POLICY DIRECTIVE NO. 15-1 **EFFECTIVE August 7, 2015**

Pursuant to section 67-5720, Idaho Code and Idaho Purchasing Rule 42.10(iv) (IDAPA 38.05.01.42.10(iv)), a determination has been made that competitive solicitation procedures are impractical, disadvantageous or unreasonable when applied to the following services:

Limited duration (or seasonal) work and job training opportunities for the youth of Idaho established through a written agreement with a Youth or Conservation Corps (or similar entity) designed to provide work experience, life skills, education and training to qualifying youth (generally defined as individuals between the age of 16 and 25).

The conditions applicable for the exemption to apply are as follows:

1. The state entity must request the exemption in writing, stating the basis for the request and the request must be evidenced by a draft agreement with the Youth or Conservation Corps;
2. The administrator must grant the request in writing;
3. The state entity shall, upon request of the administrator, provide an accounting of moneys spent pursuant to the exemption;
4. The exemption must be reviewed by the administrator no less than every five (5) years; and
5. The administrator may revoke the exemption at any time if the administrator determines the terms of the exemption are not being met or if revocation is in the best interest of the state.
