

BIO

Alex Limber

Name and Title:

Alex Limber

Buyer

Educational background:

Some College—Boise State University, Embry-Riddle Aeronautical University

Brief description of your experience:

I have 5 years of experience in procurement and logistics. I was first exposed to procurement while working for a small IT company in Tulsa Oklahoma. I continued to hone my skills when I moved back to Idaho to work as a contractor for HP as part of an R&D team, buying components and managing inventory for various projects.

Areas of expertise:

Procurement, Inventory Management, Supplier Relations

Fun fact:

I have a pilots license and in my spare time I enjoy working on programming and 3D modelling projects
