5. Participating Entity Modifications and Additions to the Master Agreement: The following changes modify or supplement the Master Agreement terms and conditions.

5.1 Governing Law: Notwithstanding any provision to the contrary, the State of Idaho's PA and all orders issued under the PA by Ordering Entities within the state of Idaho, shall be construed in accordance with and governed by the laws of the state of Idaho. Any action to enforce the provisions of this PA shall be brought in state district court in Ada County, Boise, Idaho. In the event any term of this PA is held to be invalid or unenforceable by a court, the remaining terms of this PA will remain in full force and effect. Except to the extent the provisions of the PA are clearly inconsistent therewith, the PA shall also be governed by the applicable provisions of the Idaho Uniform Commercial Code (IUCC).

5.2 Amendments: Amendments to the Master Agreement, including but not limited to extensions, renewals, and modifications to the terms, conditions, and pricing, will automatically be incorporated in this PA unless the Participating Entity elects not to incorporate an amendment by providing written notification to the Contractor, which notice must be provided within ten (10) working days of the date of the amendment to the Master Agreement, in order to be effective. Failure to provide notice in accordance with this Section will result in the Master Agreement amendment automatically being incorporated in this PA.

5.3 Taxes: The State is generally exempt from payment of state sales and use taxes and from personal property tax for property purchased for its use. The State is generally exempt from payment of federal excise tax under a permanent authority from the District Director of the Internal Revenue Service (Chapter 32 Internal Revenue Code [No. 82-73-0019K]). Exemption certificates will be furnished as required upon written request by the Contractor. If the Contractor is required to pay any taxes incurred as a result of doing business with the State, it shall be solely responsible for the payment of those taxes. If, after the effective date of the Contract, an Idaho political subdivision assesses, or attempts to assess, personal property taxes not applicable or in existence at the time the Contract becomes effective, the State will be responsible for such personal property taxes, after reasonable time to appeal. In no event shall the State be responsible for personal property taxes affecting items subject to the Contract at the time it becomes effective.

5.4 Certification Concerning Boycott of Israel: On April 26, 2021, Governor Little signed Senate Bill 1086. The bill creates a new section of code requiring all public entities in Idaho to insert a certification regarding boycotts of Israel in contracts and renewals of contracts that are effective on or after July 1, 2021. The Contractor certifies as follows:

Certification Concerning Boycott of Israel. Pursuant to Idaho Code section 67-2346, if payments under the Contract exceed one hundred thousand dollars (\$100,000) and Contractor employs ten (10) or more persons, Contractor certifies that it is not currently engaged in, and will not for the duration of the Contract engage in, a boycott of goods or services from Israel or territories under its control. The terms in this section defined in Idaho Code section 67-2346 shall have the meaning defined therein.

5.5 Disclosure of Abortion Related Matters: The State is subject to the No Public Funds for Abortion Act, Idaho Code title 18, chapter 87 (the "Act") and State employees who intentionally violate the provisions of the Act are subject to criminal prosecution. This provision is included in this letter to aid in compliance with the Act. The state of Idaho (State) requests that Contractor disclose, unless Contractor is within one of the exemptions provided in the Act, if it or an affiliate is or becomes, during the term of the Contract, an abortion provider and if it will use State facilities or public funds to provide, perform, participate in, promote or induce, assist, counsel in favor, refer or train a person for an abortion related activity. Please refer to the Act for definitions of the terms used in this section.

5.6 Idaho Administrative Fee and Quarterly Usage Report: This PA is subject to an Administrative Fee of one and one-quarter percent (1.25%), based on orders placed against the PA for product purchases, as follows:

The prices to be paid by the Purchasing Entity must be inclusive of a one and one-quarter percent (1.25%) Administrative Fee. On a quarterly basis, Contractor must remit to **State of Idaho, Attn: Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075** an amount equal to one and one-quarter percent (1.25%) of Contractor's net (sales minus credits) quarterly PA sales.

Contractor must furnish detailed usage reports as designated by the Participating Entity. The Contractor must also submit a summary quarterly report of purchases made from the PA to purchasing@adm.idaho.gov, utilizing the Summary Usage Report Form available for download at <https://purchasing.idaho.gov/information-for-vendors/>.

For example: if the total of Contractor's net sales to the Purchasing Entity for one quarter = \$10,000, Contractor would remit $\$10,000 \times 0.0125 = \125 to the Division of Purchasing for that quarter, along with the required quarterly usage report.

Refund of Administrative Fee: In the event that this PA is cancelled by the Participating Entity through no fault of the Contractor, or if item(s) are returned by the Purchasing Entity through no fault, act, or omission of the Contractor after the sale of any such item(s) to the Purchasing Entity, the Participating Entity will refund the Contractor any Administrative Fees remitted. Administrative Fees will not be refunded or returned when an item is rejected or returned, or declined, or the PA cancelled by the State due to the Contractor's failure to perform or comply with specifications or requirements of this PA or Master Agreement. If, for any other reason, the Contractor is obligated to refund to the Participating Entity all or a portion of the Participating Entity's payment to the Contractor, or the Participating Entity withholds payment because of the assessment of liquidated damages, the Administrative Fee will not be refunded in whole or in part.

Failure to Remit Administrative Fee: If a Contractor fails to remit the Administrative Fee, as provided above, the Participating Entity, at its discretion, may declare the Contractor in default; cancel the Contract; assess and recover re-procurement costs from the Contractor (in addition to all outstanding Administrative Fees); seek State or federal audits, monitoring or inspections; and/or exclude Contractor from participating in future participating addenda.

5.7 Assignment: Contractor shall not assign this PA, or its rights, obligations, or any other interest arising from this PA, or delegate any of its performance obligations, without the express written consent of the Administrator of the Division of Purchasing. Transfer without such approval shall cause the annulment of the PA, at the option of the State. All rights of action, however, for any breach of the PA are reserved to the State. (I.C. § 67-9230).

Notwithstanding the foregoing, to the extent required by applicable law (including I.C. § 28-9- 406), Contractor may assign its right to payment on an account provided that the State shall have no obligation to make payment to an assignee until thirty (30) days after Contractor (not the assignee) has provided the responsible procurement officer with (a) proof of the assignment, (b) the identity of the specific state contract to which the assignment applies, and (c) the name of the assignee and the exact address to which assigned payments should be made. The state may treat violation of the clause as an event of default.

5.8 Public Records and Trade Secret:

A) Pursuant to Idaho Code Section 74-101, et seq., information or documents received by the State will be open to public inspection and copying unless the material is exempt from disclosure under applicable law. The person or entity submitting the material must clearly designate specific information within the document as “exempt,” if claiming an exemption; and indicate the basis for such exemption (e.g. Trade Secret). The State will not accept the marking of an entire document as exempt; or a legend or statement on one page that all, or substantially all, of the document is exempt from disclosure.

B) Contractor shall indemnify and defend the State against all liability, claims, damages, losses, expenses, actions, attorney fees and suits whatsoever for honoring such a designation or for the Contractor’s failure to designate specific information within the document as exempt. The Contractor’s failure to designate as exempt any document or portion of a document that is released by the State shall constitute a complete waiver of any and all claims for damages caused by any such release. If the State receives a request for materials claimed exempt by the Contractor, the Contractor shall provide the legal defense for such claim.

5.9 Terms and Conditions in the Master Agreement that Do Not Apply to this PA: Any terms or conditions contained in the Master Agreement that do the following are not applicable to this PA:

Waive the sovereign immunity of the state of Idaho;

Subject the state of Idaho, its agencies, or political subdivisions of the state of Idaho to the jurisdiction of the courts of other states.

Limit the time in which the state of Idaho, its agencies, or political subdivisions of the state of Idaho may bring a legal claim to a period shorter than that provided in Idaho law.

Impose a payment obligation, including a rate of interest for late payments, less favorable than the obligations set forth in Section 67-2302, Idaho Code; or,

Require the state of Idaho, its agencies, or political subdivisions of the state of Idaho to accept arbitration or to waive right to a jury trial.

Require indemnification not specifically authorized by the Idaho legislature or subject to appropriation (pursuant to Section 67-9213, Idaho Code, and Section 59-1016, Idaho Code).

Hold employees or officers of the state of Idaho and of political subdivisions of the state of Idaho personally liable.

Any limitations, modifications, or additions specified herein apply only to the agreement and relationship between Participating Entity and Contractor and shall not amend or affect other participating addendums or the Master Agreement itself.

5. Lease Agreements: **Reserved.**

6. Subcontractors: All contactors, dealers, and resellers authorized in the State of **IDAHO**, as shown on the dedicated Contractor (cooperative contract) website, are approved to provide sales and service support to participants in the NASPO ValuePoint Master Agreement. The contractor's dealer participation will be in accordance with the terms and conditions set forth in the aforementioned Master Agreement.

7. Insurance:

7.1 CGL insurance shall be written on ISO occurrence form CG 00 01 (or a substitute form providing equivalent coverage) and shall cover liability arising from premises, operations, independent contractors, products-completed operations, personal and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).

7.2 Workers Compensation Insurance and Employer's Liability. Contractor shall maintain workers compensation and employer's liability. The employer's liability shall have limits not less than \$1,000,000 each accident for bodily insurance by accident, \$1,000,000 disease policy limit, and \$1,000,000 disease, each employee.

7.3 Contractor must provide either a certificate of workers compensation insurance issued by a surety licensed to write workers compensation insurance in the State of Idaho, as evidence that the contractor has in effect a current Idaho workers compensation insurance policy, or an extraterritorial certificate approved by the Idaho Industrial Commission from a state that has a current reciprocity agreement with the Idaho Industrial Commission.

7.4 State of Idaho as Additional Insured: The liability insurance coverage required for performance of the Contract shall include the State of Idaho, the (agency) and its divisions, officers and employees as additional insured, but only with respect to the Contractor's activities to be performed under this Contract.

7.5 The Contractor must provide proof of the State of Idaho, the (agency) and its divisions, officers and employees being additional insured by providing endorsements to the liability insurance policies showing the State of Idaho, the (agency) and its divisions, officers and employees as additional insured. The endorsements must also show the policy numbers and the policy effective dates.

7.6 If a liability insurance policy provides for automatically endorsing additional insured when required by contract, then, in that case, the Contractor must provide proof of the State of Idaho, the (agency) and its divisions, officers and employees being additional insured by providing copies of the policy pages that clearly identify the blanket endorsement.

7.7 Notice of Cancellation or Change: Contractor shall ensure that should any of the above described policies be cancelled before the expiration date thereof, or if there is a material change, potential exhaustion of aggregate limits or intent not to renew insurance coverage(s), that written notice will be delivered to the Division of Purchasing (if the Contract was issued by the Division) or to the Purchasing Activity (contracting state agency) in accordance with the policy provisions.

7.8 Contractor shall request that all policies of insurance are endorsed to read that any failure to comply with the reporting provisions of this insurance, except for the potential exhaustion of aggregate limits, shall not affect the coverage(s) provided to the State of Idaho, and its divisions, officers and employees.

7.9 Acceptable Insurers and Deductibles: Insurance coverage required under the Contract shall be obtained from insurers rated A-VII or better in the latest Bests Rating Guide and in good standing and authorized to transact business in Idaho. The Contractor shall be financially responsible for all deductibles, self-insured retention's and/or self-insurance included hereunder. The coverage provided by such policy will be primary to any coverage of the State on or related to the contract and shall provide that the insurance afforded applies separately to each insured against whom a claim is made, except with respect to the limitation of liability.

7.10 Waiver of Subrogation: All policies shall contain waivers of subrogation. The Contractor waives all rights against the State and its officers, employees, and agents for recovery of damages to the extent these damages are covered by the required policies. Policies may contain deductibles but such deductibles will not be deducted from any damages due to the State.

8. Orders: Any order placed by a Participating Entity or Purchasing Entity for a product and/or service available from this Master Agreement shall be deemed to be a sale under (and governed by the prices and other terms and conditions) of the Master Agreement unless the parties to the order agree in writing that another contract or agreement applies to such order.
