5 BACKGROUND

This Contract will be used to provide Statewide Temporary Staffing Services to State of Idaho Agencies for the specific job classifications related to these functions, as identified in this ITB.

Currently State of Idaho agencies issue individual contracts for temporary staffing services. In order to create efficiencies and reduce cost to taxpayers, Division of Purchasing is issuing a statewide contract for these services.

Historical Spend

The historical total spend for all state agencies is as follows:

2016:	\$ 2,106,669.00
2017:	\$ 2,059,537.00
2018:	\$ 2,079,254.00

It is anticipated for the potential five (5) year life of the resulting contracts, the spend for all categories and all Contractors combined may exceed three million (\$3M) dollars; however, the total value and quantity of purchases on the contract is not known; no minimum or maximum is guaranteed. DOP has attempted to give an accurate estimate of purchases for the contract period based on historical and projected use.

6 SCOPE OF WORK

Awarded Contractor(s) must be independent contractors and not employees of the State or Participating Public Agencies (See Section 1.1 above). The Contractor's staff, including temporary assigned temporary staff, must not be considered employees of the State or Participating Entities. These services are as needed and upon request from State agencies and political subdivisions. Contractor(s) must be responsible for hiring, firing, taxes, workers' compensation, benefits, etc., for the temporary staffs who are not employees of the individual participating entities. Temporary staff must not be provided employee benefits from the State Agencies or political subdivisions. As part of the responsibility review, the ITB Lead may require the apparent low-cost Bidder(s) to provide financial reports to the satisfaction of the State and may also seek to obtain completed reference questionnaires from Bidder's references to the satisfaction of the State. Nothing herein shall prevent the State from using other means to determine Bidder's responsibility.

	ITB Section	ITB Page	Question	Response
1	6.1.7	4	Could you define the phrase “and hiring process have been complied with”? Who sets the Temp-to-Hire time frames?	This will be determined by the Ordering Agencies. Each Ordering Agency has internal processes for hiring new employees and timeframes may be different depending on internal policies.
2	6.1.7	4	Contractor does not agree to the last sentence of this clause. Propose alternative as: “If Ordering Agency converts Contractor’s temporary staff to a permanent employee, a percentage of the candidates’ annual salary will be due. If the temporary staff is converted to a permanent employee before the completion of 520 hours, the fee will equal 20% of the annual salary. No fee will be owed after 520 hours billed and paid.” Including a conversion fee is equitable to both parties, and rate of 20% is fair to both parties.	See ITB Amendment 1 Section 6.1.7 for amended language.
3	6.2.10	6	What is a “project log”? Is it a timecard?	A project log is referring to the document that encompasses the temporary staff members time and all other pertinent information. Yes, this would be considered a timecard.

5	6.4.4	8	Please define the Assurance Guarantee described. Does the State expect be credited for more than the first 8 hours of time worked by an unsatisfactory temporary employee? The Contractor would expect to be notified immediately if a temporary employee is not satisfactory and not be penalized for time worked beyond the first eight hours.	In Section 6.4.4 the contract states that the Contractor will not charge for a replacement within the first 8 hours of service. If a replacement is needed outside the initial 8-hour window, then the Contractor will issue a credit invoice to the Ordering Agency for the timeframe of notification to Contractor to the time a replacement is made.

	ITB Section	ITB Page	Question	Response
6	6.10/6.11	9-13	RE: Mandatory usage. Can the Contractor only agree to supply staff for clinical healthcare positions?	Yes, please see amendment made to Attachment 2- Bid Schedule for the allowance of bidding on Optional Use Positions separately by each Region.

What defines failure which leads to withholding payment, i.e., failure to fill a requested job order in full, or in part? Or, filling a job order but the employee is removed for cause?	This would apply if Contractor fails to meet Contractual requirements, for example not meeting Performance Metrics or Insurance requirements and is only one of the potential Remedies.
10	Appendix 1 Section 6	19	Administrative fee- Will this be applicable to Contractor?	Yes the Administrative Fee will be applicable to the awarded Contractor(s).

A. Agency. All offices, departments, divisions, bureaus, boards, commissions and institutions of the state, including the public utilities commission, but excluding other legislative and judicial branches of government, and excluding the governor, the lieutenant-governor, the secretary of state, the state controller, the state treasurer, the attorney general, and the superintendent of public instruction.

B. Bid – A written offer that is binding on the Bidder to perform a Contract to purchase or supply Property in response to an Invitation to Bid.

C. Contract - Any state written agreement, including a solicitation or specification documents and the accepted portions of the solicitation, for the acquisition of Property. D. Contractor – A Vendor who has been awarded a Contract.

E. Property – Goods, services, parts, supplies and equipment, both tangible and intangible, including, but nonexclusively, designs, plans, programs, systems, techniques and any rights and interest in such Property. Includes concession services and rights to access or use state property or facilities for business purposes.

F. Proposal – A written response, including pricing information, to a Request for Proposals that describes the solution or means of providing the Property requested and which Proposal is considered an offer to perform in full response to the Request for Proposals. Price may be an evaluation criterion for Proposals, but will not necessarily be the predominant basis for Contract award.

G. Quotation – An offer to supply Property in response to a Request for Quotation and generally used for small or emergency purchases.

H. Solicitation – An Invitation to Bid, a Request for Proposals, or a Request for Quotation issued by the purchasing activity for the purpose of soliciting Bids, Proposals, or Quotes to perform a Contract.

I. State – The state of Idaho including each Agency unless the context implies other state(s) of the United States.

J. Vendor – A person or entity capable of supplying Property to the State.

2. TERMINATION: The State may terminate the Contract (and/or any order issued pursuant to the Contract) when the Contractor has been provided written notice of default or non-compliance and has failed to cure the default or non-compliance within a reasonable time, not to exceed thirty (30) calendar days. If the Contract is terminated for default or non-compliance, the Contractor will be responsible for any costs resulting from the State's award of a new contract and any damages incurred by the State. The State, upon termination for default or non-compliance, reserves the right to take any legal action it may deem necessary including, without limitation, offset of damages against payment due.

3. RENEWAL OPTIONS: Notwithstanding any other provision in the Contract limiting or providing for renewal of the Contract, upon mutual, written agreement by the parties, the Contract may be extended under the same terms and conditions for the time interval equal to the original contract period, or for such shorter period of time as agreed to by the parties.

4. PRICES: Prices shall not fluctuate for the period of the Contract and any renewal or extension unless agreed to in writing by the State. Unless otherwise specified, prices include all costs associated with delivery to the F.O.B. Destination address identified in the Solicitation, as provided in Paragraph 17, Shipping and Delivery, below.

STATE OF IDAHO STANDARD CONTRACT TERMS AND CONDITIONS

5. ADMINISTRATIVE FEE:

A. Application of Administrative Fee:

1. All Statewide Blanket Purchase Orders (SBPO) shall be subject to an Administrative Fee of one and one-quarter percent (1.25%), based on orders placed against the Contract (unless the SBPO is exempt), as follows:

- a. The prices to be paid by the State (the price BID by Contractor) shall be inclusive of a one and one-quarter percent (1.25%) Administrative Fee. On a quarterly basis, Contractor will remit to State of Idaho, Attn: Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075 an amount equal to one and one-quarter percent (1.25%) of Contractor's net (sales minus credits) quarterly Contract sales.

For Example: If the total of Contractor's net sales to the Agency for one quarter = \$10,000, Contractor would remit $\$10,000 \times 0.0125 = \125 to the Division of Purchasing for that quarter, along with the required quarterly usage report.

- b. Contractor will furnish detailed usage reports as designated by the State. In addition to any required detailed usage reports, Contractor must also submit a summary quarterly report of purchases made from the Contract to purchasing@adm.idaho.gov, utilizing the State's Summary Usage Report Form.

2nd Quarter Oct 1 - Dec 31	January 31 st
3rd Quarter Jan 1 - Mar 31	April 30 th
4th Quarter Apr 1 - Jun 30	July 31 st

2. Unless otherwise exempt, the Administrative Fee will apply regardless of how Contractor submits its response to the solicitation (i.e. manual (paper) or electronic via IPRO).

3. A Contractor's failure to consider the Administrative Fee when preparing its Solicitation response shall not constitute or be deemed a waiver by the State of any Administrative Fees owed by Contractor to the State as a result of an Award issued through IPRO.

B. Administrative Fee Exemptions:

1. Notwithstanding any language to the contrary, the Administrative Fee will not apply to Contracts with an original awarded value of \$100,000 or less.
2. The Administrative Fee will not apply to Purchase Orders (PO), Contract Purchase Orders (CPO) or Blanket Purchase Orders (BPO).
3. The Administrative Fee will not apply to Contracts issued without a competitive solicitation, e.g. Emergency Procurements (EPA), Sole Source Procurements (SSA), etc.
4. The Administrator of the Division of Purchasing may also exempt a specific solicitation or class of solicitations from the Administrative Fee requirement.

C. Payment of Administrative Fee:

Contractor will remit the Administrative Fee to the Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075, as follows:

1. SBPOs: Contractor will remit the Administrative Fee and Report for the prior quarter based on the schedule outlined in Paragraph 5.A.1.c., above.

D. Refund of Administrative Fee: In the event that a Contract is cancelled by the State through no fault of the Contractor, or if item(s) are returned by the State through no fault, act, or omission of the Contractor after the sale of any such item(s) to the State, the State will refund the Contractor any Administrative Fees remitted. Administrative Fees will not be refunded or

returned when an item is rejected or returned, or declined, or the Contract cancelled by the State due to the Contractor's failure to perform or comply with specifications or requirements of the Contract. If, for any other reason, the Contractor is obligated to refund to the State all or a portion of the State's payment to the Contractor, or the State withholds payment because of the assessment of liquidated damages, the Administrative Fee will not be refunded in whole or in part.

E. Failure to Remit Administrative Fees: If a Contractor fails to remit the Administrative Fee, as provided above, the State, at its discretion, may declare the Contractor in default; cancel the Contract; assess and recover re-procurement costs from the Contractor (in addition to all outstanding Administrative Fees); seek State or federal audits, monitoring or inspections; exclude Contractor from participating in future solicitations; and/or suspend Contractor's IPRO account.

6. CHANGES/MODIFICATIONS: Changes of specifications or modification of the Contract in any particular manner can be affected only upon written consent of all parties. In the event that a typographical or other ministerial or clerical error is discovered, the State may correct such error after providing notice to the Contractor of its intent to make the clerical correction. A copy of the corrected Contract (or that portion of the Contract which contains correction(s)) will be provided electronically to the Contractor immediately after the correction(s) are made.

7. CONFORMING PROPERTY: The Property shall conform in all respects with the requirements of the State's Solicitation. In the event of non-conformity, and without limitation upon any other remedy, the State shall have no financial obligation in regard to the non-conforming goods or services. Additionally, upon notification by the State, the Contractor shall pay all costs for the removal of nonconforming Property from State premises.

8. OFFICIAL, AGENT AND EMPLOYEES OF THE STATE NOT PERSONALLY LIABLE: In no event shall any official, officer, employee or agent of the State be in any way personally liable or responsible for any covenant or agreement herein contained whether expressed or implied, nor for any statement, representation or warranty made herein or in any connection with the Contract.

9. CONTRACT RELATIONSHIP: It is distinctly and particularly understood and agreed between the parties to the Contract that the State is in no way associated or otherwise connected with the performance of any service under the Contract on the part of the Contractor or with the employment of labor or the incurring of expenses by the Contractor. Said Contractor is an independent contractor in the performance of each and every part of the Contract, and solely and personally liable for all labor, taxes, insurance, required bonding and other expenses, except as specifically stated herein, and for any and all damages in connection with the operation of the Contract, whether it may be for personal injuries or damages of any other kind. The Contractor shall exonerate, defend, indemnify and hold the State harmless from and against and assume full responsibility for payment of all federal, state and local taxes or contributions imposed or required under unemployment insurance, social security, worker's compensation and income tax laws with respect to the Contractor or Contractor's employees engaged in performance under the Contract. The Contractor will maintain any applicable worker's compensation insurance as required by law and will provide certificate of same if requested. There will be no exceptions made to this requirement and failure to provide a certificate of worker's compensation insurance may, at the State's option, result in cancellation of the Contract or in a contract price adjustment to cover the State's cost of providing any necessary worker's compensation insurance. The Contractor must provide either a certificate of worker's compensation insurance issued by a surety licensed to write worker's compensation insurance in the state of Idaho, as evidence that the Contractor has in effect a current Idaho worker's compensation insurance policy, or an extraterritorial certificate approved by the Idaho Industrial Commission from a state that has a current reciprocity agreement with the Idaho Industrial Commission. The State does not assume liability as an employer.

10. ANTI-DISCRIMINATION/EQUAL EMPLOYMENT OPPORTUNITY CLAUSE: The Contractor is bound to the terms and conditions of Section 601, Title VI, Civil Rights Act of 1964, in that "No person in the United States shall, on the grounds of race, color, national origin, or sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance." In addition, "No otherwise qualified handicapped individual in the United States shall, solely by reason of his handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance" (Section 504 of the Rehabilitation Act of 1973). Furthermore, for Contracts involving federal funds, the applicable provisions and requirements of Executive Order 11246 as amended, Section 402 of the Vietnam Era Veterans Readjustment Assistance Act of 1974, Section 701 of Title VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act of 1967 (ADEA), 29 USC Sections 621, et seq., the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, U.S. Department of Interior regulations at 43 CFR Part 17, and the Americans with Disabilities Act of 1990, are also incorporated into the Contract. The Contractor shall comply with pertinent amendments to such laws made during the term of the Contract and with all federal and state rules and regulations implementing such laws. The Contractor must include this provision in every subcontract relating to the Contract.

STATE OF IDAHO STANDARD CONTRACT TERMS AND CONDITIONS

11. TAXES: The State is generally exempt from payment of state sales and use taxes and from personal property tax for property purchased for its use. The State is generally exempt from payment of federal excise tax under a permanent authority from the District Director of the Internal Revenue Service (Chapter 32 Internal Revenue Code [No. 82-73-0019K]). Exemption certificates will be furnished as required upon written request by the Contractor. If the Contractor is required to pay any taxes incurred as a result of doing business with the State, it shall be solely responsible for the payment of those taxes. If, after the effective date of the Contract, an Idaho political subdivision assesses, or attempts to assess, personal property taxes not applicable or in existence at the time the Contract becomes effective, the State will be responsible for such personal property taxes, after reasonable time to appeal. In no event shall the State be responsible for personal property taxes affecting items subject to the Contract at the time it becomes effective.

12. INDEMNIFICATION: Contractor shall defend, indemnify and hold harmless the State from any and all liability, claims, damages, costs, expenses, and actions, including reasonable attorney fees, caused by or that arise from the negligent or wrongful acts or omissions of the Contractor, its employees, agents, or subcontractors under the Contract that cause death or injury or damage to property or arising out of a failure to comply with any state or federal statute, law, regulation or act. Contractor shall have no indemnification liability under this section for death, injury, or damage arising solely out of the negligence or misconduct of the State.

13. CONTRACT NUMBERS: The Contractor shall clearly show the State's Contract number or Purchase Order number on all acknowledgments, shipping labels, packing slips, invoices, and on all correspondence.

14. CONTRACTOR RESPONSIBILITY: The Contractor is responsible for furnishing and delivery of all Property included in the Contract, whether or not the Contractor is the manufacturer or producer of such Property. Further, the Contractor will be the sole point of contact on contractual matters, including all warranty issues and payment of charges resulting from the use or purchase of Property.

15. SUBCONTRACTING: Unless otherwise allowed by the State in the Contract, the Contractor shall not, without written approval from the State, enter into any subcontract relating to the performance of the Contract or any part thereof. Approval by the State of Contractor's request to subcontract or acceptance of or payment for subcontracted work by the State shall not in any way relieve the Contractor of any responsibility under the Contract. The Contractor shall be and remain liable for all damages to the State caused by negligent performance or non-performance of work under the Contract by Contractor's subcontractor. Subcontractor(s) must maintain the same types and levels of insurance as that required of the Contractor under the Contract; unless the Contractor provides proof to the State's satisfaction that the subcontractor(s) are fully covered under the Contractor's insurance, or, except as otherwise authorized by the State.

16. COMMODITY STATUS: It is understood and agreed that any item offered or shipped shall be new and in first class condition and that all containers shall be new and suitable for storage or shipment, unless otherwise indicated by the State in the Solicitation. Demonstrators, previously rented, refurbished, or reconditioned items are not considered "new" except as specifically provided in this section. "New" means items that have not been used previously and that are being actively marketed by the manufacturer or Contractor. The items may contain minimal amounts of recycled or recovered parts that have been reprocessed to meet the manufacturer's new product standards. The items must have the State as their first user and the items must not have been previously sold, installed, demonstrated, or used in any manner (such as rentals, demonstrators, trial units, etc.). The new items offered must be provided with a full, unadulterated, and undiminished new item warranty against defects in workmanship and materials. The warranty is to include replacement, repair, and any labor for the period of time required by other specifications or for the standard manufacturer or warranty provided by the Contractor, whichever is longer.

17. SHIPPING AND DELIVERY: Unless otherwise required in the Contract, all orders will be shipped directly to the Agency that placed the order at the location specified by the State, on an F.O.B. Destination freight prepaid and allowed basis with all transportation, unloading, uncrating, drayage, or other associated delivery and handling charges paid by the Contractor. Unless otherwise specified in the Contract, deliveries shall be made to the Agency's receiving dock or inside delivery point, such as the Agency's reception desk. The Contractor shall deliver all orders and complete installation, if required, within the time specified in the Contract. Time for delivery commences at the time the order is received by the Contractor.

18. ACCEPTANCE: Unless otherwise specified in the Contract:

A. When the Contract does not require installation, acceptance shall occur fourteen (14) calendar days after delivery, unless the State has notified the Contractor in writing that the product delivered does not meet the State's specification requirements or otherwise fails to pass the Contractor's established test procedures or programs or test procedures or programs identified in the Contract.

January 1, 2017

STATE OF IDAHO STANDARD CONTRACT TERMS AND CONDITIONS

B. When the Contract requires installation, acceptance shall occur fourteen (14) calendar days after completion of installation, unless the State has notified the Contractor in writing that the products(s) delivered does not meet the State's specification requirements, that the product is not installed correctly or otherwise fails to pass the Contractor's established test procedures or programs or test procedures or programs identified in the Contract.

C. When the Contract requires the delivery of services, acceptance shall occur fourteen (14) calendar days after delivery of the services, unless the State has notified the Contractor in writing that the services do not meet the State's requirements or otherwise fail to pass the Contractor's established test procedures or programs or test procedures or programs identified in the Contract.

19. RISK OF LOSS: Risk of loss and responsibility and liability for loss or damage will remain with Contractor until acceptance, when responsibility will pass to the State with the exceptions of latent defects, fraud and Contractor's warranty obligations. Such loss, injury or destruction shall not release the Contractor from any obligation under the Contract.

20. INVOICING: ALL INVOICES are to be sent directly to the **AGENCY TO WHICH THE PROPERTY IS PROVIDED**, unless otherwise required by the Contract. The Contract number is to be shown on all invoices. Invoices must not be sent to the Division of Purchasing unless required by the Contract.

21. ASSIGNMENTS: Contractor shall not assign this contract, or its rights, obligations, or any other interest arising from the Contract, or delegate any of its performance obligations, without the express written consent of the Administrator of the Division of Purchasing and the Idaho Board of Examiners. Transfer without such approval shall cause the annulment of the Contract, at the option of the State. All rights of action, however, for any breach of the contract are reserved to the State. (Idaho Code Section 67-9230).

Notwithstanding the foregoing, and to the extent required by applicable law (including Idaho Code Section 28-9-406), Contractor may assign its right to payment on an account provided that the State shall have no obligation to make payment to an assignee until thirty days after Contractor (not the assignee) has provided the responsible State procurement officer with (a) proof of the assignment, (b) the identity of the specific state contract to which the assignment applies, and (c) the name of the assignee and the exact address to which assigned payments should be made. The State may treat violation of this provision as an event of default.

22. PAYMENT PROCESSING: Idaho Code Section 67-9218 reads as follows: "Within ten (10) days after the property acquired is delivered as called for by the bid specifications, the acquiring agency shall complete all processing required of that agency to permit the contractor to be reimbursed according to the terms of the bid. Within ten (10) days of receipt of the document necessary to permit reimbursement of the contractor according to the terms of the contract, the State Controller shall cause a warrant to be issued in favor of the contractor and delivered." Payments shall be processed within the timeframes required by I.C. § 67-9218 unless otherwise specified in the Contract.

23. COMPLIANCE WITH LAW, LICENSING AND CERTIFICATIONS: Contractor shall comply with **ALL** requirements of federal, state and local laws and regulations applicable to Contractor or to the Property provided by Contractor pursuant to the Contract. For the duration of the Contract, the Contractor shall maintain in effect and have in its possession all licenses and certifications required by federal, state and local laws and rules.

24. PATENTS AND COPYRIGHT INDEMNITY:

A. Contractor shall indemnify and hold the State harmless and shall defend at its own expense any action brought against the State based upon a claim of infringement of a United States' patent, copyright, trade secret, or trademark for Property purchased under the Contract. Contractor will pay all damages and costs finally awarded and attributable to such claim, but such defense and payments are conditioned on the following: (i) that Contractor shall be notified promptly in writing by the State of any notice of such claim; (ii) that Contractor shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise and State may select at its own expense advisory counsel; and (iii) that the State shall cooperate with Contractor in a reasonable way to facilitate settlement or defense of any claim or suit.

B. Contractor shall have no liability to the State under any provision of this clause with respect to any claim of infringement that is based upon: (i) the combination or utilization of the Property with machines or devices not provided by the Contractor other than in accordance with Contractor's previously established specifications unless such combination or utilization was disclosed in the specifications; (ii) the modification of the Property unless such modification was disclosed in the

STATE OF IDAHO STANDARD CONTRACT TERMS AND CONDITIONS

specifications; or (iii) the use of the Property not in accordance with Contractor's previously established specifications unless such use was disclosed in the specifications.

C. Should the Property become, or in Contractor's opinion be likely to become, the subject of a claim of infringement of a United States' patent, the Contractor shall, at its option and expense, either procure for the State the right to continue using the Property, to replace or modify the Property so that it becomes non-infringing, or to grant the State a full refund for the purchase price of the Property and accept its return.

25. CONFIDENTIAL INFORMATION: Pursuant to the Contract, Contractor may collect, or the State may disclose to Contractor, financial, personnel or other information that the State regards as proprietary or confidential ("Confidential Information"). Such Confidential Information shall belong solely to the State. Contractor shall use such Confidential Information only in the performance of its services under the Contract and shall not disclose Confidential Information or any advice given by it to the State to any third party, except with the State's prior written consent or under a valid order of a court or governmental agency of competent jurisdiction and then only upon timely notice to the State. Confidential Information shall be returned to the State upon termination or expiration of the Contract.

Confidential Information shall not include data or information that:

A. Is or was in the possession of Contractor before being furnished by the State, provided that such information or other data is not known by Contractor to be subject to another confidentiality agreement with or other obligation of secrecy to the State;

B. Becomes generally available to the public other than as a result of disclosure by Contractor; or

C. Becomes available to Contractor on a non-confidential basis from a source other than the State, provided that such source is not known by Contractor to be subject to a confidentiality agreement with or other obligation of secrecy to the State.

26. USE OF THE STATE OF IDAHO NAME: Contractor shall not, prior to, in the course of, or after performance under the Contract, use the State's name in any advertising or promotional media, including press releases, as a customer or client of Contractor without the prior written consent of the State.

27. TERMINATION FOR FISCAL NECESSITY: The State is a government entity and it is understood and agreed that the State's payments under the Contract shall be paid from Idaho State Legislative appropriations, funds granted by the federal government, or both. The Legislature is under no legal obligation to make appropriations to fulfill the Contract. Additionally, the federal government is not legally obligated to provide funds to fulfill the Contract. The Contract shall in no way or manner be construed so as to bind or obligate the state of Idaho beyond the term of any particular appropriation of funds by the Idaho State Legislature, or beyond any federal funds granted to the State, as may exist from time to time. The State reserves the right to terminate the Contract in whole or in part (or any order placed under it) if, in its sole judgment, the Legislature of the state of Idaho fails, neglects, or refuses to appropriate sufficient funds as may be required for the State to continue such payments, or requires any return or "give-back" of funds required for the State to continue payments, or if the Executive Branch mandates any cuts or holdbacks in spending, or if funds are not budgeted or otherwise available (e.g. through repeal of enabling legislation), or if the State discontinues or makes a material alteration of the program under which funds were provided, or if federal grant funds are discontinued. The State shall not be required to transfer funds between accounts in the event that funds are reduced or unavailable. All affected future rights and liabilities of the parties shall thereupon cease within ten (10) calendar days after notice to the Contractor. Further, in the event that funds are no longer available to support the Contract, as described herein, the State shall not be liable for any penalty, expense, or liability, or for general, special, incidental, consequential or other damages resulting therefrom. In the event of early Contract termination under this section, the State will collect all Contractor-owned equipment and accessory items distributed under the Contract within thirty (30) calendar days of Contract termination. Items will be collected at a central (or regional) location(s) designated by the State. Contractor will be responsible for all costs associated with packaging and removing all Contractor-owned items from the State-designated location(s), which must be completed within thirty (30) calendar days of written notification from the State. If Contractor fails to remove its items within that time period, the State may charge Contractor for costs associated with storing the items; and may otherwise dispose of the items as allowed by applicable law. At Contractor's request, the State shall promptly provide supplemental documentation as to such Termination for Fiscal Necessity. Nothing in this section shall be construed as ability by the State to terminate for its convenience.

STATE OF IDAHO STANDARD CONTRACT TERMS AND CONDITIONS

28. PUBLIC RECORDS:

A. Pursuant to Idaho Code Section 74-101, et seq., information or documents received by the State will be open to public inspection and copying unless the material is exempt from disclosure under applicable law. The person or entity submitting the material must clearly designate specific information within the document as "exempt," if claiming an exemption; and indicate the basis for such exemption (e.g. Trade Secret). The State will not accept the marking of an entire document as exempt; or a legend or statement on one page that all, or substantially all, of the document is exempt from disclosure.

B. Contractor shall indemnify and defend the State against all liability, claims, damages, losses, expenses, actions, attorney fees and suits whatsoever for honoring such a designation or for the Contractor's failure to designate specific information within the document as exempt. The Contractor's failure to designate as exempt any document or portion of a document that is released by the State shall constitute a complete waiver of any and all claims for damages caused by any such release. If the State receives a request for materials claimed exempt by the Contractor, the Contractor shall provide the legal defense for such claim.

Either party may change its address, facsimile number or email address by giving written notice of the change to the other party.

30. NON-WAIVER: The failure of any party, at any time, to enforce a provision of the Contract shall in no way constitute a waiver of that provision, nor in any way affect the validity of the Contract, any part hereof, or the right of such party thereafter to enforce each and every provision hereof.

31. ATTORNEY FEES: In the event suit is brought or an attorney is retained by any party to the Contract to enforce the terms of the Contract or to collect any moneys due hereunder, the prevailing party shall be entitled to recover reimbursement for reasonable attorney fees, court costs, costs of investigation and other related expenses incurred in connection therewith in addition to any other available remedies; however, the State's liability is limited to that which is identified in the Idaho Tort Claims Act, Idaho Code Section 6-9 et seq.

6. SCOPE OF WORK

6.1 Temporary Staffing Services General Requirements.

Personnel Plus, Inc affirms its willingness and understanding to meet the General Requirements in Sections 6.1.1 – 6.1.12.

6.2 Contractor's Responsibilities.

Personnel Plus, Inc affirms its willingness and understanding to meet the General Requirements in Sections 6.2.1 – 6.2.16.

6.2.6 - RECRUITING AND RETENTION

Personnel Plus continually maintains a pool of qualified candidates able to perform basic labor & clerical functions. We routinely make placements in these areas & nearly always have available positions posted on our website, our street reader board on Overland Road, & with the Idaho Dept. of Labor & other internet recruiting sites. We have found that historically, these methods produce a larger quantity of applicants in this area. We also receive a high volume of applicants by word-of-mouth: current employee & client company referrals.

However, upon receiving your order, if we determine that qualified candidates are not already available in our labor pool, then additional recruiting measures will be initiated immediately. These measures may include offering referral & sign-on bonuses, contacting inactive or past employees with the appropriate abilities, and participating in job fairs. We may also initiate additional advertising through the Dept. of Labor & Job Corps, local college, high school, & trade school placement services, additional internet recruiting sites, and newspaper, radio and television advertising if necessary to reach a broader employment market. We primarily recruit from the local job market for qualified candidates; however, when necessary we will recruit outside the immediate area.

We also are happy to arrange after-hours time as necessary to conduct orientation & screening processes to ensure orders are filled in a timely manner.

Every effort is made to retain quality employees for future placement. We ask employees who have finished assignments to contact us on the next business day to report their availability, which ensures that we are able to give those employees who are interested in seeking further work top priority for future placement. Many times we are able to offer additional work immediately or very shortly after the end of an assignment.

6.6 Placement

Personnel Plus, Inc affirms its willingness and understanding to meet the General Requirements in Sections 6.6.1 – 6.6.6.

(page. 6)**

6.7 Background checks

Personnel Plus, Inc affirms its willingness and understanding to meet the General Requirements in Sections 6.7 – 6.7.2.

SCREENING, TESTING, & INTERVIEW PROCEDURES

Personnel Plus conducts a nine-step Employee Selection Process (ESP) to screen, test & interview for appropriate placement.

BACKGROUND SCREENINGS

Costs for all screenings are included in the quoted markup percentages. The employee's department supervisor will be notified immediately if the result of any background check might prevent the employee from working at an State of Idaho jobsite.

- Authorization to work: Upon hire, Personnel Plus conducts an E-Verify check on all new employees.
- Driving records: Personnel Plus utilizes the Idaho Department of Motor Vehicles website and conducts a standard three-year driving record check upon notification that the employee's duties will require driving. Normally these results are available immediately.
- Criminal background: Personnel Plus is currently conducting searches of the Idaho State Police Sex Offender Registry, the Idaho Dept. of Correction registry, the Idaho Supreme Court Data Repository, & a PublicData.com check, a national criminal records database. Normally, these results are available immediately.
- Reference checks: Personnel Plus attempts to obtain at least two satisfactory reference checks on each new applicant's work history prior to placement.
- Drug and alcohol testing: Personnel Plus is a drug-free employer. All Personnel Plus employees consent to drug & alcohol testing under a number of conditions, including pre-employment, continuation of employment, randomly, and under reasonable suspicion. We conduct a drug test on each employee before they begin work. If a jobsite supervisor has substantial reason to suspect that an employee is under the influence of alcohol or drugs at work (by direct observation or evidence, abnormal or erratic behavior, report by a reliable & credible source, etc.), please notify our office immediately so that we may address the situation. We can make arrangements to have the employee picked up & taken to a lab or to our office for testing, or we can, if necessary, arrange for on-site testing. In-office drug tests with a negative result normally take only about five minutes to conduct. In case of an inconclusive result, the sample must be forwarded to a laboratory for a verified result. Lab results are usually available the next business day, but can occasionally take up to three or four days.

PROPOSED APPROACH TO PROJECT

We will develop a customized screening, testing, orientation and placement program structured to place only qualified candidates. We will continue to revise & update this program as the need arises. We “ earmark” a labor pool of qualified candidates that are deemed to possess the qualifications necessary for your potential openings. Once informed of your order, we immediately review our labor pool for potential candidates.

Qualified candidates will be selected, re-screened and re-tested if necessary, and sent to the jobsite to either interview or report directly to work depending on your preference. Once the candidate is placed, our personnel supervisor will stay in close contact with the department manager to ensure the candidate performs satisfactorily. If the individual's performance is deemed unacceptable, then a replacement candidate will be sent out immediately, and their performance monitored.

The objective of our placement program is focused on filling our customer's orders efficiently with dependable, high-quality candidates. For our clients, our goal is to take the “worry” out of this process. Our quality assurance process is as follows:

- When you call our office, you will be greeted in a friendly manner by a real person.
- Your order will be taken by a staffing professional or by your assigned placement representative.
- We will clearly understand your urgency, requirements and expectations.
- We will assign a single representative who will take ownership of your account and develop a thorough understanding of your requirements. If this representative is unavailable, a qualified staff member trained on your account will always be available to address any needs that may arise.
- Your order will be given top priority and filled within the agreed upon timeframe. The candidate(s) will be drug-tested, background-checked, and personally interviewed and rated by us. Specific skills-testing can be developed if needed for a particular position.
- You will be given the name of the employee in advance of the time he/she is to report.
- Upon arrival, the placement supervisor will verify that the employee has arrived and that their job performance is acceptable.
- We are available 24 hours per day, seven days per week to handle emergencies and requests after normal business hours. The after-hours cell phone number is 284-4977.
- Personnel Plus can offer extended office hours as needed, and will accommodate the need for after-hours interviews, orientations, etc. as necessary to fill your order in a timely manner.
- To assure your ongoing satisfaction, you will be contacted at least once a week to check on the employee's performance and to determine if there are any further needs.
- As part of our on-going customer service program, we will arrange face-to-face service reviews at your convenience to gain first-hand knowledge of your satisfaction and deal with any outstanding issues.

SAFETY POLICY STATEMENT

Personnel Plus is dedicated to ensuring a safe workplace environment for all of our employees. Our goal is to have zero on-the-job injuries. As an employee of Personnel Plus, it is essential that you are aware of and understand this goal, as well as all other Personnel Plus and jobsite safety requirements. We are committed to your safety and well-being, and you must also take personal responsibility for always conducting yourself in a safe and responsible manner. You should always think "safety first" before initiating any task. We expect you to always perform your duties in a manner that is consistent with this "zero injuries" goal. We ask that you read and understand the following safety policy. You are responsible for seeking clarification with us if any part of this policy is unclear. As an employee with our company, you will be required to acknowledge this policy and conform to its requirements.

EMPLOYEE SAFE WORK PROCEDURES

Personnel Plus strives to ensure a safe workplace for all employees and has established a goal of zero on-the-job injuries. As such, you must adhere to all workplace safety requirements. Following are general safety guidelines that you will be expected to follow:

- You should never perform a task that you believe to be unsafe, or that is beyond your physical capability. Always ask for help if needed.
- You will be required to comply with all safety policies and procedures in place at your jobsite. If any jobsite policy or procedure is unclear to you, it is your responsibility to seek clarification from your jobsite supervisor.
- Appropriate PPE (personal protective equipment) will be issued to you as needed for your assignment. You are required to use PPE correctly and at all times necessary for the task being performed.
- You may operate vehicles, equipment, or tools only if specifically authorized and trained to do so. Safety guards and devices must always be operable and in place while equipment is in use. Never use equipment, tools, or vehicles that are not in safe operating condition.
- If at any time you are asked to perform work in an unsafe manner, you are required to:
 - STOP and inform your jobsite supervisor of your safety concern
 - If asked to continue, you should request a modification to ensure safe work conditions
 - if no modification is made, you should request alternative work that you can safely perform
 - if no alternative work is available, you should immediately request to contact your Personnel Plus supervisor to discuss your safety concern
 - if no resolution is determined, you may leave your work area only after receiving authorization from your Personnel Plus or jobsite supervisor
- If you witness or experience a "near-miss incident," you must report it immediately to your jobsite and Personnel Plus supervisors so that any existing hazard can be eliminated.
- You may always contact your Personnel Plus office if you have any question or concern related to the safety of your jobsite.

INJURY OR ILLNESS REPORTING – RETURN-TO-WORK POLICIES

1. If you are injured in any jobsite incident, or have incurred a work-related illness at a jobsite, you must:
 - Immediately report the incident to your direct jobsite supervisor (not a co-worker).
 - Report the incident to your Personnel Plus office no later than the end of your shift that day. Go to: <http://www.personnelplus-inc.com/include/content/contact.asp> for Personnel Plus office contact information. In any non-emergency situation, you must contact Personnel Plus before seeking medical treatment. You can reach a representative at any time outside business hours by calling the local Personnel Plus on-call phone number.
 - Anyone experiencing a medical emergency should be immediately transported to and treated at the nearest hospital emergency room.
 - You are required to complete an incident report with the Personnel Plus office, and may be required to submit to a post-accident drug test.
2. Any safety incident or injury that is reported after the end of your scheduled shift on the day of occurrence may be deemed a violation of this policy and could result in your claim being denied. Personnel Plus reserves the right to investigate any claim of injury.
3. If you require medical care, you must be treated by a Personnel Plus-designated medical provider. You are required to view the designated medical providers for your area [available here: <http://www.personnelplus-inc.com/include/content/medproviders/>]. If you seek treatment from any unapproved provider, you may be responsible for payment of any unauthorized treatment costs.
4. If you have sought treatment from a designated provider, you should be given a form indicating your return-to-work status. You are required to provide that form to the Personnel Plus office immediately following your treatment. If your designated provider has deemed that you are unable to return to your regular work duties, you will be offered modified work if available. You should remain in contact with your Personnel Plus office on a weekly basis until released to full duty by your treating physician.
5. You must inform Personnel Plus in advance of all medical appointments. You are required to keep all appointments as scheduled. If you must reschedule any appointment, it must be approved in advance by Personnel Plus, unless the reschedule is a result of a medical emergency. Personnel Plus reserves the right to attend any medical visit.

I have read and understand the above policy and agree that I have viewed the list of designated medical providers for my area. I acknowledge that any failure to comply with this policy or with any client company jobsite safety requirement may be deemed a violation of this policy and may result in disciplinary action up to and including termination and can also result in the denial of worker's compensation benefits. I understand that by my compliance with safety policies and procedures and my effort to always work in a safe manner, I can help ensure my own well-being and my success at any client company jobsite and with Personnel Plus.

DRUG-FREE WORKPLACE POLICY

Policy Statement It is the policy of Personnel Plus to maintain an alcohol and drug free workplace in accordance with the standards set by the Idaho Employers Alcohol and Drug-Free Workplace Act and it is a condition of employment with Personnel Plus that all employees comply with this policy. Personnel Plus will not hire, rehire, or retain any individual who tests positive for illegal drugs or alcohol; or who uses illegal or controlled drugs in any amount, regardless of frequency, without a medically acceptable prescription or admits use of illegal drugs or alcohol. Idaho law stipulates conditions for which an employee may be discharged for misconduct or denied employment due to testing positive for illegal drugs or alcohol. In accordance with Idaho law Personnel Plus will discharge any current employee for misconduct or deny employment to any prospective employee who tests positive or admits use to the use of illegal drugs or alcohol.

Adulterated test: The sample will be thrown away of anyone giving an adulterated test and the next test will be viewed.

Conditions for testing: All current Personnel Plus employees, or prospective employees, may be required to undergo a drug/alcohol test for any of the following reasons which may include, but are not limited to, the following:

- | | | |
|-------------------------|-------------------|------------------|
| A. Baseline | B. Pre-employment | C. Post-Accident |
| D. Random | E. Return to Duty | F. Follow Up |
| G. Reasonable Suspicion | | |

Requirements: You will be required to submit a urine specimen of greater than 30 ml or 80 strands of hair under reasonable and sanitary conditions for drug testing. Alcohol testing shall be done by saliva device or breath device or urine alcohol. Results of greater than .00 blood alcohol content shall be grounds for discharge. If you fail or refuse to submit a specimen within two hours, and unless you have a documented medically acceptable reason, alteration or attempt to alter a test sample, admitting use or submitting a sample that is not his/her own will be deemed in violation of this policy and discharged for misconduct or denied employment.

Collection: Upon returning the specimen to the technician it will be checked for contamination, dilution and correct temperature. Reasonable quality assurance standards will be maintained throughout the collection, assay, and shipping process to ensure non-adulteration of specimens, containers or devices. The specimen will be initially tested utilizing a scientifically accepted one-step in vitro immunoassay device for qualitative determination of the presence of the following drugs of abuse in concentrations greater than:

THC	50ng/ml	Amphetamine	1000ng/ml
Phencyclidine	25ng/ml	Barbiturates	300 ng/ml
Opiate	300ng/ml	Benzodiazepine	300 ng/ml
Cocaine	300ng/ml	Methadone	300 ng/ml
Methamphetamine	1,000ng/ml	Tricyclic antidepressant	1000 ng/ml

The device will be labeled with donor name, time and date and will be photocopied on the face of the results form to record the results. Personnel Plus routinely tests for the preceding drugs and threshold levels, and depending on employment situations that may arise, reserves the right to test for other drugs and/or quantities as necessary. The employee will be advised of the nature of such other tests at the time of testing.

Positive Immunoassay Result: Positive immunoassay results will be interpreted as presumed positive. Confirmatory testing is required unless the donor admits use. The assayed specimen will be packaged and sealed for shipment to a SAMSHA certified laboratory in accordance with acknowledged chain of custody standards. Employees presenting presumed positive results will be removed from active duty pending confirmatory test results. In the event of a presumed positive assay, the donor will be given the test result, including the type of substance involved and will be given an opportunity to decline confirmatory testing due to admitted use or accept sending specimen for confirmatory testing at a certified lab.

Confirmatory Lab Test: A SAMSHA certified laboratory will perform a Gas chromatography/mass spectrometry (CG/MS) test to confirm or disprove the in-vitro result. The employee will have an opportunity to discuss positive test results with the laboratory's medical review officer or other qualified person. The employee or prospective employee who has a positive test result may request that the same sample be retested by a mutually agreed laboratory. A request for a retest must be done within (7) working days from the date of the first confirmed positive test notification and may be paid for by the employee or prospective employee requesting the test. If the retest results in a negative test outcome, the private employer will reimburse the cost of the retest, compensate the employee for his time if suspended without pay, or if terminated solely because of the positive test, the employee shall be reinstated with back pay.

Negative test: Negative immunoassay results will be accepted as negative. No action will be taken.

Confidentiality: Personnel Plus will only use information obtained from a substance abuse test in a lawful manner to assure confidentiality of donor records.

Acknowledgement: By signing this form, the undersigned acknowledges that he/she understands the Alcohol and Drug-Free Workplace Policy of Personnel Plus Inc. and agrees to comply with the terms of this policy.

(page(s) 33, 34, 35, 36)

APPENDIX 1 - SPECIAL TERMS AND CONDITIONS
ITB19000764 – Temporary Staffing Services

Note: In the event of conflict with the State's Standard Terms and Conditions, or other terms, conditions or requirements contained in this ITB, the following provisions will take precedence

1 AGENCY USE OF EXISTING CONTRACTS

State Agencies (as defined in the State Procurement Act, Idaho Code 67-9201 et seq.) are required to utilize any current active contracts their Agency has in place until that contract expires (exempt State Agencies and other Ordering Agencies may begin using the new contract(s) upon execution).

<https://purchasing.idaho.gov/governing-laws-and-policies/>.

2 POINT OF CONTACT

The Contractor must provide at least one (1) Point of Contact for Temporary Staffing order placement for the Contract. If the Contractor provides more than one (1) Point of contact, each must be assigned to specific Agencies or Areas of the State. The Contractor must provide a written list of their Point of Contacts to DOP within fifteen (15) business days of the Service Start Date of the Contract, including name(s), contact information, and assigned Agencies or Areas, and must provide timely updates to DOP throughout the Contract term in the event the Point of Contact (or contact information) change.

3 CONTRACT MONITORING

3.1 The State will monitor the Contract utilizing any one (1) or more of the following methods:

3.1.1 In-person or telephonic meeting to discuss performance of the Contract;

3.1.2 Survey of the Contractor and Agencies;

3.1.3 Additional reports submitted from the Contractor; or

3.1.4 Any other means the State chooses to employ to accurately monitor the Contract.

4 REPORTING REQUIREMENTS

Quarterly Usage Reports are required as outlined in Section 5 of the State of Idaho Standard Contract Terms and Conditions. The SBPO Summary Usage Report can be found on the State of Idaho Purchasing website <https://purchasing.idaho.gov/information-for-vendors/>.

5 INSURANCE REQUIREMENTS

See the IPRO Requirements Section.

6 ADMINISTRATIVE FEE

Any contract resulting from this solicitation will be subject to Section 5 of the State's Standard Terms and Conditions as outlined below:

A. Application of Administrative Fee

1. All Statewide Blanket Purchase Orders (SBPO) shall be subject to an Administrative Fee of one and one-quarter percent (1.25%), based on orders placed against the Contract (unless the SBPO is exempt), as follows:

a. The prices to be paid by the State (the price BID by Contractor) shall be inclusive of a one and one-quarter percent (1.25%) Administrative Fee. On a quarterly basis, Contractor will remit to State of Idaho, Attn: Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075 an amount equal to one and one-quarter percent (1.25%) of Contractor's net (sales minus credits) quarterly Contract sales. For Example: If the total of Contractor's net sales to the Agency for one quarter = \$10,000, Contractor would remit

\$10,000 x 0.0125 = \$125 to the Division of Purchasing for that quarter, along with the required quarterly usage report.

b. Contractor will furnish detailed usage reports as designated by the State. In addition to any required detailed usage reports, Contractor must also submit a summary quarterly report of purchases made from the Contract to purchasing@adm.idaho.gov, utilizing the State's Summary Usage Report Form.

c. Reporting Time Line (Fiscal Year Quarters): Fee and Report Due:

1st Quarter July 1 - Sept 30 October 31st

2nd Quarter Oct 1 - Dec 31 January 31st

3rd Quarter Jan 1 - Mar 31 April 30th

4th Quarter Apr 1 - Jun 30 July 31st

2. Unless otherwise exempt, the Administrative Fee will apply regardless of how Contractor submits its response to the solicitation (i.e. manual (paper) or electronic via IPRO).

3. A Contractor's failure to consider the Administrative Fee when preparing its Solicitation response shall not constitute or be deemed a waiver by the State of any Administrative Fees owed by Contractor to the State as a result of an Award issued through IPRO.

B. Administrative Fee Exemptions

1. Notwithstanding any language to the contrary, the Administrative Fee will not apply to Contracts with an original awarded value of \$100,000 or less.

2. The Administrative Fee will not apply to Purchase Orders (PO), Contract Purchase Orders (CPO) or Blanket Purchase Orders (BPO).

3. The Administrative Fee will not apply to Contracts issued without a competitive solicitation, e.g. Emergency Procurements (EPA), Sole Source Procurements (SSA), etc.

4. The Administrator of the Division of Purchasing may also exempt a specific solicitation or class of solicitations from the Administrative Fee requirement.

C. Payment of Administrative Fee

Contractor must remit the Administrative Fee to the Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075, as follows:

1. SBPOs: Contractor must remit the Administrative Fee and Report for the prior quarter based on the schedule outlined in Paragraph 5.A.1.c., above.

D. Refund of Administrative Fee

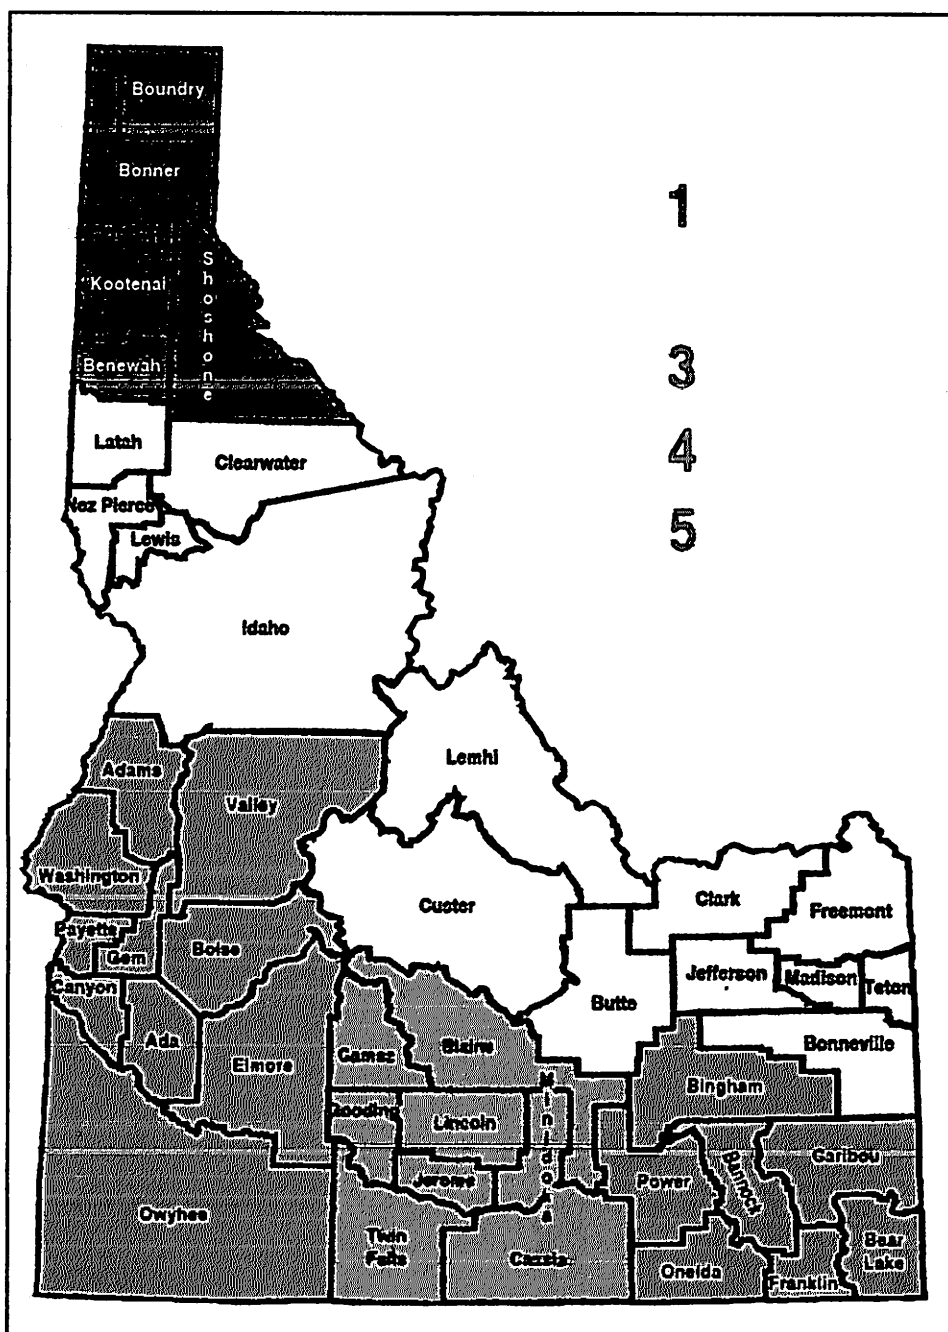

In the event that a Contract is cancelled by the State through no fault of the Contractor, or if item(s) are returned by the State through no fault, act, or omission of the Contractor after the sale of any such item(s) to the State, the State will refund the Contractor any Administrative Fees remitted. Administrative Fees will not be refunded, or STATE OF IDAHO STANDARD CONTRACT TERMS AND CONDITIONS January 1, 2017 returned when an item is rejected or returned, or declined, or the Contract cancelled by the State due to the Contractor's failure to perform or comply with specifications or requirements of the Contract. If, for any other reason, the Contractor is obligated to refund to the State all or a portion of the State's payment to the Contractor, or the State withholds payment because of the assessment of liquidated damages, the Administrative Fee will not be refunded in whole or in part.

E. Failure to Remit Administrative Fees

If a Contractor fails to remit the Administrative Fee, as provided above, the State, at its discretion, may declare the Contractor in default; cancel the Contract; assess and recover re-procurement costs from the Contractor (in addition to all outstanding Administrative Fees); seek State or federal audits, monitoring or inspections; exclude Contractor from participating in future solicitations; and/or suspend Contractor's IPRO account.
