☐ No changes to the terms and conditions of the Master Agreement are required.

☒ The following changes are modifying or supplementing the Master Agreement terms and conditions.

- 9.1 Lease Agreement: Equipment leases are subject to the Terms and Conditions of the State of Idaho Master Copier Equipment Lease Agreement, attached as **Exhibit A**.

- 9.2 Assignment: In accordance with Idaho Code 67-9230(1), no contract or order or any interest therein (i.e. this PADD or individual orders placed against this PADD) shall be transferred by the Contractor to whom such contract or order is given to any other party, without the approval in writing of the Administrator of the Division of Purchasing. Transfer of a contract without approval shall cause the annulment of the contract so transferred, at the option of the Participating State. All rights of action, however, for any breach of this PADD by the contracting

parties are reserved to the Participating State.

9.3 **Amendments:** Amendments to the Master Agreement (including, but not limited to extensions, renewals, and modifications to the terms, conditions and pricing) will automatically be incorporated in this PADD unless the Participating State elects not to incorporate an amendment by providing written notification to Contractor; which notice must be provided within ten (10) business days of the date of the amendment to the Master Agreement, in order to be effective. Failure to provide notice will result in the Master Agreement amendment automatically being incorporated in this PADD.

9.4 **Governing Law:** Notwithstanding any provision to the contrary, the state of Idaho's PADD and all orders issued under the PADD by Ordering Entities within the state of Idaho, shall be construed in accordance with and governed by the laws of the state of Idaho. Any action to force the provisions of this PADD shall be brought in state district court in Ada County, Boise, Idaho. In the event any term of this PADD is held to be invalid or unenforceable by a court, the remaining terms of this PADD will remain in full force and effect. Except to the extent the provisions of the PADD are clearly inconsistent therewith, the PADD shall also be governed by the applicable provisions of the Idaho Uniform Commercial Code (IUCC).

9.5 **Administrative Fee and Quarterly Usage Report:** The prices to be paid by the Ordering Entities shall be inclusive of a one and one quarter percent (1.25%) Administrative Fee (the Participating State understands and agrees that Contractor will raise the negotiated Price Agreement prices by this amount). This additional percentage represents the Ordering Entity's contract usage administrative fee. On a quarterly basis, Contractor will remit to **State of Idaho, Attn: Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075** an amount equal to one and one quarter percent (1.25%) of Contractor's net (sales minus credits) quarterly Contract sales.

***For Example:** If the total of your net sales to Ordering Entities for one quarter = \$10,000, you would remit $\$10,000 \times 0.0125 = \125 to the Division of Purchasing for that quarter, along with the required quarterly usage report.*

Contractor will furnish detailed usage reports as designated by the Participating State. In ADDITION to any required detailed usage reports, Contractor must also submit a summary quarterly report of purchases made from the Contract utilizing the **PADD SUMMARY USAGE REPORT FORM** available for download at http://purchasing.idaho.gov/vendor_forms.html. A Summary Usage Report Form must be submitted for each quarter (enter "0" if no purchases were made during a quarter), and must include a breakdown of purchases by Entity Type (i.e. State Agency, Higher Education, K-12, City, County and 'other'), as provided on the Form.

EXHIBIT A

STATE OF IDAHO MASTER COPIER EQUIPMENT LEASE AGREEMENT

This **Master Copier Equipment Lease Agreement** is between:

Lessor

KYOCERA DOCUMENT SOLUTIONS AMERICA, INC

and

Lessee

State of Idaho

For individual lease agreements placed against this Master Lease Agreement, Lessee or "Leasing Entity" is the state agency or other Ordering Entity, as defined in PADD20200275 and identified on the individual Placement Form(s)

1 EQUIPMENT TO BE LEASED.

Lessor agrees to lease the equipment listed on each Placement Form to the Leasing Entity executing the Placement Form, for the Lease Term provided below; in accordance with the NASPO ValuePoint Master Agreement, Nevada No. 140599 (NASPO ValuePoint Agreement), and State of Idaho Participating Addendum **PADD20200275** (Idaho's PADD).

2 TRUE LEASE.

THIS MASTER COPIER EQUIPMENT LEASE AGREEMENT (MLA) IS A "TRUE LEASE" AND NOT AN INSTALLMENT OR FINANCING AGREEMENT.

3 LEASE TERM.

Each lease shall be effective as detailed on the associated Placement Form, unless sooner terminated by either party as set forth in Section 11, below.

3.1 Coterminal Lease Termination for Added Equipment. If a Leasing Entity chooses to add additional equipment to a current lease, as an add-on piece to an existing leased piece of equipment, the lease for the equipment and accessories must be coterminal (e.g. additional paper trays or sorting devices that cannot be operated on their own, but are subject to another larger piece of equipment for their use).

3.2 Lease Renewals. At the end of the original Lease Term, the Leasing Entity shall have the option to: (i) renew the schedule for a term no greater than the original Lease Term; (ii) extend on a month to month basis for a period of time not to exceed twelve (12) months; or (iii) return the Leased Equipment to Lessor. If the Leasing Entity desires to exercise a renewal or extension, it shall give Lessor written notice at least thirty (30) calendar days prior to the expiration of the Lease Term.

3.3 Holdover. Notwithstanding any language to the contrary, if the Leasing Entity fails to notify Lessor of its intent to renew, extend or return the Leased Equipment within the required time frame, the initial Lease Term shall automatically be converted to a month-to-month lease under the same terms and conditions; except that the holdover term may not exceed twelve (12) months; and the month-to-month lease may be terminated by the Leasing Entity upon thirty (30) calendar days written notice provided to Lessor.

3.4 Price Reduction for Renewals. Leases are subject to automatic price reductions at time of lease renewal, if exercised. Price reductions will consist of the following, at a minimum: (a) twelve (12) month extension - for original

lease terms of thirty-six (36) or forty-eight (48) month, a twenty (20)% lease payment reduction or (b) twenty-four (24) month extension - for original lease term of thirty-six (36) months a thirty-five (35)% lease payment reduction.

3.5 Lease Cancellation. By signing its Placement Form, the Leasing Entity agrees that EACH PLACEMENT FORM IS AN UNCONDITIONAL, NON-CANCELABLE AGREEMENT FOR THE MINIMUM TERM INDICATED ON THE PLACEMENT FORM FOR A LEASE MADE PURSUANT TO **PADD20200275**; except to the extent provided otherwise in this MLA or Idaho's PADD, with regard to Non-appropriation and Contractor breach.

4 DEFINITIONS.

"Leased Equipment" means the equipment described in the Leasing Entity's Placement Form; as well as any equipment replaced by Lessor during the term of the individual lease.

"Lease Term" means the term of the individual lease set forth in Section 3, above.

"Lessor" means the entity from whom the Ordering/Leasing Entity has leased equipment under the terms and conditions set forth in this MLA.

"Ordering Entity" and "Leasing Entity" are used interchangeably, and refer to the Idaho state agency or other public agency executing a Placement Form to lease copier equipment under Idaho's PADD and this MLA.

"Placement Form" means the form utilized by an Ordering Entity to place an order against Idaho's PADD (**Exhibit B** to Idaho's PADD).

"State" means the State of Idaho.

5 CONSIDERATION.

The parties agree that for the Lease Term set forth in Section 3, above, Lessor leases to the Ordering Entity the equipment described in **Exhibit B**, for the lease payment(s) set forth in **Exhibit B**. Lessor's service obligations on the Leased Equipment shall conform to the terms of the NASPO ValuePoint Master Agreement and Idaho's PADD. The State does not agree to reimburse Lessor for expenses unless otherwise specified in the incorporated documents.

5.1 Payments. The first scheduled payment (as specified in the Placement Form) will be due on or following the acceptance of the equipment (by written confirmation as described in Section 7); or such later date as Lessor may designate. The remaining Payments will be due on the same day of each subsequent month, unless otherwise specified on the applicable Placement Form.

6 CONDITION OF EQUIPMENT.

Leased Equipment must be new, unused, and the standard production model of the manufacturer's latest current design. Though they are not specifically covered herein, all parts necessary to provide a complete and efficient unit must be furnished and must include all accessories customarily furnished with this type of equipment. Such parts must conform to current engineering practices of the industry relative to design, strength, quality of material and workmanship.

7 DELIVERY, POSSESSION AND RETURN OF LEASED EQUIPMENT.

7.1 Delivery. Lessor is responsible for delivering Leased Equipment FOB Destination to the location(s) listed on the Placement Form; and installing the same, as provided in the NASPO ValuePoint Master Agreement.

7.2 Confirmation. Leasing Entity agrees to confirm delivery, installation and acceptance of all Leased Equipment covered by each Placement Form, by signing an acceptance certificate which shows acceptance of the equipment and allows Lessor to begin invoicing for the Leased Equipment. Leasing Entity agrees to sign and return to Lessor the acceptance certificate (which may be done electronically) within five (5) business days after any equipment is

installed. Failure to sign the acceptance certificate or reject the equipment within the five (5) business day period shall be deemed acceptance.

7.3 Possession. The Leasing Entity shall have possession of the Leased Equipment for the term set forth in Section 3 unless the lease is earlier terminated in accordance with the provisions of this MLA.

7.4 Equipment Moves. Leased Equipment may be moved to another Leasing Entity location subject to the requirements and conditions in the NASPO ValuePoint Master Agreement 140599.

7.5 End of Term Removal. At the expiration of the Lease Term, the Leasing Entity may renew, extend, or return the Leased Equipment, as provided in the NASPO ValuePoint Master Agreement, Idaho's PADD and Section 3 of this MLA. If the lease is not extended or renewed, the Leasing Entity will make the Leased Equipment available to Lessor for pickup at the Leasing Entity's premises. If the Leasing Entity is not in breach of the lease, all costs of removing and transporting the Leased Equipment at the expiration of the Lease Term shall be the responsibility of Lessor.

8 OWNERSHIP AND INSPECTION.

This is an agreement for leasing only. Leasing Entity will acquire no right, title or interest in or to the Leased Equipment, except those of a Lessee, as detailed in this MLA. Lessor covenants that it has good title to the Leased Equipment. Title of the Leased Equipment at all times shall remain in the Lessor's name. Leasing Entity shall keep the Leased Equipment free from any and all liens or claims and shall do or permit no act or thing whereby Lessor's title may be encumbered or impaired.

8.1 Property Taxes. Lessor will be responsible for the payment of any property taxes on the Leased Equipment.

8.2 Inspection. Leasing Entity will permit Lessor to inspect the Leased Equipment during Leasing Entity's regular business hours, upon a minimum of 24 hours advance notice.

9 DAMAGE, WARRANTY and MAINTENANCE.

Lessor bears the risk of loss until the Leased Equipment is delivered to the Leasing Entity's designated location and accepted by the Leasing Entity.

Leasing Entity shall maintain the Leased Equipment in as good condition as when received, ordinary wear and tear or defect excepted; and will be responsible for any damage to the Leased Equipment caused by Leasing Entity's negligence or misuse. This includes any damage caused by the use of supplies or accessories, not supplied by Lessor, which do not meet the manufacturer's specifications for use with the equipment; however, the Leasing Entity shall not be responsible for damage which occurs because of operation of the equipment during the existence of a malfunction, such as drum damage because of operation with a paper jam, or for damage caused through the use of accessories or supplies which are provided by Lessor.

Lessor shall be responsible for damage to, or loss of, the equipment caused by the negligence of the Lessor, the manufacturer, or from any other source other than the Leasing Entity, as detailed in the paragraph above.

All services performed under this MLA shall be of workmanlike quality, consistent with the standards of the trade, profession or industry. Lessor shall assign to the Leasing Entity all manufacturers' warranties on the Leased Equipment.

Lessor shall be responsible for ongoing service and maintenance of the Leased Equipment for the duration of the Lease Term, as provided in the NASPO ValuePoint Master Agreement and Idaho's PADD.

10 INSURANCE.

Lessor shall procure, maintain and keep in force for the duration of this Agreement insurance conforming to the requirements of the NASPO ValuePoint Master Agreement and Idaho's PADD.

Leasing Entities which are state of Idaho agencies are provided a comprehensive liability plan through the Risk Management Program (Program) established under Idaho Code section 67-5773 et seq. The Program utilizes the Retained Risk Account, which is funded and in effect subject to limitation on liability of the Tort Claims Act, Idaho Code section 6-901 et seq. In addition to the comprehensive liability plan, the Program covers certain property damage, subject to the deductibles established by the Program. Evidence of financial responsibility will be provided upon request, and will consist of a Certificate of Financial Responsibility.

Leasing Entities which are not state of Idaho agencies (e.g. cities, counties, public schools, etc.) may be required to provide to Lessor proof that the Leased Equipment is covered for the value thereof against property loss or damage while in the Leasing Entity's possession.

11 TERMINATION.

11.1 Mutual Termination. Any discretionary or vested right of renewal notwithstanding, this MLA, or any lease entered into under this MLA, may be terminated by mutual consent of the parties.

11.2 Termination for Default. A default or breach may be declared with or without termination. A lease entered into under this MLA may be terminated by either party upon written notice to the other party for any material breach or default by the other party of any terms, conditions, covenants, or obligations of this MLA. Notice of Termination for Breach or Default is effective 30 days following service of notice, or upon any subsequent date specified in the notice of termination.

11.3 Non-appropriation. Lessee is a government entity and this MLA shall not be construed so as to bind or obligate the State beyond the term of any particular appropriation of funds by the Idaho Legislature, as may exist from time to time. In the event the Idaho Legislature fails, neglects or refuses to appropriate funds to continue the Lease Payments, all affected future rights and liabilities of the parties shall thereupon cease within ten (10) calendar days after notice to the Lessor.

This Non-appropriation clause applies equally to individual Leasing Entities and their respective governing bodies (e.g. Board of Commissioners, City Councils, etc.).

12 NOTICE.

All notices or other communications required or permitted to be given under this MLA shall be in writing and shall be deemed to have been duly given if (a) delivered personally in hand, (b) delivered by confirmed facsimile; or (c) mailed postage prepaid, to the address specified above. For purposes of computing times from service of notice, service of notice by delivery in hand or via confirmed facsimile shall be effective on the date of confirmed delivery; notices that are mailed shall be effective on the third calendar day following the date of mailing (or on the date of confirmed receipt, with delivery confirmation).

13 GOVERNING LAW, JURISDICTION AND VENUE.

This MLA and the rights and obligations of the parties hereto (including Leasing Entities executing individual leases against the MLA) shall be governed by, and construed according to, the laws of the State of Idaho, without giving effect to any principle of conflict of laws that would require the application of the law of any other jurisdiction. Any action to enforce the provisions of the MLA shall be brought in State district court in Ada County, Boise, Idaho.

14 INCORPORATED DOCUMENTS.

This MLA incorporates the following attachments in descending order of constructive precedence; any additional Lessor Attachments shall not contradict or supersede any State specifications, terms or conditions without written evidence of mutual assent to such change appearing in this MLA, or as a subsequent fully executed amendment:

Any amendments to the NASPO ValuePoint Master Agreement or Idaho's PADD shall apply to this MLA. Unless otherwise expressly authorized by the terms of this MLA, no modification or amendment to this MLA shall be binding upon the parties unless the same is in writing and signed by the parties.
