PADD 1620012

1. **Scope:** This Participating Addendum (PADD) covers the Computer Equipment, Peripherals, and Related Services contract issued by the State of Minnesota to Dell Marketing, L.P. (Master Agreement No. MNWNC-108), for use by State agencies and other entities located in the State.

The Contractor has been awarded Bands in the following categories:

Band 1: Desktop	Band 3: Tablet	Band 5: Storage
Band 2: Laptop	Band 4: Server	

Ruggedized equipment will be allowed in Bands 1-5.

2. **Participation:** Use of NASPO ValuePoint (formerly "WSCA" or "WSCA-NASPO") cooperative contracts by agencies, political subdivisions and other entities authorized by an individual state's statutes to use state contracts are subject to the prior approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the State Chief Procurement Official (in Idaho, the Administrator of the Division of Purchasing).

This PADD is for the benefit of State of Idaho agencies, institutions and departments; as well as eligible political subdivisions or other "Public Agencies," as defined by Idaho Code, Section 67-2327. The Public Agency placing an order (Ordering Entity) will issue individual releases (Orders) against this PADD on an as needed basis for the period noted in Section 4. "Public Agency" means any city or political subdivision of the state, including, but not limited to counties; school districts; highway districts; port authorities; instrumentalities of counties; cities or any political subdivision created under the laws of the State of Idaho.

INDIVIDUAL CUSTOMER: Each Ordering Entity that places an Order under this PADD will be treated as if it is an Individual Customer. Except to the extent modified by this Participating Addendum, each Ordering Entity will be responsible to follow the terms and conditions of the Master Agreement; and will have the same rights and responsibilities for its purchases as the Lead State has in the Master Agreement. Each Ordering Entity will be responsible for its own charges, fees, and liabilities; and will have the same rights to any indemnity or to recover any costs allowed in the Master Agreement for its individual purchases.

3. Contractor Modifications or Additional Terms and Conditions to the Master Agreement:

3.1 Use of Purchasing-card is at time of order placement only, and not permitted for payment of invoices issued by Contractor.

3.2. Any assignment by Ordering Entity of its purchase order to a third-party financing company (other than Dell Financial Services, LLC) must be approved in advance in writing by Contractor, and in no case shall any such approval excuse Ordering Entity from its obligations hereunder.

3.3. Returns and Exchanges. Additional fees, including up to a 15% restocking fee, may apply and Ordering Entity will be notified if such fees apply upon Ordering Entity's request for return authorization (RMA).

3.4. Dispute Resolution. To the extent allowed by the applicable laws of the state of Idaho, Participating State and/or Ordering Entity and Contractor will attempt to resolve any Dispute through face-to-face negotiation with persons fully authorized to resolve the Dispute or through mediation utilizing a mediator agreed to by the parties, rather than through litigation. The existence or results of any negotiation or mediation will be treated as Confidential Information. Notwithstanding the foregoing, either party will have the right to seek from a state or federal court a temporary restraining order, preliminary injunction, or other equitable relief to preserve the status quo, prevent irreparable harm, avoid the expiration of any applicable limitations period, or preserve a superior position with respect to other creditors, although the merits of the underlying Dispute will be resolved in accordance with this paragraph. In the event the parties are unable to resolve the Dispute within thirty (30) days of notice of the Dispute to the other party, the parties shall be free to pursue all remedies available at law or in equity.

4. Term: This PADD will be effective July 1, 2015, or on the first day following final executed signatures, whichever is later, and will be coterminous with the Master Agreement and any extensions of the Master Agreement, unless extended, renewed or terminated earlier.

5. Configuration Dollar Limits: This PADD is not for the purchase of major hardware. The dollar limits identified below are based on a single computer configuration. This is not a restriction on the purchase of multiple configurations. The following configuration limits apply to this PADD:

ITEM	CONFIGURATION*
Storage	\$500,000
Server	\$500,000
Desktops	\$10,000
Laptops	\$10,000
Tablets	\$5,000
Peripherals	\$5,000
Services	No Limitation

*Configuration is defined as the combination of hardware and software components that make up the total functioning system. Software purchases are considered a part of the configuration limit of the equipment.

6. **Restrictions:** This PADD is restricted to purchases of computer hardware manufactured by Contractor. Each Ordering Entity may also purchase Contractor services required for installation, maintenance, and upgrade of the procured hardware. Additionally, each Ordering Entity may purchase Contractor offered peripherals compatible with the procured hardware. Purchases exclusively for software and printers will not be allowed via this PADD. Lease or rentals of equipment will also not be allowed via this PADD.

7. **State Modifications or Additions to Master Agreement:** Notwithstanding any provisions in the Master Agreement to the contrary, the following applies to this PADD:

7.1 **Assignment:** In accordance with Idaho Code 67-5726(1), no contract or order or any interest therein (i.e. this PADD or individual orders placed against this PADD) shall be transferred by the Contractor to whom such contract or order is given to any other party, without the approval in writing of the Administrator. Transfer of a contract without approval shall cause the annulment of the contract so transferred, at the option of the Administrator. All rights of action, however, for any breach of this PADD by the contracting parties are reserved by the Administrator. Notwithstanding the foregoing, subcontractors may be retained by Contractor from time to time in the ordinary course of business to perform CFI, warranty, break/fix, administrative and back office services who will not have access to Ordering Entity's confidential data other than billing and contact information and provided that Contractor shall remain responsible for the performance of its obligations under this Agreement.

7.2 **Amendments:** Amendments to the Master Agreement (including, but not limited to extensions, renewals, and modifications to the terms, conditions and pricing) will automatically be incorporated in this PADD unless the State elects not to incorporate an amendment by providing written notification to Contractor; which notice must be provided within 10 working days of the date of the amendment to the Master Agreement, in order to be effective. Failure to provide notice in accordance with this Section 7.2 will result in the Master Agreement amendment automatically being incorporated in this PADD.

7.3 **Governing Law:** Notwithstanding any provision to the contrary, the State's PADD and all orders issued under the PADD by Ordering Entities within the State shall be construed in accordance with and governed by the laws of the State. Any action to enforce the provisions of this PADD shall be brought in State district court in Ada County, Boise, Idaho. In the event any term of this PADD is held to be invalid or unenforceable by a court, the remaining terms of this PADD will remain in full force and effect. Except to the extent the provisions of the PADD are clearly inconsistent therewith, the PADD shall also be governed by the applicable provisions of the Idaho Uniform Commercial Code (IUCC).

7.4 **Administrative Fee and Quarterly Usage Report:**

The prices to be paid by the Ordering Entities shall be inclusive of a one and one quarter percent (1.25%) Administrative Fee (the State understands and agrees that Contractor will raise the negotiated Price Agreement prices by this amount). This additional percentage represents the Ordering Entity's contract usage administrative fee. On a quarterly basis, Contractor will remit to State of Idaho, Attn: Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075 an amount equal to one and one quarter percent (1.25%) of Contractor's net (sales minus credits) quarterly

Contract sales.

For Example: If the total of your net sales to Ordering Entities for one quarter = \$10,000, you would remit $\$10,000 \times 0.0125 = \125 to the Division of Purchasing for that quarter, along with the required quarterly usage report.

Contractor will furnish detailed usage reports on a quarterly basis to the Participating State in the form described Exhibit A. In ADDITION to quarterly detailed usage reports, Contractor must also submit a summary quarterly report of purchases made from the Contract utilizing the PADD SUMMARY USAGE REPORT FORM. A Summary Usage Report Form must be submitted for each quarter (enter "0" if no purchases were made during a quarter), and must include a breakdown of purchases by Entity Type (i.e. State Agency, Higher Education, K-12, City, County and 'other'), as provided on the Form.

<u>Reporting Time Line (Fiscal Year Quarters)</u>	<u>Fee and Report Due</u>
1 st Quarter July 1 - Sept 30	October 31 st
2 nd Quarter Oct 1 - Dec 31	January 31 st
3 rd Quarter Jan 1 - Mar 31	April 30 th
4 th Quarter Apr 1 - Jun 30	July 31 st

E-mail your completed Quarterly Summary Usage Reports to purchasing@adm.idaho.gov.

Mail your check, in the amount of the Quarterly Administrative Fee, to: **State of Idaho, Attn: Division of Purchasing, PO Box 83720, Boise, Idaho 83720-0075.**
