Effective: August 6, 2006

Revised: March 19, 2007, November 1, 2007 and May 23, 2013

The board of directors (the "Board") of Lenovo Group Limited (the "Company") wishes to promote effective management of the Company by delegating to senior executives of organizations appropriate authority and responsibility for their operations.

The responsibility to oversee the management of the Company and its business is retained by the Board.. The principal method of delineating and describing the scope of these responsibilities and authorities is to reserve selected powers or authorities to the Board.

Powers not reserved to the Board are considered to be delegated to the Chief Executive Officer, who shall have the authority to sub-delegate those powers as set forth herein.

The Company's subsidiaries should only enter into agreements which bind that individual subsidiary and not the Company or any of the Company's other subsidiaries.

This policy shall be reviewed annually (or such other period as designated by the Board) to ensure that it remains appropriate to the needs of the Company.

1. Powers Reserved to the Board of Directors

The following are powers reserved to the Board, which are required for corporate governance or by law.

Administering corporate governance as required by the Hong Kong stock exchange;

- Declaring or making recommendation to declare any dividend on the equity securities of the Company;
- Appointing external auditors and/or changing the Company's external auditors to conduct the primary financial audits of the Company;
- Establishing retirement plans for the benefit of the employees of the Company or any of its subsidiaries or making material changes to the terms of such plans;
- Approving material accounting policy, standards, reporting and release of financial information;
- Establishing executive compensation plans and policies;
- Issuing bonds or similar publicly traded debt instruments binding on the Company;
- Issuing shares or any forms of securities in the Company (other than issuance of shares pursuant to any previously approved scheme or document);
- Creating any share repurchase program;
- Approving any proposal to shareholders to wind down the Company or making a declaration of bankruptcy or insolvency of the Company or any of its subsidiaries;
- Establishing a bonus, profit sharing, share option or other incentive scheme other than those used

to the Chief Executive Officer or any other executive of the Company who directly reports to the Chief Executive Officer;

- Approving or amending the Company's annual operating budget;
- Approving any proposal to shareholders to amend or waive any provision of the Articles of Association of the Company;
- Establishing any investment, acquisition, financing or other transaction requiring approval of the Board, pursuant to (i) the Company's Articles of Association, (ii) previously adopted resolutions of the Board, or (iii) any applicable law, rule or regulation;
- Forming material transaction that the Chief Executive Officer in his or her judgment determines to be extraordinary or outside the ordinary course of the Company's business; and/or
- Establishing a material change to the business of the Company.

2. Transactions Requiring Board Approval

The following transactions shall report back to the Board and require the prior review and approval of the Board:

- 1.1 Binding the Company to sell, transfer, lease, license or otherwise dispose of substantial tangible or intangible property assets of the Company or its subsidiaries having a net book value exceeding \$25M USD net asset value individually, or in excess of \$50M USD net asset value in the aggregate per fiscal year, outside the ordinary course of its or their business (e.g. other than of selling products to customers and resellers);
- 1.2 Purchasing the equity securities or assets of, or other ownership interest in, any party (other than a wholly-owned, direct or indirect subsidiary of the Company) for an aggregate consideration in excess of \$50M USD;
- 1.3 Creation of any investment, acquisition, financing or other transaction with any director or senior executive officer of the Company or any such officer's or director's immediate family members or any companies or entities by which any such officer or director owns at least 5%;
- 1.4 Incurring a lease obligation involving payments in excess of \$20M USD per year and total lease payments over the life of the lease in excess of \$50M USD;
- 1.5 Entering into any transaction that requires public announcement or constitutes a notifiable transaction or a discloseable connected transaction under Hong Kong Stock Exchange listing rules;
- 1.6 Borrowing or raising of money from banks or financial institutions exceeding \$75M USD and/or for a term of more than 5 years or guaranteeing or indemnifying the obligations of the Company's subsidiaries (other than wholly-owned, direct or indirect subsidiaries of the Company) under any financial or commercial transaction for a liability exceeding \$100M USD for each guarantee or indemnity; and/or
- 1.7 Purchasing any real property or entering into any transaction that would have the effect of a real property purchase for a consideration in excess of \$10M USD.

3. Authorization and Delegation to the Chief Executive Officer:

Subject to the limitations set forth in Sections 1 and 2 above, the Board authorizes and directs the Chief Executive Officer of the Company, in the name of and on behalf of the Company, to do, perform and authorize such acts, approve any transaction or series of transactions and execute any documents (if required under the Common Seal of the Company and countersigned by another director of the Company), as he or she thinks fit and appropriate, in order to manage, conduct and advance the business of the Company in the ordinary course. The Chief Executive Officer is further authorized to delegate (including the authority to re-delegate) any authority granted herein to any officer or employee of the Company and/or any of its subsidiaries. Such delegations are required to be formally documented.

4. Delegation of Signature Authority to Certain Employees of the Company

PADD 15201139

1. Scope: This Participating Addendum (PADD) covers the Computer Equipment, Peripherals, and Related Services contract issued by the State of Minnesota to Lenovo (United States) Inc. (Master Agreement No. MNWNC-117), for use by State agencies and other entities located in the State.

The Contractor has been awarded Bands in the following categories:

Band 1: Desktop	Band 3: Tablet	Band 5: Storage
Band 2: Laptop	Band 4: Server	

Ruggedized equipment will be allowed in Bands 1-5.

2. Participation: Use of NASPO ValuePoint (formerly "WSCA" or "WSCA-NASPO") cooperative contracts by agencies, political subdivisions and other entities authorized by an individual state's statutes to use state contracts are subject to the prior approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the State Chief Procurement Official (in Idaho, the Administrator of the Division of Purchasing).

This PADD is for the benefit of State of Idaho agencies, institutions and departments; as well as eligible political subdivisions or other "Public Agencies," as defined by Idaho Code, Section 67-2327. The Public Agency placing an order (Ordering Entity) will issue individual releases (Orders) against this PADD on an as needed basis for the period noted in Section 3. "Public Agency" means any city or political subdivision of the state, including, but not limited to counties; school districts; highway districts; port authorities; instrumentalities of counties; cities or any political subdivision created under the laws of the State of Idaho.

INDIVIDUAL CUSTOMER: Each Ordering Entity that places an Order under this PADD will be treated as if it is an Individual Customer. Except to the extent modified by this Participating Addendum, each Ordering Entity will be responsible to follow the terms and conditions of the Master Agreement; and will have the same rights and responsibilities for its purchases as the Lead State has in the Master Agreement. Each Ordering Entity will be responsible for its own charges, fees, and liabilities; and will have the same rights to any indemnity or to recover any costs allowed in the Master Agreement for its individual purchases.

3. **Term:** This PADD will be effective July 1, 2015 and continue through March 31, 2017, unless extended, renewed or terminated earlier.

4. **Configuration Dollar Limits:** This PADD is not for the purchase of major hardware. The dollar limits identified below are based on a single computer configuration. This is not a restriction on the purchase of multiple configurations. The following configuration limits apply to this PADD:

ITEM	CONFIGURATION*
Storage	\$300,000
Server	\$300,000
Desktops	\$2,500
Laptops	\$2,500
Tablets	\$2,500
Peripherals	\$2,500
Services	No Limitation

*Configuration is defined as the combination of hardware and software components that make up the total functioning system. Software purchases are considered a part of the configuration limit of the equipment.

Purchases outside these limits must receive approval from the Administrator.

5. **Restrictions:** This PADD is restricted to purchases of computer hardware manufactured by Contractor. Each Ordering Entity may also purchase Contractor services required for installation, maintenance, and upgrade of the procured hardware. Additionally, each Ordering Entity may purchase Contractor offered peripherals compatible with the procured hardware. Purchases exclusively for software and printers will not be allowed via this PADD. Lease or rentals of equipment will also not be allowed via this PADD.

6. **State Modifications or Additions to Master Agreement:** Notwithstanding any provisions in the Master Agreement to the contrary, the following applies to this PADD:

6.1 **Assignment:** In accordance with Idaho Code 67-5726(1), no contract or order or any interest therein (i.e. this PADD or individual orders placed against this PADD) shall be transferred by the Contractor to whom such contract or order is given to any other party, without the approval in writing of the Administrator. Transfer of a contract without approval shall cause the annulment of the contract so transferred, at the option of the Administrator. All rights of action, however, for any breach of this PADD by the contracting parties are reserved by the Administrator.

6.2 **Amendments:** Amendments to the Master Agreement (including, but not limited to extensions, renewals, and modifications to the terms, conditions and pricing) will automatically be incorporated in this PADD unless the State elects not to incorporate an amendment by providing written notification to Contractor; which notice must be provided within 10 working days of the date of the amendment to the Master Agreement, in order to be effective. Failure to provide notice in accordance with this Section 6.2 will result in the Master Agreement amendment automatically being incorporated in this PADD.

6.3 **Governing Law:** Notwithstanding any provision to the contrary, the State's PADD and all orders issued under the PADD by Ordering Entities within the State shall be construed in accordance with and governed by the laws of the State. Any action to enforce the provisions of this PADD shall be brought in State district court in Ada County, Boise, Idaho. In the event any term of this PADD is held to be invalid or unenforceable by a court, the remaining terms of this PADD will remain in full force and effect. Except to the extent the provisions of the PADD are clearly inconsistent therewith, the PADD shall also be governed by the applicable provisions of the Idaho Uniform Commercial Code (IUCC).

6.4 **Administrative Fee and Quarterly Usage Report:**

The prices to be paid by the Ordering Entities shall be inclusive of a one and one quarter percent (1.25%) Administrative Fee (the State understands and agrees that Contractor will raise the negotiated Price Agreement prices by this amount). This additional percentage represents the Ordering Entity's contract usage administrative fee. On a quarterly basis, Contractor will remit to State of Idaho, Attn: Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075 an amount equal to one and one quarter percent (1.25%) of Contractor's net (sales minus credits) quarterly Contract sales.

For Example: If the total of your net sales to Ordering Entities for one quarter = \$10,000, you would remit $\$10,000 \times 0.0125 = \125 to the Division of Purchasing for that quarter, along with the required quarterly usage report.

Contractor will furnish detailed usage reports as designated by the Participating State. In ADDITION to any required detailed usage reports, Contractor must also submit a summary quarterly report of purchases made from the Contract utilizing the PADD SUMMARY USAGE REPORT FORM. A Summary Usage Report Form must be submitted for each quarter (enter "0" if no purchases were made during a quarter), and must include a breakdown of purchases by Entity Type (i.e. State Agency, Higher Education, K-12, City, County and 'other'), as provided on the Form.

<u>Reporting Time Line (Fiscal Year Quarters)</u>	<u>Fee and Report Due</u>

2 nd Quarter Oct 1 - Dec 31	January 31 st
