Master Agreement: 23019

Contractor Name: Panasonic Connect North America, Division of Panasonic Corporation of North America

All Awarded Bands

1. Per Transaction Multiple Unit Discount(s)

Contractor provides a contractual volume discount program as follows based on dollars in a single purchase order or combination of purchase orders submitted at one time by a Purchasing Entity, or multiple entities conducting a cooperative purchase.

Panasonic's volume discount applies to fully ruggedized TOUGHBOOK computers and tablets. It is calculated not on purchase price but on the quantity of the same model of TOUGHBOOK equipment purchased by each specific end-user customer per transaction.

An end-user customer purchasing 50 to 99 units of the same TOUGHBOOK model will receive a 2-percent discount off contract pricing.

An end-user customer purchasing 100 units or more will receive a 4-percent discount off contract pricing.

2. Cumulative Discount(s)

Contractor provides a cumulative volume discount as follows based on dollars resulting from the cumulative purchases by all purchases made by Purchasing Entities for the duration of the Master Agreement.

Cumulative discounts are not available at this time; however, in the instance that a State defines standardization of a Panasonic equipment model for use across the State, and multiple State entities or local entities within the State subsequently purchase the equipment model per State standardization, Panasonic may work with the State to provide additional discounts to the end-user purchasers.

3. Other Discount(s)

Additional discount(s) available.

Panasonic offers promotional pricing in which deeper discounts—an additional percentage off contract pricing—are available on specified products based on inventory and sales. Such promotional pricing is offered for a defined period (e.g., quarterly, defined as approximately 3 months).

Panasonic also provides piggyback pricing to local entities within States that have signed a NASPO Participating Addendum.
