agree in writing that another contract or agreement applies to such order. For the purposes of this section, a purchase order from an entity which is not issued against the Master Agreement shall be considered a separate contract or agreement.
7. Entire Agreement: This PA and the Master Agreement together with their exhibits and attachments, set forth the entire agreement between the parties with respect to the subject matter of all previous communications, representations or agreements, whether oral or written, with respect to the subject matter hereof. Terms and conditions inconsistent with, contrary or in addition to the terms and conditions of this PA and the Master Agreement, together with their exhibits and attachments, shall not be added to or incorporated into this PA or the Master Agreement or their exhibits and attachments, by any subsequent order or otherwise, and any such attempts to add or incorporate such terms and conditions are hereby rejected. The terms and conditions of this PA and the Master Agreement and their exhibits and attachments shall prevail and govern in the case of any such inconsistent or additional terms.
