STATE AND LOCAL MPA TERMS AND CONDITIONS
(E500 11/03/2016)

ARTICLE 1—DEFINITIONS

All definitions in other parts of the MPA shall have the same meaning in this Esri MPA Terms and Conditions. In addition, the following definitions apply to this MPA:

- a. **"Authorized Entity"** means an agency, department, division, or political subdivision of the governmental entity authorized by Customer to order and acquire Products, Product-related services, and training under this Agreement.
- b. **"License Agreement"** means the applicable license agreement incorporated by this reference that is (i) found at <http://www.esri.com/legal/software-license>, composed of the General License Terms and Conditions (E204) and Exhibit 1, Scope of Use (E300), and available in the installation process requiring acceptance by electronic acknowledgment or (ii) a signed license agreement between Esri and Licensee that supersedes such electronically acknowledged license agreement.
- c. **"Licensee"** means the Customer or an Authorized Entity that places orders pursuant to this Agreement.
- d. **"Products"** means Software, Data, Online Services, and Documentation.

ARTICLE 2—TERM OF AGREEMENT

Licensee's right to purchase under this Agreement shall remain in effect for two (2) years from the effective date (April 1st, 2018) unless terminated earlier as set forth in Article 5—Termination; Cancellation. The term may be extended upon mutual written agreement between parties. The term of any Product licenses ordered through this Agreement shall be as stated in the License Agreement. Esri may elect to not renew this Agreement should total orders for licenses, training, consulting, or custom application development not exceed fifty thousand dollars (\$50,000.00) per year or one hundred thousand dollars (\$100,000.00) for any two (2)-year period.

ARTICLE 3—PRODUCT OFFERINGS

3.1 Discontinued and New Items. Esri may, at its sole discretion, discontinue offering any Products and services included in this Agreement upon the submittal of an updated MPA Price List. Esri may, at its sole discretion, offer new Products, services, or larger quantity discount pricing by the submittal of an updated MPA Price List.

3.2 License Agreement. Esri may require additional or different license terms prior to the use of new Products or services. Such additional terms shall be available on Esri's website, included with a quote, or included with the deliverable Products and found at <http://www.esri.com/legal>. The then-current License Agreement shall become part of this Agreement upon (i) ordering Products or services or (ii) thirty (30) days after Licensee's receipt of Products or services, whichever is sooner.

ARTICLE 4—GRANT OF LICENSE AND SCOPE OF USE

The license grant and permitted uses specified in Article 3 and Article 4 of the License Agreement are restricted to use within the continental United States; Hawaii; Alaska; and US territories, excluding Puerto Rico and the US Virgin Islands.

ARTICLE 5—TERMINATION; CANCELLATION

5.1 Termination

- a. **Termination for Convenience.** This Agreement may be terminated by either party upon forty-five (45) days' written notice. Esri, at its sole election, may terminate the right of any Authorized Entity to participate in this Agreement in accordance with this provision without terminating this Agreement with respect to Customer or any other Authorized Entity.
- b. **Termination for Material Breach.** Without prejudice to any other right or remedy available, this Agreement may be terminated for material breach, provided the breaching party is given thirty (30) days' written notice. Termination of this Agreement shall be effective upon written notice to Licensee if Licensee discloses any trade secret or other information proprietary to Esri in breach of this Agreement.

- c. **Licensee Obligations upon Termination.** On termination of this Agreement, all accounts and payments will be processed according to financial arrangements set forth herein for performance rendered to the date of termination. After termination, Licensee shall no longer be permitted to place orders under this Agreement.
- d. **License Survival.** Upon expiration of this Agreement or voluntary termination of this Agreement (as per section 5.1.a or elsewhere in this Agreement), Licensee may continue to retain and use such licensed Products in accordance with the License Agreement. Licensee may then directly and separately contract for Product maintenance.

5.2 Cancellation of an Order. Purchase orders, other than for the initial purchase, may be canceled by Licensee in whole or in part, upon forty-five (45) days' written notice to Esri. There will be no cancellation charge for canceled Products unless such Products have been delivered. If Products have been shipped, the cancellation will require Licensee payment of return shipping costs. There are no refunds for cancellation of a subscription or maintenance if the term for the subscription or maintenance has started.

ARTICLE 6—NO MINIMUM PURCHASE

Licensee does not guarantee to purchase any certain quantity under this Agreement.

ARTICLE 7—ORDERS

7.1 Licensee Purchase Orders. Licensee shall issue purchase orders to Esri for Products or services based on the pricing specified in this Agreement. The terms and conditions of this Agreement shall govern all orders issued by Licensee. Any additional or different terms included with an order are void and of no legal effect even if Esri processes the order without taking exception to such additional or different terms.

7.2 Purchase Order Requirements. The following information shall be included in each purchase order:

- a. Name or identification of Licensee, place of delivery, and the end-user name and contact information
- b. Purchase order number
- c. Primary site for maintenance if primary maintenance is *not* ordered
- d. Quantity, description, and unit price
- e. On the face of the purchase order, the following printed statement: "Subject to Master Purchase Agreement No. 325145."

7.3 Additional Quotes. Licensee may request a quote for any new or unlisted Products or services and issue a purchase order under this Agreement.

7.4 Authorized Entity. An Authorized Entity may order or acquire Products, Product-related services, professional services, or maintenance subject to the terms and conditions of this Agreement. Authorized Entities will be required to incorporate by reference the terms of this Agreement into any purchase order or other related ordering document. Esri shall not fill any purchase orders that do not adequately provide the information identified in Section 7.2.

ARTICLE 8—RESERVED

ARTICLE 9—PRICING

9.1 Pricing. Esri will provide Products, Product-related services, professional services, maintenance, and training specified at the prices incorporated into this Agreement. The specified prices stated in the incorporated Esri Price List are exclusive of shipping, installation, and applicable taxes. Esri may update the Esri Price List. Such updates may be given by email notice to Customer no more than once each calendar quarter except prices for individual items may be updated by email at any time if they fall below Esri's GSA pricing.

9.2 Custom Software and Application Services. Custom software and application services are available on a time and materials or firm fixed price basis via a task order signed by the agency contracting for the time and material services and Esri. The License Agreement contains the applicable terms, staffing, and hourly labor rates (hourly rates applicable only for time and materials projects) for any such work to be performed under this Agreement. Labor rates are subject to annual escalation in January of each year, which escalation shall not exceed 4%. The scope of work and any additional terms are

subject to mutual agreement in the task order. Information and arrangements regarding Custom Software and Application Services are available from the Implementation Services Program Manager, at 909-793-2853, extension 1546.

9.3 Training Services. Training will be provided in accordance with the policies defined at <http://www.esri.com> and the License Agreement incorporated herein. Training prices are subject to annual escalation, not to exceed seven and one half percent (7.5%) in January of each year.

9.4 Reserved.

ARTICLE 10—MAINTENANCE

Esri will provide maintenance, composed of updates and technical support as specified in the latest US Software Maintenance Program found on the Esri website at <http://esri.com/legal/maintenance>.

Maintenance is generally offered on an annual basis. Upon expiration of any complimentary maintenance year or any subsequent maintenance term, Licensee may issue a purchase order under this Agreement for renewal of maintenance at the terms and pricing then in effect. Upon acceptance of an Esri quotation, the purchase order shall be issued in advance or no later than concurrent with the present maintenance term. If an optional maintenance term lapses, Licensee must pay reinstatement fees equivalent to back maintenance fees calculated from the date of discontinuance to reinstate maintenance.

ARTICLE 11—TERMS OF COMPENSATION AND ACCEPTANCE

11.1 Terms of Compensation. Products will be invoiced one hundred percent (100%) upon delivery or supply of download codes. Online services will be invoiced one hundred percent (100%) upon issuance of authorization codes. Software installation, as applicable, will be invoiced upon completion. Training services shall be invoiced on the first day of class. Licensee agrees to pay each invoice in full within thirty (30) days of receipt of a valid invoice.

11.2 Acceptance. Unless rejected in writing, acceptance of any delivery of Products shall be presumed to have occurred upon download or not later than fifteen (15) days after delivery by Esri. Acceptance of online services occurs upon issuance of authorization codes. If Esri installation is ordered, acceptance occurs upon completion of Esri Products installation and testing, unless rejected in writing.

11.3 Rejection of Order. Esri may reject any purchase order if Licensee fails or refuses to pay any license or service fee due and payable.

ARTICLE 12—GENERAL PROVISIONS

12.1 Order of Precedence. The General Provisions and Limitations of Liability provisions of the License Agreement shall apply to the entire Agreement unless specifically stated otherwise and are supplemented by the provisions set forth in this Article 12. In the event of a conflict between the terms of documents in this Agreement, the documents will have the following precedence: (i) Esri MPA Terms and Conditions (E500), and (ii) the License Agreement.

12.2 Legal Notice. Legal notice required or contemplated by either party must be delivered in person or by courier, express mail, facsimile, or postage-prepaid certified or registered airmail addressed to the party for whom it is intended at the address specified herein. 1.2 Consultant or Contractor Access. Customer may authorize its consultants or contractors to (i) host Esri Offerings for Customer's benefit and (ii) use Esri Offerings exclusively for Customer's benefit. 1.3 Reservation of Rights. All Esri Offerings are the copyrighted works of Esri or its licensors; all rights not specifically granted in this Agreement are reserved.

1.4 Trial, Evaluation, and Beta Licenses. Products acquired under a trial or evaluation license or subscription or under a Beta program are intended for evaluation and testing purposes only and not for commercial use. Any such use is at Customer's own risk, and the Products do not qualify for Maintenance. If Customer does not convert to a purchased license or subscription prior to the expiration of the evaluation term, Customer may lose any Customer Content and customizations made during the evaluation term. If Customer does not wish to purchase a license or subscription, Customer should export such Customer Content before the end of Customer's evaluation period.

Customer shall not use Products for revenue-generating or for-profit purposes.

1.6 Grant Programs. Customer may use Esri Offerings provided under a grant program for noncommercial purposes only. Except for cost recovery of using and operating the Esri Offerings, Customer shall not use Esri Offerings for revenue-generating or for-profit purposes.

- a. **Concurrent Use License:** Customer may install and use the Software on computer(s) on a network, but the number of simultaneous users may not exceed the number of licenses acquired. A Concurrent Use License includes the right to run passive failover instances of Concurrent Use License management software in a separate operating system environment for temporary failover support.
- b. **Deployment License:** Customer may incorporate ArcGIS Runtime components in Value-Added Applications and distribute the Value-Added Applications to Customer's end users.
- c. **Deployment Server License:** Customer may use the Software under a Server License for all uses permitted in the Agreement and as described in the Documentation.
- d. **Development Server License:** Customer may use the Software under a Server License only to build and test Value-Added Applications as described in the Documentation.
- e. **Development Use:** Customer may install and use the Software to build and test Value-Added Applications as described in the Documentation.
- f. **Dual Use License:** Customer may install the Software on a desktop computer and use it simultaneously with either a personal digital assistant (PDA) or handheld mobile computer as long as the Software is only used by a single individual at any time.
- g. **Failover License:** Customer may install Software on redundant systems for failover operations, but the redundantly installed Software may be operational only during the period the primary site is nonoperational. Except for system maintenance and updating of databases, the redundant Software installation(s) will remain dormant while the primary site (or any other redundant site) is operational.
- h. **Redistribution License:** Customer may reproduce and distribute the Software provided that
 - 1. Customer reproduces and distributes the Software in its entirety;
 - 2. A license agreement that protects the Software to the same extent as this Agreement accompanies each copy of the Software, and the recipient agrees to the terms and conditions of the license agreement;
 - 3. Customer reproduces all copyright and trademark attributions and notices; and
 - 4. Customer does not charge others a fee for the use of the Software.
- i. **Server License:** Customer may install and use the Software on a server computer. Server licenses may be subject to a limited number of server cores or distributed deployment on multiple servers as described in the Ordering Documents or Documentation. If the Software description includes failover use, each Server License includes a Failover License.
- j. **Single Use License:** Customer may permit a single authorized end user to install and use the Software on a single computer. Customer may permit the single authorized end user to install a second copy for the end user's exclusive use on a second computer as long as only 1 copy of Software is in use at any time. No other end user may use Software under the same license at the same time for any other purpose.
- k. **Staging Server License:** Customer may use the Software under a Server License to build and test Value-Added Applications and map caches; conduct user acceptance, performance, and load testing of other third-party software; stage new commercial data updates; and conduct training activities as described in the Documentation. Customer may use Value-Added Applications and map caches with Development and Deployment Servers.

2.2 Permitted Uses

 - 1. Install, access, or store Software and Data on electronic storage device(s);
 - 2. Make archival copies and routine computer backups;
 - 3. Install and use a newer version of Software concurrently with the version to be replaced during a reasonable transition period not to exceed 6 months, provided that the deployment of either version does not exceed Customer's licensed quantity; thereafter, Customer will not use more Software in the

aggregate than Customer's total licensed quantity. This concurrent use right does not apply to Software provided under a Development License.

4. Move the Software in the licensed configuration to a replacement computer;
 5. Distribute to third parties Software and any associated Authorization Codes required for use of a Deployment License; and
 6. Use server Software for Commercial ASP Use if Customer has procured a Commercial ASP Use license or is a governmental or not-for-profit organization that operates a website or offers an Internet-service on a cost-recovery basis and not for profit.
- b. Customer may customize Software using any macro or scripting language, APIs, or source or object code libraries but only to the extent that such customization is described in Documentation.
 - c. Customer may use all fonts provided with the Software for any authorized use of the Software. Customer may also use Esri fonts separately to print any output created by the Software. Any use restrictions for third-party fonts included with the Software are set forth in the font file itself.
 - d. Addendum 1 provides Product-specific terms of use for individual Software. Esri may issue updates to Addendum 1 from time to time.

- c. Customer may transfer Value-Added Applications to any third party for use in conjunction with the third party's own Online Services subscription.

5. Customer may not enable Anonymous Users to access Value-Added Applications that are intended for Customer's internal use only; Value-Added Applications used internally require each user to use Named User login credentials.

3.4 Customer's Responsibilities

- a. Customer is solely responsible for the development and operation of Customer Content and Value-Added Applications and for its Named Users' compliance with this Agreement. Customer and its Named Users or Anonymous Users (if applicable) are the only persons authorized to access Online Services through Customer's subscription. Named Users' login credentials are for designated Named Users only and may not be shared with other individuals. Customer may assign former Named Users' login credentials to new Named Users if the former users no longer require access to Online Services.

3.5 Modifications of Online Services. Esri may change Online Services and associated APIs at any time, subject to 30 days' notice of material changes and 90 days' notice for deprecations. If any modification, discontinuation, or deprecation of Online Services causes a material, adverse impact to Customer's operations, Esri may, at its discretion, attempt to repair, correct, or provide a workaround for Online Services. If a viable solution is not commercially reasonable, Customer may cancel its subscription to Online Services, and Esri will issue a prorated refund.

3.6 Subscription Fee Changes. Esri may change fees for subscriptions with a term greater than 1 month by notifying Customer at least 60 days prior to expiration of the then-current subscription term. Esri may change monthly subscription fees upon 30 days' notice. Outside the United States, the distributor may provide notice of rate changes.

3.7 Customer Content

Customer hereby grants Esri and Esri's vendors or licensors a nonexclusive, nontransferable, worldwide right to host, run, and reproduce Customer Content solely for the purpose of enabling Customer's use of Online Services. Without Customer's permission, Esri will not access, use, or disclose Customer Content except as reasonably necessary to support Customer's use of Online Services, respond to Customer's requests for customer support, or troubleshoot Customer's subscription or for any other purpose authorized by Customer in writing. If Customer accesses Online Services with an application provided by a third party, Esri may disclose Customer Content to such third party as necessary to enable interoperability between the application, Online Services, and Customer Content. Esri may disclose Customer Content if required to do so by law or regulation or by order of a court or other government body, in which case Esri will provide prompt notice so that Customer may seek to limit the scope of disclosure or obtain a protective order. unless Customer requests a shorter window of availability or Esri is legally prohibited from doing so. Thereafter, Customer's right to access or use Customer Content with Online Services will end, and Esri will have no further obligations to store or return Customer Content.

3.8 Limits on Use of Online Services, Service Credits. Each Online Services subscription includes Service Credits as described in the applicable Ordering Document. Each Service Credit entitles Customer to consume a set amount of Online Services, the amount varying depending on the Online Services that Customer is using. As Customer consumes Online Services, Service Credits are automatically debited from Customer's subscription, up to the maximum number of Service Credits available. Customer may purchase additional Service Credits as needed. Esri will notify Customer's subscription account administrator when Customer's Service Credit consumption reaches approximately 75% of the Service Credits allocated to Customer through Customer's subscription. Esri reserves the right to suspend Customer's access to Online Services that consume Service Credits when Customer has consumed all its Service Credits. 3.1 Limited Warranties. Except as disclaimed below, Esri warrants to Customer that (i) Esri will make a good faith effort to ensure its Offerings comply with the applicable Specifications and (ii) Services will conform to the professional and technical standards of the industry. Esri does not warrant that Esri Offerings, or Customer's operation of the same, will be uninterrupted, error free, fault tolerant, or fail-safe or that all nonconformities can or will be corrected. Esri Offerings are not designed, manufactured, or intended for use in environments or applications that may lead to death, personal injury, or physical property or environmental damage. Customer should not follow any navigational route suggestions that appear to be hazardous, unsafe, or illegal. Any such uses will be at Customer's own risk and cost.

3.4 Disclaimers

- a. **Internet Disclaimer.** Neither party will be liable for damages under any theory of law related to the performance or discontinuance of operation of the Internet or to regulation of the Internet that might restrict or prohibit the operation of Cloud Services.

4.2 The limitations and exclusions of liability in the preceding paragraph do not apply to Customer's infringement, misuse, or misappropriation of Esri's or Esri's licensors' intellectual property rights, either party's indemnification obligations, gross negligence, willful misconduct, or violations of the Export Compliance clause of this Agreement or any applicable law or regulation.

4.3 Applicability of Disclaimers and Limitations. Esri or its authorized distributor has set its fees and entered into this Agreement in reliance on the disclaimers and limitations in this Agreement; the fees reflect an allocation of risk that is an essential basis of the bargain between the parties. **These limitations will apply whether or not a party is aware of the possibility of any damage and notwithstanding any failure of essential purpose of any exclusive, limited remedy.**

4.4 The foregoing disclaimers, limitations, and exclusions may be invalid in some jurisdictions and apply only to the extent permitted by applicable law or regulation in Customer's jurisdiction. Customer may have additional rights that may not be waived or disclaimed. Esri does not seek to limit Customer's warranty or remedies to any extent not permitted by law.

then-current applicable US government export laws and regulations. Customer will not export, reexport, transfer, or use Services or Esri Offerings for certain missile, nuclear, chemical, or biological activities or end uses without proper authorization from the US government. Customer shall immediately notify Esri in writing if any US government entity or agency denies, suspends, or revokes Customer's export privileges. Customer will not upload, store, or process in Cloud Services any Customer Content that (i) has an Export Control Classification Number (ECCN) other than EAR99 or (ii) is controlled for export from the United States under ITAR. 9.5 Taxes and Fees; Shipping Charges. Fees that Esri quotes to Customer are exclusive of any and all applicable taxes or fees including, but not limited to, sales tax, use tax, or value-added tax (VAT); customs, duties, or tariffs; and shipping and handling charges. For Customers outside the United States, the distributor may quote taxes or fees in accordance with its own policies.

9.6 Reserved.

9.7 No Implied Waivers. The failure of either party to enforce any provision of this Agreement is not a waiver of the provisions or of the right of such party thereafter to enforce that or any other provision.

9.8 Severability. If any provision of this Agreement is held to be unenforceable for any reason, (i) such provision will be reformed only to the extent necessary to make the intent of the language enforceable, and (ii) all other provisions of this Agreement will remain in effect.

9.9 Successor and Assigns. Customer will not assign, sublicense, or transfer Customer's rights or delegate Customer's obligations under this Agreement without Esri's and its authorized distributor's prior written consent, and any attempt to do so without consent will be void. This Agreement will be binding on the respective successors and assigns of the parties to this Agreement. Agreement provisions that are inconsistent with federal law regulation will not apply. A US government Customer may transfer Software to any of its facilities to which it transfers the computer(s) on which it has installed such Software. If any court, arbitrator, or board holds that a US government Customer has greater rights to any portion of the Products under applicable public procurement law, such rights will extend only to the portions affected. - c. *Other Government Entities.* Esri will comply with mandatory dispute resolutions under applicable law.

A party will not be liable for any failure of or delay in the performance of this Agreement for the period that such failure or delay is due to causes beyond the party's reasonable control. Such causes may include, but are not limited to, acts of God, war, strikes, labor disputes, cyber attacks subject to this section 9.14, laws, regulations, government orders, or any other force majeure event. Esri will not be liable for any failure of or delay in the performance of this Agreement for cyber-attacks so long as Esri has reasonable cyber defense protocols in place when the attack takes place.
