On a quarterly basis, the Contractor shall remit to the Division of Purchasing an amount equal to one and one-quarter percent (1.25%) of the Contractor's net (sales minus credits) quarterly sales made under the PA. Administrative Fee payments and reports to the Division of Purchasing are due no later than 30 calendar days after the end of each calendar quarter. - d. **Governing Law.** This PA and all orders issued thereunder by Purchasing Entities shall be construed in accordance with, and governed by the laws of the state of Idaho, and the parties hereto consent to the jurisdiction and exclusive venue of the state courts of Ada county in the state of Idaho in the event of any dispute with respect to the PA.
- e. **Assignment.** The Contractor shall not assign this PA, or its rights, obligations, or any other interest arising from this PA, or delegate any of its performance obligations, without the express written consent of the Administrator of the Division of Purchasing. Transfer without such approval shall cause the annulment of the PA, at the option of the Participating Entity. All rights of action, however, for any breach of the PA are reserved to the Participating Entity. (I.C. § 67-5726(1)).

Notwithstanding the foregoing, to the extent required by applicable law (including I.C. § 28-9-406), Contractor may assign its right to payment on an account provided that the Participating Entity shall have no obligation to make payment to an assignee until thirty (30) calendar days after Contractor (not the assignee) has provided the responsible procurement officer with (a) proof of the assignment, (b) the identity of the specific state contract to which the assignment applies, and (c) the name of the assignee and the exact address to which assigned payments should be made. The Participating Entity may treat violation of the clause as an event of default.

- f. **Amendments.** Amendments to the Master Agreement (including, but not limited to extensions, renewals, and modifications to the terms, conditions and pricing) will automatically be incorporated in this PA unless the Participating Entity elects not to incorporate an amendment by providing written notification to Contractor; which notice must be provided within ten (10) business days of the date of the amendment to the Master Agreement, in order to be effective. Failure to provide notice in accordance with this section 4.f will result in the Master Agreement amendment automatically being incorporated in this PA.
- g. **Insurance.** Notwithstanding section 20, Insurance, of the Contract, the Contract is supplemented with the following provisions:

REQUIREMENT TO PROVIDE PROOF OF INSURANCE: The Contractor and its subcontractors (if the Contractor has any subcontractors that will provide goods or services to the Participating Entity under the PA) shall provide certificates of insurance to the Division of Purchasing for workers compensation insurance (see the paragraph below) and for the commercial general liability required section 20, Insurance, of the Contract. These certificates must be provided within seven (7) business days after the effective date of this PA, and all required insurance must be maintained by the Contractor for the entire term of this PA, including all renewal and extension periods.

For Workers' Compensation Insurance, the Contractor must provide either a certificate of Workers' Compensation insurance issued by a surety licensed to write Workers' Compensation Insurance in the state of Idaho or an extraterritorial certificate approved by the Idaho Industrial Commission from a state that has a current reciprocity agreement with the Idaho Industrial Commission.

- h. Order of Precedence. This PA consists of and precedence is established by the order of the following documents:
- i. This PA (this PA shall not diminish, change, or impact the rights of the Lead State with regard to the Lead State's contractual relationship with the Contractor under the terms of Master Agreement # 165264);
 - ii. State of Minnesota NASPO ValuePoint Master Agreement # 165264;
 - iii. The RFP, including all Addendums; and,
 - iv. Contractor's response to the RFP.
- i. Applicable Terms. The Participating Entity agrees to the terms and conditions of the Master Agreement only to the extent that the terms and conditions are not in conflict with this PA or with the laws of the state of Idaho.
- j. Records Maintenance. The Contractor shall maintain or supervise the maintenance of all financial records necessary to properly account for all payments made to the Contractor for the costs authorized by the PA. These financial records shall be retained by the Contractor for at least three (3) years after the PA terminates or expires, or until all audits initiated within the three (3) years have been completed, whichever is later.
- k. Price Agreement Numbers. All orders issued by Purchasing Entities under this PA shall include the following price agreement numbers:
- | | |
|--------|--------------|
| 165264 | PADD20200288 |
|--------|--------------|
- l. Termination for Convenience. The Participating Entity may terminate this PA for its convenience, in whole or in part, with or without cause, upon thirty (30) calendar days' written notice to the Contractor specifying the date of termination if the Participating Entity determines it is in its best interest.

**PUBLIC SAFETY VEHICLE ACCESS & LED LIGHT BARS, SIRENS,
WARNING & ACCESSORIES**

Led by the State of Minnesota

- m. Termination for Default. The Participating Entity may terminate this PA when the Contractor has been provided written notice of default or non-compliance and has failed to cure the default or noncompliance within a reasonable time, not to exceed thirty (30) calendar days, unless such longer period of time is mutually agreed upon between the parties in writing. If the Contract is terminated for default or noncompliance, the Contractor will be responsible for any costs resulting from the Participating Entity's award of a new contract and any damages incurred by the Participating Entity. The Participating Entity, upon termination for default or non-compliance, reserves the right to take any legal action it may deem necessary including, without limitation, offset of damages against payment due.

A Purchasing Entity may terminate an order when the Contractor has been provided written notice of default or non-compliance and fails to cure such breach or non-compliance within thirty (30) calendar days of receiving written notice of said breach or non-compliance.

- n. Public Records and Trade Secrets. Title 74, Chapter 1, Idaho Code (the Public Records Act) provides for the examination of public records, including records related to procurements and contracts. Section 74-107 details an exemption to examination of records deemed "trade secrets." Generally, this exemption describes trade secrets to "include a formula, pattern, compilation, program, computer program, device, method, technique or process that derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by other persons and is subject to the efforts that are reasonable under the circumstances to maintain its secrecy."

Upon request, the Contractor must provide an electronic copy of any documents related to this PA, with any information it has determined to meet the Idaho Code definition of trade secret redacted within three (3) business days. The Contractor must redact only that information which meets the definition of "trade secret;" entire documents identified as "confidential" will not be accepted. The Contractor must also provide a separate document entitled "List of Redacted Trade Secret Information" which provides a succinct list of all trade secret information noted in your Document; listed in the order it appears in your submittal documents, identified by Page #, Section #/Paragraph #, Title of Section/Paragraph, specific portions of text/illustrations; or in a manner otherwise sufficient to allow the Participating Entity's procurement personnel to determine the precise text/material subject to the notation. Additionally, this list must identify with each notation the specific basis for your position that the material be treated as exempt from disclosure and how the exempting the material complies with the Public Records Law. In the event the Participating Entity or Purchasing Entity receives a request pursuant to the Public Records Act, which includes information deemed "trade secret" by the Contractor, the Contractor must agree to defend and indemnify the Participating Entity or the Purchasing Entity against any claim brought challenging the denial of the request under the trade secret exemption. Failure of the Contractor to provide an electronic copy of the redacted documents, or to defend and indemnify the Participating Entity or Purchasing Entity, will result in the full (unredacted) document being released in response to the request.
